BLOOD ON THE ALTAR

Faber & Faber One Sunday morning in 1993 a 16-year-old girl named Elisa Claps goes missing from a church in the centre of Potenza, Italy. Shortly before her disappearance, Elisa had met Danilo Restivo, a strange local boy with a fetish for cutting women's hair on the back of buses. Elisa's family are convinced that Resitvo is responsible for their daughter's disappearance, but he is protected by local big-wigs: by his Sicilian father, by a doctor with links to organised crime, by a priest who had vices of his own. Years went by and Elisa's family could find only false leads. 2002, and Restivo is now living in Bournemouth. In November that year, his neighbour is found murdered, with strands of her own hair in her hands. Once again the police are at a loss to pin anything on him. It's not until 2010, when Elisa's decomposed body is found in the church where she went missing, that the two cases are linked and Restivo is finally dealt with. Blood on the Altar combines a gripping true crime case with Jones's deep understanding of Italian culture - the impunity it offers to the powerful - he so expertly demonstrated in his bestseller: The Dark Heart of Italy.

But

after their Roman enemy is neutralised they face a challenge greater still. With two of the Bructeri tribe's greatest treasures in their hands they must regain Roman territory by crossing the unforgiving wilderness that was the graveyard of Roman imperial strategy two hundred years before. And capture by the Bructeri's vengeful chieftain and his warband can only end in one way - a horrific sacrificial death on the tribe's altar of blood.

Here is a display of an example of the consequences lying ahead of respected religious leaders who toy with secret sins. This dramatic piece contains an emphatic expression of the fact that unconfessed sins can not be concealed for ever, like smoke, it still finds a way to ooze out of an unexpected opening. Rev. Hosea, had desecrated the Lord's altar with terrible hidden sins, and in his various attempt to conceal these sins, he got them increasing one upon the other until he got too far and felt it hard to turn back. This dramatic piece had already been made into an inspiring TV Serial and shown on more than 75 TV stations in Nigeria and ran on many satellite channels including the AFRICAN MAGIC Channel of the M-NET, South Africa.

CONFESSIONS OF A JEHOVAH'S WITNESS MINISTER

"More kids are dying right now in obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas," says former Witness elder David A. Reed. "How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry?" Reed cites dozens of well-documented cases media reports naming victims, doctors, and hospitals issuing their death certificates as he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes he details an enforcement apparatus that reaches even into clinics and hospitals. He

brings to light secret instructions for hospital employees to turn over confidential patient records to the church, and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God, but actually fabricated by the church hierarchy. After leaving the sect, he spent years researching its history and activities evidence revealed here for the first time. Reed's warning cannot be ignored.

BLOOD ON THE ALTAR

THE COMING WAR BETWEEN CHRISTIAN VS. CHRISTIAN

Defender Pub Llc As the world races toward its momentous end-times encounter between good and evil (known in the Bible as Armageddon), a deepening antagonism is developing worldwide against conservative Christians. According to a 2014 Pew Research Center report this hostility now includes the United States, which elevated from the lowest category of government restrictions on Christian expressions as of mid-2009 to an advanced category in only the last three years. This trend may point to one of the most overlooked aspects of Bible prophecy--a war that ultimately pits born-again believers against religious Christians. The inspired texts themselves say a time is coming when "whosoever killeth you [true Christians] will think that he doeth God service." In Matthew 24:9, Jesus further warned: "Then shall they deliver you up to be afflicted, and shall kill you," and in the book of Revelation it describes this era as when Antichrist will have power "to make war with the saints, and to overcome them..." (Rev. 13:7; Dan. 7:21). All this unfolds as a False Prophet emerges--a final global superchurch leader that causes "as many as would not worship the image of the beast should be killed" (Rev. 13:15).

THE MYSTERY OF THE BLOOD

SAVED BY THE BLOOD OF JESUS

Human Blood is the medium of communication and exchange in the spirit world as far as God and man are concerned. Anything God intends to do for man demands blood. God cannot communicate with any man if he (man) doesn't give a sacrifice of his own blood at an altar which God dignifies. The theory of altars is what specifies how blood should be presented unto God. An altar is a place set by God on which all men should sacrifice their blood through their representative. The first Adam was the representative of all men but he failed the task of sacrificing his own blood upon the altar on behalf of all men. By the disobedience of Adam, human blood became the property of Satan who now transmits and distributes demons through

it to oppress mankind. Jesus came as the second Adam to destroy the works of Satan by sacrificing Himself on the altar (Cross of Calvary) as the new representative of all men.

BLOOD FROM THIS ALTAR

Independently Published Words, like paint, flow forth from the Poet's brush, and paint a canvas of ideas, memories, losses and loves. The years, cryptically etched on woven fibers, bleed our blood, breathe our breath, weep our tears and imbibe our ecstasies. The heights of human sublimity and the depths of our follies are exposed, the pride and the shame have leaked from the veins of humanity; black stains on white linen. Our struggle through the labyrinth of reason, uncovered. Our search for Diety strengthened and questioned. Poetry is a longsword, forged in the mind, of ink and thought, beat out on the anvil of suffering and quenched in the waters of pleasure, to be wielded by the master to create absolute beauty, but clumsily by the fool to bring forth dross. Like wild rain beating out a cadence on our hearts, poetry dances across our soul, thrilling our passions to unseen summits, then dashing us onto the dark shores of despair. Crisp dark letters on the page, like soldiers lined up on a battlefield covered with snow, fight and struggle for the supremacy of ideas, but in the end they are just words, and do not think for us and cannot act for us, we must own that, and interpret these echoes from the past, these weeds and flowers from the present and choose our future.

