## Love more than allowed

Notion Press Aarna's marriage is in the doldrums yet she has lost the zeal to save it. The death of her mother shakes her. Heart broken she stumbles upon her mother's diary .Written some thirty three years ago , it talks about someone she met and fell in love at first sight. What follows is a fairy tale . A girl in her early twenties is swept off her feet by the man of her dreams. It's a passionate , selfless tale of two lovers . Does this love story see the light of the day ? Is love alone enough or is togetherness a part of it? Is Aarna prepared to face the truth about her mother and this mystery man ? Love was never easy and if it was, it wasn't love.

## I Love You More Than . . .

Feiwei & Friends My child, I am not always with you as much as I'd like. But you are always in my mind and my heart. Some families look different than others. A father who doesn't live full-time with his son tells him all the ways he misses and loves him. I Love You More Than ... by Taye Diggs, illustrated by Shane W. Evans, is perfect for families who are separated, whatever the circumstances. Its

message of love underscores the bond between parent and child in ways that little ones will understand.

## I Love You More Than Christmas

*Tiger Tales* Now available in a board book, this festive celebration of friends, family, and love at Christmas from best-selling illustrator Tim Warnes is perfect for sharing with a little one. Little Bear, Mommy Bear, and Daddy Bear all LOVE Christmas! There are presents to wrap, treats to bake, and decorations to hang on the Christmas tree. But is there something that they love even more? The popular picture book story from the illustrator of the best-selling board book *I Love You to the Moon and Back* is now available in board book for the youngest readers and is perfect for sharing with a child at Christmas. With a "To" and "From" dedication page for gift-giving.

## I Love You More Than You Know

### Essays

*Open Road + Grove/Atlantic* "Utterly delightful" essays from the creator of the HBO's *Bored to Death* reveal intimate details of his life as a famously neurotic New York writer (Brendan Halpin, *Los Angeles Times*). Jonathan Ames has drawn comparisons across the literary spectrum, from David Sedaris to F. Scott Fitzgerald to P.G. Wodehouse, and his books, as well as his abilities as a performer, have made him a favorite on the *Late Show with David Letterman*. Whether he's chasing deranged cockroaches around his apartment, kissing a beautiful actress on the set of an avant-garde film, finding himself stuck perilously on top of a fence in the middle of the night in Memphis, or provoking fights with huge German men, Jonathan Ames has an uncanny knack for getting himself into outlandish situations. In *I Love You More Than You Know*, Ames once again turns his own adventures, neuroses, joys, heartaches, and insights into profound and hilarious tales. Alive with love and tenderness for his son, his parents, his great-aunt—and even strangers in bars—Ames looks beneath the surface of our world to find the beauty in the perverse, the sweetness in loneliness, and the humor in pain in essays that are "both poignant and silly—an irresistible mix" (John Dicker, *Philadelphia Weekly*).

## More Than Love You

*Shelley Bradley LLC* I hooked up with my temporary roommate. Now I'll do anything to claim her for good. I'm Noah Weston. For a decade, I've quarterbacked America's most iconic football team and plowed my way through women. Now I'm transitioning from star player to retired jock—with a cloud of allegation hanging over my head. So I'm escaping to the private ocean-front paradise I bought for peace and quiet. What I get instead is stubborn, snarky, wild, lights-my-blood-on-fire Harlow Reed. Since she just left a relationship in a hugely viral way, she should be the last woman I'm seen with. On second thought, we can help each other... I need a steady, supportive "girlfriend" for the court of public opinion, not entanglements. Harlow is merely looking for nonstop sweaty sex and screaming orgasms that wring pleasure from her oh-so-luscious body. Three months—that's how long it should take for us both to scratch this itch and leave our respective scandals behind. But the more I know this woman, the less I can picture my life without her. And when I'm forced to choose, I'll realize I don't merely want her in my bed or need her for a ruse. I more than love her enough to do whatever it takes to make her mine for good.

## Marriage Takes More Than Love

*NavPress Publishing Group* We're surrounded by conflicting messages about sex, dating, marriage, and singleness. If you want answers that make sense, this book offers wise, biblically based counsel.

