**India's Special Forces History and Future of Special Forces** [Vij Books India Pvt Ltd](#) **Employment till now of our nascent Special Forces have been analyzed including whether our Special Forces have actually been employed or used as Special Forces or primarily used in counter insurgency operations for which we have any number of other units available. The book brings out whether a rare resource like Special Forces should or should not be employed for such missions that can be performed by a host of other groups. In the backdrop of 21st Century threats, what should be the Special Forces structure in India, their concept of employment and doctrine? These are the other questions this book has attempted to answer. India's Special Forces- History and Future of Special Forces [Vij Books](#) **Employment till now of our nascent Special Forces have been analyzed including whether our Special Forces have actually been employed or used as Special Forces or primarily used in counter insurgency operations for which we have any number of other units available. The book brings out whether a rare resource like Special Forces should or should not be employed for such missions that can be performed by a host of other groups. In the backdrop of 21st Century threats, what should be the Special Forces structure in India, their concept of employment and doctrine? These are the other questions this book has attempted to answer. British Military Policy in India, 1900-1945 Colonial Constraints and Declining Power** [Manohar Publishers](#) **The Decline Of British Imperialism Had Far Reaching Colonial And Post-Colonial Consequences. British Policy****

And Indian History, For Obvious Reasons, Unfolded In The Foreground Of This Decline From 1900 Onwards. This Volume Contextualizes Crucial Aspects Of Modern India`S Military Past. It Contends That British Imperialism, Like All Empires, Declined Due To Its Inherent Contradictions. Managing The Military Affairs Of The British Raj Comprised A Crucial Element Of These Contradictions. This Socio-Political History Of The Colonial Indian Military Organization Investigates Why Reform Remained Largely Theoretical Even As The British Used Indian Resources To Defend A Weakening Empire Through Two World Wars. Ultimately World War Ii Transformed The Indian Armed Forces But Eventually, As This Book Asserts, This Transformation Worked Against The British. Hutchinson's Pictorial History of the War Martial Law in India : Historical, Comparative and Constitutional Perspective [Vij Books India Pvt Ltd](#) Martial law is not a body of substantive law, but rather summary powers employed by the military commanders when the ordinary rule of law is suspended. Under the British rule, martial law was proclaimed on many occasions in different territories in India, wherein excessively harsh provisions were used to humiliate Indians. The framers of the Indian Constitution did not make any express provision about martial law under the Constitution. However, an implied reference to the possibility of imposing martial rule in India has indicated in Article 34 wherein it provides that an Act of Indemnity may be passed by the Parliament in respect of acts done under martial law. This book covers the historical perspective of martial law in India and compares it with a few other countries. The possibility of arrest and detention of an offender during martial law, the rights to the habeas corpus in such circumstances, and the power of constitutional courts to issue such a writ has been analyzed. The book examines the powers of the military commander under the Armed Forces Special Powers Act and critically evaluates whether it amounts to the de facto proclamation of martial law. The Book also analyses whether the proclamation of martial law is feasible in India in the future. This book is intended for not only those who are involved in promoting, protecting, and enforcing human rights, but also for those engaged in the security of the country. It will of relevance to parliamentarians, government officials, military authorities, judges, lawyers, and members of the civil society who have a stake in the armed forces. The Effective Teaching of History in India A Handbook for History Teachers [New Delhi : National Council of Educational Research and Training](#) Special Warfare The Professional Bulletin of the John F. Kennedy Special Warfare Center and School Rabindranath Tagore [Rupkatha Journal on Interdisciplinary Studies in Humanities](#), Vol 2, No. 4, 2010 [Rupkatha Journal on Interdisciplinary Studies in Humanities](#) The present volume seeks to locate Tagore's multifaceted genius within contemporary contexts. It offers new translations of Tagore and analysis of his encounters with various personalities, explores his ideas on nation, society, gender and aesthetics. The lists of contributors include individuals from all across the globe and various disciplines. The book reviews alert readers to recent research and publications on Tagore. The American Future A History [Random House](#) The

