KEY=LEADERSHIP - HOOD KLEIN

BLACK LEADERSHIP FOR SOCIAL CHANGE

Greenwood Publishing Group This book presents a comprehensive overview of Black leadership in every aspect of American life, including movements for social justice, education, business, and politics. In the quest for human rights and social advancement, African-American leaders have emerged to lead the fight to overcome racial and economic barriers. This struggle has influenced the exercise of Black leadership in many other areas and the author uses an interdisciplinary approach to reveal the changes, continuities, and variety of African-American approaches to effective leadership. The book also suggests a theoretical framework for future research on the impact of Black leadership in America. A wide range of issues are considered in this volume, beginning with the definition of leadership and the concept of Black leadership. Gordon then considers outstanding examples of Black leadership in contemporary America in a variety of fields. Scholars and students in history, political science, and ethnic studies will find this an important resource for understanding Black leadership and its impact on American life.

THE LEADER IN ME

HOW SCHOOLS AND PARENTS AROUND THE WORLD ARE INSPIRING GREATNESS, ONE CHILD AT A TIME

Simon and Schuster Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot

group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

THE FUTURE OF LEADERSHIP DEVELOPMENT

Psychology Press First Published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

HYBRID WORKPLACE: THE INSIGHTS YOU NEED FROM HARVARD BUSINESS REVIEW

Harvard Business Press Reinvent your organization for the hybrid age. Hybrid work is here to stay—but what will it look like at your company? Organizations that mandate rigid, prepandemic policies of five days a week at the traditional, co-located office may risk a mass exodus of talent. But designing a hybrid office that furthers your business goals while staying true to your culture will require experimentation and rigorous planning. *Hybrid Workplace: The Insights You Need from Harvard Business Review* will help you adopt technological, cultural, and management practices that will let you seize the benefits and avoid the pitfalls of the hybrid age. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the *Insights You Need from Harvard Business Review* series. Featuring HBR's smartest thinking on fast-moving issues—blockchain, cybersecurity, AI, and more—each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The *Insights You Need* series will help you grasp these critical ideas—and prepare you and your company for the future.

THE DAILY NEWS AND LEADER YEAR BOOK

1910-13

LEADERSHIP: RESEARCH FINDINGS, PRACTICE, AND SKILLS

Cengage Learning Examine the keys to leadership success with the practical, skill-building approach found in DuBrin's *LEADERSHIP: RESEARCH FINDINGS, PRACTICE AND SKILLS, 10E*. This edition balances current research and theories with the latest applications from successful practitioners in today's business world. New and updated, popular self-assessment quizzes and the latest skill-building exercises help you inventory and strengthen your own leadership qualities and personal

competencies. An engaging narrative highlights stories of leadership in familiar companies, such as UPS, Best Buy, Salesforce, Kohl's and GM. This edition provides more opportunities than any other book of its kind to apply the principles you've just learned in cases and experiential exercises. Practical insights, supported by contemporary research, assist you in developing the skills and confidence you need to become an effective leader. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

THE GLOBAL JOURNALIST

NEWS AND CONSCIENCE IN A WORLD OF CONFLICT

Rowman & Littlefield This title argues that not only do US news media have a duty to cover international events that affect the interests of the public and the government, they should also bring more attention to international conflict and suffering.

GENDER AND WOMEN'S LEADERSHIP

A REFERENCE HANDBOOK

SAGE This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on leadership issues specific to women and gender. Although covering historical and contemporary barriers to women's leadership and issues of gender bias and discrimination, this two-volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics, issues, questions, and debates specific to women and gender. Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry, but lack the jargon, detail, and density of a journal article. Key Features Includes contributions from a variety of renowned experts Focuses on women and public leadership in the American context, women's global leadership, women as leaders in the business sector, the nonprofit and social service sector, religion, academia, public policy advocacy, the media, sports, and the arts Addresses both the history of leadership within the realm of women and gender, with examples from the lives of pivotal figures, and the institutional settings and processes that lead to both opportunities and constraints unique to that realm Offers an approachable, clear writing style directed at student researchers Features more depth than encyclopedia entries, with most chapters ranging between 6,000 and 8,000 words, while avoiding the jargon and density often found in journal articles or research handbooks Provides a list of further readings and references after each entry, as well as a detailed index and an online version of the work to maximize accessibility for today's student audience

CONTEMPORARY PUBLIC OPINION

ISSUES AND THE NEWS

Routledge This book discusses the public opinion process with a focus on the role

that the news media play in shaping public opinion. Although heavily influenced by the agenda-setting perspective -- the view that the news media define the important issues of the day and determine how these issues are presented -- the authors neither support nor refute this claim. They present instead a variety of contemporary scholarship integrated into a coherent picture of public opinion for a general audience.

