KEY=BUTLERS - CARLIE PATEL

Amy Butler's In Stitches More Than 25 Simple and Stylish Sewing Projects

Chronicle Books Celebrated designer Amy Butler brings her fresh, modern style to the timeless craft of sewing. In this lavishly illustrated collection of patterns, she presents more than 25 charming projects ranging from cushy floor cushions to smart aprons to stylish handbags. Lush photographs inspire, while how-to illustrations and straightforward text (minus the confusing sewing lingo) make it a cinch to achieve beautifully finished projects. In addition, Amy offers thoughtful tips on finding and treating new or vintage fabrics, an easy-to-navigate techniques section, and a glossary and resource guide at back. Whether it's chic placemats and napkins for the kitchen, a luxurious kimono-style robe for the bath, or handy organizer baskets for the home office Amy Butler's *In Stitches* makes it easy to create beautiful accessories for every room and every mood.

Sew Retro

25 Vintage-Inspired Projects for the

Modern Girl & A Stylish History of the Sewing Revolution

Voyageur Press Sewing never goes out of style, and today it is more popular than ever! Sew Retro offers twenty-five stylish, vintage-inspired sewing projects—beautiful bags, essential skirts, unique pillows, and more—that are a pleasure to sew, thanks to easy instructions, helpful diagrams, and a pocket of ten full-size patterns. This fun, inspirational book also uncovers sewing’s colorful history, from the introduction of the sewing machine to the modern DIY movement, and features interviews with today’s hottest fabric and pattern designers, including Amy Butler, Betz White, Barbara Brackman, Emma Brennan, Judie Rothermel, and Kathy Miller of Michael Miller Fabrics. Filled with gorgeous project photography and quirky vintage illustrations that bring the 1920s, 1940s, 1950s, and beyond to life, Sew Retro celebrates sewing yesterday and today. Learn more about Sew Retro and enjoy bonus projects and tutorials at www.sewretrothebook.com!

Threads Magazine

Kindred

Beacon Press The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

Unconscious Memory

The Force of Nonviolence

An Ethico-Political Bind

Verso Books "Judith Butler is the most creative and courageous social theorist writing today." - Cornel West "Judith Butler is quite simply one of the most probing, challenging, and influential thinkers of our time." - J. M. Bernstein Judith Butler's new book shows how an ethic of nonviolence must be connected to a broader political struggle for social equality. Further, it argues that nonviolence is often misunderstood as a passive practice that emanates from a calm region of the soul, or as an individualist ethical relation to existing forms of power. But, in fact, nonviolence is an ethical position found in the midst of the political field. An

aggressive form of nonviolence accepts that hostility is part of our psychic constitution, but values ambivalence as a way of checking the conversion of aggression into violence. One contemporary challenge to a politics of nonviolence points out that there is a difference of opinion on what counts as violence and nonviolence. The distinction between them can be mobilized in the service of ratifying the state's monopoly on violence. Considering nonviolence as an ethical problem within a political philosophy requires a critique of individualism as well as an understanding of the psychosocial dimensions of violence. Butler draws upon Foucault, Fanon, Freud, and Benjamin to consider how the interdiction against violence fails to include lives regarded as ungrievable. By considering how "racial phantasms" inform justifications of state and administrative violence, Butler tracks how violence is often attributed to those who are most severely exposed to its lethal effects. The struggle for nonviolence is found in movements for social transformation that reframe the grievability of lives in light of social equality and whose ethical claims follow from an insight into the interdependency of life as the basis of social and political equality.

interpretations and new blocks Follow clear and accurate instructions, measurements, and diagrams for easy construction Create skill-building projects such as a coaster, pillow, armchair sewing butler, and vibrant quilt

Knitting Memories

Reflections on the Knitter's Life

Voyageur Press Sometimes it is a cherished knitted item that starts a story, sometimes the quest for another skein of the perfect yarn, and sometimes the way knitting is worked into a memory. There's a reason a "yarn" might be a tale or a thread, drawing us along - as these knitters do with their stories of the knitter's art. Raveling or unraveling, knitters such as Lily Chin, Betty Christiansen, Teva Durham, Clara Parkes, Caroline Herzog, and Lela Nargi take us into their confidence, sharing with us the whimsy, the insights, and simple pleasure that the age-old craft of knitting has brought into their lives—and now ours. Each story in this wonderful collection focuses on one of the best parts of the knitting tradition - making a gift for someone special, or receiving a gift, or cherishing a gift that has been handed down through the generations.

Original.

Book of Etiquette

Cosimo, Inc. The only serious competitor to Emily Post as etiquette maven to America between the wars, LILLIAN EICHLER WATSON (b. 1902) was a 19-year-old copywriter for the book publisher Doubleday when she was commissioned to rewrite the outdated Encyclopedia of Etiquette by Emily Holt. This is the guide to good manners she produced in 1921, mining her own experience as a social misfit and would-be social climber, and it was a huge hit with those aspiring to a grander station. Volume I covers: [why it pays to be agreeable [the secret of social success [engagements and weddings [how and when to make an introduction [the intricacies of the social call [calling cards for the young lady, the married couple, and others [correspondence and invitations [appropriate dress for children [addressing titled people [and much more.

