Introduction.

Classic Tattoo Stencils

Designs in Acetate

Schiffer Publishing This is a staggering volume of thousands of examples of the celluloid acetate stencil, an essential tool in the history of tattooing. Mythical creatures, angels and devils, anchors and other nautical symbols, and more abound in stencil form, the classic tracing method that has only increased exponentially in popularity since the rough days of crude materials and callused hands. Before Thermofax(TM) and numbing cream, tattooists had to hone their tracing skills perfectly--and clients had to hope for the best. Over time artists would ask sailors and dock workers to let them trace remarkable tattoos they got at other ports, effectively inventing design replication. Today tattoo artists use tattoo stencils to transfer designs onto wood, quilts, and even cabinets. A worthy companion to *Flash from the Bowery: Classic American Tattoos, 1900-1950*, this volume continues to ignite the curiosity of American history and tattoo buffs.

Traditional Stencil Designs

Dover Publications Widely used as a form of interior decoration since colonial times in America, stencil designs later became commercially available to builders and homeowners who wanted to decorate ceilings and hallways of houses and other structures. The scores of attractive stencil designs in this CD-ROM and book collection - selected from a rare, early-twentieth-century catalog - are typical of traditional floral and foliated patterns, images of animals, mosaics, and other popular motifs of the period.

Full-color, step-by-step photos on every page, all with explanatory captions, help you create beautiful decorative effects

Classic Tattoo Stencils 2

More Designs in Acetate

Schiffer Publishing The unearthing of authentic celluloid acetate stencils, a project undertaken by Long Island tattoo shopowner and memorabilia collector **Cliff White**, continues. In this compilation, thousands more artifacts emerge from "deeper inside the trunk" and expose a sprawling collection from the late '50s and early '60s. These facsimiles, represented in their original color and tone, include timeless designs such as anchors and panthers; famous cartoon characters; wizards, unicorns, and leprechauns; cultural and historical symbols, from Marine Corps logos to Asian designs; and hundreds of other styles too numerous to mention here. Marks of original artists shine through in the leaves of this volume, revealing the etchings of rough craftsmen of a half century ago and evoking stories of weathered sailors and hardscrabble New Yorkers that veteran and young tattooists will appreciate. Fans of scrimshaw, folk art, and engraving will also consider this book a massive source of inspiration and awe.
