Pashto

An Elementary Textbook

Pashto, designated a critical language by the US Department of Defense, is one of two official languages of Afghanistan and is also spoken in parts of Pakistan. Volume 1 of Pashto: An Elementary Textbook is designed to cover one semester of beginning-level language instruction; together, Volumes 1 and 2 of Pashto cover one year of instruction. Tested in the classroom and featuring the latest pedagogical thinking, Pashto: An Elementary Textbook provides superior language instruction in a cultural context and features authentic audio and video materials.

Pashto

An Intermediate Textbook

This intermediate-level textbook, the sequel to "Pashto: An Elementary Textbook," develops speaking, listening, reading, and writing skills in the standard Pashto language. The text's innovative approach addresses everyday interactions as well as local customs to help students learn Pashto within its cultural context. Audio files demonstrate pronunciation in both eastern and western dialects. Engaging and complete, " Pashto: An Intermediate Textbook" is an invaluable resource for professionals, general users, and students.

Your First 100 Words in Pashto

McGraw Hill Professional YOUR FIRST 100 WORDS IN . . . PASHTO A paperback original Takes the intimidation out of learning a new language In the Your First 100 Words In series, readers are shown how to decipher and read a new script by learning 100 primary words in a new language. Covering the languages of Iran and Afghanistan, this new addition to the Your First 100 Words In series can be used by students as a supplement for their language courses, by parents as an introduction for young children, or by learners independently.

The World's Major Languages

Routledge The World's Major Languages features over 50 of the world's languages and language families. This revised edition includes updated bibliographies for each chapter and up-to-date census figures. The featured languages have been chosen based on the number of speakers, their role as official languages and their cultural and historical importance. Each language is looked at in depth, and the chapters provide information on both grammatical features and on salient features of the language's history and cultural role. The World's Major Languages is an accessible and essential reference work for linguists.

Uyghur

Learn Dari

Your First Dari Words, Conversation, Reading and Writing, Grammar, and Vocabulary

Recommended for: Students of Dari/Farsi language, and Afghan Children living abroad who want to be able to read and write in Dari/Farsi. Dari, which is also referred to as Farsi by speakers of this language, is one of the two official languages of Afghanistan. It is a dialect of Persian widely spoken in Afghanistan. The majority of the people in Afghanistan can speak Dari/Farsi. The difference in the Farsi spoken in Afghanistan and Iran is somewhat like the differences in British and American English, so if one speaks Dari he/she will be able to understand and speak the Farsi in Iran and Tajiki, which is the official language of Tajikistan and a dialect of modern Persian, spoken in Tajikistan. This book is designed to teach Dari/Farsi from the beginner's level to the advanced level. It starts with very basic vocabulary and structures and ends with the advanced level. The first part of the book includes transliteration and does not require you to be able to read the Dari script; this part of the book will also teach you how to read and write in Dari/Farsi script, and the rest of the book will require you to know how to read and write in Dari/Farsi. a good source of essential vocabulary, grammar, and Conversation. The conversation is also transliterated which doesn't require you to read in Dari. The Conversation is searchable by topic therefore a good help for beginners to start speaking faster.

Descriptive Grammar of Pashto and its Dialects

Walter de Gruyter Pashto/Pushto/Pukhto is a group of varieties used by as many as 30 million people in Afghanistan and Pakistan, yet a grammar describing these varieties collectively has not been published. The CASL Pashto grammar originates from extensive use of both primary and secondary materials. It attends to features of both spoken and written forms of Pashto and exemplifies the latter generously with naturally-occurring sentences. Detailed descriptions are provided of the phonology and orthography and of the inflectional and derivational morphology applied to all major word classes, with special attention to the complex morphology of verb formation and descriptions of the multiple pronominal

systems. Notes on some of the prominent syntactic constructions are provided as a descriptive basis for learners of Pashto and for those interested in syntactic properties characteristic of South Asian languages. For the first time, the highly distinctive Middle dialects, including Waziri, receive attention next to the other major dialect groups. A formal grammar focusing on the morphology is an available companion work.

A Case of Exploding Mangoes

Random House ****LONGLISTED FOR THE BOOKER PRIZE**** 'Exuberant and satirical: this is an angry comedy about Zia's brutal legacy to Pakistan' Observer There is an old saying that when lovers fall out, a plane goes down. This is the story of one such plane. Why did a Hercules C130, the world's sturdiest plane, carrying Pakistan's military dictator General Zia ul Haq, go down on 17 August, 1988? Was it because of: 1.Mechanical failure 2.Human error 3.The CIA's impatience 4.A blind woman's curse 5.Generals not happy with their pension plans 6.The mango season Or could it be your narrator, Ali Shigri? A Case of Exploding Mangoes is sharp, dark, inventive and utterly gripping.