AuthorHouse "Blue Ice" is not an attempt to be catchy or complicated. These are just words that give away emotion and substance to the expressions that fall all around "thin ice". They are just words that apply to what I write about most - relationships of the intimate kind - often those not considerate of our welfare or worth. I have wrestled an almost innate need to rescue and fix people, obeying false commandments and paying penance to procure my own good, and believe I deserve it. What makes it too daring to save ourselves before extending an arm through shards of blue ice, clutching a hand held offering... still beating? I do not want you to think this is a dark book shrilling prophetic doom in contorted faces. It is about rising up on the power of our own self-worth. It is about being anchored by the shouts from lamp lit watch towers, old draw bridges, and warmed stick built shacks - everywhere. If there is obscurity in my poems and stories, it's so you may see yourself in a few words, a phrase or sentence, and chisel or sculpt what you need to find in one spring fed pocket of air that you are not alone. ... it is in the wrestling with cold swirling waters that we find our bliss, sustain it breath by breath, and round by round. Am I on thin ice? Maybe, but I can see blue a safe distance away. Just words...

Reed and the publisher deserve the thanks of millions of Americans for exposing the dangers of a multi-billion dollar book distributing sect. Truly an amazing study. WITH BLOOD

MAKE DIFFICULT ISSUES DISAPPEAR THROUGH THE POWER OF PASSOVER

Tate Publishing & Enterprises WITH BLOOD is a book that talks about man's release from both physical and spiritual bondage, most especially. It

shows that the blood is what powered man back to life after the sin of Adam, which went down to us. Have you ever wondered why God said, "When I see the blood, I will pass over you" (Not when I see your goodness, or observing the Ten Commandments)? Why would God ask Solomon to place a demand on anything, the night he messed His altar with the blood of a thousand cows? Author Fwa says, what makes Bible the book of life is the blood that is contained in every chapter and verse, which is why believers are moved whenever they meditate on the word of God. You are encouraged to go through this book with full confidence that all was paid for with blood. "For Christ, our Passover was sacrificed for us" (1 Corinthians 5:7).

SACRIFICE: THE ALTAR OF OBEDIENCE

JEHOVAH'S WITNESSES AND BLOOD TRANSFUSIONS

In the United States, it is estimated that thousands of Jehovah's Witness' adults and children die for refusing blood transfusions on an annual basis. At this writing, the Watchtower occupies 233 countries where thousands of Jehovah's Witnesses refuse blood transfusions; and yes, countless continue to die. Because the Watchtower is believed to speak for Jehovah God, the Jehovah's Witnesses render full obedience to Watchtower teaching. To reject the "council" of the Watchtower is to reject the "council" of Jehovah God Himself. This is the authority that drives the Jehovah's Witnesses to unquestioned obedience to the Watchtower organization - even to the point of death. The purpose of this book is to first help the reader understand how the Watchtower is able to convince their Witnesses that receiving blood transfusions is a punishable offense sanctioned by Jehovah God; second, to have the Jehovah's Witnesses take a look at the Watchtower's position on this teaching probably never known before; third, to give the Witnesses free-thinking positions to consider. Jehovah's Witnesses and non-Witnesses alike have the right to refuse medical treatment - even a blood transfusion; however, matters such as this should be made out of one's own free will. No one, including religious institutions (such as the Watchtower Society), has the right to impose their wills on others by the use of guilt and fear - specifically when it comes to choosing medical advice. The purpose of this book is not to convince anyone to take a blood transfusion. The author's focus is to have the reader evaluate the contents, check the citations, come to their own conclusions and make their own decisions.

THE DARK HEART OF ITALY

Faber & Faber An essential guide to the strange, sometimes sinister culture of contemporary Italy. In 1999 Tobias Jones travelled to Italy, expecting to discover the pastoral bliss described by centuries of foreign visitors and famous writers. Instead, he discovered a very different country, besieged by unfathomable terrorism and deep-seated paranoia, where crime is scarcely ever met with punishment. Now, in this fascinating travelogue, Jones explores not just Italy's familiar delights (art, climate, cuisine), but the livelier and stranger sides of the bel paese: language, football, Catholicism, cinema, television and terrorism. Why, he wonders, do bombs still explode every time politics start getting serious? Why does everyone urge him to go home as soon as possible, saying that Italy is a 'brothel'? And why do people warn him that 'Clean Hands' only disguise 'Dirty Feet'?

THE TABERNACLE'S TYPICAL TEACHING

Scripture Truth Algernon James Pollock's classic volume is an exposition of "types" - people, places, objects, events, offices, activities and institutions - connected with the Tabernacle, the Priesthood, the Offerings and the Feasts (particularly as described in the first five books of the Old Testament) which foreshadow their corresponding New Testament "antitypes" - most particularly Christ Himself. The author wrote in a postscript to the first edition: "The reward of this modest volume will be if it whets the appetite of the reader, leading him to desire to know more of these wondrous subjects. The theme is delightful indeed as it leads the heart into contact with Christ, subduing it by a deepening sense of the meaning of the death of Christ, leading out at the same time the affections of the heart to Him to Whom the believer owes everything for time and eternity." Elsewhere he once wrote: "We appeal to our readers, especially young men and women, to give the Bible a fair trial. Read it, study it, and seek earnestly the truth." The publishers commend this book to you as an aid to such study, confident that as you read, your appreciation will grow of the wonder of the One who is indeed the Tabernacle's true Theme, and is Himself the Truth.