Tula Pink's City Sampler

100 Modern Quilt Blocks

Penguin Create a sampler quilt as unique as you are! Tula Pink gives you an inspiring quilt block collection with Tula Pink's City Sampler. Make a beautiful, modern quilt of your own design with the 100 original quilt blocks or try one of the 5 city-themed sampler quilts designed by Tula. A note from Tula: "You will notice...that the blocks are not named but simply numbered. This is intentional. I may have designed the blocks and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."

Bend-the-rules Sewing

The Essential Guide to a Whole New Way to Sew

Clarkson Potter Henry is generally well-behaved, but he is occasionally arrogant and vain. Henry is at heart a hard worker, but his frequent bouts of illness hinder his work.

Foundations of Free Society (Translated to Malayalam)

Centre for Public Policy Research Economic and political crises have often led to attacks on freedom. During the Great Depression all the major economies restricted trade by raising tariffs. This knee-jerk reaction only aggravated geo-political tensions and further increased economic hardship. The emergence of radical socialist regimes led to total oppression of civil, political and economic liberties in half the world. More recently, the events of 9/11 and the US reaction have set in motion policies that have sacrificed freedom in an attempt to increase security. Similarly, the global financial crisis that began in 2008, and which was also germinated on US soil, has been followed by increasing controls, regulations and protections. Instead of relying on the creative destruction principle of free markets, governments on both sides of the Atlantic have used huge amounts of taxpayers' money to bail out failing businesses. Threats to freedom abound. A quarter of a century ago, the world embraced 'glasnost' in the Soviet Union and then celebrated the fall of the Berlin Wall. But new challenges have now emerged in the form of neo-nationalism in Europe and radicalism in the Middle East. Both trends will reduce freedom if they go unchecked. In Europe, this reversion to nationalism, and even racism, is taking place despite a relatively high degree of political freedom - a functioning democracy exists. In the Middle East, the rise of religious radicalism is less surprising - neither market nor democracy is in good shape. Despite these problems, individuals in the 21st century are in many respects freer than their predecessors in the previous century. The information and communication technology revolution has brought down all kinds of barriers. In China, for example, Li Chengpeng is a prominent writer and social critic: his Sina Weibo blog has nearly six million followers. And, during the Arab Spring, social media helped bring about widespread political and social progress. If information is power, then information technology has empowered the individual. Geographical boundaries remain, but they are becoming increasingly irrelevant. In this context, the publication of Eamonn Butler's monograph could not be more timely. Foundations of a Free Society is a welcome addition to the family of modern primers on liberty. Butler's unique skill lies in his ability to express complex

and highly influential ideas in plain English. He also successfully undermines the arguments of critics and opponents with real-world examples that illustrate his ideas and support the theoretical arguments. This Occasional Paper is therefore an excellent introductory text for those who would like to understand the basic principles of a free society. It will be particularly helpful for those promoting freedom in countries where these principles remain largely unknown, as well as for those protecting freedom in places where traditional liberties are under assault.

Vogue Sewing

Sixth & Spring Books Experts have hailed it as the definitive publication on fashion sewing—now this classic has been revised and updated to include the most comprehensive, up-to-date techniques and sewing machine technology. “Whether you’re a novice learning the basics of home sewing or an expert seamstress, this is the book for you. Filled with color photos and over 1800 illustrations.”—Vogue Patterns.

Weekend Sewing

More Than 40 Projects and Ideas for Inspired Stitching

Abrams More than just a pair of days, a weekend is also a state of mind—a feeling of relaxation and freedom to immerse ourselves fully in a favorite activity. In *Weekend Sewing*, designer Heather Ross presents creative projects for clothing, accessories, and home items that can be made in a weekend or less. Some, like the Quick Garden Gloves and Ruby’s Bloomers, take a few hours; others, like the Weekend-Away Travel Bag and Trapeze Sundress, require a day or two—but all of them capture that weekend feeling. And because weekends are often the most fun when they’re social, Ross features ideas that encourage us to share our stitching and

our time, such as a recipe for soup to simmer while sewing, then serve to guests later in the day, and tips for transporting a sewing machine to a friend's house for an afternoon of social stitching. The sewing instructions are beautifully illustrated.

Parson Gray Trade Quilts

20 Rough-Hewn Projects

Chronicle Books Quilting gets a rustic modern treatment in this 20-project sewing book that celebrates American trade quilts, with touches of Native and early American influences. The timeless style of these DIY designs will inspire quilters of every skill level to make cozy style statements for their home or office. Clear, step-by-step instructions detail how to use inventive techniques such as coffee staining and bleaching to achieve a perfectly distressed vintage feel, while dozens of helpful diagrams and photographs make these projects even more accessible. From a stunning Navajo blanket to a World's Fair design comprising international antique flags, this compilation is ideal for anyone looking to create gorgeous quilts and blankets in the spirit of a bygone era.