The Sino-Tibetan Languages

Routledge There are more native speakers of Sino-Tibetan languages than of any other language family in the world. Records of these languages are among the oldest for any human language, and the amount of active research on them, both diachronic and synchronic, has multiplied in the last few decades. This volume includes overview articles as well as descriptions of individual languages and comments on the subgroups in which they occur. In addition to a number of modern languages, there are descriptions of several ancient languages.

Pashto

A Language Map

Bilingual Books Incorporated You'll have more fun when you speak the language and participate in the local culture. Whether traveling to Kenya, Tanzania or exotic Zanzibar, take Swahili a Language Map everywhere you go and all your language needs are covered! Each Language Map provides

Speaking Afghan Pashto (the Eastern Afghan Dialect)

Textbook to help English speakers acquire a conversational level of Pashto. The focus is on speaking the language, not writing; therefore Arabic script is not included.

دري

کتاب متوسط دری

This textbook offers a thematically-organized approach to the Dari language for intermediate students. The book emphasizes task-oriented, communicative activities that develop the four language skills (speaking, listening, reading, and writing). The topics discussed include travel, micro-loans for businesses, shopping, and meeting with officials. Innovations include the functional approach to grammar; an emphasis on integrated skills development; and the use of various authentic materials, especially the videos filmed in the different regions of Afghanistan. Dari belongs to the Iranian group of Indo-European languages. Along with Farsi and Tajiki, it is one of the three main Persian dialects. Dari is the most-used language in Afghanistan; all official documents are written in the language. It is, with Pashto, one of the two official languages of the country. Dari has more than 40 million speakers worldwide. Large communities of native speakers reside in Iran and Tajikistan and throughout central and south Asia.

The Boy Without a Name English-Urdu Edition

Hoopoe Books A boy seeks and eventually finds his own name - and also gives away an old dream he doesn't want - for a wonderful new dream. This is one of a series of illustrated books for children by Idries Shah, whose collections of narratives and Teaching-Stories have captivated the hearts and minds of people of all ages and from all walks of life.

Sonidos, Sabores Y Palabras (Book Only)

Heinle & Heinle Pub SONIDOS, SABORES Y PALABRAS features a diverse range of activities and exercises based on each song. These activities will have students call upon prior knowledge, reflect and empathize with the lyrics, and make connections to their own experiences. The thought-provoking group activities require students to analyze the meaning behind the songs, as well as investigate and discuss how they relevantly reflect Latin cultures today. Suitable for self-study, building vocabulary, and developing reading and listening skills.

The Lion Who Saw Himself in the Water

English-Pasht Edition

A good-natured lion sees his reflection in a pool, gasps at the fierce creature staring back at him, and is too frightened to drink - until finally, his thirst makes him forget his fear. The story helps children learn how to deal positively with fears and inhibitions which so commonly arise in new and unfamiliar situations.

A Dictionary of Turkish Verbs

In Context and by Theme

One of the keys to learning the Turkish language is to understand the importance and function of the verb. The stem of the verb, together with various suffixes of mode, tense, person, along with a subject and/or object, may be the equivalent of an entire English sentence. A Dictionary of Turkish Verbs is an aid to both the beginning and more advanced student of the language by providing approximately 1,000 verbs in context as they appear in up-to-date colloquial Turkish phrases and sentences, or short dialogues in translation. Contrasting English and Turkish ways of expression, this multipurpose dictionary also helps the English speaker avoid the most common errors--with most verbs cross-referenced to related verbs, synonyms, or antonyms, and to the broader themes or categories of meaning to which they belong. Includes an English-Turkish index and a thesaurus section (using Roget's categories) where verbs of related meaning appear together and a short reference list of verb-forming

suffixes. For students at any stage of learning the Turkish language, or for the self-motivated traveler, this unique dictionary will help open the door to greater understanding in an increasingly important area of the world.

