**A COMPLETE GUIDE TO END-OF-TIME PREDICTIONS**

---

Simon and Schuster **An illustrated, encyclopedic overview of the prophecies, calendars, and theories that indicate the year 2012 is a threshold of great change for humanity • Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 • Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar's Great Cycle will come to an end. Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed. What is certain, however, is that a rare galactic alignment will occur, one so unique that it is found at the core of many wisdom traditions from around the globe. Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982. Far from confining his research to the Maya, who provide the most prominent predictions indicating this date will herald significant changes for humanity, he has studied the prophetic traditions of other cultures--including the Tibetan, Chinese, Jewish, Ethiopian, and tribal cultures from around the globe--to show the kind of convergence of cosmic purposes happening along a number of parallel tracks. This book offers an**

extensive study of many modern theories, including Terence McKenna's timewave zero and Maurice Cotterell's sunspot research as well as anomalous phenomena such as near death experiences and crop circles. Sifting through all the scientific research and speculation that the year 2012 has inspired, Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date.

## **QUESTIONS & ANSWERS**

---

[iUniverse](http://iUniverse) **Suppose you could communicate with a visitor who was not from this place, time-space or even this dimension? What would you want to ask them? The answers probably lie in what our own response would be if we were them. This book is based on a collection of interviews I have had with a few individuals who may have actually had such an experience. The idea is that if enough of us are ready to ask the questions and gain the answers,**

then our collective knowledge and understanding of the "multiverse" about us can only continue to be enhanced. Sometimes the responses that you will read here are similar; often they are diametrically opposed to each other. An open but highly skeptical mind is extremely necessary if you are going to sift through the data that is presented in this book. The intent is that it should peak your curiosity to learn more about "visitors." In this way, we may be better informed and prepared, and thus in some sort of coherent shape to deal with their arrival. If you read this book, you must be well prepared to choose for yourself what you will or will not believe.

## **SPIRITUAL LIGHT AND THE ART OF SELF-MASTERY**

---

Simon and Schuster **An exploration of the multidimensional interplay between body, mind, and spirit • Identifies the frequencies that support life and the dissonant frequencies incompatible with life, such as the imbalances of EMFs • Explains how to cultivate higher consciousness by building a strong light body • Includes techniques and exercises for psychic cleansing, physical and emotional detox, chakra and aura strengthening, and oracular dreaming** Civilization has reached a critical threshold in time unlike any other. Whether life continues to evolve or devolve depends upon our ability to reach higher states of consciousness en masse. This requires calling upon the transformative power of the soul--a power not handed to us, but earned. We are living proof that the physical and spiritual realms of existence work together in unity. Yet for many of us our natural soul light and inner spiritual intuition are suppressed due to the distractions of day-to-day living and the electromagnetic pollution of our screen-filled technological world. In this exploration of the multidimensional interplay between the body, mind, and spirit, Carrie L'Esperance reveals how we can restore the flow of spiritual light in everyday living through the art of self-mastery. She explains how technology has severely reduced humanity's natural abilities and spiritual power. She shows how EMFs and wi-fi toast our energetic bodily systems and suppress our immune systems, blocking the ethereal frequencies of light and suppressing our creative intuition and higher powers. Detailing the spiritual bio-geometry of light and the holographic principle, she explores how the cells of our bodies receive light's deeper vibratory frequencies to support conscious evolution and soul development as well as explaining near-death and out-of-body experiences. She identifies the dissonant energies that endanger mind/body health and reveals new advances in brain science that allow us to transcend the malign influences that hamper human evolution. She provides exercises and techniques for spiritual alignment and receptivity, including psychic cleansing, physical and emotional detox, chakra and aura strengthening, and oracular dreaming. Preparing us for the new cosmology and the greater community of worlds that is being revealed, L'Esperance shows that when we are

properly connected with our soul's intelligence and cultivate the reception of higher frequencies of consciousness, then we are able to soul breathe, to absorb more pranic energy, the electromagnetic force and cosmic radiation that is the sustaining element of all life and consciousness.

## **THE RETURN OF THE SERPENTS OF WISDOM**

---

SCB Distributors According to ancient records, the patriarchs and founders of the early civilizations in Egypt, India, China, Peru, Mesopotamia, Britain, and the Americas were colonized by the Serpents of Wisdom-spiritual masters associated with the serpent-who arrived in these lands after abandoning their beloved homelands and crossing great seas. While bearing names denoting snake or dragon (such as Naga, Lung, Djedhi, Amaru, Quetzalcoatl, Adder, etc.), these Serpents of Wisdom oversaw the construction of magnificent civilizations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions. The Return of the Serpents of Wisdom recounts the history of these "Serpents"-where they came from, why they came, the secret wisdom they disseminated, and why they are returning now.

