KEY=WORKER - JONAS NOELLE

YOUTH WORKER'S GUIDE TO PARENT MINISTRY

A PRACTICAL PLAN FOR DEFUSING CONFLICT AND GAINING ALLIES

Zondervan The Kids in Your Youth Group Are Not Isolated Beings... Ministry to Youth Means Ministry to the Families! Churches are hiring Youth and Family Pastors, finally, in an overdue ministry focus. A critical component of a family-based or family-friendly youth ministry is a conscious strategy for ministry to the parents of adolescents. Expectations and opportunities in the area of parent and family ministry have increased dramatically. Youth Worker's Guide to Parent Ministry develops a model of parent ministry based on the belief that for a youth worker to be truly effective, it is important to lay careful relational groundwork to ensure that the right to be heard has been earned. Dr. Marv Penner, respected adolescent researcher, youth pastor, and family counselor, presents nine evolving levels of parent ministry--each one strengthening the credibility of the youth worker and opening doors to deeper and more meaningful parent support. Each of the nine levels is supported with a number of practical ideas and strategies for implementation. Youth Worker's Guide to Parent Ministry provides both a theoretical framework and the tools for implementation in local-church or para-church settings. Marv constructs his effective plan in a "Paradigm Pyramid"--rationale and practical hands-on programming ideas at each of the nine evolving levels of parent ministry: Acknowledgement Affirmation Information Encouragement Connecting Equipping Involvement Educating Co-nurturing Bible-based, time-tested, innovative, experiential, adoptable! Youth Worker's Guide to Parent Ministry is a foundational text in this vital area of youth ministry! Featured are sessions, sidebars, Web links, application points, contests and games, sample newsletter ideas, funky cartoons, and many worksheets (all

downloadable and adaptable)!

HELP! I'M AN URBAN YOUTH WORKER!

A SURVIVAL GUIDE TO MINISTRY IN THE BIG CITY

Zondervan A much needed source of information and Biblical solutions for dealing with the struggles and pitfalls of urban youth ministry--peer pressure, street violence, sexual activity, drug abuse, and more.

THE RESIDENTIAL YOUTH CARE WORKER IN ACTION

A COLLABORATIVE, COMPETENCY-BASED APPROACH

Routledge Explore how these therapeutic practices can enhance your work as a residential youth care worker!The Residential Youth Care Worker in Action: A Collaborative, Competency--Based Approach will help youth care workers administer psychotropic medications, understand psychiatric labels, handle crisis and staffing, and give accurate assessments. Emphasizing ideas that focus on the strengths and abilities of young people from the assessment phase of treatment through discharge, this guidebook will help you take the views and actions of youths into consideration from a change-oriented perspe.

THE COMPLETE NEW TESTAMENT RESOURCE FOR YOUTH WORKERS

Zondervan With lessons created, written, and tested by active, experienced youth leaders who work with young people every week ... never before has there been a resource this comprehensive, this practical, and this relevant for teaching the New Testament to your students. Walking students through the New Testament used to feel like a daunting task—especially if you've tried to create studies that are relevant and engaging to your students. Now, you have a diverse team of nearly thirty youth ministry practitioners working for you—and they've put together more than 100 studies that will make your job easier while helping your students dig into the Bible. Whether you lead them yourself or hand the lessons over to your volunteers, each lesson is easy to implement and can be used alone or combined with lessons that have already been planned. You'll also find a searchable CD-ROM, making it easier than ever to find exactly what you need to help lead your students deeper into the life-changing books from the New Testament.

THE YOUTH WORKER'S GUIDE TO HELPING TEENAGERS IN CRISIS

Zondervan When youth work becomes crisis managers.Anyone who stays in youth ministry for a while will encounter significant crises. Family break-ups, substance abuse, sexual assault, eating disorders, cutting, suicide, gun violence.But without proper and immediate care, crises like these can cause years of emotional pain and spiritual scarring in students.Rich Van Pelt and Jim Hancock want to help you prevent that from happening.Through their experience and expertise, you'll learn how to:- Respond quickly and effectively to crisis -Balance legal, ethical, and spiritual outcomes -Forge preventive partnerships with parents, schools, and students -Bring

healing when damage is done. When crises happen, and they will, ready or not, there are practical steps you can take. Van Pelt and Hancock provide field-tested counsel and specific, biblical advice for each stage of crisis. Keep this book on hand as your go-to resource when you need it most. Because when it comes to crisis, it's not a matter of if, but when.

