The Lose Your Belly Diet

Change Your Gut, Change Your Life

Random House We want to be healthy. We want to be lean. And we want to lose that annoying fat around our bellies. Now we can! The Lose Your Belly Diet is built around a very clear, research-based concept: eating food that nourishes and protects the microbes in your gut paves the way for weight loss and a slimmer middle. Most importantly, having great gut health is linked to good health and wellbeing throughout your body. Scientists in this rapidly growing field are finding connections between the gut microbiome and a healthy immune system and gastrointestinal system, as well as autoimmune diseases (such as rheumatoid arthritis and inflammatory bowel disease), allergies and asthma - even cancer. And with every study that is published, they are convinced that a healthy gut leads to a healthy body. Indeed, when your gut is happy, your skin glows with health and you look and feel younger. The Lose Your Belly Diet includes meal plans, diet recommendations and recipes, giving readers everything they need to make dramatic changes in their GI health, their weight, their belly fat, and their overall health.

Teach Yourself Studio Photography

This booklet will guide you through all of the essential kit that you need in order to make your studio work from lighting and backgrounds to powerful workstations for seamless editing. Discover what to consider when setting up a home studio, learn more about professional studios and find out how to shoot like a pro. Learn how to shape the light, shoot the human form and capture stunning newborn imagery.

Start building your knowledge, creativity, and confidence with the Nikon D610 today.

Quebec-Ontario Relations

A Shared Destiny?

PUQ Ontario-Quebec relations have flourished in recent years. Environmental and economic agreements have proliferated (infrastructure, trade, investment, labour mobility) and a total of three joint provincial -cabinet meetings were held between 2008, 2009, and 2010. These closer ties provide a good opportunity to reflect on the provinces' shared destiny. Our objective in this book is to contribute to the body of knowledge on -Ontario-Quebec relations and spark renewed interest among researchers on this topic. Our methodology combines historical and comparative approaches. The first part focuses specifically on the origin and current state of relations between the two provinces. It offers a "big picture" view of interprovincial relations from a number of perspectives (political, economic, social, and public policy). The second part compares key public policy issues in the provinces in a wide range of fields. The analyses provided illustrate the similarities and differences

between Ontario and Quebec, and provide a better understanding of the issues and policies that affect Ontario-Quebec relations."

L'assassinat Du Pont-Rouge

Tuesday Nights in 1980

Simon and Schuster "In one sentence, Ms. Prentiss captures a sense of intoxication and possibility that six seasons of voice-overs from Sarah Jessica Parker never could...Ms. Prentiss concludes her novel on a note that's both ethereal and brutally realistic. She cauterizes wounds, but they're still visible and bare. But for her characters—for this promising author—it's enough." —The New York Times "An intoxicating Manhattan fairy tale...As affecting as it is absorbing. A thrilling debut." —Kirkus Reviews (starred review) "A vital, sensuous, edgy, and suspenseful tale of longing, rage, fear, compulsion, and love." —Booklist (starred review) An intoxicating and transcendent debut novel that follows a critic, an artist, and a desirous, determined young woman as they find their way—and ultimately collide—amid the ever-evolving New York City art scene of the 1980s. Welcome to SoHo at the onset of the eighties: a gritty, not-yet-gentrified playground for artists and writers looking to make it in the big city. Among them: James Bennett, a synesthetic art critic for The New York Times whose unlikely condition enables him to describe art in profound, magical ways, and Raul Engales, an exiled Argentinian painter running from his past and the Dirty War that has enveloped his country. As the two men ascend in the downtown arts scene, dual tragedies strike, and each is faced with a loss that acutely affects his relationship to life and to art. It is not until they are inadvertently brought together by Lucy Olliason—a small town beauty and Raul's muse—and a young orphan boy sent mysteriously from Buenos Aires, that James and Raul are able to rediscover some semblance of what they've lost. As inventive as Jennifer Egan's *A Visit From The Goon Squad* and as sweeping as Meg Wolitzer's *The Interestings*, *Tuesday Nights in 1980* boldly renders a complex moment when the meaning and nature of art is being all but upended, and New York City as a whole is reinventing itself. In risk-taking prose that is as powerful as it is playful, Molly Prentiss deftly explores the need for beauty, community, creation, and love in an ever-changing urban landscape.

The Moral History of Women

The Act of Love

Random House No man has ever loved a woman and not imagined her in the arms of someone else. Felix Quinn calls himself a happy man. He owns one of London's oldest antiquarian bookshops. He is married to and adores the beautiful Marisa. But a childhood experience has taught him that loss is intrinsic to love, and Felix realises that he can only be truly happy if his wife is sleeping with another man. Enter Marius into Marisa's affections. And now Felix must ask himself, is he really happy? By the

winner of the 2010 Man Booker Prize.

