### Hit the Road, Jac!

### Seven Years, Twenty Countries, No Plan

Lost Classics Book Company **This book should be read by anyone still holding back from taking a risk and pursuing their dreams. When her conventional life fell apart, Jacqui Furneaux responded in a way that surprised many. Her random global wanderings for seven years stride an apparently obsolete motorcycle brought beauty, friendship, laughter, and romance on the road; when she wasn't fending off amorous sea-dogs or facing some other adversity with quiet courage.**

### Hit the Road, Jack

Harry N. Abrams **Follows Jack's adventures as he travels around the United States, from New York City to San Francisco.**

### Hit the Road, Jack

Collins **Jack is determined to find his missing father. He tracks him down to the seamy side of town and an underworld that has no place in modern society. Losing his dad was bad, but finding him was worse. Age 12+.**

### Essays on the Culture of the American Road

McGill-Queen's Press - MQUP **All travelers know the seductive power of the open road and its suggestions of possibility, escape, renewal, and reinvention. Hit the Road, Jack is an interdisciplinary exploration of the significance of the road as reality and metaphor. Engaging with varied cultural mediums such as literature, reality television, philosophy, and political rhetoric, this collection delves deeply into the symbolic implications of the road. Insightful and accessible essays draw upon both classic "road" texts and films, while investigating themes of individual and national freedom, independence and mobility, and destiny. Referencing postmodern theory, gender and queer studies, as well as personal reminiscence and narrative research, Hit the Road, Jack considers the impact that identity - particularly race, ethnicity, gender, and sexual orientation - has on the way various journeys are taken. While literary depictions of the road have a long history, scholarship about the phenomenon is sparse. This anthology makes a significant contribution to the study of the road, bringing to light aspects of its iconic status in American culture. Contributors include Paul Attinello (Newcastle University), Stacilee Ford (University of Hong Kong), Eleanor Heginbotham (University of Maryland), Susan Kuyper (Des Moines Area Community College), Gina Marchetti (University of Hong Kong), Cotton Seiler (Dickinson**

University), Max J. Skidmore (University of Missouri-Kansas City), Gordon Slethaug (University of Southern Denmark), Michael Truscello (Mount Royal University), and Wendy Zierler (Hebrew Union College -Jewish Institute of Religion, New York).

## Desolation Angels

Penguin The classic autobiographical novel by Jack Kerouac featuring "one of the most true, comic, and grizzly journeys in American literature" (Time)—now in a new edition Originally published in 1965, this autobiographical novel covers a key year in Jack Kerouac's life—the period that led up to the publication of On the Road in September of 1957. After spending two months in the summer of 1956 as a fire lookout on Desolation Peak in the North Cascade Mountains of Washington, Kerouac's fictional self Jack Duluoz comes down from the isolated mountains to the wild excitement of the bars, jazz clubs, and parties of San Francisco, before traveling on to Mexico City, New York, Tangiers, Paris, and London. Duluoz attempts to extricate himself from the world but fails, for one must "live, travel, adventure, bless, and don't be sorry." Desolation Angels is quintessential Kerouac.

## Bad Wolf

## Bad Wolf Chronicles - Book 1

Tim McGregor **Last Wolf, the third and final book in the Bad Wolf series is available now. Detective Lara Mendes's hard work finally pays off when she gets the chance to join the homicide detail. There's only one catch; she has to partner up with a cop no one wants to work with. John Gallagher is a veteran homicide detective who loves stomping bad guys and hates partners. When the Lieutenant saddles him with this green kid named Mendes, his first reaction is to ditch her but a call comes in about a body on the river bank and the rotation says they're up. What they find are human remains, mutilated and partially devoured. Their investigation reveals a killer stalking the city with a pack of vicious, feral dogs.**

And the suspect believes he is a werewolf. But this is Portland, where crazy bastards outnumber normal ones ten to one. Except there's another catch. The crazy werewolf guy? He isn't crazy... Author's note: Bad Wolf is my first novel and remains a favorite. This free full-length novel is the first in the Bad Wolf series about two homicide detectives trying to stop a monster. A murder mystery and police procedural, it's premise is simple; cops versus werewolves. I had an absolute blast writing this series. Now that's it's done, I miss these characters. The books, in order, are: 1 Bad Wolf 2 Pale Wolf 3 Last Wolf This free book is the gateway to a world of monsters, gritty detectives and the werewolves that haunt the moonlit night.

Kerouac's love of America, his compassion for humanity, and his sense of language as jazz combine to make On the Road an inspirational work of lasting importance. Kerouac's classic novel of freedom and longing defined what it meant to be "Beat" and has inspired every generation since its initial publication more than fifty years ago. ## The Road

### The Proper Function of Man is to Live, Not to Exist. ...

Independently Published "I would rather be a superb meteor, every atom of me in magnificent glow, than a sleepy and permanent planet." The Road is an autobiographical memoir by Jack London, first published in 1907. It is London's account of his experiences as a hobo in the 1890s, during the worst economic depression the United States had experienced up to that time. He describes his experiences hopping freight trains, "holding down" a train when the crew is trying to throw him off, begging for food and money, and making up extraordinary stories to fool the police. He also tells of the thirty days that he spent in the Erie County Penitentiary, which he described as a place of "unprintable horrors," after being "pinched" (arrested) for vagrancy. In addition, he recounts his time with Kelley's Army, which he joined up with in Wyoming and remained with until its dissolution at the Mississippi River.

