KEY=SEQUEL - DEVIN GRIFFIN

A SUCCESSFUL NOVEL MUST BE IN WANT OF A SEQUEL

SECOND TAKES ON CLASSICS FROM THE SCARLET LETTER TO REBECCA

McFarland *What happened after Mr. Darcy married Elizabeth Bennet in Pride and Prejudice? Where did Heathcliff go when he disappeared in Wuthering Heights? What social ostracism would Hester Prynne of The Scarlet Letter have faced in 20th century America? Great novels often leave behind great questions, and sequels seek to answer them. This critical analysis offers fresh insights into the sequels to seven literary classics, including Jane Austen's Sense and Sensibility, the Brontë sisters' Jane Eyre, Louisa May Alcott's Little Women, and Daphne du Maurier's Rebecca.*

THE CRITICAL PHILOSOPHY OF IMMANUEL KANT

SNAKES' LEGS

SEQUELS, CONTINUATIONS, REWRITINGS, AND CHINESE FICTION

University of Hawaii Press *Snakes' Legs examines sequels (xushu), a common but long-neglected literary phenomenon in traditional China. Xushu as a discursive practice reinforces the paradox that innovation is impossible without imitation.*

THE HIDDEN CHURCH OF THE HOLY GRAAL

Lulu.com *In the 13th century, over a few decades, a huge literature emerged around an unlikely tale. Survivors of the core of early Christianity make a perilous journey to Western Europe. They begin a hidden bloodline, preserve immensely powerful relics of the crucifixion, and carry a secret which, if revealed, would turn the established church on its head. A.E. Waite gets to the core of the Grail legend, an interwoven mass of narratives which started with seeds of pagan folklore and grew into a massive allegorical Christian epic.*

THE SEQUEL SUPERIOR

Dorrance Publishing *The Sequel Superior By: Edward K. Eckhart-Zinn Edward K. Eckhart-Zinn believes strongly that the age of internet criticism has led to a new path of viewing film and television, or by the encompassing terminology, "screen work". A healthy array of screen work subjects are covered in The Sequel Superior, from the serialization of film through franchises like Star Wars or the MCU, to the overlooked impact your personal life has on any constructed artworks, exploring just how massive and engaged that link is. This book is equally for creators and critics alike, bringing new light to conceptually finding "objective factors" in "subjective artistry". Screen works of all kinds are heavily dissected on this figurative operating table, such as Rick and Morty, Breaking Bad, The Simpsons, and the Star Wars sequel trilogy. The modern screen work climate is anatomically deconstructed to render an almost scientific schematic, breaking down elements such as tropes, hype, plot threads, plot holes, the fairly new presence of the internet, fandom, fan fiction, fanfare, the benefits of an animated medium, rosy retrospection, nostalgia, and all of their respective effects to generate the take o the current-day media environment. Instead of retreading the continued deconstruction of such antique masterpieces like Casablanca or The Shining, we instead immerse ourselves in the less respected yet extremely popular "popcorn movie" and attempt to understand why the highest grossing films for the last ten years have all been sequel installments. This book posits that there truly are right ways and wrong ways of making this artwork, and the consumer, critic, and creator can all benefit greatly from its perspectives.*

THE WESTMINSTER REVIEW

A MUST READ FOR EVERYONE

SEQUEL TO THE BOOK: MANY THINGS MOST CHRISTIANS DO NOT KNOW

As in my first book, 'Many Things Most Christians Do Not Know', you will find a variety of topics most Christians and non-Christians alike have never heard of, nor even thought about before. Like the first, this book is full of humor. With so much hate, sadness, and suicide in this world, humor is desperately needed in our lives and to share with others. Even the Bible addresses the positive advantages of about how a good chuckle benefits both the body and the soul. 'The Annihilation Theory!' What is it, and is there any truth to it? The stage is now being set, as numerous events are already in motion for the soon-coming 'New World Order' as depicted in the Bible. You will discover Biblical prophecies written over 1900 years ago that are now becoming fact. For example, some people believe there may be another 'Ice Age' on this earth. Is that possible? Actually the Bible talks about a climate change on this earth, which I discuss in this book. It also talks about destruction, mass murders, natural disasters, diseases, torment, chaos, wars, unparalleled to anything that has happened on this earth before, as I will explain and using 'God's Holy Word'. These facts prove that not only what the 'Holy Scriptures' say are true, but the time of the 'Great Tribulation' is very, very near. Take some of your quiet time and relax to hopefully learn, be inspired, and also enjoy some of what I call: 'Just Downright Funny!'
