The Unknown Country

Canada and Her People

McClelland and Stewart

The Unknown Country

Canada and Her People

OUP Canada *From one of Canada's greatest journalists comes this classic study of the country's history, culture, and society. First published in 1942, The Unknown Country won the Governor General's Award for non-fiction and cemented Hutchison's reputation as the nation's pre-eminent political commentator. More than 60 years later, The Unknown Country offers an unforgettable portrait of a country hauntingly familiar yet lost beyond recall.*

The Promise of Canada

150 Years--People and Ideas That Have Shaped Our Country

Simon and Schuster *What does it mean to be a Canadian? What great ideas have changed our country? An award-winning writer casts her eye over our nation's history, highlighting some of our most important stories. From the acclaimed historian Charlotte Gray comes a richly rewarding book about what it means to be Canadian. Readers already know Gray as an award-winning biographer, a writer who has brilliantly captured significant individuals and dramatic moments in our history. Now, in The Promise of Canada, she weaves together masterful portraits of nine influential Canadians, creating a unique history of our country. What do these people—from George-Étienne Cartier and Emily Carr to Tommy Douglas, Margaret Atwood, and Elijah Harper—have in common? Each, according to Charlotte Gray, has left an indelible mark on Canada. Deliberately avoiding a top-down approach to history, Gray has chosen Canadians—some well-known, others less so—whose ideas, she argues, have become part of our collective conversation about who we are as a people. She also highlights many other Canadians from all walks of life who have added to the ongoing debate, showing how our country has reinvented itself in every generation since Confederation, while at the same time holding to certain central beliefs. Beautifully illustrated with evocative black-and-white historical images and colorful artistic visions, and written in an engaging style, The Promise of Canada is a fresh, thoughtful, and inspiring view of our historical journey. Opening doors into our past, present, and future with this masterful work, Charlotte Gray makes Canada's history come alive and challenges us to envision the country we want to live in.*

An Illustrated History of Canada's Native People

I Have Lived Here Since the World Began

McGill-Queen's Press - MQUP *Canada's Native people have inhabited this land since the Ice Age and were already accomplished traders, artisans, farmers and marine hunters when Europeans first reached their shores. Contact between Natives and European explorers and settlers initially presented an unprecedented period of growth and opportunity. But the two vastly different cultures soon clashed. Arthur J. Ray charts the history of Canada's Native people from first contact to current land claims. The result is a fascinating chronicle that spans 12,000 years and culminates in the headlines of today.*

Canada

The people

Crabtree Publishing Company *In this new second revised edition of Canada the People, candid photos feature Canadian families and how they live. Updated facts and statistics support this fascinating portrayal of a nation built on immigration. Important issues that must be resolved with the Native peoples are sensitively portrayed.*

Mennonites in Canada: 1939-1970 : a people transformed

University of Toronto Press *T.D. Regehr shows how the Second World War challenged the pacifist views of Mennonites and created a population more aware of events, problems, and opportunities for Christian service and personal advancement in the world beyond their traditional rural communities.*

Canada Since 1960: A People's History

A Left Perspective on 50 Years of Politics, Economics and Culture

James Lorimer & Company *When Winnipeg's Cy Gonick started the magazine Canadian Dimension in 1963 to provide a home for the thinking and analysis of mostly young leftists engaged in Canadian economic, social, cultural, artistic and political issues, he had no grand plan. But Canadian Dimension was welcomed by intellectuals, scholars and students, and it proved enduring. Hundreds of Canada's leading figures of the left have contributed to its pages over the years, writing about every major topic in Canadian public life. This book offers an account of the most important developments in Canadian history from the sixties until today, as seen and interpreted by scholars and writers on the pages of Dimension. Each chapter reviews a major theme, such as Canada's relationship to the U.S., the development of our health care system, the dynamics of Aboriginal-non-Aboriginal relations and the role of Canadian cultural work in shaping Canadian society. Taken together, the book provides a unique and broad perspective on virtually every significant event and development in recent Canadian history. Readers who know the magazine will find this book a compelling summary of how Canada changed in the past five decades, and how the Left saw those changes and challenged them. Readers who discover Canadian Dimension through this book will find a multitude of compelling voices who challenge the dominant neoliberal thinking of mainstream Canadian intellectual life. The twenty-seven contributors, from every part of the country are Greg Albo, Brenda Austin Smith, Chris Bailey, Evan Bowness, Mordecai Briemburg, Elizabeth Comack, Angela Day, Bryan Evans, Alvin Finkel, Peter Graefe, Judy Haiven, Larry Haiven, Trevor Harrison, Henry Heller, David Huggill, Peter Kulchyski, Andrea Levy, James McCorrie, James Naylor, Bryan Palmer, Denis Pilon, Joe Roberts, Stephanie Ross, Arthur Schafer, Frank Tester, John Warnock and Chris Webb.*

Why Is Canada Not a Part of the United States?

Read Before the U. S. Catholic Historical Society, Nov. 25th, 1889 (Classic Reprint)

Forgotten Books *Excerpt from Why Is Canada Not a Part of the United States?: Read Before the U. S. Catholic Historical Society, Nov. 25th, 1889 Canada was writhing under the yoke, her people were too numerous to be torn from their homes by England and scattered far and wide like the unhappy Acadians of Nova Scotia: but if England made concessions, she was only biding her time, to crush them utterly. Canada was ripe for revolt. The Continental Congress and its wise leaders counted surely on the adhesion of the Canadians in their struggle with England, at first simply a struggle for the right to govern and tax themselves, a right as essential to the prosperity of Canada as to that of any other colony. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.*

The Colours of Canada

When Miss Onya's class has the chance to create a mosaic piece of art depicting Canada, they are each given a different tile to glue down. As they begin to place their tiles down to create Canada, they each explain how their tile reminds them of something from their own cultural heritage. The diverse group of children work together to create the whole of Canada, showing how this country of immigrants is made up of a mosaic of people from all across the world-and from right here on our land, too. Join Miss Onya's class as they discover that the beauty of Canada is found in the diversity of its people.

The Bad Canadian

IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

Canada's Queen

Elizabeth II: A Celebration of Her Majesty's Friendship with the People of Canada

Wiley For more than fifty years, Queen Elizabeth has tirelessly greeted the Canadian public and welcomed the floral bouquets, mementos, and tributes that have been presented to her. She has remarked how she treasures her place in the life of Canada and her bond with Canadians everywhere. Queen Elizabeth has travelled to Canada on twenty-two occasions, a remarkable testament to her affection for Canada. In her speech delivered in Vancouver 2002, Queen Elizabeth made the following observations: "As we 'stand on guard' in these opening years of the twenty-first century, I see a Canada which is a much respected global player, a major economic force, a valued Commonwealth leader, a great country. It is therefore with special pride that I take this opportunity during my Jubilee year to pay tribute to Canadians everywhere ... It is a privilege to serve you as Queen of Canada to the best of my ability, to play my part in the Canadian identity, to uphold Canadian traditions and heritage, to recognize Canadian excellence and achievement, and to seek to give a sense of continuity in these exciting, ever-changing times in which we are fortunate enough to live." Canada's Queen: Elizabeth II is a testament to Queen Elizabeth's reign as Canada's Queen, an enduring pictorial treatment of a remarkable legacy during a formative period of the country's nationhood.

Canada and the United States

Ambivalent Allies

University of Georgia Press From the American Revolution to NAFTA to the Helms-Burton Act and beyond, this work offers an assessment of relations between the USA and Canada. It seeks to distil a mass of detail concerning cultural, economic and political developments of mutual importance during the past two centuries.