**American Future: A History. Armed Forces Talk The Future of the Great Game Sir Olaf Caroe, India's Independence, and the Defense of Asia** [Series on International, Polit](#) "Examines Sir Olaf Caroe's role in Britain's withdrawal from South Asia, the geopolitics behind India's independence in 1947, and the historical precedents of South Asian strategy"--Provided by publisher. **Armed Forces Special Power Act A Draconian Law?** [Vij Books India Pvt Ltd](#) **The Armed Forces Special Powers Act (AFSPA) has become one of the most controversial laws, both in India and the world. A few NGOs and human rights activists have described it as draconian, alleging that it gives the armed forces unrestricted power to 'arrest' without warrant, 'destroy property' and 'shoot to kill', besides providing them with complete immunity. The loud and continuous clamour against the Act has drawn the attention of various international organizations. The UN Special Rapporteur on Extrajudicial, Summary or Arbitrary Executions, Christof Heyns, has recently called for the repeal of the law, stating: "AFSPA allows the state to override rights. Such a law has no role in a democracy and should be scrapped." On the other hand, the armed forces hold that the AFSPA is necessary for tackling the growing menace of militancy and protecting their men from the unnecessary harassment caused by litigation. General V K Singh, the former chief of army staff and now a cabinet minister, has emphasized that the AFSPA is a 'functional requirement' of the armed forces. This is the first book in India not only to attempt a complete analysis of the various provisions of the AFSPA, but also to provide an insight into the legislative efforts of other democracies to meet the challenges of growing terrorism. It delves into cases of human rights violations in which members of the armed forces have been implicated, and at the same time, argues that it is equally important to safeguard the human rights of the members of the armed forces. In order to help find an amicable solution, the author makes a few recommendations for the consideration of the government and armed forces.** **India's Quest for Security Defence Policies 1947-1965** [University of California Press](#) This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1967. **John Cassell's illustrated history of England. The text, to the reign of Edward i by J.F. Smith; and from that period by W. Howitt The Oxford History of the British Army** [Oxford University Press, USA](#) **From the Napoleonic Wars to the battle of the Falklands, from the pike and musket to the Challenger tank, The Oxford History of the British Army brings to life the far-reaching history of this long-lived institution. This definitive one-volume reference provides a wealth of historical detail as it takes readers on a lively journey through the annals of the British Army. Here are vivid descriptions of all the famous military campaigns and battles--from Agincourt and Crecy, to Trafalgar, Waterloo, and Yorktown Heights, to Dunkirk and D-Day--as well as**

insightful portraits of the great commanders, including Edward I, the Duke of Marlborough, Cromwell, the Duke of Wellington, and Field Marshall Montgomery. Military experts and military history buffs will be particularly interested in the special sections that highlight vital aspects of the Army, including tactics, weaponry, and major figures. Finally, the volume boasts a distinguished roster of contributors, including not only prominent military historians, but also former servicemen, who provide expert technical insight and vivid, eyewitness accounts of modern soldiering and warfare. Comprehensive and authoritative, *The Oxford History of the British Army* will fascinate military history buffs as well as anyone seeking a broader understanding of British or modern world history. *Paramilitary Forces of India* [Gyan Publishing House](#) In today's situation the security and safety of our countrymen is not only in the hands of Indian army and state police but also forces known as Paramilitary Forces. The security of Indian borders and internal matters are being looked after by these brave men working in these Paramilitary Forces including their history, origin, organization, duties and functions, role and future. It also examines the role of these forces in counter-insurgency and also international peacekeeping under UN. Covering all paramilitary organizations of India, this volume provides valuable information to students, researchers and laymen. An excellent book, which will serve as a sound and lively introduction for all, and also will, makes an impressive