**Fitnah terhadap Sahabat Rasulullah; Merungkai Kontroversi, Menyingkap Realiti** [PTS Islamika Perpecahan umat Islam berlaku sejak lebih 700 tahun yang lampau. Ahli Sunnah Waljamaah, Syiah, Khawarij dan sebagainya muncul pada zaman itu. Semuanya didakwa berpunca daripada kelemahan pemerintahan Khalifah Uthman berbanding Khalifah Abu Bakar dan Khalifah Umar yang menyebabkan beliau dibunuh. Perlantikan Saidina Ali sebagai khalifah bertambah kritikal apabila berlaku konflik antara pengikut Saidina Ali dengan pengikut Muawwiyah dan diikuti perang antara kedua belah pihak dan perang dengan Saidatina Aishah. Pertelingkahan antara sahabat turut mengheret umat Islam dalam pertelingkahan pandangan pada zaman ini. Isrā'iliyyāt, Ḥadīth](#)

**Mawdū' & Fitnah Sirah di Alam Melayu** PTS Publishing House Sdn. Bhd. Ibarat sebatang sungai yang sudah mengalir selama 1400 tahun lebih, bermula dari hulunya yang suci bersih-bebas dari segala kekotoran, tetapi apabila semakin sampai ke hujung muara segala sampah-sarap sepanjang sungai dibawa bersama ke muara yang kini kita sedang berada di sana. Begitu juga Islam, dari awal zaman terbaik yang terjaga ketulenan dan kesuciannya, namun selepas kewafatan Rasulullah s.a.w. pencemaran, keracunan dan kerancuan muncul sama ada dari luar atau dalam Islam sendiri menyebabkan pemahaman dan pelaksanaan Islam sama ada dalam urusan 'aqidah, 'ibadah dan mu'amalah semakin jauh dari sifat tulennya yang suci murni. Naskhah ini menguhujahkan - antara punca kerancuan pemikiran beragama orang Islam-Melayu-Nusantara ada pada fakta sejarah awal perkembangan Islam dan tradisi penulisan karya-karya berkaitan Islam di Alam Melayu. Ia bermula daripada metodologi penulisan Sastera Hikayat Berunsur Islam, Sastera Kitab, Sastera Ketatanegaraan dan seumpama dengannya pasca Islam berkembang di Nusantara. Ini adalah kerana penulisan karya-karya tersebut tidak menjadikan disiplin yang sudah digarispandukan oleh para ulama Islam sejurus kewafatan Rasulullah s.a.w. sebagai metodologi penyebaran maklumat berkaitan Islam. Ringkasnya, proses tersebut tidak melalui kerangka dan disiplin ilmu Riwayah dan Dirayah. Ini menyebabkan semenjak Islam menapak di Alam Melayu sehingga saat ini, riwayat Isrā'iliyyāt, Hadīth Mawdū', dan Fitnah Sirah yang ditularkan buat sekian lama masih subur malah dianggap Sahīh oleh sebahagian besar umat ini!

**Sultan Muhammad Al-Fateh: The Conquerer of Constantinople** PTS Publishing House Sdn. Bhd. This is the story of the legendary Muhammad Al Fateh, following him from his childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad AlFateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, AlFateh carefully assembled and equipped his army. Finally, after an epic battle, Constatinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong. **Islam and Muslim Societies** Islam is more than a religion in the strict theological sense. If we confine ourselves to doctrinal normativity and Islamic law to analyse what Muslims motivate and how they build religious landscapes and life worlds, we seriously narrow down our understanding of Islam. Islamic society is a universal society, found at every place, in East and West, in south and north, and found at all time. It was not only found at the time of the Prophet, but also before his time, and at the time of other Messengers from Adam to Jesus (peace be upon them all), and after their time. Koranic teachings promote an ascetic ethic of self-control that bears on virtually all aspects of everyday activity. For Muslims, faith has not merely been a matter of private life and a personal relation with God. It has had pervasive social consequences. The Holy Qur'an and the traditions of the Prophet are concerned about Muslim and Islamic society. In many ways these holy books focuses on the importance of Islamic society. Because Allah and his prophet believes that Muslims Ummah are the best

among all Adam's generation. Consequently, Islamic religion takes them out from the darkness into the light in order to achieve happiness, felicity in this world and the Hereafter. This book *Islam and Muslim Societies* consists of studies dealing with political, economic, legal, and social policies that affect every facet of the social life of Muslims. This book is aimed at bridging the gap between the textual and contextual approaches to Islamic Studies; and solving the dichotomy between 'orthodox' and 'heterodox' Islam. It contains a selection of studies written by scholars and authors dealing with Islam and Muslim societies as its central focus of academic inquiry and to encourage comprehensive consideration of its many facets; to provide an opportunity for the study of Islam and Muslim societies in their global context; to encourage interdisciplinary studies of the Islamic world that are cross-national and comparative; to promote the diffusion, exchange and discussion of research findings; and to encourage interaction among academics from various traditions of learning.

**THE PROPHETIC BIOGRAPHY (SIRAH OF IBNU HISHAM) السيرة النبوية لابن هشام [إنكليزي]** Dar Al Kotob Al Ilmiyah دار الكتب العلمية **The Divine Bureaucracy and Disenchantment of Social Life A Study of Bureaucratic Islam in Malaysia** Springer Nature This book traces the expansion of Islamisation within a modern and plural state such as Malaysia. It elaborates on how elements of theology, sacred space, resources, and their interactivity with secular instruments such as legislative, electoral, and new social technological platforms are all instrumentally employed to consolidate a divine bureaucracy. The book makes the point that religious social movements and political parties are only few of the important agents of Islamisation in society. The other is the modern and secular state structure itself. Weber's legal rational bureaucracy or Hegel's ethical bureaucracy predominantly characterises a modern feature of governmentality. In this instance an Islamic bureaucracy is advantageously situated not only within an ambit of modernity and therefore legality, but divinity and therefore sacrality as well. This positioning gives religious state agents more salience than any other form of bureaucracy leading to their unquestioned authority in the current contexts of societies with Muslim majority rule. One of the requisites of this condition is the homogenisation of Islam followed by ring-fencing of its constituents. The latter can involve contestations with women, other genders, 'secular' Muslims, non-Muslims as well as dissenting Muslims with their differing truthful 'Islams'.