## More Than I Love My Life

## LONGLISTED FOR THE 2022 INTERNATIONAL BOOKER PRIZE

*Random House* An epic, deeply moving novel about the power of love and loving with courage - from the Man Booker International Prize-winning author of *A Horse Walks into a Bar* On a kibbutz in Israel in 2008, Gili is celebrating the ninetieth birthday of her grandmother Vera, the adored matriarch of a sprawling and tight-knit family. But festivities are interrupted by the arrival of Nina: the

iron-willed daughter who rejected Vera's care; and the absent mother who abandoned Gili when she was still a baby. Nina's return to the family after years of silence precipitates an epic journey from Israel to the desolate island of Goli Otok, formerly part of Yugoslavia. It was here, five decades earlier, that Vera was held and tortured as a political prisoner. And it is here that the three women will finally come to terms with the terrible moral dilemma that Vera faced, and that permanently altered the course of their lives. More Than I Love My Life is a sweeping story about the power of love and loving with courage. A novel driven by faith in humanity even in our darkest moments, it asks us to confront our deepest held beliefs about a woman's duty to herself and to her children. 'Grossman's work resonates with emotional intelligence, humanity and truth' Irish Times

## I Love You More Than...

## Love You More Than Anything

Sterling Children's Books This rhyming read-aloud assures kids—in so many ways—that they're loved more than anything in the world. Follow an adorable chipmunk family for a fun outing at the park, a special homemade cake after dinner, and a snuggle before bedtime—and all the while mom and dad find dozens of ways, big and small, to give their children the affection and security they crave.

## I Love You More Than All the Stars

This emotive and uplifting text by the dream duo Becky Davies and Dana Brown is perfect for sharing with any loved one. I love you more than all the stars that shimmer in the night. Just as their glow lights up the sky, my love shines strong and bright. This beautiful, reassuring book celebrates the enduring love and nurturing support of a parent for their child. It's the ideal gift for many occasions - from Valentine's Day and birthdays to the arrival of a new baby! I Love You More than All the Stars will delight fans of Guess How Much I Love You, I Love You to the Moon and Back and The Wonderful Things You Will Be.

# I Love You More Than Me

The message of "I Love You More than Me" is deeper than it may appear at first glance. This story is about a friendship that emulates unconditional love, joy, and inclusion despite the differences. It's a story about loving others more than ourselves. Levi, a down syndrome boy, shows Norah just how much he loves her in many ways throughout the book. For one, the story is written from Levi's perspective, with typical thoughts, words, and emotions, much like our own. His actual physical limitations are not highlighted in the book because they don't matter. Levi is not defined by what he can or cannot do. To Levi's family and friends who know and love him, he is just Levi; a little boy who shows us how to be more concerned with others' happiness rather than our own, and who displays an amazing amount of empathy for others. A little boy whose very existence seems to emulate God's example of unconditional love as his every hug seems to say, "I love you more than me".

## More Than Love

# Adopting and Surviving Attachment Disorder Children

iUniverse MORE THAN LOVE is a candid account of contrasting emotions - hope and lost hope, joy and despair, perseverance and helplessness - that resulted from parenting three Attachment Disorder adopted boys. It also describes the adoptive parents' frustration at the system for not providing the help they were promised prior to the adoption. The book takes the reader through the emotional roller coaster experienced by both of the adoptive parents as they searched for answers from therapists, psychologists, social workers, clergy, teachers, friends, and family. It also provides explicit details of the boys' deviant behaviors and describes the behaviors observed by outsiders. Others only witnessed charming, sweet, and "good" boys. Unfortunately, children with attachment problems are experts at manipulation and often dupe others, including those trained to detect such deceitfulness. Tragically, these adoptive parents finally had no choice but to let go of the boys in order to protect their family, friends, and society.