THE OCCUPATIONAL EXPERIENCE OF RESIDENTIAL CHILD AND YOUTH CARE WORKERS

CARING AND ITS DISCONTENTS

Routledge From open and straightforward accounts of residential care workers, *The Occupational Experience of Residential Child and Youth Care Workers* shows you how care is handled, not how it should be handled. This book introduces you to a social reality, a sometimes very difficult and challenging social reality, as it is viewed by its participants. If you want to know more about what is actually going on in residential care and the discontent that workers frequently experience, this is the book that lays out the facts, the problems, and the nature of residential youth centers. *The Occupational Experience of Residential Child and Youth Care Workers* broaches the problem of tension between workers and residents and hopes that bringing the problem out into the open will be a first step toward a solution. You learn that the very arrangement of residential care automatically sets up antagonism between the sole group care worker and his/her wards; residents tend to resist the inherently coercive efforts of the worker who tries to bring them through processes of change and socialization. *The Occupational Experience of Residential Child and Youth Care Workers* will make you think about: residential care and conflicts group interaction career satisfaction and dissatisfaction interpretive sociology of education and its methodology social control Interviews with Israeli residential care workers are presented to help you understand the circumstances under which residential care providers experience discontent, or job dissatisfaction. You learn which workers are most likely to feel discontented and how staff members cope with the stress and discontent they experience. Youth care workers, policymakers, child-care staff recruiters, supervisors, and trainers will find this book sheds much light on the problem of discontent and the need to make child and youth care facilities more humane for residents and staff alike. It will also help social work educators and researchers in sociology, social work, and the social psychology of education get in touch with what goes on inside the walls of residential care centers.

WHY ME?

A PROGRAMME FOR CHILDREN AND YOUNG PEOPLE WHO HAVE EXPERIENCED VICTIMIZATION

Jessica Kingsley Publishers `It is clear that we need to do more to help children who have been victims of crime. This book will enable people to do exactly that - help people get started with some tried and tested advice and techniques to help young victims.'---Sara Payne, *Victims' Champion* Being victimized can leave a young person feeling frightened, lacking in confidence and emotionally vulnerable. Some young

people turn to crime themselves in response to their experience. Why Me? is a photocopiable resource and DVD designed to help children and young people come to terms with and recover from the experience of victimization. Made up of exercises and activities, it is designed for those working individually with young victims aged 8 or 9 and above, and can be adapted for groupwork. It is fully flexible, and activities can be picked according to the needs of the individual. Following restorative justice and protective behaviour principles, the exercises encourage the young person to explore their feelings, needs and strengths, and to recognize their support network. Activities include drawing, making graphs, writing letters and brainstorming. The resource also includes guidance on how to run the programme, including worked case examples. The DVD contains real-life stories of young people who have been victimized and includes a demonstration of some of the activities in action. Why Me? is an essential resource for a wide range of practitioners working with young people, including social workers, youth workers, teachers, police, education welfare officers, youth offending team staff, and victim support and witness service workers.

SMART MOVES THAT SUCCESSFUL YOUTH WORKERS MAKE

iUniverse Smart Moves That Successful Youth Workers Make provides core principles and practices for effectively working with today's youth. You'll learn: how to manage the 7 roles of the front-line youth worker, avoid the ten common mistakes most youth workers make, set boundaries without being cold and unapproachable, and help teens build healthy self-esteem and take positive charge of their lives.

HELP! I'M A FRUSTRATED YOUTH WORKER!

A PRACTICAL GUIDE TO AVOIDING BURNOUT IN YOUR MINISTRY

Zondervan/Youth Specialties There are so many benefits to being a youth worker: You get to hang out with teenagers, watch their lives transform, and help them become adults who live for and love Jesus. But when you signed on the dotted line to work in youth ministry, nobody mentioned the negative side effects: isolation, criticism, a general feeling of being constantly overwhelmed, relentless questioning from parents and church leaders. The list can go on... But your frustration doesn't have to overtake you, or take you away from ministry. Inside the pages of this book you'll find humor, comfort, and encouragement for those times when you feel like you can't go any further. Youth ministry veteran, Steven Case, will help you through just about every scenario that adds to your discontent, including complaining parents, dealing with tragedy, and deciding when to leave a bad situation. Find practical tips to help you deal with the challenges of youth ministry, and get soul-renewing ideas to help you continue on, despite the struggles, so you can get back to enjoying youth ministry like you used to!