PRESIDENT ZIAUR RAHMAN: LEGENDARY LEADER OF BANGLADESH

Writers Republic LLC President Ziaur Rahman holds a unique distinction to make the historic declaration of the Independence of Bangladesh. He then led the glorious liberation war to victory in 1971, and then became the maker of modern Bangladesh in 1975-1981. He succeeded where Sheikh Mujibur Rahman failed, both as a political leader and as an administrator. In view of his crucial role at the time of the creation of Bangladesh and thereafter, President Zia was perhaps the most phenomenally popular figure of his country. His short life of forty-five years was like an intense flare of incandescent light. Even after forty-two years since his assassination by some deviant army officers, with Indian instigation and insinuation, Zia remains irreplaceable; his void unfillable. His character, nobility and dignity could perhaps be matched only by his wife, the great and glorious Begum Khaleda Zia, who would later be a three-time Prime Minister. Both being the most famed and famous, both are/were almost equally legendary not only in their amazing and enormous popularity but also in their achievements and their sacrifice for the cause of the nation. Beside the devilish and dastardly actions of torture and terror by Sheikh Hasina and her corrupt-to-the-core fascist regime, Zia's and Begum Zia's accomplishments, together with their sufferings, stand out as bright as the solar shine of the day. In contrast with Hasina's politics of destruction, oppression and repression, Zia's and Begum Zia's patriotic deeds and ideals continue to remain in the limelight as William Blake's tiger "burning bright/In the forests of the night." President Zia saved Bangladesh at least twice. He rescued the nation by making the clarion call for the independence of Bangladesh on 26 March 1971, when the political leadership failed to respond to the trust the people reposed on them. The declaration was followed by Zia's role as an effective organizer of war and a liberation war hero. The second time was in early November 1975, when the nation plunged into chaos and confusion by the India-instigated conspiracy crushed by the army-people uprising. A group of patriotic soldiers rescued General Zia from custody and restored his authority. He rose to the occasion to save the nation during this crisis time. Zia's stewardship and statesmanship grew through the years of his rule and professional career. He was a successful sector commander, deputy chief of the army, chief of the army, and, finally, the most successful president with a track record of unprecedented contributions. He was a "large, sweet soul" and "the sweetest, wisest soul of all [our] days and lands," as President Abraham Lincoln was to American poet Walt Whitman. Like Lincoln, who was also assassinated at the age of 56, following a civil war, Zia also was, "The great star early droop'd. O powerful western fallen star!" This book is a great collection of writings about a great President by a number of notable authors and scholars, who place President Zia highly in the annals of the country's formation and political development. It is an effort to contribute to the nationalist narrative with accuracy and objectivity. Highly readable and worth

reading, the volume is a landmark publication in the political history of Bangladesh that all concerned will find interesting and informative.

SOLUTIONS JOURNALISM

NEWS AT THE INTERSECTION OF HOPE, LEADERSHIP, AND EXPERTISE

As audiences increasingly avoid negative news, journalists are being called upon to tell optimistic stories about the future. This book explores emerging solutions reporting practices while arguing for a journalism based on hope psychology and a pluralist conception of leadership and expertise.

WHY SHOULD ANYONE BE LED BY YOU?

WHAT IT TAKES TO BE AN AUTHENTIC LEADER

Harvard Business Press Too many companies are managed not by leaders, but by mere role players and faceless bureaucrats. What does it take to be a real leader—one who is confident in who she is and what she stands for, and who truly inspires people to achieve extraordinary results? Rob Goffee and Gareth Jones argue that leaders don't become great by aspiring to a list of universal character traits. Rather, effective leaders are authentic: they deploy individual strengths to engage followers' hearts, minds, and souls. They are skillful at consistently being themselves, even as they alter their behaviors to respond effectively in changing contexts. In this lively and practical book, Goffee and Jones draw from extensive research to reveal how to hone and deploy one's unique leadership assets while managing the inherent tensions at the heart of successful leadership: showing emotion and withholding it, getting close to followers while keeping distance, and maintaining individuality while "conforming enough." Underscoring the social nature of leadership, the book also explores how leaders can remain attuned to the needs and expectations of followers. Why Should Anyone Be Led By You? will forever change how we view, develop, and practice the art of leadership, wherever we live and work.

