### Hiss of Death

### A Mrs. Murphy Mystery

**Bantam** After a hospital employee ends up dead, Mary Minor "Harry" Haristeen--along with her sleuthing animal companions Mrs. Murphy, Pewter and Tucker--must find the murderer, all while Harry deals with a health crisis herself. Reprint.

### Hiss of Death : a Mrs. Murphy Mystery

### Hiss of Death

**CreateSpace** In 1989 a suburban New Jersey town is panicked by a number of deaths from an enormous rattlesnake, only the latest in a series of terrible and violent incidents that seem to be centered around the local high school. Chris Harvey, a social studies teacher dealing with memories of the loss of his fiancée and concerned about keeping his job, is thrust into the middle of it all. He gradually becomes more and more involved until he, helped by some of his students, unravels the mystery and exposes the underlying evil that has engulfed the town.

### Hiss of Death

### A Mrs. Murphy Mystery

**As a wave of spring tilling and planting sweeps over Crozet, Virginia, Mary Minor "Harry" Haristeen is especially excited: this is her first year harvesting grapes to sell. But then a health crisis sends her reeling into the forbidding world of hospitals and doctors, treatments and procedures. Although surviving this journey will be tough, Harry will have lots of support. Others will have worse luck.**

### Death on the Last Train

**A&C Black** First published in 1948, *Death on the Last Train* is a Chief Inspector Littlejohn mystery full of false leads, dead ends and old-fashioned charm. Detective Inspector Littlejohn of Scotland Yard is travelling to an assignment, exhausted after an arduous journey of delayed connections, when he catches the last train. A murder occurs in his carriage, putting on hold any other plans he may have had. The local police, out of their depth, commandeer the detective to help them solve the case. Delving into unrequited love, betrayal, and poison pen letters, Littlejohn must pick apart a tangle of grudges. Many men and women seem primed with motives, but which of them has it in them to kill?

### Hissers

**Permuted Press** In the small town of Castor, it's the last weekend of summer break. In just two days four teenage friends will begin their high school careers. Dating, who to sit with at the lunch table, and what to wear seem to be the most important decisions facing them. But as Connor, Seth, Amanita and Nicole venture to the most popular end-of-summer high school party in town, they soon discover there are even more important decisions to be made. Life and death decisions. Namely, how to outrun the massive wave of mutated undead that have suddenly crashed the party. It's "The Breakfast Club" meets "Resident Evil" as the teens of Castor fight to stay alive. And for this group of friends, growing up never seemed so urgent.

### Alger Hiss's Looking-glass Wars

## The Covert Life of a Soviet Spy

Oxford University Press on Demand Integrates the diverse details of Alger Hiss's life--from his upper middle-class upbringing and Harvard success to his role as a martyr to McCarthyism--to present intriguing evidence that Hiss, contrary to popular opinion, was indeed a Soviet spy, limning a remarkable portrait of a man whose life was devoted to perpetuating a lie.

## A Nine Lives Magic Mystery

Have you ever wished your cat could talk to you? If so, allow my story to be your cautionary tale. My aunt Lavender is in danger and it's up to me and my reluctant familiar to save her. Unfortunately, the sassy cat isn't big on the whole concept of teamwork. With no idea where Lavender is and our leads in short supply, we turn to an archivist who might have the answers to our questions. But when he turns up dead under suspicious circumstances, our last glimmer of hope goes dark. Unless ... the secrets to my aunt's disappearance are tangled up in the famed archivist's sudden death. The police are quick to write it off as a tragic accident, leaving it up to me and Selene to crack the case and discover his link to Aunt Lavender. I just hope we aren't too late. \*\*Cora and Selene's hiss-terical adventures continue in this new paranormal cozy mystery from Danielle Garrett. Perfect for anyone who wanted to adopt Salem from Sabrina the Teenage Witch.\*\*