# Summary of Bettina L. Love's We Want to Do More Than Survive

*Everest Media LLC* Please note: This is a companion version & not the original book. Sample Book Insights: #1 Du Bois's words struck a chord with me, as I know that I, as a dark person, want to matter and live, not just survive. I want to thrive, and I want to create new systems and structures for educational, political, economic, and community freedom. #2 To matter to yourself and your students, you must matter enough to fight for justice. To dark people, that is often difficult to conceptualize, given how they are treated by their country. #3 Intersectionality is the idea that different identities, such as race, gender, and sexuality, can interact with each other and affect how a person is treated in a given situation. It is not just about listing and naming your identities, but about understanding community power and inclusivity in social justice movements. #4 Intersectionality not only helps us understand the different communities we belong to, but it also helps us understand how those communities are oppressed in different ways by different institutions.

## More Than Saying I Love You

### 4 Powerful Steps That Help Children Love Themselves

*Cool Springs Press* Self-love is not the same as being self-centered, egotistical, self-righteousness or narcissistic. What would it look like to have a generation of children that practiced self-love? They would be caring and loving towards others as well as themselves. Being able to "love others as ourselves" or as the Bible says "love your neighbor as yourself" comes from practicing self-love. They would appreciate their talents and be accepting of who they are. By being accepting and compassionate towards themselves, they can in turn be the same towards their friends, classmates, siblings, and parents. Their self-worth or high self-esteem becomes a by-product of their self-love.

# More Than Love

## An Intimate Portrait of My Mother, Natalie Wood

*Scribner* The heartbreaking, never-before-told story of Hollywood icon Natalie Wood's glamorous life, sudden death, and lasting legacy, written by her daughter, Natasha Gregson Wagner. *More Than Love* is a memoir of loss, grief, and coming-of-age by a daughter of Hollywood royalty. Natasha Gregson Wagner's mother, Natalie Wood, was a child actress who became a legendary movie star, the dark-haired beauty of *Splendor in the Grass*, *Rebel Without a Cause*, and *West Side Story*. She and Natasha's stepfather, the actor Robert Wagner, were a Hollywood it-couple twice over, first in the 1950s, and then again when they remarried in the 70s. But Natalie's sudden death by drowning off Catalina Island at the age of forty-three devastated her family, made her stepfather a person of interest, and turned a vibrant wife, mother, and actress into a tragic figure. The events of that weekend have long been a mystery, and despite the rumors, scandalous media coverage, and accusations of wrongdoing, there has never been an account of how the tragedy was experienced by her daughter. For the first time Natasha addresses the questions surrounding that night to clear her beloved stepfather's name. *More Than Love* begins on the morning after her mother's death in November 1981 when eleven-year-old Natasha hears the news on the radio that her mother's body has been found off the coast of Catalina after her parents had spent the weekend on the family boat, *The Splendour*. From this profound and shattering loss, Natasha shares her memories of her earliest bonds with her mother; her warm, loving, and slightly chaotic childhood as the daughter of two stars; the lost and confused years of her adolescence; and her halting attempts to move forward as a young woman. Beautifully told, *More Than Love* is an emotionally powerful tale of a daughter coming to terms with her grief, as well as a riveting portrait of a famous mother and a vanished Hollywood.

## Polyamory

## To Love More Than One

Polyamory - The Love Of More Than One Most people think that their only options are to find monogamous love or spend their life alone forever, but the most basic fact about humanity is that we're all different and there are so many different ways to find love and happiness. Polyamory is one of those options, and it can come in many different forms. The world polyamory comes from a combination of the Greek word poly, which means many or several, and the Latin word amor, which means love. In the simplest terms, it is the desire or the practice of sharing intimate relationship with two or more partners, where all of the partners are aware of all of the other partners. This makes it different than cheating, because all of the partners involved remain aware of everything that might affect their dynamic. Everything that happens within the dynamic is ethical, consensual, and responsible. Just because you are open to multiple partners, does not mean that it's open season and you can do whatever you want, with whomever you want. Full communication is essential in a functioning, healthy polyamorous relationship. This book looks at polyamory, polygamy and other forms of multiple partner relationships.