COMPASSIONATE LEADERSHIP

HOW TO DO HARD THINGS IN A HUMAN WAY

Harvard Business Press Leadership is hard. How can you balance compassion for your people with effectiveness in getting the job done? A global pandemic, economic volatility, natural disasters, civil and political unrest. From New York to Barcelona to Hong Kong, it can feel as if the world as we know it is coming apart. Through it all, our human spirit is being tested. Now more than ever, it's imperative for leaders to demonstrate compassion. But in hard times like these, leaders need to make hard decisions—deliver negative feedback, make difficult choices that disappoint people, and in some cases lay people off. How do you do the hard things that come with the responsibility of leadership while remaining a good human being and bringing out the best in others? Most people think we have to make a binary choice between being a good human being and being a tough, effective leader. But this is a false

dichotomy. Being human and doing what needs to be done are not mutually exclusive. In truth, doing hard things and making difficult decisions is often the most compassionate thing to do. As founder and CEO of Potential Project, Rasmus Hougaard and his longtime coauthor, Jacqueline Carter, show in this powerful, practical book, you must always balance caring for your people with leadership wisdom and effectiveness. Using data from thousands of leaders, employees, and companies in nearly a hundred countries, the authors find that when leaders bring the right balance of compassion and wisdom to the job, they foster much higher levels of employee engagement, performance, loyalty, and well-being in their people. With rich examples from Netflix, IKEA, Unilever, and many other global companies, as well as practical tools and advice for leaders and managers at any level, Compassionate Leadership is your indispensable guide to doing the hard work of leadership in a human way.

HBR'S 10 MUST READS ON MANAGING PEOPLE (WITH FEATURED ARTICLE "LEADERSHIP THAT GETS RESULTS," BY DANIEL GOLEMAN)

Harvard Business Press Managing people is fraught with challenges—even if you're a seasoned manager. Here's how to handle them. If you read nothing else on managing people, read these 10 articles (featuring "Leadership That Gets Results," by Daniel Goleman). We've combed through hundreds of Harvard Business Review articles and selected the most important ones to help you maximize your employees' performance. HBR's 10 Must Reads on Managing People will inspire you to: Tailor your management styles to fit your people Motivate with more responsibility, not more money Support first-time managers Build trust by soliciting input Teach smart people how to learn from failure Build high-performing teams Manage your boss This collection of best-selling articles includes: featured article "Leadership That Gets Results" by Daniel Goleman, "One More Time: How Do You Motivate Employees?" "The Set-Up-to-Fail Syndrome," "Saving Your Rookie Managers from Themselves," "What Great Managers Do," "Fair Process: Managing in the Knowledge Economy," "Teaching Smart People How to Learn," "How (Un)ethical Are You?" "The Discipline of Teams," and "Managing Your Boss."

THE ILLUSTRATED LONDON NEWS

EXECUTIVE PRESENCE

STEP INTO YOUR POWER, CONVEY CONFIDENCE, & LEAD WITH CONVICTION

JAG Press Executive presence matters. When 400 CEOs were asked how they choose next-level leaders, 89% of them said they looked for one critical trait-executive presence. This quality is crucial for professional success. In Executive Presence, Joel Garfinkle shows you how to step into your power, convey confidence, and lead with conviction. As you rise in your organization, your executive presence must keep pace with your growth. The higher the stakes, the more you need that power and presence. Using extensive original research gleaned from studying executive presence for more than 15 years, Joel has uncovered the 9 essential qualities of

