HEROES AND OUTLAWS OF THE BIBLE

DOWN HOME REFLECTIONS OF HISTORY'S MOST COLORFUL MEN AND WOMEN

New Leaf Publishing Group *With a gift for telling a story in a factual but folksy manner, Don Reid reflects on the lives of biblical people such as Abraham, Joseph, Esther and John the Baptist. Don lets us see a little bit of ourselves in the lives of these men and women and when you get down to it, they were not super-humans; they were just folks like you and me.*

HOW RACE IS MADE

SLAVERY, SEGREGATION, AND THE SENSES: EASYREAD EDITION

ReadHowYouWant.com *For at least two centuries, argues mark smith, white southerners used all of their senses - not just their eyes - to construct racial difference and dene race. His provocative analysis, extending from the colonial period to the mid-twentieth century, shows how whites of all classes used the articial binary of "black" and "white" to justify slavery and erect the political, legal, and social structure of segregation. Based on painstaking research, how race is made is a highly original, always frank, and often disturbing book. After enslaved Africans were initially brought to America, the offspring of black and white sexual relationships (consensual and forced) complicated the purely visual sense of racial typing. As mixed-race people became more and more common and as antebellum race-based slavery and then postbellum racial segregation became central to southern society, white southerners asserted that they could relyon their other senses - touch, smell, sound, and taste - to identify who was "white" and who was not. Sensory racial stereotypes were invented and irrational, but at every turn, smith shows, these constructions of race, immune to logic, signied difference and perpetuated inequality. Smith argues that the history of southern race relations and the construction of racial difference on which that history is built cannot be understood fully on the basis of sight alone. In order to come to terms with the south's past and present, smith says, we must explore the sensory dynamics underpinning the deeply emotional construction of race. How race is made takes a bold step toward that understanding.*

BEYOND THE LECTIONARY

A YEAR OF ALTERNATIVES TO THE REVISED COMMON LECTIONARY

John Hunt Publishing *Beyond the Lectionary gives preachers a new year of Biblical texts that are not found on Sundays (or other mainline Protestant holy days) in the three-year cycle of the Revised Common Lectionary. It provides readings from the Hebrew Bible, Psalms, Epistles/New Testament and Gospels for each Sunday of the liturgical year, along with several midweek observances. The texts have been selected with an eye toward continuity (progressing in order) and complementarity (textual completion or harmony), and they are accompanied by commentaries and prayers. Written in language that is accessible to both lay people and professionals, Beyond the Lectionary has the potential to transform congregational culture by bringing more of the content of scripture to people's awareness.*

MY BROTHERS' FOOTSTEPS

HISTORICAL FICTION OF SIX BROTHERS IN WORLD WAR 1

Balboa Press *My Brothers' Footsteps will take you back one hundred years in Canada's history. Young men and women answered the call, boarded ships, and sailed to the battlefield in Europe. The unspeakable horrors of war awaited them as they fought bravely for their king and country. My Brothers' Footsteps take you into the rat infested trenches, the battlefield riddled with shell holes, and the pain and suffering of the wounded. Many never returned home, and those that did were broken in body and spirit. This was a time of fierce loyalty and pride. The Great War forged a nation but it came with tremendous sacrifice. This is a must-read for every Canadian, whether young or old!*

This book will enrich your life and help you in your Christian walk. - Rev Dr Colton S Wickramaratne, Founder Pastor People's Church, Assembly of God 'The Great Xchange' consistently reminds us of the powerful truth that it is only through the Cross that man can have peace with God and enjoy the peace of God. It is the finished work of the Cross that disarmed and defeated satan and enables us to be victorious over the flesh and the works of the enemy. - Rev Dr Prince Guneratnam, Senior Pastor Calvary Church Kuala Lumpur, Malaysia; Chairman, World Pentecostal Fellowship*