## Lone Rider

### The First British Woman to Motorcycle Around the World

Michael O'Mara Books In 1982, at the age of just twenty-three and halfway through her architecture studies, Elspeth Beard left her family and friends in London and set off on a 35,000-mile solo adventure around the world on her 1974 BMW R60/6. Reeling from a recent breakup and with only limited savings from her pub job, a tent, a few clothes and some tools, all packed on the back of her bike, she was determined to prove herself. She had ridden bikes since her teens and was well travelled. But nothing could prepare her for what lay ahead. When she returned to London nearly two and a half years later she was stones lighter and decades wiser. She'd ridden through unforgiving landscapes and countries ravaged by war, witnessed civil uprisings that forced her to fake documents, and fended off sexual attacks, biker gangs and corrupt police convinced she was trafficking drugs. She'd survived life-threatening illnesses, personal loss and brutal accidents that had left permanent scars and a black hole in her memory. And she'd fallen in love with two very different men. In an age before email, the internet, mobile phones, satnavs and, in some parts of the world, readily available and reliable maps, Elspeth achieved something that would still seem remarkable today. Told with honesty and wit, this is the extraordinary and moving story of a unique and life-changing adventure.

## Memphis, Martin, and the Mountaintop

### The Sanitation Strike of 1968

Archie Comic Publications (Trade) **This award-winning book will help kids understand the life and legacy of Civil Rights leader Dr. Martin Luther King Jr. ★"(A) history that everyone should know: required and inspired."** —Kirkus Reviews This picture book tells the story of a nine-year-old girl who in 1968 witnessed the Memphis sanitation strike - Dr. Martin Luther King Jr.'s final stand for justice before his assassination - when her father, a sanitation worker, participated in the protest. In February 1968, two African American sanitation workers were killed by unsafe equipment in Memphis, Tennessee. Outraged at the city's refusal to recognize a labor union that would fight for higher pay and safer working conditions, sanitation workers went on strike. The strike lasted two months, during which Dr. Martin Luther King Jr. was called to help with the protests. While his presence was greatly inspiring to the community, this unfortunately would be his last stand for justice. He was assassinated in his Memphis hotel the day after delivering his "I've Been to the Mountaintop" sermon in Mason Temple Church. Inspired by the memories of a teacher who participated in the strike as a child, author Alice Faye Duncan reveals the story of the Memphis sanitation strike from the perspective of a young girl with a riveting combination of poetry and prose. ## Big Sur

Penguin UK In 1960 Jack Kerouac was near breaking point. Driven mad by constant press attention in the wake of the publication of *On the Road*, he needed to 'get away to solitude again or die', so he withdrew to a cabin in Big Sur on the Californian coast. The resulting novel, in which his autobiographical hero Jack Duluoz wrestles with doubt, alcohol dependency and his urge towards self-destruction, is one of Kerouac's most personal and searingly honest works. Ending with the poem 'Sea: Sounds of the Pacific Ocean at Big Sur', it shows a man coming down from his hedonistic youth and trying to come to terms with fame, the world and himself.

## Uneasy Rider

## Travels Through a Mid-Life Crisis

Random House **A broken heart and a moment of drunken bravado inspires middle-aged, and typically rather cautious, journalist Mike Carter to take off on a life-changing six month motorcycle trip around Europe. Never mind that he hadn't been on two wheels since an inglorious three-month teenage chapter involving a Lambretta, four crashes and an 18-month ban for drink-driving, a plan had begun to loosely form... And so, having completed a six day residential motorcycle course and hastily re-mortgaged his flat, Mike sets off alone, resolving to go wherever the road takes him and enjoy the adventure of heading off into the unknown. He ends up travelling almost 20,000 miles and reaching the four extremes of Europe: the Arctic Circle in the north, the Mediterranean coast in the south, the Portuguese Atlantic to the west and the Iraqi border of Turkey in the east. But really it's a journey inwards, as, on the way, Mike finds his post-divorce scars starting to heal and attempts to discover what he, as a man in his forties who hasn't quite found his place in the world, should be doing. Self-deprecating, poetic and utterly engaging, his is a heroic journey taken for the rest of us too scared to leave our 9 to 5 office-bound existence.**

## Jupiter's Travels

[Penguin UK](#) **Jupiter's Travels** -Ted Simon's astonishing 4 year motorbike journey around the world The book that inspired Ewan McGregor's Long Way Round In the late 1970s Ted Simon set off on a Triumph and rode 63,000 miles over four years through fifty-four countries in a journey that took him around the world. Through breakdowns, prison, war, revolutions, disasters and a Californian commune, he travelled into the depths of fear and reached the heights of euphoria. He met astonishing people and was treated as a spy, a welcome stranger and even a god. For Simon the trip became a journey into his own soul, and for many others - including bikers Charley Boorman and Ewan McGregor - it provides an inspiration they will never forget. This classic text, which has informed a whole genre of travel writing in the thirty years since it was first published, will never be bettered for sheer adventure, passion, humour and honesty. Brought up in England by a German mother and a Romanian father, Ted Simon found himself impelled by an insatiable desire to explore the world. It led him to abandon an early scientific career in favour of journalism, and he has worked for several newspapers and magazines on Fleet Street and elsewhere. Ted Simon is also the author of *Riding Home* and *The Gypsy in Me*.