Work Like Any Other

A Novel

Simon and Schuster "A ... debut set in 1920s rural Alabama following Roscoe T. Martin, a prideful electrician sent to prison after his illegal siphoning of electrical state power for his wife's family's farm leads to an innocent man's death"--

On Earth as It Is in Heaven

A Novel

Farrar, Straus and Giroux A dark, gripping coming-of-age tale that explores violence, friendship, family, and what it means to be a man Summer, Palermo, early 1980s. The air hangs hot and heavy. The Mafia-ruled city is a powder keg ready to ignite. In a boxing gym, a fatherless nine-year-old boy climbs into the ring to face his first opponent. So begins On Earth as It Is in Heaven, a sweeping multigenerational saga that reaches back to the collapse of the Italian front in North Africa and forward to young Davidù's quest to become Italy's national boxing champion, a feat that has eluded the other men of his family. But Davide Enia, whose layered, lyrical, nonchronological novel caused a sensation when it was published in Italy in 2012, has crafted an epic that soars in miniature as well. The brutal struggles for dominance among Davidù's all male circle of friends; his strict but devoted grandmother, whose literacy is a badge of honor; his charismatic and manipulative great-uncle, who will become his trainer—the vicious scenes and sometimes unsympathetic characters Enia sketches land hard and true. On Earth as It Is in Heaven is both firmly grounded in what Leonardo Sciascia liked to call "Sicilitude" - the language and mentality of that eternally perplexing island - and devastatingly universal. A meditation on physical violence, love and sex, friendship and betrayal, boxing and ambition, Enia's novel is also a coming-of-age tale that speaks - sometimes crudely, but always honestly - about the joys and terrors of becoming a man.

How to Draw Pets with Colored Pencils

Jasmina Susak This book will take you through the process of drawing beautiful animals with colored pencils. You'll learn how to create the main lines of your picture with an easy to use grid method for breaking down each section of a reference picture into smaller, manageable pieces. Every tutorial consists illustrations with short explanations for each step based on the author's personal experience. Since

the author is a self-taught artist, the material is presented clearly with friendly instructions that everyone can follow, instead of like the stuff found in educational materials or many other how-to-draw books. The book is written and illustrated by a recognized fine artist, whose unique drawings are popular around the world. This book also covers techniques for creating textures like fur, skin, that are traditionally difficult to make appear realistic. You'll learn tips for blending colors and creating subtle gradients in your drawings. You'll also learn the pros and cons of using colorless wax blenders and in what situations they are best used. This book can be a perfect gift for animal lovers particularly children, since the book contains more than 150 images. This book is a great choice for anyone who appreciates visual art, whether you want to create it yourself and learn through close observation, or just peek behind the curtain to see how such work is done. Enjoy learning!

Prudence

A Novel

Penguin A haunting and unforgettable novel about love, loss, race, and desire in World War II-era America. On a sweltering day in August 1942, Frankie Washburn returns to his family's rustic Minnesota resort for one last visit before he joins the war as a bombardier, headed for the darkened skies over Europe. Awaiting him at the Pines are those he's about to leave behind: his hovering mother; the distant father to whom he's been a disappointment; the Indian caretaker who's been more of a father to him than his own; and Billy, the childhood friend who over the years has become something much more intimate. But before the homecoming can be celebrated, the search for a German soldier, escaped from the POW camp across the river, explodes in a shocking act of violence, with consequences that will reverberate years into the future for all of them and that will shape how each of them makes sense of their lives. With *Prudence*, Treuer delivers his most ambitious and captivating novel yet. Powerful and wholly original, it's a story of desire and loss and the search for connection in a riven world; of race and class in a supposedly more innocent era. Most profoundly, it's about the secrets we choose to keep, the ones we can't help but tell, and who—and how—we're allowed to love.