MISSION TO MAHJUNDAR

A SECTORS NOVEL

Veronica Scott *An attempted assassination left Princess Shalira blind as a child and, now that she's of marriageable age, her prospects are not good because of her disability. She's resigned herself to an*

arranged marriage rather than face life under the thumb of her cold stepmother. But then she meets Mike Varone, a Sectors Special Forces officer sent to Mahjundar by the intergalactic government to retrieve a ship lost in her planet's mountains. After Mike saves Shalira from another assassination attempt, she arranges for him to escort her across the planet to her future husband. She's already falling hard for the deadly offworlder and knows she should deny herself the temptation he represents, but taking Mike along to protect her is the only way she'll live long enough to escape her ruthless stepmother. Mike, for his part, resists his growing attraction to the princess; he has a mission on this planet and rescuing the vulnerable but brave princess isn't it. No matter how much he wishes it could be. But what should have been an easy trek through Mahjundar's peaceful lands swiftly turns into an ambush with danger around every turn. Shalira's marriage begins to seem less like an arranged union and more like yet another planned assassination. The more they work together to survive, the harder it becomes to stop themselves from falling in love. Caught in a race against time, can they escape the hostile forces hunting them and make it off the planet? Can there be a future for a simple soldier and an intergalactic princess?

IN THE COMPANY OF REBELS

A GENERATIONAL MEMOIR OF BOHEMIANS, DEEP HEADS, AND HISTORY MAKERS

New Village Press Meetings with remarkable activists since the 1960s American social change movements dominated the 1960s and 1970s, an era brought about and influenced not by a handful of celebrity activists but by people who cared. These history makers together transformed the political and spiritual landscape of America and laid the foundation for many of the social movements that exist today. Through a series of 43 vignettes—tight biographical sketches of the characters and intimate memories of her personal encounters with them—the author creates a collective portrait of the rebels, artists, radicals, and thinkers who through word and action raised many of the issues of justice, the environment, feminism, and colonialism that we are now familiar with. From Berkeley to Bolivia, from New York to New Mexico, a complex, multi-layered radical history unfolds through the stories and lives of the characters. From Marty Schifenhauer, who fought through the first rent-control law in the United States, to Ponderosa Pine, who started the All-Species Parade and never wore shoes, to Dan and Patricia Ellsberg, who released the Pentagon Papers and became life-long anti-war and antinuclear activists, the portraits bring out some of the vibrant, irreverent energy, the unswerving commitment, and the passion for life of these generations of activists. In our present moment, as many people find themselves in the streets protesting for the first time in their lives, *In the Company of Rebels* makes the connection to this relatively recent rebellious era. As the author comments on her own twenty-year old self, sitting at the counter of Cody's Books in Berkeley in the early 1970s, thrilled about the times but oblivious of the work that came before: "I didn't know anything about this courageous and colorful past. But now I know."

THE CHARM STONE

A NOVEL

Bantam When it comes to love... When expert surfer Josie Griffin has a rare wipeout, she's shocked to discover that a real-life treasure chest is to blame—one that contains a necklace hung with the biggest stone she's ever seen. But that's nothing compared to the shock she gets when she places the jewel around her neck. Instantly a mysterious little kilted man appears to inform her that the charm has betrothed her to an eighteenth-century Scottish laird! It's not that Josie has anything against handsome lairds—or older men. But three hundred plus years may be stretching things a bit. After all, she has a career to consider. And besides, she's sure the effects of her concussion will be wearing off any minute—until the minutes turn to hours...then days... A little charm goes a long way The spirit of Connal MacNeil has been waiting centuries for his betrothed to appear on Scotland's roaring shores. Josie's arrival with the MacNeil charm stone is his dream come true. Her passion is a fiery match to his own—and her powerful body is perfect for bearing the heir he plans. He bargained his soul for this last chance at prosperity, and he won't take no for an answer. Unfortunately the lass doesn't quite understand that destiny has bound them for all eternity. In fact, she seems determined to deny him at every turn—when she isn't busy with her foolhardy need to go wave hunting. But it doesn't take long for other, more earthly MacNeil charms to take hold. For Josie is only human—and Connal has waited long enough for the love affair of his lifetime to finally begin....

