#### SOMETHING BEAUTIFUL FOR GOD

---

Lion Pub **Mother Teresa was one of the most revered women of the 20th century. Adored by millions, her Missionaries of Charity organization aided thousands of poor, sick, orphaned, and dying individuals in Calcutta, India, and she was beatified by the Catholic Church in 2003 for her ministry. Originally published in 1971, this heartfelt biography first brought Mother Teresa's works and spirit to the attention of the western world. It features transcripts of conversations with Mother Teresa as well as a bevy of photographs illustrating her life-long role as a humanitarian. Wonderfully intimate and touching, this is an inspirational look at one of history's most beloved and giving individuals.**

#### DO SOMETHING BEAUTIFUL FOR GOD

---

**What is true beauty? What kind of beauty pleases God most? Is there a beauty that can "save the world" (Dostoevsky)? Is holiness beauty? Captivated by the beauty of the transfigured Savior, the Church seeks to express God's beauty through liturgy, icons, vestments etc., as it calls on us also to respond by doing something beautiful for God. In the words of one theologian, "Where there is beauty apparent, let us enjoy it. Where there is beauty hidden, let us unveil it. Where there is beauty defaced, let us restore it. Where there is no beauty at all, let us create it.**

#### BEAUTIFUL THINGS HAPPEN WHEN A WOMAN TRUSTS GOD

---

Thomas Nelson **Do you ever question God's ability to catch you when you fall? Do shame, fear, and brokenness keep you from fully trusting God? Do you secretly believe your dreams are unreachable? Do you secretly believe your dreams are unreachable? You are not alone. This is a book about trust. How we fight it. How we learn to do it. How it transforms us. Life is not safe. That reality slips over us as we grow. Our response to the Father in that reality allows us either to swing higher and higher with the trust of a child . . . or fearfully shrink back from the swing set altogether. As we weigh that choice, God whispers: Trust me. In a remarkably transparent account, author and speaker Sheila Walsh opens wide her lifelong battle with trust and the moment-by-moment choices she made to follow where God led. Sheila has lived a life ruled by the "hidden places" of insecurity and brokenness and knows the overwhelming beauty of a life wholly handed over to Christ. As you encounter her struggles and triumphs, you also meet ten of the Bible's transformed—Tabitha, David, Paul, and others—who teach us that in spite of overwhelming circumstances, just one trusting encounter with Christ sets beautiful things in motion. It can resurrect dreams, instill purpose, and ignite hope.**

#### DO SOMETHING BEAUTIFUL FOR GOD: THE ESSENTIAL TEACHINGS OF MOTHER TERESA 365 DAILY REFLECTIONS

---

Blue Sparrow **Do Something Beautiful for God is Mother Teresa's enduring invitation and challenge to the world. This is not an abstract invitation but a deeply personal and intimate one. There is so much happening in the world and so much happening within our own hearts, minds, and souls. All this makes it is easy to lose sight of what matters most and get absorbed in what matters least. Mother Teresa is an icon of goodness, one of the most beloved women in history. How did she become so much to so many people? Little by little. Small acts performed with great love. You become an icon of goodness by striving to be good and by consistently doing good. On these pages, you will find the essential teachings of Mother Teresa. They provide remarkable insight into the depths of her heart, mind, soul, and life. They will comfort you in your affliction and afflict you in your comfort. But most of all, in the midst of all this activity and noise of your life, you will hear Mother Teresa encouraging you by gently saying: Do something beautiful for God with your life!**

#### FINDING GOD'S GOOD GIFTS IN MOTHERHOOD

---

Moody Publishers **Is motherhood only about self-sacrifice? Or will it bless your life, too? You know that motherhood makes high demands. Yet you know it's worth the cost because it benefits your child. On some grand level, it's also good for civilization. And of course, it's a calling from God. So is that what you're doing here—pouring out your life for God and others while getting little in return except the consolation that you've done the right thing? Laura Booz wants you to expect something more out of motherhood—something truly beautiful. You might be asking: Will I lose myself in motherhood? Compromise my career? Squander my potential? What's the point of all that unseen (and uncelebrated) serving, cleaning, caring, snuggling, discipling, and praying? Laura wants to help you see that behind all the giving that mothers do is the receiving of something special—a profound growth in God that is cultivated through motherhood's everyday ups and downs. Let this book give you a renewed vision of motherhood: to see God's good**

purpose for you as a mother, a woman, and a follower of Christ.