The Life and Masterworks of J.M.W. Turner

Parkstone International At fifteen, Turner was already exhibiting *View of Lambeth*. He soon acquired the reputation of an immensely clever watercolourist. A disciple of Girtin and Cozens, he showed in his choice and presentation of theme a picturesque imagination which seemed to mark him out for a brilliant career as an illustrator. He travelled, first in his native land and then on several occasions in France, the Rhine Valley, Switzerland and Italy. He soon began to look beyond illustration. However, even in works in which we are tempted to see only picturesque imagination, there

appears his dominant and guiding ideal of lyric landscape. His choice of a single master from the past is an eloquent witness for he studied profoundly such canvases of Claude as he could find in England, copying and imitating them with a marvellous degree of perfection. His cult for the great painter never failed. He desired his *Sun Rising through Vapour* and *Dido Building Carthage* to be placed in the National Gallery side by side with two of Claude's masterpieces. And, there, we may still see them and judge how legitimate was this proud and splendid homage. It was only in 1819 that Turner went to Italy, to go again in 1829 and 1840. Certainly Turner experienced emotions and found subjects for reverie which he later translated in terms of his own genius into symphonies of light and colour. Ardour is tempered with melancholy, as shadow strives with light. Melancholy, even as it appears in the enigmatic and profound creation of Albrecht Dürer, finds no home in Turner's protean fairyland - what place could it have in a cosmic dream? Humanity does not appear there, except perhaps as stage characters at whom we hardly glance. Turner's pictures fascinate us and yet we think of nothing precise, nothing human, only unforgettable colours and phantoms that lay hold on our imaginations. Humanity really only inspires him when linked with the idea of death - a strange death, more a lyrical dissolution - like the finale of an opera.

Guitar For Dummies

John Wiley & Sons Have you always wanted to play guitar? Who wouldn't? Think of Jimi Hendrix wailing away on his Stratocaster. . . Chuck Berry duck-walking across the stage to "Johnny B. Goode". . . B.B. King making his "Lucille" cry the blues. No doubt about it—guitars are cool. *Guitar For Dummies 2nd Edition* tells you everything a beginning or intermediate guitarist needs to know: from buying a guitar to tuning it, playing it, and caring for it, this book has it all—and you don't even need to know how to read music. Full of photo-illustrated exercises and songs you can play to practice the techniques discussed in each section, this step-by-step guide will take you through the basics and beyond before you can say "Eric Clapton." You'll learn how to: Match yourself with the guitar and equipment that fits your needs and budget Select the right accessories: amps, picks, pedals, capos, cases, and other goodies Pick and strum to produce a clean, clear, buzz-free tone Know whether you're really in tune Play melodies without reading music Perform basic guitar maintenance and repairs Build strength and dexterity while playing Play in different styles, including rock, blues, folk, jazz, and classical Make your guitar talk with bends and slides! Fully revised and updated, with an all new interactive CD that allows readers to listen, learn, tune, and play along, *Guitar For Dummies 2nd Edition* is the perfect introductory guide for any novice acoustic or electric guitar player. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.

Barnett Newman and Heideggerian

Philosophy

Lexington Books This book investigates the writings and works of the American Abstract Expressionist artist Barnett Newman in light of ideas articulated by one of Germany's most important and influential philosophers: Martin Heidegger. At the intersection of art history and philosophy, an interdisciplinary approach is proposed whereby the motivations underlying Newman's artistic production, and the specific meanings of his paintings, become more amenable to reading and elucidation.

Diplomatic Baggage

Hachette UK When Sunday Times fashion journalist Brigid Keenan married the love of her life in the late Sixties, little idea did she have of the rollercoaster journey they would make around the world together - with most things going horribly awry while being obliged to keep the straightest face and put their best feet forward. For he was a diplomat - and Brigid found herself the smiling face of the European Union in locales ranging from Kazakhstan to Trinidad. Finding herself miserable for the first time in a career into which many would have long ago thrown the towel, she found herself asking (during a farewell party for the Papal Nuncio): was it worth it? As this stream of it-really-happened-to-me stories shows, it most certainly was - if only for our vicarious bewilderment at how exactly you throw a buffet dinner during a public mourning period in Syria, remain viable as a fashion journalist when taste-wise you are three seasons out of it and geographically a world away, make people believe that there are actually terrible things going on in paradise, be a good mother and save some of the finest architecture in Damascus and Brussels from demolition - seemingly all simultaneously.

The Life and Masterworks of Salvador Dalí

Parkstone International Painter, designer, creator of bizarre objects, author and film maker, Dalí became the most famous of the Surrealists. Buñuel, Lorca, Picasso and Breton all had a great influence on his career. Dalí's film, *An Andalusian Dog*, produced with Buñuel, marked his official entry into the tightly-knit group of Parisian Surrealists, where he met Gala, the woman who became his lifelong companion and his source of inspiration. But his relationship soon deteriorated until his final rift with André Breton in 1939. Nevertheless Dalí's art remained surrealist in its philosophy and expression and a prime example of his freshness, humour and exploration of the subconscious mind. Throughout his life, Dalí was a genius at self-promotion, creating and maintaining his reputation as a mythical figure.

