Hooper's Evangelist and Minister's Handbook

Xulon Press Hoopers Evangelist & Ministers Handbook has now become the most talked about must-have ministerial guide for new and seasoned evangelists, ministers, and pastors today! Written with a stroke of simplicity to inform and empower ministry gifts, Dr. Hooper openly shares practical information gleaned from two decades of ministerial experience and what it takes to do successful Kingdom work in the 21st century. In over 300 pages, this ministerial handbook includes topics (many never seen in print) such as: knowing and being sure of the call to ministry, necessary ministry qualifications, the pastors role in a ministers life, women as ministers, clergy attire, various types of evangelists, diverse areas of ministry, handling ministry appointments, honorariums and offerings, the truth about the field, sermon preparation, public speaking tips, vital health issues, travel tips, armorbearers and their duties, selling media products, the minister and musicians, choosing bible schools, finding a mentor, the ministers devotional time, stress and depression, protecting your voice, a glossary of ministerial terms, 100] recommended books for the ministers library, FAQs, words of wisdom from seasoned ministers, and much more. This one of a kind handbook will enlighten and answer many questions to those who are serious and passionate about their call and ministry gift. It is also a benefit to pastors who desire to develop godly leaders with integrity, order and protocol. Inspiring written endorsements by leading ministry gifts include: Rev. Jackie McCullough, Bishop Charles H. Ellis, III, Dr. Rita Twiggs, Bishop Howard Tillman, Bishop Eric McDaniel and Bishop Charles J. Reed. About the Author Dr. Debora C. Hooper, a former pioneer rapper (Debbie-D) who appeared with Us-Girls in the movie, Beat Street, is a native New Yorker. However, in 1987, she surrendered the entertainment industry and for twenty years has served as an Ordained Minister and Itinerant Evangelist and has traveled internationally as

a much sought after preacher and teacher. She holds an earned Doctorate in Ministry and has been a professor in Biblical Studies specializing in Greek New Testament. Presently, she is the Pastor and Founder of the Greater Works Worship Center in (downtown) Brooklyn, New York, and the Founder of Debora Hooper Ministries, an anointed ministry that is relevant to the times and impacting souls worldwide with the Gospel Message. Spirit, Freedom and Power

Changes in Pentecostal Spirituality

Wipf and Stock Publishers *The Pentecostal movement emerged at the turn of the twentieth century emphasizing the need for Christians to have a powerful experience of the Holy Spirit. It advocated the return to a pristine early Spirituality in which empowerment by the Spirit was essential. Recently Pentecostal and Charismatic movements are playing down the classic expressions and moving towards more mainline approaches. As church movements develop they become more structured, less spontaneous and more routine. But is this always inevitable? The author explores a contemporary Pentecostal movement to discover whether a radical spirituality still can effectively interface with a complex twenty-first century world. This insightful research finds a Pentecostal spirituality that is flexible, adaptive and innovative and despite humble origins now is making inroads into the middle class. While tensions over charismatic freedom remain, the developing organizational structure is facilitating significant growth. Valuable lessons for Christians of all persuasions are found and some creative theological developments are suggested for church structure and for expanding traditional understandings of "baptism in the Holy Spirit."*

The Ministry of Helps

A Manual for Local Church Organization

WestBow Press *Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work. To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio*

Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.

Manual of Christian Doctrine

Christian Liberty Press *More than ever, teenagers need to be grounded in a systematic understanding of scripture. This classic text, by Louis Berkhof, has been carefully updated to enable modern readers to comprehend and apply its teachings.*

A Pocket Congregational Manual

Theory and Practice, for the Use of Ministers, Churches and Deliberative Assemblies
Governed by Congregational Usage

International Handbook of Practical Theology

Walter de Gruyter GmbH & Co KG *Practical theology has outgrown its traditional pastoral paradigm. The articles in this handbook recognize that religion, spirituality, lived religion on this side and beyond institutional communities refer to realms of cultures, ritual practices, and symbolic orders whose boundaries are not clearly defined and whose contents are shifting. The Handbook of Practical Theology offers insightful transcultural conceptions of religion and religious affairs collected from various cultures and religions. The first section presents 'concepts of religion'. Chapters include considerations of the conceptualizing of religion in the fields of 'anthropology', 'community', 'family', 'institution', 'law', 'media', and 'politics' among others. The second section is dedicated to case studies of 'religious practices' from the perspective of their actors. The third section presents the main theoretical discourses that map the globally significant diversity and multiplicity of religion. Altogether, fifty-eight authors from different parts of the world encourage a rethinking of religious practice in an expanded, transcultural, globalized, and postcolonial world.*

Norming the Abnormal

The Development and Function of the Doctrine of Initial Evidence in Classical

Pentecostalism

Wipf and Stock Publishers *Pentecostalism is one of the largest and fastest growing religious movements around the world. Yet, the movement's defining doctrine has met with controversy and criticism since its inception. Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues, they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit. That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting. That such a controversial doctrine could rise to take such a prominent role in defining and shaping the Pentecostal movement begs further historical and social study. This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world. Then, through an empirical study of ministers in three Pentecostal denominations, the work explores the current beliefs of practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals.*

New SCM Dictionary of Liturgy and Worship

SCM Press *This reference work incorporates the insights and expertise of leading liturgists and scholars of liturgy at work today, comprising 200 entries on important topics in the field, from vestments and offertories to ordination and divine unction. It is systematically organized and alphabetically arranged for ease of use. It also includes comprehensive bibliographies and reading lists, to bring the work fully up to date and to encourage further reading and research*

