Anderson's Victory Over the Darkness Everest Media LLC** Please note: This is a companion version & not the original book. Sample Book Insights: #1 The most basic of all questions is: Who are we, and why are we here. We tend to seek self-verification, or become somebody special through appearance, performance, or social status. However, what people appear to be doesn't always reflect who they are. #2 The book of Ecclesiastes describes the futility of trying to find meaning in life without God. It says that everything is meaningless, and that people are not worth anything without God. #3 The Hubble Space Telescope allows us to view the extravagance of creation, and what we see is beyond our ability to comprehend. The universe has supernovas, galaxies, and stars so large that if they were printed on a page, the earth would be a tiny dot in comparison. #4 The heart is the center of self. It is the seat of reflection, not the seat of emotions. The heart is the place where the mind, will, and emotion converge into one holistic unity. **Who I Am in Christ A Devotional ReadHowYouWant.com** God never gives up on us.
