Their parents, however, refuse to accept their 'togetherness' at first and try to tear them apart. Druvan and Anvesha try their best to explain why that cannot happen. In the same timeline, the world has made huge progress in science and some of the first experiments to combine the body and the soul have begun. This is an opportunity for them to prove their love and tell the world that it is love that can make the impossible, possible. Druvan and Anvesha participate in the experiment as if their life depends on it, because it does. The only thing that remains to be seen is, will the dream of a man to control love and life come true? And when the time comes, can one stay true to their soulmate? Gathering Frost (Once Upon A Curse Book 1) *Kaitlyn Davis* **A USA Today Must-Read Romance!** Will the prince's kiss be enough to revive her frozen heart? Don't miss GATHERING FROST, a dystopian romance from bestselling author Kaitlyn Davis that reimagines the classic fairy tale of Sleeping Beauty. "I wish I could say I was the hero of the story. A resister. A rebel. Someone who lived to bring an end to the queen who stole my childhood--my mother, my life, my very world. But I'm not. I'm not the good guy. I'm the one who puts the good guys in their graves." Jade was only a little girl when the earthquake struck. Before her eyes, half of New York City disappeared, replaced by a village that seemed torn out of a storybook. Horses and carriages. Cobblestone streets. A towering castle. And, above all, a queen with the magical ability to strip emotions away. Ten years later and Jade has forgotten what it is to feel, to care...even to love. Working as a member of the queen's guard, she spends most of her time on the city wall staring at the crumbling skyscrapers of old New York. But everything changes when the queen's runaway son, Prince Asher, returns. Under his relentless taunts, her blood begins to boil. Under his piercing gaze, her heart begins to flutter. And the more her icy soul begins to thaw, the more Jade comes to question everything she's ever known--and, more importantly, whose side she's really on. "My favorite thing about this book is the action. Jade isn't a sleeping princess. She's the best fighter and so fierce in her "empty" state. I felt like this was an urban fantasy with all the steam of a romance." - Jessie Potts, USA Today 'Happy Ever After Blog' "Davis writes with confidence and poise, and the story's many twists and turns stave off predictability and allow readers to become immersed in a starkly magical world filled with last hopes." - Publisher's Weekly "Gathering Frost is just awesome in every way. I seriously couldn't put it down. Wait I never actually put it down. I started and finished in one sitting because it's just that good. This one is a **MUST READ.**" - *Happy Tails and Tales Blog* "I loved everything about this book! The different take on Sleeping Beauty, the strong female characters, and the overall vibe of the book/series to come. Jade is amazing and leaped off the page...This is not just a romance! It has great action scenes where Jade is kicking some major ass and there are surprises at every corner." - *Hooked In A Book* "I loved this book. To me is it a very loose reimagined world of Sleeping Beauty, but that is a good thing. It kept me guessing and really kept me on the edge of my seat. I stayed up late reading as I just had to know what happens next." - *Michelle's Paranormal Vault of Books Evermore* *The Immortals St. Martin's Griffin* Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling *The Immortals* series. My Dearest Reader, When you hear my story, perhaps you will think me a man unable to control his own hungers...his own temptations. But I warn you that I am no such thing. I am simply a man who knows what he wants, and what he can't live without. It is only fair to tell you that my clan is one descended from magic. I have learned these powers are both a blessing and a curse—for the magic that flows through my blood controls my fate utterly and completely. When I first saw the beautiful Loris, I knew she was my unoliaeth, my oneness, the woman I am destined to unite with for all eternity. At that moment, I allowed my passion to lead me to do the unthinkable: I employed a forbidden magic to win Loris's heart. How did I know that my error would lead to a black curse that still haunts me today? How could I have known that the curse would irrevocably cast Loris' affection for me to another man? Now I am left to ponder how I might win Loris back—black curse be damned. I believe there must be a way. For while it is the darkest realms of magic that keeps Loris from becoming mine, there is another power at play: the undying, unending love of one man for one woman. And I pray that in the end, that will be enough... Your obedient servant, Kian Seymour, Castle Tylluan, London *A Dark Faerie Tale Collection Books 1-8 Lyrical Lit. Publishing*

So instead of playing with friends in the streets or becoming his grandpapa's partner in the carpentry shop, Gauge must hide and pretend he doesn't exist. But then the Wolf comes for his grandpapa. And for the first time, Gauge is left all alone, with a bounty on his head and the Wolf at his heels. A young feather collector named Roux offers Gauge assistance, and he is eager for the help. But soon the two—both recently orphaned—are questioning everything they have ever believed about their village, about the Wolf, and about death itself. Narrated by the sly, crafty Wolf, Jessica Vitalis's debut novel is a vivid and literary tale about family, friendship, belonging, and grief. *The Wolf's Curse* will captivate readers of Laurel Snyder's *Orphan Island* and Molly Knox Ostertag's *The Witch Boy*. *Wicked Lovely HarperCollins UK* Story of 17-year old Aislinn who can see spirits, and Summer King Keenan who wants to make her his weapon to fight Winter Queen Beira and Darkness King Irial A 21st fairy tale for teenagers. *Piece of Infinity Skyscape* In the third and final volume of Emily Bold's *The Curse Series*, Sam returns to the present day from seventeenth-century Scotland, reunited with her love, Payton, and relieved that the curse has been lifted. But their happiness is tempered by Sam's unsettling feeling that all is not yet right. Overburdened with the guilt she feels for unwittingly causing the curse that destroyed Payton's life for nearly three centuries, Sam is determined to return to the past to fix it. Fearing that the love of his life will want to remain with his past self, Payton follows Sam into history, desperate to bring her back to the present--and to the new life they've made

together. As the past and present clash, the two lovers face the most difficult choice of their lives: allow their history to remain as it was, with all its dangers, injustices, and pain, or fight to improve it--and risk the very love that binds them together. *Girl, Serpent, Thorn* Flatiron Books Melissa Bashardoust's *Girl, Serpent, Thorn* is "an alluring feminist fairy tale" (Kirkus) about a girl cursed to be poisonous to the touch and who discovers what power might lie in such a curse. There was and there was not, as all stories begin, a princess cursed to be poisonous to the touch. But for Soraya, who has lived her life hidden away, apart from her family, safe only in her gardens, it's not just a story. As the day of her twin brother's wedding approaches, Soraya must decide if she's willing to step outside of the shadows for the first time. Below in the dungeon is a demon who holds knowledge that she craves, the answer to her freedom. And above is a young man who isn't afraid of her, whose eyes linger not with fear, but with an understanding of who she is beneath the poison. Soraya thought she knew her place in the world, but when her choices lead to consequences she never imagined, she begins to question who she is and who she is becoming...human or demon. Princess or monster. *The Cursebreaker Series A 3-Book Bundle* Bloomsbury Publishing USA Discover the global phenomenon of the Cursebreaker series in this three-book digital bundle! Four royals.