### **THE STORY OF EVERYTHING AND A GUIDE TO FINDING YOUR PLACE IN IT**

---

Do you find yourself chasing "something more"? We are people seized by longings we can't seem to satisfy. It's built into us--in our very bones. Before Christianity arrived in a boat and seeped into Kerala like tea from a teabag. That it really began in the days when the Love Laws were made. ### **TOWARDS A TRANSFORMATIONAL THEOLOGY OF ROCK AND ROLL**

---

[Wipf and Stock Publishers](#) Rock and roll is more than just music. Rock is a culture and an ideology, which carries its own ethos. It is forcefully countercultural and exists as a bane in the sight of dominant Western culture. As rock engages and critiques culture, it invariably encounters issues of meaning that are existential and theological. A transformational theology of rock begins with those existential and theological issues raised by and within rock music. *With God On Our Side* attempts to respond to these queries in a way that is faithful to the work of the kingdom of God on earth by mining our long theological tradition and seeing what cohesive responses can be made to the issues raised by rock music. At its best, rock acknowledges there is something wrong with the world, raises awareness of marginalized voices, and offers an alternative mode of existence within our present reality. By teasing out the theological issues found in rock music, this book synthesizes the findings to create a distinctive cultural theology that is sensitive to the plight of the marginalized in the West. In this way, the book offers a way forward towards a transformational theology of rock and roll.

The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. ## GOD MAKES BROKEN THINGS BEAUTIFUL

---

[Xlibris Corporation](#) **THE BEAUTY IN BROKENNESS** Have you ever tried picking up the broken pieces of a broken ceramic objects or glass and putting them back together? If so, wasn't it a conscientious task? First, depending on the size of the destruction, you would probably have to search all over the place to recover the broken pieces. Then after collecting all the broken pieces, you are left with yet another formidable task of putting the broken object back to its original form. God makes broken things beautiful. Consent God to heal the wounds of your past heartbreaks and people who left and anyone who couldn't fully love you. Allow Him teach you the lesson behind each heartbreak. Broken things are despised as meaningless, but God can take what has been broken and remake it into something better, something that He can use for His Glory. Sometimes, God just wants you to surrender. This is a key element of Faith. Surrendering is an act of strength, not weakness. Because it takes a great deal of strength and wisdom to admit that you don't have all the answers and you can't change your life. Broken things and broken people are the results of sin.

Why does it feel as if violence and fear is the dominant narrative in this modern world? Who is Jesus? Again, a simple yet profound question. ## THEOLOGY FROM THE BEGINNING

---

---

## ESSAYS ON THE PRIMEVAL HISTORY AND ITS CANONICAL CONTEXT

---

Mohr Siebeck **The Primeval History (Genesis 1-11)** is one of the most complex theological compositions of the Old Testament/the Hebrew Bible. Woven into its multi-layered text one finds reflections on an array of fundamental questions: How did the world come into being? Who is its creator? What role does humankind play in the larger scheme of creation? Why is the world that God made not a perfect one? And finally, is it possible to lead a meaningful and even happy life despite the unpredictabilities of existence? The essays by Andreas Schule assembled in this volume address these and related questions through close readings of Genesis 1-11 and by relating them to kindred textual traditions throughout the Old Testament/the Hebrew Bible.

## FEEDING THE INNER-MAN

---

Xulon Press **We are swiftly moving into the final days of the end-time and it is alarming to hear people referring to our great nation as "A New Religious America." Patrick Henry stated, "It cannot be emphasized too strongly or too often that this great nation of America was founded not by religionists but by Christians, not on religions but on the Gospel of Jesus Christ." "In God We Trust" is our national motto. This motto was adopted due to the fact that Christian men and women, on Christian principles, founded this nation. ALL CHRISTIAN BELIEVERS, you are important, and your voice needs to be heard NOW in a world that has plunged into the dark night of sin. The Christian that wants to learn more with clarity and accuracy what the Bible says concerning the churches responsibility in the last days on Planet Earth and the Second Coming of Christ will appreciate this book. Dr. Ralph J. McIntyre, is a World War Two combat veteran who has witnessed first-hand some of the sacrifice that has been paid in protecting and preserving our great Christian nation, America. After his war days Ralph met and married his wife Frances in 1946. In 1953 their lives found new directions as they surrendered to a call of God. After a period of studies he was ordained into the ministry. He has founded two different churches, served on the district board of his organization eight years as presbyter, and one year as secretary/treasurer. In 1974 he was elected as pioneering superintendent of a newly formed district, a position he filled for 14 years. In May 1981 he graduated from Drew University in Madison, New Jersey, receiving the degree of Doctor of Ministry. Ralph and Frances have two grown children, four grandchildren and seven great-grandchildren.**