## The Death of James Forrestal

## The hiss of hope

## A voyage with Parkinson's toward an intimate autonomy

Chiron Publications Parkinson's Disease;chronic illness;intimate autonomy;psychology;Jungian psychology From the initial port of a relating pattern with Parkinson's Disease consisting of the usual fight, flight, freeze or the book's new 'fall' structural methodology, the author takes off on a voyage harboring cryptic intimations about being "with" an illness, about a less ego accentuated interacting. This remarkable transmutation happens gradually. A re-molding takes place during the course of an eight year journey. The nucleus of this book is a descriptive narrative of this journey, of a voyage to the paradoxical space of an intimate autonomy. Even though THE HISS OF HOPE is about living with a chronic disease, the book does not dwell on a life of suffering and desperation, but rather, it also depicts the adventure leading to places, to encounters and to depths of experience that would not have been possible without first having been ambushed by Parkinson's. Today's Zeitgeist seems to be pregnant with dark and fearful hints of impending disasters. This book suggests an intimate autonomy as a culturally integrable relating pattern to cope with life in the first half of the 21st century. And with death. With a grateful nod to Parkinson's Disease and its initial rupture of her life, the author concludes her book with a generous smile. The sparkle of the 'before' space links to the calm radiance of the 'after'. And the sibilant hiss, reveals itself as a dynamic third between hope and no-hope: a concurrent unity of an intimate togetherness and an autonomous separateness. A beginning asserts itself at the end. Parkinson's reacts with a wise and iconic grin.

## Angel/Hiss

Laura Wright & Alexandra Ivy Books 13 & 14 of the USA Today Bestselling Series! ANGEL Dr. Angel Savary is dedicated

to his skills as a Healer. After the death of his mother, he's determined never to fail another Pantera. But when he's kidnapped by a human female, he discovers that her brutal past offers the answers he's been seeking. Even more astonishing, she stirs his cat with a ruthless need to claim her. Suddenly, he realizes there's more to life than duty. Indy's life has been one of grim survival. The last thing she wants is the distraction of a lover. Until she captures Angel. The Pantera is stunningly gorgeous and sexy as hell. Unfortunately, she hasn't captured him to fulfill her fantasies. As much as she might ache with the need to give in to their mutual passion, he's the only hope she has of saving the child she's rescued from a ruthless enemy who threatens to destroy them all. HISS Caged like the beast he is, Hiss—former Hunter and traitor to the Pantera—has accepted his fate as a tortured prisoner in the hideous experimentation lab known as the Sub. In fact, he wishes death would come more quickly. Until he connects with the female in the cage beside him, that is. As he helps his fellow captive through her pain and her nightmares, she forces him to envision the possibility of forgiveness after the hell he's wrought on his kind. But when their captors plan to use her in their brutal breeding program, Hiss has no choice but to attempt a risky escape. Stunning and fierce, Gia used to be a water Hunter in her shifter sect before she was abducted and tossed in the lab for blood drains, and worse. Threatened with a hopeless future as a lab brood mare, escape seems like her only possibility for survival. After refusing to give herself to the breeding program, she escapes with Hiss to his Wildlands. Giving Hiss her heart and her loyalty in the face of the Pantera's overwhelming guilt, all she expects in return is his honesty. But when she wakes up one morning to find him gone, will she too deem him a traitor to their love?

## Hissers II: Death March

When a plane crashed in the quaint town of Castor, it unleashed a virus that turned everyone into hissing, blood-thirsty, undead monsters. Monsters that could transmit their plague in seconds, that could run as fast as dogs, and that could fuse themselves together to create massive mutated beasts. Four teens—Connor, Seth, Amanita, and Nicole—fought for their lives to secure vital data from the plane wreckage, some of them paying the ultimate sacrifice. Now they need to get to San Diego with their secret, but the plague is spreading too fast. They have no friends or family, nowhere to hide, and death lurks behind every corner. Worse, the hissers are evolving, and it may be impossible to stop them at all. "Fresh, bold, and frightening!" - J.L. Bourne, author of *Day by Day Armageddon* "Hissers is one of the best stories I've read this year... equal parts touching, compelling and gruesome." -Nate Kenyon, award-winning author of *THE REACH* and *SPARROW ROCK* "A unique approach to the walking dead...I promise that you'll love it." - HorrorDrive-In.com

