"In Experiencias Intermediate, students follow Sofía, a 23-year-old heritage learner of Spanish from the U.S., who travels extensively. Like Daniel in Experiencias Beginning, Sofía introduces each chapter's main strategy and shares her blog on the Spanish-speaking world. Through her video segments, Sofía poses questions to Spanish speakers and invites students to compare others' perspectives to their own. Guided by the ACTFL Proficiency Guidelines (2012), Experiencias concentrates on what students can realistically communicate after two to four semesters of

classroombased Spanish language instruction. Experiencias Beginning develops oral communication and literacy through a variety of authentic tasks. With the help of Experiencias Intermediate students continue to develop communicative competencies while also focusing on practical literacies, digital humanities, and job-related skills. Alone

Sourcebooks, Inc. This must-read for lovers of Stephen King's The Shining will leave readers breathless as Seda and her family find themselves at the mercy of a

murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...