Guitar Chords for Dummies

John Wiley & Sons Whether you're playing blues, rock, classical, or folk-all the chords you'll need are here Even Eric Clapton started with a few basic chords. And *Guitar Chords For Dummies* offers guitarists of every ambition, skill level, and musical genre a key to the simplest and most complex guitar chords-over 600 in all. Illustrated with a grid showing the position of the fingers on a string, a photograph of the chord being played, and a brief comment on the chord and how to play it, this handy, portable reference offers musicians, whether experimenting at home or playing in a coffee house, instant access to the full range of chords that can be played on a guitar. Covers the theory and techniques of guitar chords Features a handy, portable design, which can fit into a guitar case Includes a convenient lay-flat (wire bound) format, allowing users to easily try out new chords An ideal resource for broadening musical technique and getting new ideas, *Guitar Chords For Dummies* will help you, whether you're just picking up the guitar or a seasoned musician, add sparkle and range to your musical repertoire.

A Procession of Them

University of Texas Press In some countries, they call them the "abandonados," the abandoned ones. They're the impoverished mentally ill and mentally disabled patients being warehoused in psychiatric asylums that are more run-down, more uncaring than the most brutal American prisons. Confined in cage-like cells, tied to beds soiled with human waste, medicated to the point of senselessness, or wandering naked in unheated and garage-like wards, they live in what can only be called the shadows, their plight unseen and too easily ignored by the rest of the human family. Working first as a journalist, later as a volunteer for the human rights organization Mental Disability Rights International, photographer Eugene Richards gained access to psychiatric institutions in Mexico, Argentina, Armenia, Hungary, Paraguay, and Kosovo. His wrenchingly intimate images reveal the often inhumane treatment suffered by the mentally disabled. Offered little that would qualify as effective care, patients are denied even the most basic human amenities: privacy, protection from harm, clean clothing. Accompanying the book, *A Procession of Them*, is a DVD of a short film of the same name. Directed and narrated by Richards, this unique and expressionistic film speaks of the chaos, claustrophobia, and loneliness of these living hells. Making us face some hard truths, *A Procession of Them* drives home the point that when it comes to the plight of the mentally disabled, "no one much cares." As Richards concludes, it's "as if there is a kind of worldwide agreement that once people are classified as mentally ill or mentally retarded, you're free to do to them what you want."

1000 Portraits of Genius

Parkstone International According to the defined canons of art technique, a portrait should be, above all, a faithful representation of its model. However, this gallery of

1000 portraits illustrates how the genre has been transformed throughout history, and has proven itself to be much more complex than a simple imitation of reality. Beyond exhibiting the skill of the artist, the portrait must surpass the task of imitation, as just and precise as it may be, to translate both the intention of the artist as well as that of its patron, without betraying either's wishes. Therefore, these silent witnesses, carefully selected in these pages, reveal more than faces of historic figures or anonymous subjects: they reveal a psychology more than an identity, illustrate an allegory, serve as political and religious propaganda, and embody the customs of their epochs. With its impressive number of masterpieces, biographies, and commentaries on works, this book presents and analyses different portraits, consequently exposing to the reader, and to any art lover, a reflection of the evolution of society, and above all the upheavals of a genre that, over 300 centuries of painting, has shaped the history of art.

Bonnard and the Nabis

Parkstone International Pierre Bonnard was the leader of a group of post-impressionist painters who called themselves the Nabis, from the Hebrew word meaning 'prophet'. Bonnard, Vuillard, Roussel and Denis, the most distinguished of the Nabis, revolutionized the spirit of decorative techniques during one of the richest periods in the history of French painting. Influenced by Odilon Redon and Puvis de Chavanne, by popular imagery and Japanese etchings, this post-impressionist group was above all a close circle of friends who shared the same cultural background and interests. An increasing individualism in their art often threatened the group's unity and although tied together by a common philosophy their work clearly diverged. This publication lets us compare and put into perspective the artists within this fascinating group. The works presented in this collection offer a palette of extraordinary poetic expressions: candid in Bonnard, ornamental and mysterious in Vuillard, gently dream-like in Denis, grim and almost bitter in Vallotton, the author shares with us the lives of these artists to the very source of their creative gifts.

Dorchester Days

Phaidon Incorporated Limited This is Eugene Richards' 1972 photographic essay, a social document of his home town of Dorchester, Massachusetts, previously only self-published. The book includes additional pictures and a text that speaks of racial tension, violence, poverty and crime, tackling such subjects as the Klu Klux Klan in a way that he did not feel able to at the time of the original publication. On the basis of "Dorchester Days", Richards became a member of Magnum Photos in 1978, leaving to work independently in 1994. His style has set the standard for leading photojournalists such as James Nachtwey and Gilles Peress.