and substantial contribution to study of Paramilitary Forces of India. *Future History Global Fantasies in Seventeenth-century American and British Writings* [Oxford University Press](#) 'Future History' analyzes English and American writings that imagine England on a global stage well before England became an empire or the United States became a global power. Through close readings, historical contextualization, application of archival theory, and careful speculation, the work traces the ways that English and American writers imagined the East Indies and the West Indies as interconnected. *Transformation of the Indian Armed Forces: 2025* [Vij Books India Pvt Ltd](#) Transformation should lie at the heart of our new approach to defense. The development of transformational capabilities, processes, and force structures should be given strategic focus to meet the principal challenges under our defense strategy. India is already faced with the necessity of transformation albeit without any documented national security guidelines or operating instructions, which are legislated or have the validation of at least the 'Cabinet Committee on Security'(CCS). In other words the first step would be to create a draft security strategy based on many assumptions, like the foreign policy or the cumulative emerging threat scenario as appreciated by the Defence Intelligence Agency(DIA). This well researched book is a result of the project allotted by the USI under the Field Marshal K. M. Cariappa chair. The book is therefore more as an idea or a theoretical construct, basically to bring in more clarity to the various options available for this great transformation of the Indian military. The author has deliberated upon various landmarks of transformation milestones achieved so far by the three services and given

recommendations to further build upon ongoing modernization plan and shift to a higher plane of transformational activities. **Special Forces, Strategy and the War on Terror Warfare By Other Means** [Routledge](#) This volume undertakes a systematic analysis of the relationship between Special Forces and contemporary strategy, explaining the resurgence of interest in Special Forces, particularly in the West, by exploring their appeal over traditional conventional force options in the current 'War on Terror'. **Special Forces, Terrorism and Strategy** comprises four overarching themes: theory and practice command and control culture and technology operations and the 'War on Terror'. By developing a credible theory about the role of Special Forces in contemporary strategy, Alastair Finlan assesses the changing character of the relationship between conventional forces and Special Forces, illustrating the prominent role of these forces in the 'War on Terror'. This book will be of great interest to students of strategic studies and military history, as well as for professional military colleges. **U. S. Army Special Forces Different Types of History** [Pearson Education India](#) **History of the Indian Tribes of the United States The History of the Indian Mutiny: Giving a Detailed Account of the Sepoy Insurrection in India And a Concise History of the Great Military Events which Have Tended to Consolidate British Empire in Hindostan** [London ; London Printing and Pub.](#) **Ancient Rights and Future Comfort Bihar, the Bengal Tenancy Act of 1885, and British Rule in India** [Psychology Press](#) This book analyses the character of British rule in nineteenth-century India, by focusing on the underlying ideas and the practical repercussions of agrarian policy. It argues that the great rent law debate and the Bengal Tenancy Act of 1885 helped constitute a revolution in the effective aims of government and in the colonial ability to interfere in India, but that they did so alongside a continuing weakness of understanding and in effective local control. In particular, the book considers the importance of notions of historical rights and economic progress to the false categorisations made of agrarian structure. It shows that the Tenancy Act helped to widen social disparities in rural Bihar, and to create political interests on the land. **Indian Defence Review Jan-Jun 1988 (Vol 3.1)** [Lancer Publishers](#) **IN THIS VOLUME: IDR Comment • Terrorism: Punjab • Insurgency Movements: Manipur • Tripura • Secessionist Movement: Gorkhaland • Non-Secessionist Movements: • Jharkhand • Uttarkhand • Defence Deals: The Bofors controversy • The HDW submarine deal • Sri Lanka • Pakistan • China • Siachen Interview with General K. Sundarji. Chief of the Army Staff The Air Land Battle doctrine: Implication and application - Air Cmde Jasjit Singh The changing rhythm of war: Evolution of army aviation - Lt Gen E A Vas Airborne forces: In search of a strategic concept - Brig Vivek Sapatnekar Land warfare in the sub-continent: The Indian quest for doctrine - Maj G D Bakshi Strike Corps offensive operation: Imperatives for success - Maj Gurmeet Kanwal The state of armour • An appraisal - IDR Research Team • MBT-90 - Col Ashok Puri • India's MBT 'Arjun' - IDR Research Team • Progress on MBT 'Arjun' - IDR Research Team Insurgency in China - IDR Research Team Management of intelligence at the national level - Lt Gen**