executive presence. His 3x3 Executive Presence Model doesn't just explain executive presence for the modern leader-it walks you step by step through exercises and strategies for cultivating each essential element. Methodically explaining how to master each one, he equips you with a personalized plan for growth, demystifies what executive presence is, and debunks misconceptions that hold you back. This book provides the blueprint for how to master 3 key executive presence domains. 1. Radiate gravitas. 2. Act with authority. 3. Express yourself fully. In Executive Presence, you'll learn how to: - Radiate the commanding, self-assured presence of a high-level leader. - Bring power, conviction, and a strong point of view to your presentations. - Move from passivity and self-doubt to self-assurance and bold decision-making. - Exude a professional magnetism that influences others at every level. - Cultivate and leverage charisma in all your interactions. - Communicate in a clear, crisp, and concise way. Maybe you've come across the term "executive presence" in HBR, but you couldn't adequately define it-let alone begin to grow it. This book will change that. As you delve into the lessons from Executive Presence, you'll join top-ranking organizational leaders who know how to influence others and drive extraordinary results. Whether you're a rising star or CEO, Executive Presence will guide you in leading a high-performing team. Moving from passivity and self-doubt to self-assurance and bold decision-making, you'll become the high-impact leader who propels your organization forward. Executive Presence is for women, people of color, and other employees from marginalized groups who are too often underappreciated, which causes companies to miss out on their full range of talent. By cultivating executive presence, women and any overlooked employees can smash through the glass ceiling and gain the recognition they deserve. If you're in one of these demographics, growing your executive presence will allow you to leap over the barriers you may encounter in your career. What's the key differentiator between this Executive Presence book and its competitors (Sylvia Ann Hewlett's Executive Presence: The Missing Link Between Merit and Success, Paul Aldo's Understanding Executive Presence, Debra A. Benton's Executive Presence for the Modern Leader, and Harrison Monarth's Executive Presence, Second Edition)? The 3x3 Executive Presence Model provides a clear, structured blueprint for developing the most important facets of executive presence. Learn about the 3 domains - gravitas, authority, and expression - that act as the foundational pillars holding up the 9 executive presence competencies.

THE IMAGINED SLUM

NEWSPAPER REPRESENTATION IN THREE CITIES, 1870-1914

Burns & Oates

THE LEADERSHIP TRAJECTORY

DEVELOPING LEGACY LEADERS-SHIP

Elsevier Health Sciences Designed to help you excel at every stage of your leadership path, this unique and practical text is organized around a nursing and health care leadership trajectory of three core areas — The Strategies, The Personal,

and The Environment. The Strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions. The Personal relates to the concepts that you must develop and hone to increase your influence. The Environment reinforces how you can exercise the strategies and personal factors in this leadership model through assessing the situations in which you find yourself. Reflection questions in each chapter emphasize the importance of the process being discussed as a strategy for growth and to facilitate active reading. LL Alert! boxes cite examples of actions and statements to avoid. LL Lineup summaries at the end of each chapter help you create an action plan related to the chapter topic. Practical approach features straightforward, concise content that addresses only the most relevant information on the subject of each chapter. The Strategies covers necessary actions that you need to take to become more influential in any environment to move yourself and your people to greater contributions. The Personal relates to the concepts that you must develop and hone to increase your influence. The Environment reinforces how you can exercise the strategies and personal factors in this model through assessing the situations in which you find yourself.

ADAPTIVE LEADERSHIP: THE HEIFETZ COLLECTION (3 ITEMS)

Harvard Business Review Press In times of constant change, adaptive leadership is critical. This Harvard Business Review collection brings together the seminal ideas on how to adapt and thrive in challenging environments, from leading thinkers on the topic—most notably Ronald A. Heifetz of the Harvard Kennedy School and Cambridge Leadership Associates. The Heifetz Collection includes two classic books: Leadership on the Line, by Ron Heifetz and Marty Linsky, and The Practice of Adaptive Leadership, by Heifetz, Linsky, and Alexander Grashow. Also included is the popular Harvard Business Review article, “Leadership in a (Permanent) Crisis,” written by all three authors. Available together for the first time, this collection includes full digital editions of each work. Adaptive leadership is a practical framework for dealing with today’s mix of urgency, high stakes, and uncertainty. It has been used by individuals, organizations, businesses, and governments worldwide. In a world of challenging environments, adaptive leadership serves as a guide to distinguishing the essential from the expendable, beginning the meaningful process of adaptation, and changing the status quo. Ronald A. Heifetz is a cofounder of the international leadership and consulting practice Cambridge Leadership Associates (CLA) and the founding director of the Center for Public Leadership at the Harvard Kennedy School. He is renowned worldwide for his innovative work on the practice and teaching of leadership. Marty Linsky is a cofounder of CLA and has taught at the Kennedy School for more than twenty-five years. Alexander Grashow is a Senior Advisor to CLA, having previously held the position of CEO.