## **HOW TO PHOTOGRAPH THE PARANORMAL**

---

Hampton Roads Publishing **A Must-Have Guide for Investigating the Paranormal** Have inexplicable spheres and fogs ever ruined any of your photographs? If you discarded them, thinking dirt on the lens or camera glitches were to blame, you may want to retrieve them and reconsider. These spheres and fogs may be paranormal light forms. Light forms are mentioned in literature on angels, aliens, UFOs, ghosts, crop circles, near-death experiences, inter-dimensional beings, magick, and thought forms. Hypnotized subjects describe the lights as the forms we become between lives on Earth. This entertaining book examines the many theories about what these energies may be and presents evidence throughout history that confirms their existence. Starting out as a novice photographer, the author captured the apparent spirit of her sister's dog. That began her great adventure into researching orbs, vortexes, and ectoplasms that are appearing in pictures worldwide. In this book, you will learn as she did how, when, and where to photograph and interact with these intelligent life forms. How to Photograph the Paranormal has something for everyone--from the simply curious to ghost hunters and paranormal researchers. The book features dozens of original paranormal photographs--many in full color. Mysterious lights evidently have been with us all along but they are now making extra efforts to reveal themselves to humanity. This book is an eye-opening glimpse into their world.

AuthorHouse **For 457 years the Prophet Nostradamus has been a MYSTERY. Hidden in 'dark speech' he was misunderstood and rejected by the Protestant Christian Church, forbidden to be read by the Catholic Church, and totally discredited by psychics and worldly interpreters as being in the 'Occult'. However, it was the 'occult' interpreters that were instrumental in keeping his work alive and mysterious. Written from a Christian perspective, many questions about this mysterious man Nostradamus, and why his work has endured so long are answered in this book. Reverend Sunday has discovered the "secrets" and the intentions of his life's work, and you will be amazed to find out WHO Nostradamus really was. If you are curious about Planet X-Wormwood, then you will find out how that ties into these hidden revelations. There always comes a time when "hidden" things are revealed to a Prophet. (Daniel 2:22; Amos 3:7.) The second Prophet,**

William Branham, was way ahead of his time in his understanding of supernatural phenomenon; and his revelations on the Book of Genesis regarding the "apple" and its sexual connotations lost him favor with the "approved" church then, and now. Prophets are rarely understood in their own age. These TWO PROPHETS were brought together to this 'unknown' Sophe/Scribe chosen to disclose the hidden, amazing information, and revelation for our day...To GOD be the GLORY. Prepare the way for the Lord.

## WELCOME TO THE FIFTH DIMENSION

---

### THE QUINTESSENCE OF BEING, THE ASCENDED MASTERS' ULTIMATE SECRET

---

North Atlantic Books Based on her popular workshops in Canada and Europe, **Welcome to the Fifth Dimension** is author Diane LeBlanc's guide to helping readers recognize and integrate their multiple dimensions. Through examples, exercises, and channeled teachings, she shows us how to regain our co-creative power and live each day and moment in a state of grace. The key, says LeBlanc, is Quintessence, a self-coaching program that revitalizes the five most important dimensions of human existence in order to feel better, recover from disease, and be fully happy. The book breaks Quintessence into groups of five: the five energy fields that surround the body, the individual's five main ÒSoul families, Ò the five dimensions of the human brain, and others. The book assesses and draws on many

contemporary schools of thought, as seen in books like *The Law of Attraction*, *The Power of Now*, and *The Celestine Prophecy*. It also provides original teachings channeled from the powerful entity LeBlanc describes as the "Mother Earth Consciousness," personified as Bianca Gaia who is LeBlanc's alter ego. Packed with charts, diagrams, and illustrations, this compelling book encourages readers to radically enhance their health and happiness by opening their minds to this new way of thinking.

## **THE ANCIENT SECRET OF THE FLOWER OF LIFE, VOLUME 2**

---

Light Technology Publishing The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science, stories, logic, and coincidence on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation--step-by-step techniques for the re-creation of the energy field of the evolved human--which is the key to ascension and the next dimensional world. if done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others, and even of the planet. You may discover a memory or a fleeting reflection of yourself in the following topics: - The Unfolding of the Third Informational System: the circles and squares of human consciousness, Leonardo da Vinci's true understanding of the Flower of Life, and exploring the rooms of the great pyramid - Whispers From Our Ancient Heritage: the initiations of Egypt, the mysteries of resurrection, interdimensional conception, ancient mystery schools, Egyptian tantra, and sexual energy and the orgasm - Unveiling the Mer-Ka-Ba Meditation: chakras and the human energy system, energy fields around the body, the seventeen breaths of the Mer-Ka-Ba meditation, and the sacred geometry of the human lightbody.