## The Controversial Trials of the Alleged Soviet Spies at the Height of the Red Scare

CreateSpace \*Includes pictures \*Includes accounts of the trial and key parts of the testimony \*Includes online resources and a bibliography for further reading \*Includes a table of contents "I am amazed; until the day I die I shall wonder how Whittaker Chambers got into my house to use my typewriter." - Alger Hiss "This death sentence is not surprising. It had to be. There had to be a Rosenberg case, because there had to be an intensification of the hysteria in America to make the Korean War acceptable to the American people. There had to be hysteria and a fear sent through America in order to get increased war budgets. And there had to be a dagger thrust in the heart of the left to tell them that you are no longer gonna get five years for a Smith Act prosecution or one year for contempt of court, but we're gonna kill ya!" - Julius Rosenberg Shortly after World War II, Congress' House Committee on Un-American Activities began investigating Americans across the country for suspected ties to Communism. Among the people called before the House Committee on Un-American Activities, none are as controversial as Alger Hiss. Hiss had graduated from Harvard Law, after which he worked as a clerk for Supreme Court Justice Oliver Wendell Holmes, worked in the Roosevelt administration for the Agricultural Adjustment Association, and was Head of the Carnegie Endowment for International Peace. That background didn't exactly sound like one held by a Soviet spy, let alone a Communist, but Elizabeth Bentley, a former Communist, notified the Committee about a suspected spy ring and named several names, including Hiss. More notably, Hiss was also accused of being a Communist and Soviet spy by an admitted Communist, Whittaker Chambers. The Hiss case came at a time when the Committee was populated by right-wing zealots, including a young Congressman from California named Richard Nixon. Decorum was in scarce supply, and "Hiss was everything Nixon despised...wealthy, liberal, educated and handsome." Although Hiss was believed at first and Nixon was cast as the public villain for doggedly questioning him over Communist ties, Chambers eventually produced State Department documents typed on Hiss's typewriter, and Hiss was forced to admit that he previously knew and had associated with Chambers, who had renounced his Communism and had become editor of *Time Magazine*. Though the FBI and the Committee were never able to prove Hiss was a spy, they were able to get Hiss on a charge of perjury, for which he was sentenced to five years in prison, and the conviction of Hiss added to the luster of Nixon's anti-communist

credentials. The case of Alger Hiss and the rise of McCarthyism were undoubtedly instrumental in the way that one of the most notorious cases in American history unfolded in the early 1950s. After years of keeping tabs on Julius and Ethel Rosenberg, the two Communist sympathizers were indicted on charges of treason and conspiracy to commit espionage for passing off secrets about the atomic bomb to the Soviet Union. In the context of the Cold War and the Korean War, there could hardly be more serious charges, but the couple strenuously asserted their innocence, even after they were implicated by Ethel's own brother, David Greenglass. Throughout the trial and its aftermath, many Americans believed the Rosenbergs were innocent and/or were facing an unduly harsh death sentence. Indeed, authorities had hoped to wring confessions out of the two by threatening them with the chair, but they held steadfast all the way up until their executions on June 19, 1953. In the over 60 years since, there has been plenty of debate over whether the two of them were guilty, and, if so, what the extent of their espionage was. While historians have used declassified documents and memoirs of involved individuals to reach the widespread belief that Julius Rosenberg did commit espionage, there is still a lot of doubt regarding Ethel's involvement.

## Alger Hiss

### Framed

Skyhorse + ORM A clear-eyed investigation into what is probably the biggest, longest cover-up in American history. As a member of the House Un-American Activities Committee, Richard Nixon led the investigations that first drew attention to Alger Hiss and his purported ties to the Soviet regime. These investigations eventually led to the discovery of proof that Hiss was a mole in the State Department and precipitated a trial that would eventually ruin him

and propel Nixon to the Presidency. But what if the proof that eventually led to Hiss's conviction was forged? In this riveting investigation, Joan Brady—winner of The Whitbread Book of the Year—reveals how Nixon manipulated a media and public in the thrall of post-war anti-communist hysteria to make a fabricated case against Hiss, and draws a strong parallel with the French, who a half-century before turned Alfred Dreyfus into a scapegoat for anti-Semitism. *Alger Hiss: Framed* is necessary and timely, telling soberly the tale of a nation in the grip of paranoid fear and the man who took most advantage of this fear. “A bracing reminder of what indeed was so hateful, so villainous about Nixon and his political ascent.” —The Spectator “[An] extraordinary book . . . Part autobiography, part memoir of Hiss, part thriller, and also a reminder of what happens when a society becomes infected by the paranoia that produced the American ‘Red Scare’ after the First and Second World Wars.” —The New Statesman “Brady’s book . . . offers a unique perspective . . . She is an expert storyteller.” —The Guardian

## Academy of Magics

Mysterious necromancers. Wicked vampires. Fierce witches. Forbidden alliances. This Academy of Magics will suck you in. Aleister's a great guy—erm, vampire—but things don't feel right for Emery. The chemistry is off. Is it her magic or his missing magic? Or is it all about Gentry, the vampire she's never been able to get out of her mind? Gentry's on a mission to get answers about the cultists. That's all he has left, now that Emery doesn't want him anymore. He's risking life and limb to get the answers. Literally. Except when he's injured and Emery offers her blood, binding them in a way that is irrevocable and irresistible. As if all of this isn't bad enough, a new death witch appears on campus with a mission to teach Emery. Except she seems to have an agenda. All of this will make for a difficult semester at the academy for supernaturals. Warning: This series will hook you! Violence and blood can be found in this series of action-packed academy fantasy, with necromancers, vampires, and badass witches.