### DANCING FOR THE LIVING GOD

---

Xlibris Corporation **In other words—dancing for the living God, as the name says—this book is to encourage people to use their talent of dance, especially the classical Indian dances, to praise and glorify our God—Jesus, in addition to using as a means to spread the word of God to people who have never heard about Jesus and who may not even have any interest to hear about Jesus until and unless it is presented in an attractive, interesting way. This book consists of personal testimony of my life: how God has molded me into the person that I am today; how I communicate with the best friend—Jesus—that I came to know from the sufferings and disappointments in my family life, to have faith in one and only God, Jesus, who never breaks His promises even when we stray away from Him; the joy and peace that I have today; and how my outlook of life has changed because of that divine presence. When we surrender our life to God, how blessed we become not just for our family but to others as well and then we have desire to do nothing but the Will**

of God—when we know what is our purpose on this earth of our existence.

## **DEGREES OF LOVE AND FORGIVENESS**

---

### **AN INTEGRATION BETWEEN NIKOLOGY, POLEMOMOLOGY, AND MISTHOLOGY**

---

Misthological Press The author's book, *Degrees of Love and Forgiveness*, demonstrates that God's love and forgiveness are offered in various degrees, capacities, and strata. Specifically, God's love is shown to be both conditional and unconditional, volitional yet emotional, infinite although finite. Advanced implications are considered. For example, If God loves everyone infinitely, why does He cast some into Hell? Since typical appeals to freewill responses fail to explain why God would allow sin and suffering, what other answers might be deemed superior? The discussion in the book is far from being merely theoretical, however. Practical ramifications are explored in the fields of Christian victory (nikology), spiritual warfare (polemology), and rewards (misthology). Implications for Christian counseling for those struggling with rejection are integrated throughout the book.

### **HOW TO HELP SEEKERS AND SCEPTICS FIND FAITH**

---

SPCK The faith has been defended by great and articulate voices down the centuries. But the challenges of scientific atheism mean we now need a fresh and flexible approach. Alister McGrath is ideally placed to offer robust and intriguing insights into the biblical basis for apologetics and its historical uses. He explores different pointers to faith, such as our innate sense of longing for justice, our appreciation for beauty, and the order we see in the physical world. Various approaches to sharing our faith with others are outlined and McGrath shows how explanations, arguments, stories, and images are all right and useful ways to communicate what we believe. Armed with the tools we need to engage others on this subject, we are guided on choosing the best approach for our particular personality and how we can adapt our approach to suit our audience. Practical, insightful and warmly affirming, this book will have you longing for a chance to put these techniques into practice.

## **A TIME OF RENEWAL**

---

### **DAILY REFLECTIONS FOR THE LENTEN SEASON**

---

Ignatius Press **Mother Mary Francis**, abbess of a Poor Clare Monastery for over forty years, left an enduring legacy in her writings and in the conferences given to her spiritual daughters. The many readers who have found spiritual enrichment in other books by Mother Mary Francis will appreciate her beautiful meditations here on the liturgical season of Lent. Although originally addressed to contemplative nuns, these meditations reveal the treasures of the liturgy to Christians in all walks of life. Her insights into Holy Scripture spring from the prayer of one who dwelt in a cloister at the heart of the Church for over sixty-two years, and who daily rested on the Eucharistic Heart of Christ. Her creative intellect and poet's heart have engendered reflections that illuminate the daily Mass readings in a fresh and attractive way. She is a true daughter of St. Francis of Assisi, who found perfect joy by turning away from self to God. These meditations enlighten the reader to see conversion as positive and enriching, and help us to understand that the generous embrace of Lenten penance has a purpose and brings a wondrous reward: deeper union with God. As a spiritual guide, Mother Mary Francis excels in the art of persuasion, aware that the human heart cannot be forced but only gently led to holiness. She makes this goal attractive and desirable by tirelessly explaining why it is the happiest and wisest way to live. This book will provide a wealth of material for plundering the riches of the Lenten season and for deepening one's spiritual life. Her meditations are profound and timeless, not changing from year to year, thus providing a lifetime of Lenten meditations in this one volume.

---

### SEXUAL ETHICS FOR CHRISTIANS

---

Wipf and Stock Publishers Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture? Does the Christian tradition provide us with a way to think about and act on our natural, God-given sexual desires? *Honoring God with Body and Mind* invites readers to consider these questions—and some ways of answering them—by guiding them into a conversational style of moral reflection. Unlike many books about Christians and sex, this one doesn't simply tell you what to do (or not to do). Instead, you will be led to think about how the meaning of sex can provide sexual boundaries, but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision-making. Informed by many years of conversations with college students, the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets, is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty.