## I Love You More Than Macaroni and Cheese

Because who doesn't love macaroni and cheese?! A sweet, rhyming, heartfelt description of the love for moments and experiences, however, "the moral of the story is plain and it's true, there's just nothing out there that quite compares to the love I feel for you."

## More than love

*POETRY WORLD*

## More Than Words

## The Science of Deepening Love and Connection in Any

# Relationship

*S&S/Simon Element* Increase intimacy, connection, and love with this “critical” (Vanessa Van Edwards, bestselling author of *Captivate: The Science of Succeeding with People*), science-based guide to creating meaningful and lasting relationships. When it comes to building a better relationship with your partner, touch and connection matter so much more than the words that you say. And author and therapist John Howard is here to tell us why. *More Than Words* shows you how to deepen love and connection in any relationship based on the latest cutting-edge research in interpersonal neurobiology, trauma-informed healing, attachment theory, and many more scientific fields. This “brilliant guide” (Diane Poole-Heller, PhD, author of *The Power of Attachment*) explains why verbal communication may not elicit the connection you seek and offers ways to practice and form new habits that can nurture love, care, safety, comfort, and passion in relationships. Science shows that these techniques work, but most people don’t know them yet. You can start using these techniques today to increase intimacy and emotional connection in your closest relationships. Mindful of all the needs of the modern individual, *More Than Words* is inclusive of LGBTQ+, polyamorous, and other nontraditional committed relationships and ultimately looks to elevate the way we strengthen the most important bonds in our lives.

# The Love Hypothesis

*Penguin* The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope.

## Ugly Love

### A Novel

*Simon and Schuster* From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

### Do You Love God More than Me?

*WestBow Press* As my children grow in their understanding of God and His Word, so do their questions. I pray for good answers to the ponderings of their hearts. God hears my prayers and gives me word pictures to make challenging explanations understandable and exciting to them. As God uses me to answer the questions of my children, He is also forming a deeper trust in my heart, while revealing His plan for me. *Do You Love God More than Me?* shares the answer He gave me to one of the hardest questions my children have ever asked. My heart longs for Christian caregivers to sow the gospel in their homes and to discuss God's truth as we sit and read, walk and drive, lie down and get up each day. *Do You Love God More than Me?* helps your family in that endeavor.

### Love You More Than You Know

### Mothers' Stories about Sending Their Sons and

## Daughters to War

*Gray & Company, Publishers* In these personal stories, 45 Ohio mothers open their hearts and share what it feels like when your son or daughter leaves home to fight a war. Some were stunned to learn one sunny afternoon that their "baby" had enlisted in the Marines. Others had long been familiar with military life. But all knew their life had just changed the day their child called and said, "Mom, I'm being deployed . . ." They discovered the strange mix of pride and fear. The anxiety of not knowing exactly where in Iraq or Afghanistan your son is, whether your daughter is facing mortar fire or enduring heat and boredom. Elation at the arrival of the briefest postcard or email message. The daily dread, when returning home from work or a trip to the grocery store, of seeing a government car in the driveway and two soldiers at the door . . . Any parent who reads these stories will feel their power--and will gain a greater understanding of the sacrifice made by parents as well as their children in our military service.

## I Love You More Than Moldy Ham

*Abrams* When a young monster sets out to create a gourmet dinner for someone special, he squelches through marsh and muck to find just the right ingredients, from beetle knees to plump slugs to chicken teeth! But who is the dinner for? A surprise awaits his special loved one and readers alike!

## More Than a Labour of Love

## Three Generations of Women's Work in the Home

*Canadian Scholars' Press* Originally published in 1980, this new edition of *More Than a Labour of Love* is the first of our Women's Press Classics series, which celebrates our most enduring titles. Based on participant observation and in-depth interviews, this book describes the work women do in their homes, caring for children and partners, and maintaining the house. It shows how their lives are shaped by domestic responsibilities and challenges the ways in which their work is neither recognized nor valued. Arguing that the work they do is socially necessary and central to the economy, it calls for a transformation of current social and economic relations.

