### **FOUNDED ON GOODBYE**

---

*His songs were better when he had a broken heart. That sentence would change my life after my dream job was dished to me on a shiny, silver platter. All I had to do? Hurt Nash Pierce enough to get him writing good music again. The pop icon's songs were no longer the phenomena they used to be. His team needed another breakthrough album--like the first he'd penned, using his heartbreak as fuel. The plan was simple: I'd go on tour with him as a backup dancer...and make him fall in love with me. I was hired to inspire--to become embedded into every lyric he wrote. Then, I was to set fire to it all--to destroy every feeling we hoped he'd develop for me. It seemed simple enough. Easy, even. I didn't expect to be consumed myself--to see so much in the man displayed in the tabloids. I didn't foresee falling for him. It didn't occur to me that, while attempting to break his heart, I might just shatter my own. Most of all, I never thought I'd fight so hard to hold on to a relationship that had always been founded on goodbye.*

Fog City Publishing, LLC "Barbara Freethy is one of my favorite authors! She creates amazing characters and stories, with a lot of love, friendship and mystery that make her books always very, very good." Cinthia - Goodreads Molly Trent is a passionate herbalist whose

sorrow-filled childhood has driven her to a new mission in life—to make people feel better. Unfortunately, a series of burglaries at her wellness shop and a disgruntled customer put her in the path of a cynical and suspicious detective, who thinks she does more harm than good. She's used to criticism, but she sees something in the tightly-controlled police detective that she wants to unleash, if only she could get him to trust her. Trust doesn't come easily to Detective Adam Cole. He has been a loner for as long as he can remember. He's very good at protecting people. He's great at being a friend, but relationships that go beyond that—not so much. After a heartbreaking tragedy at nineteen, he put up walls that are never coming down. Despite what Molly Trent might think, he does not need help or herbs to be happy. Unfortunately, what he needs is her. The chemistry between them almost makes him wonder if she hasn't cast some sort of spell over him. But he fights their attraction hard, because he doesn't do forever, and he can't imagine that an optimistic romantic like Molly would settle for anything less. But when they get tangled up in life and love, anything can happen... Irresistible and captivating romance awaits in *TANGLED UP IN YOU*, the next book in the *Whisper Lake Series*. ## DNS FIT KID EXERCISE JOURNAL

---

*Alena Kobesová DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.*

## **KABBALAH FOR BEGINNERS: AN INTRODUCTION TO JEWISH MYSTICISM**

---

Creek Ridge Publishing The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.

## **GROWING UP AT GROSSINGER'S**

---

Skyhorse "To be devoured in one non-stop gulp...fascinating reading."—The New York Post From 1919 to 1986, Grossinger's Catskill Resort Hotel provided a summer retreat from the city heat for New York's Jews, and entertained the great, the near-great, and the not so great, Jews and Gentiles alike. A melting pot of the Borscht Belt, sports, and show-biz worlds, loyal visitors included Red Buttons, Rocky Marciano, Eddie Fisher, and Jackie Robinson. Tania Grossinger grew up there. In her fascinating insider's account of life in the hospitality industry, she sheds light on how hotel children keep up with the frenetic pace of life, and how they come to grips with the outside world (which intrudes now and again), sex (happening in every room), and, occasionally, their intellectual interests. *Growing Up at Grossinger's* is both a wonderful coming-of-age story and a sentimental reading of a chapter of the Jewish experience in America that has now closed. 25 b/w photographs. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming

adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