THE TEMPLAR'S BOWL

Stasheff Literary Enterprises In 1942, German submarines prowled the Canadian coastline, searching for the lost Templar treasure... and its most powerful spiritual object, the Holy Grail. All that stands between Hitler and world domination are three ghosts of long-dead Templar Knights... and their newest recruit: the sickly, wheelchair-bound child Richard. As his body lies in a coma, the Templar ghosts take Richard's spirit on journey through time as they train him for knighthood. Richard meets Crusaders and Hospitlars, Vikings and Saracens, Pirates... and, ultimately, Nazis. Sailing a wooden longship, armed only with swords and catapults, can Richard and his ghostly allies protect the Grail from enemy U-Boats bearing gun-toting stormtroopers?

THE JOURNEY INTO REFLECTION

Strategic Book Publishing "Eye opening, thrilling and inspiring. A page turner you can't put down! Empowering as well as entertaining." - Kevin Trudeau, #1 NY Times Bestselling Author "A must read for those that like to challenge their minds. Can you dare to read and ponder? The Journey into Reflection called me into the settings as if I were there." - Dr. Chris Hastings "The Journey into Reflection is your story in a well written script: The Journey into Reflection can change your perspective, your life, even your eternity. The stories are about self reflecting, about pivotal moments in life when heartache becomes opportunity; tragedy turns into victory; setbacks become quantum leaps." - Randy Maugans, The Threshing Floor Radio Show "Ronnie McMullen's book The Journey into Reflection is presented in simplicity yet intensely packed with reminders and insight into a world of possibilities. Through his stories our hearts ignite with hope and wonder as we step into our own inner sanctum and find peace. Beautiful stories! Very invigorating to the spirit and mind!" - Sonia Barrett, Author and Editor, Sovereign Mind Magazine "Each page makes you remember what you have forgotten, that miracles do happen every day. This world is not linear, it is multi-dimensional. Emotional, thought-provoking and filled with messages to your soul. Each chapter will have some sort of connection to you and your own life, it is impossible not to see and feel. Wonderful!" - Rebecca Jernigan, Host: Journeys with Rebecca Radio Show About the Author:

YOUNG LORD OF KHADORA (FORGOTTEN LEGACY #1)

KBS Publishing Ages ago the continent was invaded by massive armies intent on creating a new home for themselves. The peaceful indigenous peoples fled before the marauding hordes and hid defiantly in the mountain peaks awaiting a signal from god. They learned the arts of magic and warfare as they hid from the intruders, who divided the land amongst themselves and set up a civilization where the many toil and slave for the elite few. The Forgotten Legacy series begins with Young Lord of Khadora as Marak, a young soldier in the service of one of the clans of Khadora is chosen as a sacrifice for the benefit of his lord. Marak is sent on a fool's mission to defeat one of the small bands of indigenous people known as the Chula, a race of dreaded cat-people. Marak, however, is not your normal clan soldier. His mother is a mage slave to the clan lord and his father is unknown, presumed dead. What makes Marak different though, is his abhorrence for Khadoran culture, a society that feeds on the helpless and victimizes all but the most wealthy and powerful. Refusing to accept his given role in life, Marak sets out to change the very fabric of society. The young soldier has a brilliant military mind and warrior skills that so far have not been bested, but his real weapons are the resources that Khadoran society discards. In Khadora mages are typically slaves who tend the fields, often thought of as little more than farm implements. The average Khadoran soldier is taught to follow orders and not think. The workers on the clan estates are treated barely better than the slaves. Marak intends to use a secret weapon to not only accomplish the futile mission he is sent on, but to start a reform of the entire society. His weapon is compassion and it is an emotion that has long been dead in Khadora. It is a fine edge that Marak must walk to stay alive. While not knowing how a populace will react to his endeavors, Marak has little doubt what the reactions of the clan lords will be. Marak will have to defend himself against rival clan lords fearful of his efforts, the dreaded cat-people who hate all Khadorans, and even his own clan to whom he owes his very life and allegiance.