**P N Kathpalia Career management of military officers - Lt Gen M L Chibber "The safety, honour and welfare of the men you command..." - IDR Research Team Defence perspectives for India: Socio-economic factors and internal stability - Cmde Raja Menon The subcontinent's nuclear ledgers are getting critical and complicated: An appreciation - Cmde Ranjit Rai Jewish terrorists and Arab exodus: Politico-military lessons for India - IDR Research Team "The smell of Ujamaa is still there" Tanzania's Path of Development between Grassroots Socialism and Central State Control in Ruvuma [BoD - Books on Demand](#) Fifty years after the Arusha Declaration, this book sets out to reevaluate one of the most important roots of Tanzania's Ujamaa Socialism: The Ruvuma Development Association. Based on a basic-democratic movement of young politicized farmers, this organization not only brought together up to 18 cooperative villages in southwestern Tanzania, it also became the inspiration for President Nyerere to put his vision of a modern socialist society built on the image of the traditional extended family into a concrete development model on national scale. Led by a participative understanding of empirical research, this explorative study has analyzed the local history of Ujamaa in three case study villages within Ruvuma. Through employing a mix of expert and narrative interviews, as well as group interviews and villager questionnaires, the study sheds new light on the local perceptions of Ujamaa history and communal development, as well as on the interrelations between local and national scale on Tanzania's path of development. It identifies the recent farmers' groups (vikundi) as some of the most important heirs to the Nation's socialist ideology and concludes that in many aspects "the smell of Ujamaa is still there".**

**No Turning Back The History of Feminism and the Future of Women [Ballantine Books](#) A narrative history of feminism traces the origins and evolution of gender inequality and the emergence of Western feminism, discusses a wide range of women's issues in relation to national political agendas and social welfare, and assesses modern feminist approaches to family, work, creativity, politics, and sexuality. 20,000 first printing. India News Global Trends 2030 Alternative Worlds [Military Bookshop](#) FULL COLOR PUBLICATION. Global megatrends for the next 20 years and how they will affect the United States. This is the fifth installment in the National Intelligence Council's series aimed at providing a framework for thinking about possible futures and their implications. The report is intended to stimulate strategic thinking about the rapid and vast geopolitical changes characterizing the world today and possible global trajectories during the next 15-20 years by identifying critical trends and potential discontinuities. The authors distinguish between megatrends, those factors that will likely occur under any scenario, and game-changers, critical variables whose trajectories are far less certain. Appropriate for anyone, from business to banks, government to start-ups, technology to teachers and more, this publication helps anticipate where the world will be socially, politically, technically and culturally over the next few decades. American Indians The First of This Land [Russell Sage Foundation](#) Native Americans are too few in**

number to swing presidential elections, affect national statistics, or attract consistent media attention. But their history illuminates our collective past and their current disadvantaged status reflects our problematic present. In **American Indians: The First of This Land**, C. Matthew Snipp provides an unrivaled chronicle of the position of American Indians and Alaskan Natives within the larger American society. Taking advantage of recent Census Bureau efforts to collect high-quality data for these groups, Snipp details the composition and characteristics of native Indian and Alaskan populations. His analyses of housing, family structure, language use and education, socioeconomic status, migration, and mortality are based largely on unpublished material not available in any other single source. He catalogs the remarkable diversity of a population—Eskimos, Aleuts, and numerous Indian tribes—once thought doomed to extinction but now making a dramatic comeback, exceeding 1 million for the first time in 300 years. Also striking is the pervasive influence of the