MARCUS

HQN Books They've been crushing on each other for months... So what's holding them back? A sizzling new Love Undercover novella For Marcus Bareden, Lucy Cortland is more than the girl next door. She's beautiful, funny and easy to talk to. He'd really like to get closer, but something about her occasional wariness sets off his spidey sense. When he was nine, Marcus was plucked from an abusive situation and adopted by the most amazing parents a boy could wish for. Lucy Cortland spent years overcoming an awful youth. Now, she's got a great job, her own place and a super sexy neighbor. Marcus is warm, kind and they've become good friends. She's only known him a few months, but their chemistry is undeniable. Yet for Lucy, getting close isn't possible. Lucy believes no one could love her after what she's been through. No one could understand...except maybe the guy next door, who knows how it feels to be mistreated and how hard it can be to learn to hope—even love—again. Don't miss the other titles in the Love Undercover series, including Getting Rowdy and Bare It All.

PRE-INCIDENT INDICATORS OF TERRORIST INCIDENTS

THE IDENTIFICATION OF BEHAVIORAL, GEOGRAPHIC AND TEMPORAL PATTERNS OF PREPARATORY CONDUCT

DIANE Publishing This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

BEWITCHED

AN ANTHOLOGY

HQN Books Two steamy classics from New York Times and USA TODAY bestselling author Lori Foster In Too Deep P.I. Harry Lonnigan wasn't fooled by her disguise. The waif dressed as a boy, who was about to blow his cover and maybe get herself killed, was every inch a woman. His first priority should have been reuniting Charlie with her estranged father—but her first priority was to seduce Harry, and before Harry knew it, he was in too deep. Married to the Boss Dana Dillinger had been R.J. Maitland's right hand for years—loyal, dependable...and hopelessly, secretly in love with him. So when he popped the question to prove he wasn't the playboy the press labeled him, she accepted his "proposal." But where R.J. envisioned a marriage in name only, Dana refused to settle for anything less than his heart....

FANTASY

HQN Books In this reader favorite from New York Times bestselling author Lori Foster, a bachelor is about to fall for the one woman who isn't easily swayed by his charm... Security consultant Sebastian Sinclair agrees to be sold at a bachelor auction. As much as he hates the wealthy crowd he's pandering too, he's a strong believer in the cause. But when his friend outbids everyone else to hook him up with her unsuspecting sister, he's hopelessly fascinated with the one woman who seems to have no interest in him... Brandi Sommers really means it when she says "Oh, you shouldn't have" to her older sister's outrageous birthday gift—a five-day dream vacation to a lovers' retreat. Lover included. What's she going to do in paradise with the sexy stranger Sebastian Sinclair? If Sebastian has any say in all of this, the answer is everything... First published in 1998

TRAPPED!

HarperCollins Australia Firefighter Ethan Winters may be his hometown's new hero, but he's played a starring role in Rosie Carrington's fantasies for years. And Rosie has had just about enough of waiting patiently for Ethan to get over the past and see what's right under his nose. She'll do whatever it takes to fan the flames between them... but will Ethan prove too hot to handle?

MEN OF COURAGE

TRAPPED!\BURIED!\STRANDED!

Harlequin These men are heroes--strong, fearless... Fireman Ethan Winters ran headlong into a burning building to find Rosie Carrington. Rescue worker Brett Gannon defied the aftershocks of a San Francisco earthquake to prevent Haley Brubaker from entering her collapsing home. And emergency-room doctor Matt Walker braved gale force winds and rising floodwater to rescue scientist Molly Stanton. And impossible to resist! For Rosie, the heat in Ethan's eyes was enough to start a three-alarm blaze! As for Haley, being trapped amidst the rubble with Brett meant heightened tension--and heightened passion. And sheltering together from the storm, Molly needed Matt to make love to her. It was the only way for her to know she was still alive...and that she'd stay that way.

TOO MUCH TEMPTATION

Zebra Books "Lori Foster delivers everything you are looking for in a romance." --Jayne Ann Krentz He Made Her Feel Beautiful Awkward, insecure Grace Jenkins has had little experience with men. But that hasn't stopped her from dreaming hard about Noah Harper. Gorgeous, strong and darkly sexy, Noah has a rough edge beneath his polish that promises no mercy in the bedroom. When Grace learns Noah's engagement has ended in scandal, she shyly offers him her support and her friendship. But Noah's looking for something extra . . . Noah wants Grace--badly. He wants to possess those curves that go on forever, to savor her sweet innocence, to take her to the limits of white-hot desire . . . again and again. What he doesn't want is anything more complicated than that, and he knows Grace is a woman who deserves better. Grace, however, knows exactly what she wants--the kind of ecstasy only Noah can give her. Brazenly, she accepts, and Noah promises to make all her secret fantasies come true . . . THE END OF POLICING

Verso Books LOS ANGELES TIMES BESTSELLER The problem is not overpolicing, it is policing itself. Why we need to defund the police and how we get there. Recent weeks have seen an explosion of protest against police brutality and repression. Among activists, journalists and politicians, the conversation about how to respond and improve policing has focused on accountability, diversity, training, and community relations. Unfortunately, these reforms will not produce results, either alone or in combination. The core of the problem must be addressed: the nature of modern policing itself. This book attempts to spark public discussion by revealing the tainted origins of modern policing as a tool of social control. It shows how the expansion of police authority is inconsistent with community empowerment, social justice— even public safety. Drawing on groundbreaking research from across the world, and covering virtually every area in the increasingly broad range of police work, Alex Vitale demonstrates how law enforcement has come to exacerbate the very problems it is supposed to solve. In contrast, there are places where the robust implementation of policing alternatives—such as legalization, restorative justice, and harm reduction—has led to a decrease in crime, spending, and injustice. The best solution to bad policing may be an end to policing.