## Hiss and Tell

Penguin In this Sunny & Shadow Mystery from the New York Times bestselling author of Last Licks, a fat-cat wedding is making waves in Kittery Harbor, Maine. Political heiress Priscilla Kingsbury is about to marry Carson de Kruk, son of business mogul Augustus de Kruk, at the Kingsburys' waterfront compound. For reporter Sunny Coolidge, an assignment from the Harbor Courier to cover the event is like catnip. But when Sunny photographs men pulling the body of a dead woman out of the water, the Kingsburys' private security isn't happy. They claim the woman's death was an accident, but the story seems fishy. Now, with a little help from her police officer boyfriend and her cunning cat Shadow, Sunny is determined to get the scoop on a killer.

## The Lady In The Glass

## 12 Tales of Death & Dying

Sygasms 12 tales of death and dying from bestselling UK author, K.J.Heritage "At first, when the waters showed me the Lady, I thought she was a sister of The Jesus, for she smiled at me. But when I gave her another looksee, I knew she

was also Devil, for she comes from the Blackash and was broken. Her flesh is white, stuck inside twisted glass that bends and curls--one arm reachin' out to me, the other at her side, her fingers clenched in an angry fist. And if I look into her black eyes? I see fings. Twistin', turnin' fings. She tells of dark, doomy worlds, of peoples and places, and of shadows where horrors lurk. Stories that play out in front of me as if I was there. But hark! Her lips begins to dance! Serpents that whisper and hiss. Words that spin and curl, twistin' and swirlin' and I can do nothin' but watch, watch, watch..."

## Tired of Death

Neil Hartley How many times have you hacked down a zombie without thinking about it? Ever wondered who the shadowy force is behind that dungeon? Spared a thought for the poor denizens who are sat around in those chilly Crypts waiting for the next victim? No? Perhaps it's time to see the story from the other side...

## Death's Disciple

## Academy of Magics

Mysterious necromancers. Wicked vampires. Fierce witches. Forbidden alliances. This Academy of Magics will suck you in. Out of the frying pan into the fire. That sums up what Emery's life has become. Things with Gentry fell apart. Luckily, Aleister's there to pick up the pieces. Or maybe that's not so good. Gentry's world's fallen apart. Tormented by a lost love, torn by a new love, he drifts in and out of states of torture as he tries to keep Emery safe while at the same time keeping his distance. Aleister's thrilled to have a chance with Emery, but will it cost him his friendship with Gentry? As if all of this isn't bad enough, more deaths on campus, kidnappings, mysterious tattoos and brands make for a difficult semester at the academy for supernaturals. Warning: This series will hook you! Violence and blood can be found in this series of action-packed academy fantasy, with necromancers, vampires, and badass witches.

## Fair Trial

## Fourteen who Stood Accused, from Anne Hutchinson to Alger Hiss

"Bibliographical notes": pages 479-494.

## Alger Hiss, Whittaker Chambers and the Case That Ignited McCarthyism

McFarland This is a consensus-challenging history of the Alger Hiss-Whittaker Chambers controversy of 1948 to 1950, a criminal case in which Hiss was convicted of perjury after two long trials. Chambers claimed that Hiss had passed classified State Department documents to him in 1937 and 1938 for transmittal to the Soviet Union. Hiss denied the charges but was found guilty at his second trial (the jury could not reach a decision in the first). Hiss was not charged with espionage because of the statute of limitations. The main focus of this narrative concentrates on the early months of the affair, from August 1948 when Chambers appeared before the House Committee on Un-American Activities and denounced Hiss and several others as underground Communists, to the following December when Hiss was indicted for perjury. The truth emerges as the story unfolds, based in part on grand jury records unsealed by court order in 1999, leading to the conclusion that the stories Whittaker Chambers told the authorities and later published about himself and Alger Hiss in the Communist underground are completely fraudulent.

## Friendship and Fratricide

## An Analysis of Whittaker Chambers and Alger Hiss

## A Cobra's Hiss

## The Call of the Animals

This is a side story talking about how the gang met Jackson and Annabelle and their entry in the Monster World. Well, just the party monster part anyways. Vanessa Cobra goes around her day to day on her laptop after her parents die, a true recluse from the world. After staring at death right in front of her, Cobra's obsession with the supernatural might very well be her new life. Vanessa learns, along with the rest of the gang, how to be a part of dangerous Monster

World. How deep will this take her into the dark reality of this world?