THEORIZING WOMEN & LEADERSHIP

NEW INSIGHTS & CONTRIBUTIONS FROM MULTIPLE PERSPECTIVES

IAP Theorizing Women and Leadership: New Insights and Contributions from Multiple

Perspectives is the fifth volume in the Women and Leadership: Research, Theory, and Practice series. This cross-disciplinary series, from the International Leadership Association, enhances leadership knowledge and improves leadership development of women around the world. The purpose of this volume is to provide a forum for women to theorize about women's leadership in multiple ways and in multiple contexts. Theorizing has been viewed as a gendered activity (Swedberg, 2014), and this series of chapters seeks to upend that imbalance. The chapters are written by women who represent multiple disciplines, cultures, races, and subject positions. The diversity extends into research paradigm and method, and the chapters combine to illuminate the multiple ways of knowing about and being a woman leader. Twenty-first century leadership scholars acknowledge the importance of context, and many are considering post-heroic leadership models based on relationships rather than traits. This volume contributes to this discussion by offering a diverse array of perspectives and ways of knowing about leadership and leading. The purpose of the volume is to provide readers with not only interesting new ideas about women and leadership, but also to highlight the diverse epistemologies that can contribute to theorizing about women leaders. Some chapters represent typical social scientific practices and processes, while others represent newer knowledge forms and ways of knowing. The volume contributors adopt various epistemological positions, ranging from objective researcher to embedded co-participant. The chapters link their new findings to existing empirical or conceptual work and illustrate how the findings extend, amend, contradict, or confirm existing research. The diversity of the chapters is one of the volume's strengths because it illuminates the multiple ways that leadership theory for women can be advanced. Typically, research based on a realist perspective is more valued in the academy. This perspective has indeed generated robust information about leadership in general and women's leadership in particular. However, readers of this volume are offered an opportunity to explore multiple ways of knowing, different ways of researching, and are invited to de-center researcher objectivity. The authors of the chapters offer conceptual and empirical findings, illuminate multiple and alternative research practices, and in the end suggest future directions for quantitative, qualitative, and mixed-methods research.

HBR'S 10 MUST READS ON LEADERSHIP, VOL. 2 (WITH BONUS ARTICLE "THE FOCUSED LEADER" BY DANIEL GOLEMAN)

Harvard Business Press Stay on top of your leadership game. Leadership isn't something you're born with or gifted as a reward for an abundance of charisma; true leadership stems from core skills that can be learned.  Ibarra and Morten T. Hansen; "Cross-Silo Leadership," by Tiziana Casciaro, Amy C.
 Edmondson, and Sujin Jang; "How CEOs Manage Time," by Michael E. Porter and Nitin
 Nohria; "The Best Leaders Are Great Teachers," by Sydney Finkelstein; "Nimble
 Leadership," by Deborah Ancona, Elaine Backman, and Kate Isaacs; and "The
 Focused Leader," by Daniel Goleman.

OZAWA ICHIRŌ AND JAPANESE POLITICS

OLD VERSUS NEW

Routledge Ozawa Ichirō was the axis on which Japanese politics turned for more than two decades. He helped to reshape the electoral system, political funding rules, the evolution of the party system, the nature of executive government, the roles and powers of bureaucrats, and the conduct of parliamentary and policymaking processes. Admired and reviled in almost equal measure, Ozawa has been the most debated and yet least understood politician in Japan, with little agreement to be found amongst the many who have debated his patent political assets and palpable political flaws. This book examines the political goals, behaviour, methods and practices of Ozawa Ichirō, and in doing so, provides fascinating insights into the inner workings of Japanese politics. It explores Ozawa's paradoxical and conflicting contributions in terms of two contrasting models of 'old' and 'new' politics. Indeed, therein lies the problem of understanding the 'real' Ozawa: he remained a practitioner of old politics despite his rhetorical agenda of change to bring about new politics. In seeking to unravel the Ozawa enigma, Aurelia George Mulgan reveals his primary motivations, to establish whether he sought power primarily to enact reforms, or, whether his reform goals simply disguised power-seeking objectives. This volume seeks to illuminate Ozawa's true character as a politician, and untangle the complex elements of old and new politics that he represents. Through an in-depth study of Ozawa and his political activities, this book shows how the Japanese political system works at the micro level of individual politicians, political relationships and systems. As such it will be of huge interest to students and scholars of Japanese politics, Asian politics and political systems.