LISTENING IS AN ACT OF LOVE

A CELEBRATION OF AMERICAN LIFE FROM THE STORYCORPS PROJECT

Penguin A New York Times Bestseller “Each interview is a revelation.” —USA Today “As heartwarming as a holiday pumpkin pie and every bit as homey . . . what emerges in these compelling pages is hard-won wisdom and boundless humanity.” —Seattle Post-Intelligencer As heard on NPR, a wondrous nationwide celebration of our shared humanity StoryCorps founder and legendary radio producer Dave Isay selects the most memorable stories from StoryCorps' collection, creating a moving portrait of American life. The voices here connect us to real people and their lives—to their experiences of profound joy, sadness, courage, and despair, to good times and hard times, to good deeds and misdeeds. To read this book is to be reminded of how rich and varied the American storybook truly is, how resistant to easy categorization or stereotype. We are our history, individually and collectively, and Listening Is an Act of Love touchingly reminds us of this powerful truth. Dave Isay's latest book, Callings, published in 2016 from Penguin Press.

THE TRUTH MACHINE

A NOVEL OF THINGS TO COME

Ballantine Books Prepare to have your conception of truth rocked to its very foundation. It is the year 2004. Violent crime is the number one political issue in America. Now, the Swift and Sure Anti-Crime Bill guarantees a previously convicted violent criminal one fair trial, one quick appeal, then immediate execution. To prevent abuse of the law, a machine must be built that detects lies with 100 percent accuracy. Once perfected, the Truth Machine will change the face of the world. Yet the race to finish the Truth Machine forces one man to commit a shocking act of treachery, burdening him with a dark secret that collides with everything he believes in. Now he must conceal the truth from his own creation . . . or face his execution. By turns optimistic and chilling--and always profound--The Truth Machine is nothing less than a history of the future, a spellbinding chronicle that resonates with insight, wisdom . . . and astounding possibility. UNDERCOVER REPORTING

THE TRUTH ABOUT DECEPTION

Northwestern University Press In her provocative book, Brooke Kroeger argues for a reconsideration of the place of oft-maligned journalistic practices. While it may seem paradoxical, much of the valuable journalism in the past century and a half has emerged from undercover investigations that employed subterfuge or deception to expose wrong. Kroeger asserts that undercover work is not a separate world, but rather it embodies a central discipline of good reporting—the ability to extract significant information or to create indelible, real-time descriptions of hard-to-penetrate institutions or social situations that deserve the public's attention. Together with a companion website that gathers some of the best investigative work of the past century, Undercover Reporting serves as a rallying call for an endangered aspect of the journalistic endeavor.

CONVERGENCE CULTURE

WHERE OLD AND NEW MEDIA COLLIDE

NYU Press "What the future fortunes of [Gramsci's] writings will be, we cannot know. However, his permanence is already sufficiently sure, and justifies the historical study of his international reception. The present collection of studies is an indispensable foundation for this." —Eric Hobsbawm, from the preface Antonio Gramsci is a giant of Marxian thought and one of the world's greatest cultural critics. Antonio A. Santucci is perhaps the world's preeminent Gramsci scholar. Monthly Review Press is proud to publish, for the first time in English, Santucci's masterful intellectual biography of the great Sardinian scholar and revolutionary. Gramscian terms such as "civil society" and "hegemony" are much used in everyday political discourse. Santucci warns us, however, that these words have been appropriated by both radicals and conservatives for contemporary and often self-serving ends that often have nothing to do with Gramsci's purposes in developing them. Rather what we must do, and what Santucci illustrates time and again in his dissection of Gramsci's writings, is absorb Gramsci's methods. These can be summed up as the suspicion of "grand explanatory schemes," the unity of theory and practice, and a focus on the details of everyday life. With respect to the last of these, Joseph Buttigieg says in his Nota: "Gramsci did not set out to explain historical reality armed with some full-fledged concept, such as hegemony; rather, he examined the minutiae of concrete social, economic, cultural, and political relations as they are lived in by individuals in their specific historical circumstances and, gradually, he acquired an increasingly complex understanding of how hegemony operates in many diverse ways and under many aspects within the capillaries of society." The rigor of Santucci's examination of Gramsci's life and work matches that of the seminal thought of the master himself. Readers will be enlightened and inspired by every page.

MOUNTAIN RESCUE

Carina Press A woman on the run. A wounded SEAL who wants to become invisible. Two strangers, one mountain cabin. The sole witness to a murder, stuntwoman Rachel Denning thought she'd found the perfect hideout in a remote cabin just outside Asheville, North Carolina. Until a strange man appears in her bedroom. After a few terrifying moments, she realizes it's a mix-up—he's not there to kill her—and Rachel finds herself with an unexpected protector in the form of a navy SEAL. Dallas Manning is just trying to recover. After being rescued from the Taliban, he's on extended leave. Finding his mountain retreat occupied by a gorgeous knife-wielding stranger isn't part of his recovery plan, and neither is training dogs. But an old friend enlists him to help train service dogs for veterans, and Dallas recognizes himself in Bella, a dog rescued from a bad situation. All Dallas wants is to be left alone so he can get his head straight, but Rachel stirs his protective instincts. Being trapped together makes it impossible to ignore their growing attraction, but neither of them can outrun their pasts. They'll have to find a way forward together or risk losing it all. "With realistic characters, witty banter, a well-written storyline, and a bit of action thrown in, Keeping Guard will draw readers in from the first page until the last." —Harlequin Junkie Operation K-9 Brothers Book 1: Operation K-9 Brothers Book 2: Keeping Guard Book 3: Mountain Rescue