## Graft: do we dream in death

Lulu.com Ever hiss did the blade twist up from the boggy marsh and the feeling did pass. Swords and great spears kissed the blue streets, thrown or dropped as the broken stuck from out the ice held path and roadways along their fallen tribesmen. A light not meant for old men gave the shadow its course to glint and then fade away. This ripple of blue fluttering thought was far better or worse than any ghost between his father's cryptic speeches and like that nothing that always listened to such order was the thought back to his sunflowers and Edmund would be his hope this day. Only her dreams held electric to the fading wind, such to foretell the fog of this simple farmer and his path as it set before them only to the roaming road of the old marsh, far from those dreadful graves of this dying land. Sorrow into the one day in a dying eye of the sparrow and Edmund would promise to never take from this again as such innocence held to experiment, he knew well what he did to this tree.

## Cultural Foundations of Political Psychology (Clt)

Transaction Publishers Over the centuries all of the great philosophers made psychology central to understanding social life. Indeed, the ancient Greeks thought it impossible to conceive of political life without insight into the human soul. Yet insufficient professional legitimization attaches to the central importance of modern depth psychology in understanding politics. *Cultural Foundations of Political Psychology* explores the linkages between psychology and politics, focusing on how rival conceptions of the good life and unspoken moral purposes in the social sciences have led to sectarian intolerance. Roazen has always approached the history of psychoanalysis with the conviction that ethical issues are implicit in every clinical encounter. Thus, his opening chapter on Erich Fromm's exclusion from the International Psychoanalytic Association touches on a host of political matters, including collaboration as opposed to resistance to Nazi tyranny. Roazen also brings a public/private perspective to such well-known episodes as the Hiss/Chambers case, the circumstances of Virginia Woolf's madness and suicide, and the matter of CIA funding of the monthly *Encounter*. He deals with the reaction to psychoanalysis on the part of three major philosophers--Althusser, Wittgenstein, and Buber--and looks at the link between psychology and politics in the work of such political theorists as Machiavelli, Rousseau, Burke, Tocqueville, Berlin, and Arendt. A chapter grappling with Vietnam and the Cold War illustrates how political psychology should be concerned with questions of an ethical or "ought" character. In examining the social and psychological bases for political theorizing, Roazen shows how both psychology and politics must change and redefine their methodologies as a result of their interaction. Roazen concludes with a chapter on how political psychology must deal with issues posed by changing conceptions of femininity. This volume is a pioneering exploration of the intersection of psychology and politics. Paul Roazen is professor emeritus of social and political science at York University in Toronto. He is the author of *The Trauma of Freud: Controversies in Psychoanalysis*, *The Historiography of Psychoanalysis*, *Freud: Political and Social Thought*, *Encountering Freud: The Politics and Histories of Psychoanalysis*, and *Brother Animal: The Story of Freud and Tausk*, all available from Transaction.

## ...And the Night Hissed

AuthorHouse "Had I known what lay ahead of me in the jungles of Africa," he wrote, "I would never have contemplated coming in the first place." Dr. Cromwell was part of a notorious West African slave raid that took place in June 1806. He was the ship's head physician with two surgeons and three loblolly boys for assistance. Hence, the voyage to the Dark Continent was routine and uneventful for the most part. However, as soon as his team set foot on the shores of Yorubaland in search of able-bodied slaves, bizarre things began to happen, people disappeared mysteriously, strange tootles were heard in the middle of night. The team's belated knowledge of 'Olori Ejo', a local superstition involving snakes, spirits and sinister deaths, only made matters worse. So when his good friend and budding explorer, Lord Powell, vanished mysteriously one fateful night while the others slept, Cromwell knew he had made a wrong decision.

## Death Of The Anchorite

## Murder and mystery in medieval England (The Draychester Chronicles Book 3 - middle ages crime)

**IRENE STORVIK LTD** A mysterious killer is on the rampage. Make no mistake, the countryside can be a deadly place in late 14th century England, but who would dare target the village anchorite? After all, wouldn't it be a deadly sin? Harm those devoutly religious women, walled up for life inside a cell in the village church, and face eternal damnation...only an angry, desperate man could be persuaded to carry out such evil... The countryside is in an uproar, in the local cathedral city of Draychester, Bishop Gifford is angry and baffled. Events are spiralling out of control. Young Will Blackburne, bishop's official, and his companions Bernard and Osbert are swiftly dispatched to investigate. But perhaps all isn't quite as it seems, a shadowy figure from within the city guides the killer's actions, bringing events closer to home than anyone can predict ...except perhaps the great cathedral's own anchorite, Dame Dorothy, famous for her visions of the future, who dreams of death and destruction... the killer must be stopped, his evil master thwarted and Dorothy saved...