GENDERED NEWS

MEDIA COVERAGE AND ELECTORAL POLITICS IN CANADA

UBC Press In the last fifty years, many of the institutional and societal barriers keeping Canadian women from public office have disappeared. Yet today, women

hold only a quarter of the seats in the House of Commons ♦ a proportion that rose by just seven percentage points between 1993 and 2011. In this illuminating study, Elizabeth Goodyear-Grant examines a significant obstacle still facing women in political life: gendered media coverage. Based on interviews with MPs and party leaders, and on an analysis of print and television media in the 2000 and 2006 federal elections, *Gendered News* reveals an unsettling climate that affects the success of women in office, and that could deter them from running at all.

WOMEN IN LEADERSHIP

CONTEXTUAL DYNAMICS AND BOUNDARIES, SECOND EDITION

Emerald Group Publishing The 2nd edition of this book, originally published in 2011, captures many significant recent developments and achievements in women's leadership. Women in virtually every context discussed in the book--politics, sports, business, technology, religion, military and international--have made dramatic gains in attaining leadership roles and positions.

THE ULTIMATE VANISHING ACT

Strategic Book Publishing & Rights Agency Eric LaMont Gregory provides an eye-opening account of American foreign policy and how the decisions made today will influence the forces that propel America into the future. His international career began in the Middle East in the 1960s. Over the next 40-plus years, he was in Bosnia during the war; Rwanda before and after the genocide; Honduras after Hurricane Mitch; Guatemala, El Salvador, and Nicaragua during the Contra death squad era, and Afghanistan shortly after 9/11. He witnessed two famines in Ethiopia, conflicts in North, East, South and West Africa, as well as in the Middle East, and Central, South, and East Asia. Gregory is unswerving in his assessment of the way America carries out emergency humanitarian relief operations, stating that while the goodwill of the American people plays out on the world stage, all too often we are making enemies, not friends. *The Ultimate Vanishing Act* is an authoritative account of contemporary diplomacy and science. It is undeniably informative and a riveting read. "Detailed, revealing, charming, funny, witty, compassionate, sensitive, adventurous, and seductive." - Naji, author of *My Invisible Empire*

POLITICAL EDITORIAL, 1916-1988

FROM WAR-RELATED CONFLICTS TO METROPOLITAN DISPUTES

Walter de Gruyter The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917. Nowadays there are prizes in 21 categories from the fields of journalism, literature and music. The Pulitzer Prize Archive presents the history of this award from its beginnings to the present: In parts A to E the awarding of the prize in each category is documented, commented and arranged chronologically. Part F covers the history of the prize biographically and bibliographically. Part G provides the background to the decisions.

LEADERSHIP MATTERS

CONFRONTING THE HARD CHOICES FACING HIGHER EDUCATION

JHU Press The authors offer an optimistic assessment based upon frank and stark conclusions about what colleges must do—and must not do—to remain relevant in the coming decades.

CORPORATE REPUTATION AND THE NEWS MEDIA

AGENDA-SETTING WITHIN BUSINESS NEWS COVERAGE IN DEVELOPED, EMERGING, AND FRONTIER MARKETS

Routledge This volume examines agenda-setting theory as it applies to the news media's influence on corporate reputation. It presents interdisciplinary, international, and empirical investigations examining the relationship between corporate reputation and the news media throughout the world. Providing coverage of more than twenty-five countries, contributors write about their local media and business communities, representing developed, emerging, and frontier markets - including Argentina, Brazil, Chile, China, Germany, Greece, Japan, Nigeria, Spain, and Turkey, among others. The chapters present primary and secondary research on various geo-political issues, the nature of the news media, the practice of public relations, and the role of public relations agencies in each of the various countries. Each chapter is structured to consider two to three hypotheses in the country under discussion, including: the impact of media visibility on organizational prominence, top-of-mind awareness and brand-name recognition the impact of media favorability on the public's organizational images of these firms how media coverage of specific public issues and news topics relates to the associations people form of specific firms. Contributors contextualize their findings in light of the geopolitical environment of their home countries, the nature of their media systems, and the relationship between business and the news media within their countries' borders. Incorporating scholarship from a broad range of disciplines, including advertising, strategic management, business, political communication, and sociology, this volume has much to offer scholars and students examining business and the news media.

