#### FIGHTING DESTINY

---

---

#### THE FAE CHRONICLES

---

What started out as a strange assignment, lead to one of the most gruesome murder mysteries of our times. My friends and I are set and determined to find out who is killing off Fae and Witches alike.

---

#### SEDUCING DESTINY

---

Less than six months ago my life was twisted and flipped on its side. Things have changed so much I barely recognize myself anymore. I am no longer an Enforcer. I am no longer a Witch. I no longer hate the Fae. (For the most part) And the sex-on-a-stick-gorgeous-Fae? He isn't really the Dark Prince. No, he is the father of my children and with the babies on the way, the land dying and the Mages closing in; alliances will have to be formed if we are all to make it through the war that is coming to our front door. Between warring Gods and Goddesses, how are any of us supposed to win? The Fae Chronicles reading order is as follows. Fighting Destiny Taunting Destiny Escaping Destiny Seducing Destiny

---

#### ESCAPING DESTINY

---

I thought things couldn't get worse. I was wrong. I found out what I really wanted and was forced to give him up. Just as I found out who I really am, I was presented to the elusive Horde King as a gift. This was the mystical being I was hidden from for more than twenty years. Although Ryder promised to save me, I couldn't let him get near this creature, so I willingly (sort of) signed myself over to be his new plaything. Now in the Horde Realm, nothing is going remotely like I thought it would. My powers and emotions are on the fritz, and each day seems to bring surprises that I am not sure how to deal with. The Horde King thinks he has me exactly where he wants me. He thinks he has taken all of my options away. I still have choices. Embracing what destiny has planned for me, or escaping it.

---

#### UNRAVELING DESTINY

---

I knew Destiny wasn't done with me. I knew that she was just getting warmed up, but I had no clue just how hard my world was going to come crashing down on me. I had thought that I was going to get my fairytale wedding and marry the man of my dreams. I was wrong. Now, faced with having my world torn asunder and Faery exposed, I have to make choices I never thought I'd have to make. I'm divided between two worlds, and I have to decide just how far I will go to get back what was stolen from me. Old enemies are closing in, new enemies are being revealed, and surprising allies are entering the playing field. War is on the horizon, and it's coming right for us.

---

#### EMBRACING DESTINY

---

Fae Chronicles War has finally come to Faery. Everything I thought I knew was wrong. Truths have become lies, and they have all begun to unravel around us. I can no longer trust my instincts. Ryder has changed, but so have I. We're evolving, but into what? I'm not sure, but I do know that it isn't what I wanted to become. I don't know if I will survive this war. One of us is holding back, while the other continually moves forward toward the mages who endlessly slaughter the fae. I think it's me. I think I have to lose it all, to gain what is missing inside of me. How do you eradicate self, when self is what you've been fighting for? Throw everything you think you know about the fae away. Nothing is sacred, and no one is safe from the monsters we're about to become.

#### LEGACY OF THE NINE REALMS

---

Aria and her sisters return to the Human Realm of Haven Falls to find one of their own that's gone missing. They soon discover things have changed in the Human Realm and that nothing is what it seems, including Knox, the egotistical, self-centered, frustratingly gorgeous man who declared himself King during their absence. Sparks fly when the two enter a fiery battle of wills as Aria learns she is more than just a witch in the Hecate bloodline; she is much, much more. Will Aria embrace her savage side to find her sister and save her family, or will she burn to ashes from his heated kisses and burning hot embrace? Knox has ulterior motives for being in Haven Falls and never expected the little witch to show up and brazenly challenge his rule. It was supposed to be easy; get in and get out. Move pieces into place and set the stage for the war he's been planning for over five hundred years. Aria is his sworn enemy but something within her calls to him and he hates himself for craving the fiery kisses that have reignited his cold, dead heart. One taste, and he thought he could get her out of his system. He was wrong. Will Knox let go of the memories of the past, driving his need for revenge that will destroy the pretty little witch he craves, or will he push the boundaries to fight for and claim what is his by right? Either way, war is inevitable. And nothing will stop him from reaching for what is his. Epic Fantasy with heavy love-hate situations.

## IF SHE'S WICKED

---

## WICKED KNIGHTS

---

International, award winning, Amazon top 20 Bestselling author! She's a war I cannot win. She's our salvation. Erie is the one creature that can save my race from dying out. The thing is, we broke her, but we broke the wrong parts. Now, the only thing that girl craves is revenge and a need to destroy with a rage that burns hotter than the fires of Hell. I've loved her longer than she has been alive. She's in my veins, and this is one war I cannot afford to lose against her. He's a battle I'm willing to fight. They say nothing worthwhile comes easy, that if you want something bad enough, you have to fight to get it. They're idiots. They say love is a battlefield, and they were right about that, but this isn't a battle of wills. It's a battle to the death. He thinks I can be saved. I don't want to be saved; I want to destroy everything and everyone that ever hurt me. I want the world to feel my pain, to taste my rage. I'm not their savior; I'm their damnation. I don't want to be saved by him or his kind. I'm the War they won't see coming until I'm on top of them, waging it against them. I am Erie, and I'm going to set the world on fire and walk through the ashes of those who have wronged me. Warning: Erie isn't a hero; she's the antihero in this story. This isn't a love story. It's a dark and twisted battle of wills and bare bones. They're going to war against one another, and it will be brutal, chaotic, and beautiful. So if you're not into dark re-telling of twisted love stories, this isn't for you. Thank you for looking, but I'm an unapologetic author of alpha-holes and the women who fight back against them. I don't believe in insta-love. I believe in putting them through hell and making them earn it first.

### THE BEARLY CONTROLLED GRIZZLY (BEAR CLAN, 1)

---

That first time I saw her-my mate-I'd been ready to kick some guy's ass for even looking at her. I made no apologies for my possessive, territorial side. I was a grizzly bear shifter, after all. It was my nature to be over the top.Bethany hadn't known what to do at first-being mated to a shifter-one who was grouchy and burly and made no apologies for how rugged he really was. But she wanted me, my sweet little human mate who could have brought a beast like me to my knees with just a look.I'd wanted nothing more than to throw her over my shoulder and take her back to my lair like a caveman. But I let her take the lead, even if my bear wasn't happy, even if the alpha in me wanted to have my way with her right then and there.And I would have my way with her. All the ways that counted, in fact.I'd claim her, mark her, and before it was all said and done, there'd be no doubt in anyone's mind that Bethany was owned by a grizzly.Warning: Holy moly, this hero's crazy for his mate, but who wouldn't want one OTT alpha bear shifter obsessed with you? This story is sweet and sexy, and oh so very filthy. Of course, you get a happily ever after ... and a little somethin'-somethin' at the end to wrap it up nicely.