The Russians in Afghanistan 1979-89

Oxford University Press The story of the Soviet occupation of Afghanistan is well known: the expansionist Communists overwhelmed a poor country as a means of reaching a warm-water port on the Persian Gulf. Afghan mujahideen upset their plans, holding on with little more than natural fighting skills, until CIA agents came to the rescue with American arms. Humiliated in battle, the Soviets hastily retreated. It is a great story-but it never happened. In this brilliant, myth-busting account, Rodric Braithwaite, the former British ambassador to Moscow, challenges much of what we know about the Soviets in Afghanistan. He provides an inside look at this little-understood episode, using first-hand accounts and piercing analysis to show the war as it was fought and experienced by the Russians. The invasion was a defensive response to a chaotic situation in the Soviets' immediate neighbor. They intended to establish a stable, friendly government, secure the major towns, and train the police and armed forces before making a rapid exit. But the mission escalated, as did casualties. Braithwaite does not paint the occupation as a Russian triumph. To the contrary, he illustrates the searing effect of the brutal conflict on soldiers, their families, and the broader public, as returning veterans struggled to regain their footing back home. Now available in paperback, Braithwaite carries readers through these complex and momentous events, capturing those violent and tragic days as no one has done before.

A Brief History of Afghanistan

Infobase Publishing

A Long Goodbye

The Soviet Withdrawal from

Afghanistan

Harvard University Press Why did the USSR linger so long in Afghanistan? What makes this account of the Soviet-Afghan conflict both timely and important is its focus on the factors that prevented the Soviet leadership from ending a demoralizing and costly war and on the long-term consequences for the Soviet Union and the region.

Afghanistan

The First Five Years of Soviet Occupation

U.S. Government Printing Office Dr. J. Bruce Amstutz, U.S. charge d'affaires in Kabul from 1977 to 1980, begins his treatment of the first five years of Soviet occupation with an historical overview of years of Russian meddling in Afghan affairs. He follows this account with a first-hand report of the 1979 invasion, and analyzes the intervention from political, military, and economic perspectives. Important issues are: Afghan political factions, leaders, the human rights and refugee problems, diplomatic efforts to settle conflict, and Soviet measures to repress the Afghans. Photos.

The Wars of Afghanistan

Messianic Terrorism, Tribal Conflicts, and the Failures of Great Powers

PublicAffairs As Ambassador and Special Envoy on Afghanistan from 1989 to 1992, Peter Tomsen has had close relationships with Afghan leaders and has dealt with senior Taliban, warlords, and religious leaders involved in the region's conflicts over the last two decades. Now Tomsen draws on a rich trove of never-before-published material to shed new light on the American involvement in the long and continuing Afghan war. This book offers a deeply informed perspective on how Afghanistan's history as a "shatter zone" for foreign invaders and its tribal society have shaped the modern Afghan narrative. It brings to life the appallingly misinformed secret operations by foreign intelligence agencies, including the Soviet NKVD and KGB, the Pakistani ISI, and the CIA. American policy makers, Tomsen argues, still do not understand Afghanistan; nor do they

appreciate how the CIA's covert operations and the Pentagon's military strategy have strengthened extremism in the country. At this critical time, he shows how the U.S. and the coalition it leads can assist the region back to peace and stability.

War and Society in Afghanistan

From the Mughals to the Americans, 1500–2013

Oxford University Press This monograph analyses the rhythms of war and the geopolitical significance of Afghanistan with a focus on the interrelated concepts of weak/rentier state, great power rivalry, and counter-insurgency. It analyses why the Mughals, the British, the Soviets, and the Americans won the conventional wars in Afghanistan but were defeated in the unconventional ones. It takes a comprehensive view of the history of the region and provides a political and military narrative of conventional and unconventional war in Afghanistan during the last five centuries. It, therefore, covers wide ranging aspects such as empire building and military operations in Afghanistan in the pre-modern period, regular and irregular warfare in Afghanistan during the British era, the Russian intervention and the emergence of the fragile 'rentier state' after the world war, and the American and NATO activities and the nature of on-going war in light of the recent debates on the changing character of war in the twenty-first century. With a special emphasis on ecology, terrain, and logistics, this book explores the trajectory of state building and contextualizes the Afghan 'problem' as part of the wider struggle among the great powers for controlling the 'heart' of Eurasia.

Finnish Tutor: Grammar and Vocabulary Workbook (Learn Finnish with Teach Yourself)

Advanced beginner to upper intermediate course

Teach Yourself Do you want to communicate easily and freely in Finnish? Master Finnish grammar and broaden your vocabulary with your very own Finnish Tutor. This contemporary interactive workbook features 200