UNDERSTANDING ORGANIZATIONAL CHANGE

Routledge This exciting new text fills the gap in the management literature on organizational change. It presents a balanced view, which raises questions about the imperative of change, who's interests are being served, how change programmes impact on employees and why organizations continually engage in such programmes. It gives readers a comprehensive history of: change management literature types of change techniques over time (i.e. TQM, BPR, Balanced Scorecard, Six Sigma, etc.) the role of management gurus in the rise and fall of management fashions the impact of organizational change on organizational members. The authors provide case vignettes of companies from both sides of the Atlantic, which have undergone some of the better-known change techniques, and explore the

reasons for their successes and failures. This is an innovative and important new text for students of organizational behaviour, organizational change, strategy and HRM.

THE POLITICS OF EGYPT

STATE-SOCIETY RELATIONSHIP

Routledge This book addresses two important matters of current concern to Middle East scholars: firstly, the nature of the Egyptian state and society and the interactive process between them and secondly, how change, which would finally lead to development, can be initiated. The book argues that the Egyptian case represents a weak authoritarian state, which through its coercive and repressive policies towards various societal forces, political parties, professional associations and organisations and individuals, creates a weak society. Individual behaviour in urban and rural communities, sometimes viewed as signs of the strength of societal forces, is seen here as a symptom of a weak and fragmented society. The existence of a weak society in turn impedes government objectives and hinders the implementation of developmental policies and programmes, further weakening the state. This being the case, change has to be initiated externally in both the political and economic spheres.

HANDBOOK FOR ORGANIZATION, ADMINISTRATION, AND METHODS OF COOPERATIVE EXTENSION WORK IN AGRICULTURE AND HOME ECONOMICS

BAR LEADER

GOOD TO GREAT

WHY SOME COMPANIES MAKE THE LEAP ... AND OTHERS DON'T

Random House Can a good company become a great one and, if so, how? After a five-year research project, Collins concludes that good to great can and does happen. In this book, he uncovers the underlying variables that enable any type of organization to

VIOLENCE, THE ARTS, AND WILLA CATHER

Associated University Presse Willa Cather was devoted to making art in the face of violence. Here, she emerges as a resource for survival in an age of terror, an artist who encourages her readers to feel at home in the nexus of creativity and terror, and to seek creative responses to the horror of human life.

MAKING DEMOCRACY

LEADERSHIP, CLASS, GENDER, AND POLITICAL PARTICIPATION IN

THAILAND

University of Hawaii Press Democracy in Thailand is the result of a complex interplay of traditional and foreign attitudes. Although democratic institutions have been imported, participation in politics is deeply rooted in Thai village society. A contrasting strand of authoritarianism is present not only in the traditional culture of the royal court but also in the centralized bureaucracies and powerful armed services borrowed from the West. Both attitudes have helped to shape Thai democracy's specific character. This topical volume explores the importance of culture and the roles played by leadership, class, and gender in the making of Thai democracy. James Ockey describes changing patterns of leadership at all levels of society, from the cabinet to the urban middle class to the countryside, and suggests that such changes are appropriate to democratic government--despite the continuing manipulation of authoritarian patterns. He examines the institutions of democratic government, especially the political parties that link voters to the parliament. Political factions and the provincial notables that lead them are given careful attention. The failure to fully integrate the lower classes into the democratic system, Ockey argues, has been the underlying cause of many of the flaws of Thai democracy. Female political leadership, another imported notion, is better represented in urban rather than rural areas. Yet gender relations in villages were more equitable than at court, Ockey suggests, and these attitudes have persisted to this day. Successful women politicians from a variety of backgrounds have begun to overcome stereotypes associated with female leadership although barriers remain. With its wide-ranging analysis of Thai politics over the last three decades, Making Democracy is an important resource for both students and specialists.