**Schools and Politics The Kaum Muda Movement in**

**West Sumatra (1927-1933)** Equinox Publishing The driving force of Minangkabau history arises from the struggle to build a balanced social order on a convergence of seemingly contradictory social and cultural aspects. From the time when Islam was conceived as a pillar of the Minangkabau world, the history of Minangkabau has been dominated by an effort to attain an acceptable equilibrium between the doctrine of a universal religion and the wisdom and ideals of the pre-existing pillar, the indigenous element or adat. The idea that Islam is an inseparable part of Minangkabau has generated constant internal struggle. A traditional notion that ideas which came from the outside world (the rantau) might endanger the foundation of Minangkabau or stimulate disturbing potentialities already inherent in it resulted in ambivalence toward Western-oriented modernization. The purpose of this study is to trace the development of the Kaum Muda movement and to inquire into its intellectual and social impact on Minangkabau. The principal actors were actually from the second generation of Islamic modernists, the students of the Kaum Muda ulama. We will examine the way they confronted their social and political environment; the path they followed in carrying out their various programs; their encounter with the Dutch government; and their relationship with the adat authorities. We will seek to determine the impact of the activities and intellectual development of these young Islamic modernists upon their own group and upon their relationship with their former mentors, the Kaum Muda ulama. For this reason, the study concentrates on the period beginning in early 1927 and ending with the third quarter of 1933.- Taufik Abdullah"

The words of Wardiman Djojonegoro reveal Indonesian history the way only a man who worked alongside Ali Sadikin, B. J. Habibie and Soeharto can. The modest 85-year-old, a former education minister and current foundation chairman at the Habibie Center, recalls the younger days of a "big village" Jakarta and says it was the country's third president who taught him the keys to national development. This is what Peter Zack, a reporter for the Jakarta Globe, wrote on 18 April 2009. In the present English translation of his 2014 memoir, *Standing on the Shoulders of Giants: Reminiscences of Working with Three Great Indonesians, 1966-1998*, Wardiman invites us to take a walk down memory lane and in so doing he tells us something about his life and career, as well as sharing his thoughts on a lifetime of public service under three great Indonesians. It must be emphasized that this work is essentially as history of the process of educational technology rather than of products in the form of devices or media. Although media have played an important role in educational technology, the reader should not lose sight of the central process which characterizes and underlies the true historical meaning and function of educational technology. Moreover, the assumption is made that all current theory, methodology, and practice rests upon the heritage of the past. Indeed, a common problem in the field has been the failure, in many instances, to take adequate account of past history in planning for the present or the future. A related purpose of this book is to provide a selective survey of research in educational technology as it relates to the American public schools. Such research reviews are not intended to be comprehensive, but were included because of their historical importance and their relevance in understanding the process of educational technology. **English for Port and Shipping Management** Deepublish Teaching and learning process is fully successful if it is equipped with a book containing needed materials. Pustaka Utama OSCT Indonesia is a company established in 2011 by Bayu Satya based on his concern about oil spill disasters in the seas. Before that, this entrepreneur from Palembang, South Sumatra, had been involved for decades in the world of manufacturing oil spill response equipment with the brand Slickbar Indonesia. The idea for establishing OSCT Indonesia was motivated by the reality that many companies are not able to buy, store, and operate oil spill response equipment in their operational headquarters. Even though, the risk of oil spill disasters is always lurking when not expected. An oil spill disaster in the seas creates a chain of terrible impacts that are so destructive. The environment is damaged, marine life is exposed to poisonous chemicals, and human health is also threatened because the fish have been contaminated with dangerous poisons. OSCT Indonesia in the period of almost a decade since it was established has undertaken a series of brilliant achievements in saving the seas from fierce oil spills. Their reputation in Indonesia and abroad can make everyone proud. This book is an interesting record which is brief yet complete about how this concern was born in Bayu Satya, how he began the struggle to build this industry in Indonesia, how he then has played many roles in the international scene, as well as all the twists and turns of this field.

The murders all link back to Our Lady of Virtues, the asylum where Eve's father worked as a doctor. She wandered those hallways as a child, exploring hidden rooms and chambers, too young to understand what was happening there. Now, with every victim found, each body tattooed with a number, the pieces of a deadly puzzle fall into place—and all point back to Eve and the ruins of the once-grand hospital. Detective Reuben Montoya and his partner, Rick Bentz, once convinced of Cole's guilt, now suspect a deeper evil at work. Eve knows she has little choice but to return to Our Lady of Virtues—and to trust Cole in her search for answers. But as Eve's memories gradually return, they only lead her closer to danger, toward the final, meticulously planned act of a killer obsessed with vengeance—and with her.

**Challenging the Secular State The Islamization of Law in Modern Indonesia** University of Hawaii Press It was an impossible crime: knock off an entire North Dakota town called Copper Canyon—clean out the plant payroll, both banks, and all the stores in one night. If the men behaved like pros, cool and smart; if they didn't get impatient, start chasing skirts, or decide to take the opportunity to settle secret old scores...they just might pull it off.