# I Love You More Than Tongues Can Tell

*Xlibris Corporation* Follow Becky Lynn, a child, born to an unwed teenage girl in 1950 s West Virginia. Her journey from foster care to adoption to raising children of her own provides lessons on acceptance, forgiveness, gratitude and love.

# Love Your Child More Than You Hate Your Ex

# What Every Divorced Parent Needs to Know

*Outskirts Press* In this book the following topics are addressed: Why I wrote the book; How do we form our relationships; Why marriages fail; Why second marriages fail at a higher rate; How to foster a healthy union; What divorce looks like to the kid; A healthy divorce; Parenting through divorce; and Finding the right counselor. “A magnum opus is not made in a microwave; it is incubated and nurtured. This book is a synergy between Dr. Waldman’s many other works. The heart and soul of this effort is to protect our most valuable natural resource (our children) from more needless damage. Thank you, Larry for the privilege of reading your manuscript.” —Dr. Karl Riem, Psychologist (Retired) “Dr. Waldman’s book on divorce is a guide on what to do and not to do when contemplating a divorce. Reading this book and following his guidance, could prevent parents from making mistakes that will impact their children’s lives and future relationships in a negative manner. It will also assist parents in answering their children’s questions and concerns, before and during a divorce in a constructive manner. I wish I had this information when I was on my divorce journey, it would have prevented a number of mistakes on my part.” —Cary Silverstein, MBA Professor Emeritus, DeVry University / Keller Graduate School of Business “Dr. Waldman’s published articles fit very well within his exhortation that we consider our children and their well-being over our own selfish interests in situations of marital difficulty or divorce. Anyone who has worked as a child mental health provider has witnessed some of the scenarios he outlines in this book for us. I enjoyed the reading, and found the pace quick, and the material provocative.” —Stephen D Bailey, Ed.D., Licensed Psychologist HSPP, Child/Geriatric Neuropsychologist “This book is great and covers so many important issues. Every couple contemplating or in the middle of a divorce should carefully read each chapter for insight into avoiding mistakes and putting the children FIRST.” —Linda Feldman, Director of Family Education Bureau of Jewish Education of Greater Phoenix

# I Need You More Than I Love You and I Love You to Bits

*Front Street Incorporated* Morris and Betty, two teens living in Stockholm, Sweden, meet and fall in love but the darkness within each of them at times makes it hard to maintain their love affair, especially after Betty compares Morris's behavior to that of his bipolar father.

## It Takes More than Love

# A Christian Guide to Navigating the Complexities of Cross-Cultural Adoption

*Moody Publishers* Embrace the beauty and challenges of transracial adoption. Being an adoptive parent is hard enough. But when your family is multiracial, things get even trickier. Parenting transracially doesn't come naturally, nor does it just happen with time. Love is essential—yet by itself, love isn't enough. Cross-cultural parenting also takes intentionality, listening, learning, growing, repenting, changing . . . then starting all over and doing it again. It's hard work! And yet, when an adoptive family honors the ethnic heritages of their children, the whole family—as well as the watching world—gets to see the beauty of a gloriously creative God. In *It Takes More Than Love*, Brittany Salmon shares her own family's story of transracial adoption and offers a biblically-based guide for others following the same path. Brittany recognizes that we live in divided times and there are extra challenges whenever race is part of the conversation. But with wise insight and hard-won experience, she provides guidance about topics such as: Maintaining a Gospel perspective throughout the journey Celebrating your child's history and heritage Confronting racism Responding to comments about your family Avoiding pitfalls in adoption Helping your kids feel represented in your home and community No one is promising transracial adoption will be easy—least of all Brittany! Yet the extra effort is balanced by a beauty that images our eternal destiny. Until the day God makes all things new, the welcoming an inclusive transracial family can help fulfill Jesus's words, "on earth as it is in heaven."