BECOMING TRANSNATIONAL YOUTH WORKERS

INDEPENDENT MEXICAN TEENAGE MIGRANTS AND PATHWAYS OF

SURVIVAL AND SOCIAL MOBILITY

Rutgers University Press *Becoming Transnational Youth Workers* contests mainstream notions of adolescence with its study of a previously under-documented cross-section of Mexican immigrant youth. Preceding the latest wave of Central American children and teenagers now fleeing violence in their homelands, Isabel Martinez examines a group of unaccompanied Mexican teenage minors who emigrated to New York City in the early 2000s. As one of the consequences of intractable poverty in their homeland, these emigrant youth exhibit levels of agency and competence not usually assigned to children and teenage minors, and disrupt mainstream notions of what practices are appropriate at their ages. Leaving school and family in Mexico and financially supporting not only themselves through their work in New York City, but also their families back home, these youths are independent teenage migrants who, upon migration, wish to assume or resume autonomy and agency rather than dependence. This book also explores community and family understandings about survival and social mobility in an era of extreme global economic inequality.

THE YOUTH LABOR MARKET PROBLEM

ITS NATURE, CAUSES, AND CONSEQUENCES

University of Chicago Press This volume brings together a massive body of much-needed research information on a problem of crucial importance to labor economists, policy makers, and society in general: unemployment among the young. The thirteen studies detail the ambiguity and inadequacy of our present standard statistics as applied to youth employment, point out the error in many commonly accepted views, and show that many critically important aspects of this problem are not adequately understood. These studies also supply a significant amount of raw data, furnish a platform for further research and theoretical work in labor economics, and direct attention to promising avenues for future programs.

YOUNG WORKERS, GLOBALIZATION AND THE LABOR MARKET

COMPARING EARLY WORKING LIFE IN ELEVEN COUNTRIES

Edward Elgar Publishing Underpinned by the fact that the globalization process and the subsequent increased level of market uncertainty have paved the way for employment flexibility in modern societies, this book examines the labor market chances of young adults in the US and in ten European societies over the past three decades. As young adults represent a very vulnerable labor market group, flexible and insecure employment tends to be pronounced especially at labor market entry. The contributors therefore explore which groups of young adults are especially affected by increasing employment insecurities.

THE STUDENT LEADERSHIP TRAINING MANUAL FOR YOUTH WORKERS

EVERYTHING YOU NEED TO DISCIPLINE YOUR KIDS IN LEADERSHIP SKILLS

Zondervan As profound, as relevant, as funny as you are . . . teenagers still listen to each other more than to an adult youth worker. You may grimace, but you can't deny it--students talking to each other usually means more to them than adults talking to them. The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able--helping and evangelizing their peers . . . organizing ministry teams . . . planning and executing their own youth ministry programming. Here are 31 training sessions for discipling student leaders in a small-group setting--sessions that start in the Bible and reach deep into teenagers' experience . . . ready for you to implement a clear and effective program that trains your students for higher levels of leadership, regardless of where they are now. Plus 24 pages just for you, a veritable primer on how to cultivate student leadership: The role of adults Authority vs. responsibility Setting student leaders up for success Teaching students not just the whats, but the whys and hows Helping them discover their spiritual giftedness Perfect for youth workers, CE directors, associate pastors, and small-group leaders--anyone who works with a youth group's core kids.

INTERNATIONAL PERSPECTIVES ON THE YOUTH LABOR MARKET: EMERGING RESEARCH AND OPPORTUNITIES

EMERGING RESEARCH AND OPPORTUNITIES

IGI Global Persistent unemployment and rising wage differences at the expense of low-skilled workers has characterized the labor market in most developed countries. Since the last economic crisis, unemployment rates and pay inequalities have increased among workers under 25 years of age, thus creating an ever-widening

financial gap for an entire generation. Those who do not have a qualification or post-secondary diploma often find themselves in precarious jobs at minimum wage. Countries are now working to adopt reforms to improve the situation of young people in the labor market. International Perspectives on the Youth Labor Market: Emerging Research and Opportunities provides emerging research exploring the theoretical and practical aspects of financial inequality and applications within global economics. Unlike literature that focuses only on developed countries, this book also addresses emerging economies whose labor market is often characterized by a dualism that makes the situation of young workers worse. Featuring coverage on a broad range of topics such as unemployment rate, labor reform, and job insecurity, this book is ideally designed for economists, government officials, policymakers, executives, managers, business professionals, researchers, academicians, and students.

THE COMPLETE NEW TESTAMENT RESOURCE FOR YOUTH WORKERS

Harper Collins Never before has there been a resource this comprehensive and relevant for teaching the New Testament to your students. With the topic overview, ideas for games, outlines for messages, study questions, and tips for using real-life experiences, you now have everything you need to lead students through more than 100 New Testament lessons.