## **A HANDBOOK FOR THE WOMAN OF THE 21ST CENTURY**

---

Xlibris Corporation A woman who struggles on the spiritual path needs validation, guidance, inspiration and practical advice. This handbook is to help her survive the transition of the past several centuries and come to her full empowerment. This is especially for she who needs to reprogram herself as the Warrior Priestess in what is still a mans world. It is for the one who seeks to understand her place as the embodiment of the Divine

**Feminine Spirit because now it is time to uplift the wounded feminine consciousness to its rightful power, to transmute the negative results of ignorance and subjugation. This book is a call and a guide for the neophyte on the Path as well as for all the extraordinary women who are searching for a Friend in the dark, when they are feeling most damned and abandoned because of their Vision. It is for all the Spiritual Warrior/Priestesses who have forgotten some of the pitfalls, as well as the joys, of their Journey. This book will serve as an inspiration for those who have lost that Sight. In the playing field of womens spirituality, no one book or resource offers such a clear picture of the magical destiny of the Woman of Tomorrow, especially for those with eclectic beliefs. THE WAY OF THE WARRIOR PRIESTESS addresses this need for self transformation by inspiring the reader with important quotations as well as the authors guidance, step by step direction, affirmations, useful astrological insights, as well as a section that asks questions that will push the reader into changing some tired perceptions. It is written to fire up the spirit of the sleeping Feminine Spirit in both women and men. It is a handbook and empowerment manual for the growing army of individuals born at this special time in Mother Earths history to help rebalance Her during certain changes. ...for all of those brave souls willing to go in an exciting new direction. WHY THE READER SHOULD READ THIS BOOK This is not another book about the womens spirituality movement or about why women are goddesses. Rather it is a bridge between traditional magickal wisdom and the everyday challenges of the woman of the 90s. It is a call to transformation and will answer the intense desire for women of all ages and colors to heal their lives. It will give them permission and purpose to become what they really are: perfected beings. It will also bring on an almost-instant wakeup call for men. It embraces no particular theology, religion or mythology and is not a psychological treatise. It does not advocate any one path to take, nor is it anti anything except ignorance....It does come from a spacious metaphysical vision that many will relate to with a sigh of relief. The average woman is still rather paralyzed and in partial ignorance of her power as a Magical Being...because she does not even have the voice or words to help herself. And most books on this subject are still either too academic or beyond the average womans experiences. This book will serve as a tool and a light to help her see herself. The Talking Stick section at the end of each chapter is to jumpstart some profound self questioning - as well as a handy starting point in teaching situations....ideal to teach self empowerment workshops all over the world. The extensive Resources section at the back of the book is to help locate the key material for the process. This book will be appropriate for several markets: Feminist, Goddess, Spiritual, Metaphysical, Womens Self Help. It should be in metaphysical centers, universities, feminist study groups, and womens conferences and gatherings. It is for women ages 16-90 who seek inspiration and practical advice. It is for men who are trying to align with the female spirit, both in wom**

## THE REINCARNATION OF EDGAR CAYCE?

---

### INTERDIMENSIONAL COMMUNICATION AND GLOBAL TRANSFORMATION

---

North Atlantic Books Wynn Free explores the remarkable parallels between the work of David Wilcock and the legendary Edgar Cayce while he builds a convincing case that the two men shared the same source of prophetic information and that Wilcock might indeed be Cayce's reincarnation. Compiling some of Wilcock's most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, The Reincarnation of Edgar Cayce presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Welcome to Infinity presents us with an intriguing view of the universe: one that is home to a variety of otherworldly beings existing at different frequencies of vibration. Ms. Hinesley explores ancient and modern techniques for communicating and collaborating with these beings, and traveling to their realms. She describes the importance placed on human/spirit collaboration by ancient and native peoples, who viewed such contact as critical to the maintenance of harmony on earth. The author argues for a return to our roots: for a future in which humans and otherworldly beings work together for the good of the universe. "Kathlyn Hinesley deciphers our interactions with the higher vibrations of our ecosystem. This is the hard science of the future."**

There has never been so much violence, crime, corruption, murder and war in the history of mankind. ## **NEPTUNE AND THE FINAL PHASE OF THE PISCAN AGE**

---

iUniverse This volume functions as two books in one. An "astrologer's reference" it delineates Neptune's conjunctions with planets from the birth chart. Additionally since the astrologer is trained to step outside the temporal context to understand the magnitude of stories inlaid into the rhythm structures of time its perspective is valuable as mankind faces a chaotic transition. The ancient Greeks personified the planetary personae through myth. Neptune, the deceiver, presides over the final phase of the Piscean Age as deception, delusion, and duplicity threaten the great verities. How did we get here? Mankind evidences remarkable

**technological expertise, but have matters improved for the vast majority? Illusions born of past traditions hold minds hostage, and pit tribe against tribe on the basis of divisive belief systems. Pisces is the zodiac position where the circle meets itself and differences dissolve. Symbolized by two fish, it suggests twin perceptual portals analogous to both brain hemispheres. Two complementary "oars" are required to navigate our shared vessel progressively; otherwise we circle endlessly and history repeats. Right brain sentience invokes what is missing: the sense of inherent unity among all living beings. Mankind can no longer afford the asymmetric worldview that undermines the great balance we must now endeavor to restore.**