## Love in Colour

'So rarely is love expressed this richly, this vividly, or this artfully.' Candice Carty-Williams

*Hachette UK* THE SUNDAY TIMES BESTSELLER As seen on BBC2 *Between the Covers* 'Beautifully written and full of joy. Bolu Babalola is a star.' Meg Cabot 'Here is love as freedom, love as deep joy. Romance will never be dead, as long as Bolu is writing it.' Jessie Burton Bolu Babalola finds the most beautiful love stories from history and mythology and rewrites them with incredible new detail and vivacity in this debut collection. Focusing on the magical folktales of West Africa, Babalola also reimagines iconic Greek myths, ancient legends from the Middle East, and stories from countries that no longer exist in our world. A high-born Nigerian goddess feels beaten down and unappreciated by her gregarious lover and longs to be truly seen. A young businesswoman attempts to make a great leap in her company, and an even greater one in her love life. A powerful Ghanaian spokeswoman is forced to decide whether to uphold her family's politics, or to be true to her heart. Whether captured in the passion of love at first sight, or realising that self-love takes precedent over the latter, the characters in these vibrant stories try to navigate this most complex human emotion and understand why it holds them hostage. Moving exhilaratingly across perspectives, continents and genres, from the historic to the vividly current, Love in Colour is a celebration of romance in all of its forms. 'Captivating.' *Vice*

## "I Love You More Than My Dog"

## Five Decisions That Drive Extreme Customer Loyalty in Good Times and Bad

*Penguin* Hundreds of businesses have customers who admire them, but only an elite few have true advocates—passionate, loyal, vocal fans—who rave about them to anyone who will listen. Jeanne Bliss, who served as a senior customer executive at five major

companies, says there's no shortcut to becoming beloved—you can't hire a fancy marketing firm to get there. You earn it by how you decide to run your business—as Wegman's and Harley-Davidson have for decades and as relatively new companies like Zipcar and Zappos are doing right now. After studying and working with dozens of beloved companies, Bliss has identified five key decisions that lead to customer devotion: • Decide to believe • Decide with clarity of purpose • Decide to be real • Decide to be there • Decide to say "sorry" Her examples and advice will help readers sustain growth and profit even in a tough economy.

## I Love You More Than Plunder

A father pirate explains to his daughter that he loves her more than anything--even the most exciting and valuable aspects of his incredible job. All the sunken treasure in the ocean is worth nothing compared to a father's love for his daughter. Featuring a kraken, merpeople, King Neptune and a shark who loves to wrestle, this swashbuckling board book celebrates the fathoms-deep bond between a parent or guardian and their child.

## Love Is More Than Just a Pearl Necklace

Growing up in the early 70's, Chloe at nearly sixteen already towers over most of the boys she meets. Finding love is never going to be easy, particularly when you're the only daughter of typically over-bearing parents and struggling to adapt as the new girl in town. To make matters worse, she has to deal with Jenna and her 'hair and makeup friends', whose sole purpose in life seems to be making fun of Chloe's 'bean-pole' legs and her obvious naivety. Thank goodness for friends like Helen, Ollie and Rosie, and for the kind-hearted baker, Arthur, who's always on hand with some words of wisdom, especially when a terrible tragedy strikes the small group of friends. However, when Helen starts to date an older boy, the intense but boyish Ben Challenger, Chloe's friendships will be stretched to the limit as she starts to wonder whether Ben's really interested in Helen at all, or whether it could be Chloe herself who Ben desires. Love is More Than Just a Pearl Necklace is a coming-of-age story that will resonate with anyone who remembers that true love burns fiercely in young hearts...

I am very satisfied with this journal because it provides me with a low cost option that is also very thoughtful and detailed as opposed to having to buy a more expensive option which I did in the past, but without satisfaction. Many other journals are way more expensive, but do not have all of the details that I needed for my work. If they did, the cost way too much. This journal gives me all I need for my spell rituals and I love the cover which is very inspirational and i love the soft touch of it. Thanks" Get yours today! Thanks for looking and stay safe, see you on the other side!

