## How to Read the Bible As Taught by Neville Goddard A Guide to the Human Imagination - Understanding Scripture As a Manual of Creation

**Createspace Independent Publishing Platform** "When a man speaks of God-in-man, he is totally unaware that this power called God-in-man is man's imagination. THIS is the creative power in man. There is nothing under heaven that is not plastic as potter's clay to the touch of the shaping spirit of imagination..." [this is what the Bible shows] -Neville Goddard, 1955 The purpose of this book is to show you how to use your imagination to create your reality as your desire. Most are predominately unaware of the creative power of the imagination and ultimately submits to the 'facts of life', accepting what is observed in the outer world - and on that basis alone. However, when you discover the creative power within - you can and will boldly exercise the power of God-in-man called Imagination. The Bible shows us how. "As He is, so are we in this world." - John 4:17 The story of Jesus Christ, as well as all of the miracles recorded in the New Testament, are acted parables. As long as you think the Bible is speaking of someone other than yourself, you will never understand it. The entire book, from beginning to end, is all about you, individually - and how the Christ-in-you can and will be resurrected. This is beyond self help. It's more than a new age. This is Christology. This is your prophecy experienced through life application