federal bureaucracy on the social profile of American Indians, a profile similar at times to that of Third World populations in terms of literacy, income, and living conditions. Comparisons with black and white Americans throughout this study place its findings in perspective and confirm its stature as a benchmark volume. **American Indians** offers an unsurpassed overview of a minority group that is deeply embedded in American folklore, the first of this land historically but now among the last in its socioeconomic hierarchy. A Volume in the Russell Sage Foundation Census Series **The Illustrated History of the British Empire in India and the East, from the Earliest Times to the Suppression of the Sepoy Mutiny in 1859** **The Thousand and One Nights and Twentieth-Century Fiction Intertextual Readings** [BRILL](#) **In The Thousand and One Nights and Twentieth-Century Fiction**, Richard van Leeuwen challenges conventional perceptions of the development of 20th-century prose by arguing that *Thousand and One Nights*, as an intertextual model, has been a crucial influence on authors who have contributed to shaping the main literary currents in 20th-century world literature, inspiring new forms and concepts of literature and texts. **Climate Change and India Vulnerability Assessment and Adaptation** [Universities Press](#) **Provides Assessments Of The Impacts, Vulnerabilities And Adaptation Needs For The Key Economic And Ecological Sectors Of India. The Sectors Assessed Include Water, Agriculture, Forestry, Eco-System, Health, Colonial Zones, Energy And Infrastructure. Of Interest To Policy Makers And Researchers. An Excellent Addition To Literature On Global Environmental Assessment Methodology, Policies And Perspectives.** **Indians in the First World War The Missing Links** [Sage Publications Pvt. Limited](#) **Indians in the First World War: The Missing Links** is the first authoritative and complete academic account of the Indian participation in the First World War to be written by an Indian historian. The Great War involved significant Indian military contributions and casualties that are largely unheard of. The war also brought about major changes in the Indian social and political situation, caste structure and viewpoint regarding Indian identity, and fuelled the demand for India's independence.

**This book carefully articulates and examines these crucial historic changes. The book covers Indian perspectives on all major aspects—historical, social, political and religious, among others—that were instrumental in ensuring India’s participation in the war. Based on the author’s own research and deep familiarity with Indian history and contemporary political reality, the book throws new light on some major events during the war. It is an indispensable book that deserves to be read by anyone who is interested in gaining a more thorough understanding of India’s contribution to and standing in world history and politics. Modern History Or the Present State of All Nations The Cambridge History of Iran Cambridge University Press Iran from 1722-1979: political, social, economic and religious aspects of Iran. Understanding Cyber Warfare and Its Implications for Indian Armed Forces Vij Books India Pvt Ltd The book is divided into two parts. Part 1 deals with cyber warfare in general bringing out the unique characteristics of cyber space, the recent cyber attack on Estonia and the Stuxnet attack on Iranian Nuclear facilities, how the established Principles of War can be applied in cyberspace, cyber strategy of US and China, offensive and defensive aspects of cyber warfare cyber deterrence and the new challenge facing the militaries the world over- leadership in cyber domain. Part 2 is devoted to the Indian context. It discusses in detail the impact of ICT on the life of an ordinary Indian citizen, the cyber challenges facing the country and the implications for the Indian Armed Forces. A few recommendations have been summarised in the end. India's Princely States People, Princes and Colonialism Routledge This is an invaluable work looking into new areas relating to India's princely states. Based on an abundance of rarely used archival material, the book sheds new light on diversities related to the princely states such as health policies and practices, gender issues, the states’ military contribution or the mechanisms for controlling or integrating the states. Contributions are from international, reputable scholars, and they present historiographic, analytical and methodological approaches, placing attention to concepts, theories and sources. Inter-disciplinary in nature, this book will appeal to scholars and researchers of South Asia, studies of transnational histories, cultural and racial studies, international politics and economic history and the social history of health and medicine.