# Love At First Sight

*WestBow Press* After the death of her husband, Rebecca turned to God for everything. She was alone and needed God more than ever. This personal relationship with God became so intense that she experienced Him in ways she never dreamed were possible. Rebecca's journey began when she became convinced God used a man she named Adam to awaken her passion to be a married lady again. When Rebecca shared every little detail of her life with God, she felt certain God orchestrated the funniest situations to give her confidence as she traveled into unknown territory. She insisted God was being playful with her and wanted her to relax and trust that He was the one that was in control. Those times Rebecca experienced doubt, God did some remarkable things to prove He was with her. As a result she developed a boldness to do what she believed God was asking of her. God always confirmed the decisions she made were the stepping-stones leading to her destiny. She learned God was pleased by her faith that she entrusted to Him alone. God demonstrated two-way communication with Him was not only possible but was necessary in order to turn her dreams into reality. This two-way conversation brought her relationship with God to a deeper level. She knew He had prepared the way that would lead her to her future husband. Rebecca claims God is still in the match making business and is the best dating coach any person could ask for because Father knows best. All proceeds from the sale of this book will go to a mobile ministry that gives women who are facing unplanned pregnancies image clear ultrasounds free of charge. When women are in crisis due to an unwanted pregnancy they need to know that God loved them at "First Sight." Hopefully with knowledge of this truth these women will now be willing to "step out on a maybe" and trust God to work out a solution that begins with them choosing life for the child within.

# I Love You More Than Worms Love Dirt

This book has it all. There are three books in one! It's not only a wonderful "I love you more than" book, but it also contains a beautifully illustrated alphabet section with upper and lower case letters, as well as a bright, multicolored page dedicated to numbers. Your child will look forward to learning their numbers and the alphabet after experiencing this engaging book on love. *I Love You More Than...* creates a happy, loving atmosphere where imaginations soar. Inspired by the goodnight ritual of a father and his two young daughters, this account propels the imagination of young children far beyond a simple "Goodnight, I love you." This book series not only encourages thought provoking creativity, insight and originality, but also includes easy, colorful alphabet and number teaching tools. You will be amazed at how quickly your little ones gain additional skills as their imaginations soar. ## P.S. I Love You More Than Tuna

Sounds True "P.S. I Love You More Than Tuna is both a lighthearted celebration of the loving bond between human and cat, and a touching meditation on the eternal nature of that love." —Jackson Galaxy, host of Animal Planet's My Cat From Hell An illustrated gift book for adults grieving a companion cat, celebrating the often-quirky bond between humans and felines. Our cats occupy a unique space in our hearts. When they're gone, the loss can be devastating, the grief profound. P.S. I Love You More Than Tuna gives us an opportunity to give friends, loved ones, or ourselves tangible comfort during the grieving period, when so many of us feel isolated and misunderstood after a beloved pet dies. The author and illustrator (devoted cat lovers themselves) offer this book as a universal love letter from the felines we've bid goodbye to. It celebrates the special bonds we forge with our four-legged companions and reminds us that their love for us—and ours for them—need never end.

## I Love You More

Sourcebooks, Inc. In a book that begins at either side and ends in the middle, a little boy and his mother are taking a walk together when one asks "How much do you love me?" and the other provides a rhythmic response. On board pages.

## Love My Rifle More than You: Young and Female in the U.S. Army

W. W. Norton & Company "Brave, honest, and necessary."—Nancy Pearl, NPR Seattle Kayla Williams is one of the 15 percent of the U.S. Army that is female, and she is a great storyteller. With a voice that is "funny, frank and full of gritty details" (New York Daily

News), she tells of enlisting under Clinton; of learning Arabic; of the sense of duty that fractured her relationships; of being surrounded by bravery and bigotry, sexism and fear; of seeing 9/11 on Al-Jazeera; and of knowing she would be going to war. With a passion that makes her memoir “nearly impossible to put down” (Buffalo News) Williams shares the powerful gamut of her experiences in Iraq, from caring for a wounded civilian to aiming a rifle at a child. Angry at the bureaucracy and the conflicting messages of today’s military, Williams offers us “a raw, unadulterated look at war” (San Antonio Express News) and at the U.S. Army. And she gives us a woman’s story of empowerment and self-discovery.

## I Love You More Than...

### A Lift-the-Flap Book

*Little Genius Books* A super-sweet lift-the-flap board book that combines the cutest animals ever with warm and positive messages of love.
