## **THE HISTORICAL EVIDENCE**

---

Lion Books *"The last few years have witnessed an unprecedented stream of blockbuster-style claims about the man from Nazareth. Believers and sceptics alike have hardly had time to process one controversial theory before the next one hits the market." Recent claims about the life of Jesus have raised many questions about the historicity of the man from Nazareth. In this accessible book, John Dickson addresses such issues as: When and where was Jesus born? Did he marry? What should we make of the 'miracles' he is reported to have performed? How should we treat the claim that he rose from the dead? And can we be sure that he even existed? In eleven chapters - covering the historical reliability of the New Testament, Jesus' birth and family, his historical context, his teachings, miracles, death, resurrection and subsequent appearances - Dickson clears away the mists of speculation, revealing the founder of Christianity in sharp focus. This is a must-read for anyone wanting a lucid response to the controversial conspiracy theories of the post-modern age.*

### **LIFE IS SHORT -MY FRIEND**

---

Xlibris Corporation *Once you live as an efficient cause, you establish peace within your heart and soul without any regrets... looking backward and forward. Live your life that the fear of death can never enter your heart. Trouble no one about religion; respect others in their view, and demand that they respect yours. Love your life, perfect your life, and beautify all things in your life. Seek to make your life long and its purpose in the service of your people. Prepare a noble death song for the day you go over the great divide. Always give a word or a sign of salute when meeting or passing a friend, even a stranger, when in a lonely place. Show respect to all people and grovel to none. When you rise in the morning give thanks for the food and the joy of living. If you see no reason for giving thanks, the fault only lies in yourself. Abuse no one and nothing, for abuse the wise ones to fool and robs the spirit of its vision. When it comes your time to die, be not like those whose hearts are filled with the fear o death, so when their time comes they weep and pray for a little more time to live their lives over again in a different way. "Sing your death song and die like a hero going home."*

## **A SHORT LIFE OF MARTIN LUTHER, 2D ED**

---

*Wm. B. Eerdmans Publishing* Accessible yet authoritative biography of the colorful character who instigated the Protestant Reformation Martin Luther, the Augustinian friar who set the Protestant Reformation in motion with his famous Ninety-Five Theses, was a man of extremes on many fronts. He was both hated and honored, both reviled as a heretic and lauded as a kind of second Christ. He was both a quiet, solitary reader and interpreter of the Bible and the first media-star of history, using the printing press to reach many of his contemporaries and become the most-read theologian of the sixteenth century. Thomas Kaufmann's concise biography highlights the two conflicting "natures" of Martin Luther, depicting Luther's earthiness as well as his soaring theological contributions, his flaws as well as his greatness. Exploring the close correlation between Luther's Reformation theology and his historical context, *A Short Life of Martin Luther* serves as an ideal introduction to the life and thought of the most important figure in the Protestant Reformation.

## **A SHORT LIFE OF KIERKEGAARD**

---

*Princeton University Press* A small, insignificant-looking intellectual with absurdly long legs, Søren Kierkegaard (1813-1855) was a veritable Hans Christian Andersen caricature of a man. A strange combination of witty cosmopolite and melancholy introvert, he spent years writing under a series of fantastical pseudonyms, lavishing all the splendor of his magnificent mind on a seldom-appreciative world. He had a tragic love affair with a young girl, was dominated by an unforgettable Old Testament father, fought a sensational literary duel with a popular satiric magazine, and died in the midst of a violent quarrel with the state church for which he had once studied theology. Yet this iconoclast produced a number of brilliant books that have profoundly influenced modern thought. In this

*classic biography, the celebrated Kierkegaard translator Walter Lowrie presents a charming and warmly appreciative introduction to the life and work of the great Danish writer. Lowrie tells the story of Kierkegaard's emotionally turbulent life with a keen sense of drama and an acute understanding of how his life shaped his thought. The result is a wonderfully informative and entertaining portrait of one of the most important thinkers of the past two centuries. This edition also includes Lowrie's wry essay "How Kierkegaard Got into English," which tells the improbable story of how Lowrie became one of Kierkegaard's principal English translators despite not learning Danish until he was in his 60s, as well as a new introduction by Kierkegaard scholar Alastair Hannay.*

Wm. B. Eerdmans Publishing *Relates one of the most remarkable lives in the tumultuous English Reformation Thomas Cranmer (1489-1556) was the first Anglican Archbishop of Canterbury, the author of the Book of Common Prayer, and a central figure in the English Protestant Reformation. Few theologians have led such an eventful life: Cranmer helped Henry VIII break with the pope, pressed his vision of the Reformation through the reign of Edward VI, was forced to recant under Queen Mary, and then dramatically withdrew his recantations before being burned alive. This lively biography by Leslie Williams narrates Cranmer's life from the beginning, through his education and history with the monarchy, to his ecclesiastical trials and eventual martyrdom. Williams portrays Cranmer's ongoing struggle to reconcile his two central loyalties--allegiance to the crown and fidelity to the Reformation faith--as she tells his fascinating life story.*

### **WHAT DID JESUS LOOK LIKE?**

---

*Bloomsbury Publishing Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.*

**LIFE IS SHORT, LEAVE A LEGACY**

---

*Evangelist Todd White hears those words often. But the truth is that what Todd shares is not just a story - it's a testimony. It is evidence not only of what God has done but of what He wants to do again. It is evidence of what God can and will do for you, of what God wants to do for you. Fully addicted to drugs and pornography as a child, Todd lived in darkness. But his testimony is about a journey from that utter darkness into marvelous light. It is about a man who hungers for the Word of God and has been radically saved, changed by it. It is about a man learning to be exactly who God created him to be. It is about a child of God walking in the light of Jesus and wanting others to walk in the light too. With refreshing honesty, Todd White challenges readers to make Jesus their everything, to renew their minds, to be bold as lions, and to make an impact for the kingdom of God. Life Is Short-Leave a Legacy. TODD WHITE was a drug addict and atheist for 22 years until 2004 when he was radically set free! Todd believes that redemption and righteousness are the foundational keys for living life as a new creation in Christ. Todd's foremost desire is to see the Holy Spirit flowing through believers everywhere that they go-at work, school, grocery stores, malls, gas stations, and more. Todd's true joy is being able to reproduce a 24/7 kingdom lifestyle in every believer. His heart is to activate people in the simplicity of who they really are and confront the barriers that hold them back from being who God created them to be. No one is excluded!*

## **A COLLECTION OF SHORT ARTICLES ON THE CHRISTIAN LIFE**

---

*Rev. Daniel W. Blair As the world races toward the Great Tribulation, immorality among the world's leaders, increased lawlessness, natural disasters, and anarchy many voices have flooded the blogosphere, YouTube and the social networks to interpret the times. Rev. Blair has risen above the unholy chorus to write a series of timeless articles from a biblical perspective to help Christians stand firm in their faith. This collection of short articles taken from his two popular websites give practical application, prophetic insight, and a clear voice to those in power. As prophet, social activist, and pastor, Daniel Blair writes each article with compassion and uncompromising biblical truth to prod every Christian to pick up the banner of truth and walk in holiness before the Lord. Use as a daily devotional or as a timeless resource during the coming distress. In this volume I discuss the need for a genuine Christian life as we face a decline in the church and an apostate faith by many who claim to be Christian. These articles were written to help Christians stand firm by returning to the Bible as their sole authority, which is sufficient for all of life and godliness.*
