## Innovations that Nourish the Planet

Routledge Over the last two years, Worldwatch's Nourishing the Planet team has travelled to 25 sub-Saharan African nations - the places where hunger is greatest - and uncovered a treasure trove of innovations from farmers groups, private voluntary organizations, universities, and even agribusiness companies. Published annually in 28 languages, State of the World is long established as the most authoritative and accessible annual guide to our progress towards a sustainable future. It is relied upon by national governments, UN agencies, development workers and law-makers for its up-to-the-minute analysis and information.

## Free to Be You

Xulon Press Joel 2:25, 26 (KJV) says, "And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you. And ye shall eat in plenty, and be satisfied, and praise the name of the LORD your God, that hath dealt wondrously with you: and my people shall never be ashamed." You may find the past years of your life wasted and consumed by your own sin and the sin perpetrated against you by others. Yet, as through a metamorphous, the caterpillar becomes a butterfly, so God provides a supernatural metamorphous, a transformation (metamorphoo in Greek), which can take place. Through the prophet Joel, God actually promises to utilize your past devastation in such a way so as to transform the loss of the past to profit. The butterfly does not even remember being a caterpillar. Nor will you even lament your devoured and wasted years. The Lord will cause your future to be fruitful in amazing ways. The caterpillar begins as a devourer, but becomes a useful and fruitful butterfly, an insect that has a productive purpose. God spoke this verse to the author of this book, my husband Larry, shortly after he met Jesus in 1979. Larry had been lamenting his past wasted years. Now, years later, he can testify to the truth and fulfillment of this promise. This book presents some practical tools along with powerful truths for the healing of your inner and invisible wounds that may have come upon you by your sin and the sin of others. God's healing will make you a free person, able to "fly" and be fruitful as depicted by the butterfly on the front cover. Carol Chkoreff January 2009

### Daughters in My Kingdom

The Church of Jesus Christ of Latter-day Saints In the first meeting of the Relief Society, Sister Emma Smith said, "We are going to do something extraordinary." She was right. The history of Relief Society is filled with examples of ordinary women who have accomplished extraordinary things as they have exercised faith in Heavenly Father and Jesus Christ. Relief Society was established to help prepare daughters of God for the blessings of eternal life. The purposes of Relief Society are to increase faith and personal righteousness, strengthen families and homes, and provide relief by seeking out and helping those in need. Women fulfill these purposes as they seek, receive, and act on personal revelation in their callings and in their personal lives. This book is not a chronological history, nor is it an attempt to provide a comprehensive view of all that the Relief Society has accomplished. Instead, it provides a historical view of the grand scope of the work of the Relief Society. Through historical accounts, personal experiences, scriptures, and words of latter-day prophets and Relief Society leaders, this book teaches about the responsibilities and opportunities Latter-day Saint women are given in Heavenly Father's plan of happiness.