Fae for All

Createspace Independent Publishing Platform Jax Cooper never planned to meet his mates. A strong wolf shifter, who keeps his Fae heritage hidden, all Jax wants to do is

keep his pack safe and his secrets tucked away. But when men turn up from another pack, all intent on stealing the two men Jax knows to be his, then Jax's wolf has a hard time controlling himself. Aelfric and Fafnir have been together for three hundred years. Not that unusual for two Sidhe Fae princes. Having known since puberty that their third destined mate was a wolf shifter, they are overjoyed when Dean, the sweet Omega from the Cloverleah pack gets in touch with them to let them know some possible mates have been found. Hurrying to the Cloverleah Pack, the two men not only find their mate, but also find out that the Cloverleah pack is in trouble - and it's coming from all sides. Trying to keep his head, and his mates, Jax has to rely on his friends from the pack to keep things safe. Between two other packs, vampires, the Shifter Council and the Fae Council all trying to intervene in what should be a simple mating process Jax has to wonder if keeping the two beautiful men, destined to be his, is worth losing his life over.

Atlantia

Penguin UK Set within a civilization that lives deep beneath the sea, twin sisters, Rio and Bay, are about to make the most important decision of their lives. Will they choose to stay Below, sacrificing their soul but living in happiness, or to go Above, keeping their soul but living in weakness and misery. No one could have predicted their choice.

Sexitecture

The Female Body Graced by Architecturally Inspired Furniture

SEXITECTURE: The Female Body Graced by Architecturally Inspired Furniture is a limited edition book, bound in a black leather grain frame lid box. A gallery of images intended to promote design as it relates to human scale, appear on individual plates. Display your favorite image in the lid. Can't decide? Rotate them weekly, or frame them individually in any standard 8 x 10 frame. Each of the 10,000 books comes with a certificate of authenticity, signed and uniquely numbered by the author himself.

What's Left of the Night

New Vessel Press "A lyrical and erotic reimagining of the gay Greek-Alexandrian poet C.P. Cavafy's three-day trip to Paris in 1897 . . . dizzying, fevered and beautiful." —The Millions Winner of the 2019 National Translation Award In June 1897, the young Constantine Cavafy arrives in Paris on the last stop of a long European tour, a trip that will deeply shape his future and push him toward his poetic inclination. With this lyrical novel, tinged with a hallucinatory eroticism that unfolds over three unforgettable days, celebrated Greek author Ersi Sotiropoulos depicts Cavafy in the

midst of a journey of self-discovery across a continent on the brink of massive change. He is by turns exhilarated and tormented by his homosexuality; the Greek-Turkish War has ended in Greece's defeat and humiliation; France is torn by the Dreyfus Affair, and Cavafy's native Alexandria has surrendered to the indolent rhythms of the East. A stunning portrait of a budding author—before he became one of the 20th century's greatest poets—that illuminates the complex relationship of art, life, and the erotic desires that trigger creativity. "A perfect book." —Edmund White, author of *A Boy's Own Story* "The novel is as sensual as it is erudite, a stirringly intimate exploration of the private, earthy place where creation commences." —*The Wall Street Journal* "A remarkable novel . . . both a radiant work of the imagination and a fitting tribute to the greatest Greek poet of the twentieth century." —*The Times Literary Supplement* "Engaging and original . . . powerfully erotic . . . This is a hallucinatory work of art, in every sense." —*The Literary Review*

The Dead Fish Museum

Knopf In eight unforgettable stories, five of which previously appeared in *The New Yorker*, a son confronts his father's madness during a camping trip, two drifters share a ghostly vision of a young girl lost in an Iowa cornfield, a young writer battles for his sanity in a hospital psych ward, and more. By the author of *The Point*. 25,000 first printing.

Safe House

Faber & Faber *When There's Nowhere Left to Hide . . .* When Rob Hale wakes up in hospital after a motorcycle crash he is told that Lena, the woman he claims was travelling with him, doesn't exist. The woman he describes bears a striking resemblance to his recently deceased sister, Laura, but has he really only imagined her? Rob sets out to find the answers to who Lena is and where she has gone. He is aided by Rebecca Lewis, a London-based PI, who has come to the Isle of Man at the behest of his parents to investigate his sister's suicide. But who is Rebecca really and how did she know his sister? Together Rob and Rebecca follow the clues to discover who took Lena. In doing so they discover that even on an island where most people know each other, everyone hides a secret, and that sometimes your best option isn't to hide but to stay and fight.