Manual of presbytery: comprising, i. Presbyterianism the truly primitive and apostolic constitution of the Church of Christ, by S. Miller. ii. The character and advantages of presbyterianism ascertained by facts, by J.G. Lorimer

Manual of Presbytery: comprising I. Presbyterianism the truly primitive and apostolic constitution of the Church of Christ; by S. Miller. II. The Character and advantages of Presbyterianism ascertained by facts. With an Appendix on the pretensions of the New

Anglican School, commonly called Puseyites; the testimony of the Fathers and Reformers to Presbytery; the moral tendency of Calvinism, etc. By J. G. Lorimer Church Planters

Inside the World of Religion Entrepreneurs

Oxford University Press *"Starting a new organization is risky business. According to the US Bureau of Labor Statistics, most startups fail; half of them do not reach the five-year mark. Protestant churches are not immune to these trends. Most new churches are not established with denominational support-more than 50% are actually non-denominational-and, therefore, have many of the same vulnerabilities other infant organizations must overcome. Research on both congregants and congregations has shown that millions of Americans are leaving churches, half of all churches do not add any new members, and thousands of churches shutter their doors each year. These numbers suggest that American religion is not a growth industry. Yet, more than 1000 new churches are started in any given year. What are the forces that move people who might otherwise be satisfied working for churches to the more risky role of starting one as a religion entrepreneur? In Church Planters, sociologist Richard Pitt uses more than 125 in-depth interviews with church planters to understand their motivations. First, he uncovers themes in their sometimes miraculous, sometimes mundane answers to the question: "why take on these risks?" Then he examines how they approach three common entrepreneurial challenges-recognizing opportunities, marshalling resources, and framing success-in ways that reduce uncertainty and lead them to believe they will be successful. The book combines their evocative stories with insights from research on commercial and social entrepreneurship to explain how these religion entrepreneurs come to believe their organizational goals must be accomplished, that they are capable of being accomplished, and that they would accomplish them over time"--*

Church Planting Made Easy

WestBowPress *Church planting is the heartbeat of God. Church is a place where every worshipper looks up to every worship moment to exercise their faith in terms of prayer and worship. Peter, Paul, and James were church planters. The need to plant churches cannot be over-emphasized. Many souls have turned to Christ because someone preached to them. I have planted churches and preaching is what I do. I am the lead pastor in Firebrand Assembly of God in Sugar Land, Texas, a church I planted in 2007. A Bible school has been established in the church and by God's grace it is a privilege to be a teacher in the theological seminary. We established a study center for Global University and ministers of God are being trained in the study center.*

Enchiridion Theologicum; or, a Manual, for the use of Students in Divinity

The Marriage Ceremony

Step-By-Step Handbook for Pastors and Ministers

This handbook makes a great gift for a newly ordained Minister of the Gospel or Seminary Graduate! This handbook has been designed to assist the Pastor or Minister of the Gospel in performing Marriage Ceremonies. The easy "step-by-step" format is simple to follow and has spaces provided to insert the names of the Bride and Groom. The three main ceremonies are included in this handbook: 1. The Traditional Wedding Ceremony which incorporates scripture reading and charges to the bride, the groom, the witnesses in the wedding party and also the audience. The author has been using this system extensively for over 20 years and has never failed to get several compliments on the ceremony. 2. The Civil Ceremony. This is a short, easy and quick wedding ceremony. It is often performed at City Hall, but be used anywhere. The author has even used in a local jail where an inmate and his fiance were married! It "mentions" God, but not to the extent of the other two types of ceremonies. 3. The "Episcopalian" Ceremony. This is a longer ceremony (very rarely used by the author) and incorporates the taking of communion as well as all the other elements of the Traditional Ceremony. This

handbook is a compilation of many different marriage manuals the author has used for over 20 years of performing marriage ceremonies. Taking "the best" sections from various manuals and combining them into one, "easy to use" handbook and written in a "Step-by-Step" format allows the user to immediately take this Handbook and perform marriage ceremonies like they have been doing it for years!

District Policy

Trauma and Coping Mechanisms among Assemblies of God World Missionaries

Towards a Biblical Theory of Well-Being

Wipf and Stock Publishers *Trauma, from the fall of Adam and Eve forward impacts human lives in overpowering ways. A review of the lives of biblical personalities and missionaries reveals shared traumatic experiences. In addition to the stress of cultural adjustment, missionaries often live in contexts of violence, political unrest, economic instability, natural disasters, and relational conflict. The examined biblical personalities faced similar issues, yet a majority coped with trauma in ways that led to well-being. The proposed biblical theory of well-being assists missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help, lifting up their praise and worship to God, standing on a sense of call, working with God, lamenting/venting to God in healthy ways, embracing a theology of suffering, and accepting assistance from friends and family. The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive coping skills that lead to trusting in the only One who gives hope in seemingly hopeless situations.*

The Continuing Relevance of Wesleyan Theology

Essays in Honor of Laurence W. Wood

Wipf and Stock Publishers *What does the Wesleyan message have to say to the greater theological world? This is a question that Laurence Wood has taken up as his concern throughout his career. In order to honor his work, this collection takes up this question through a series of essays designed to show how Wesleyan Theology, while distinctive, has a continued relevance to the wider world of theological scholarship. This collection does this in two ways. First, by showing how the Wesleyan distinctives have been present throughout the history of theology. And secondly, the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations, ranging from theological hermeneutics and the science-religion dialogue to the practice of preaching and spirituality. The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world, showing its vitality and importance for the contemporary situation.*

Victoria Minister's Manual

Handbook For Evangelists & Ministers

A Comprehensive Guide & Teaching Manual For Ministers Of The Gospel

Whitaker House *To adequately present the message of the Kingdom in the midst of a perverse generation, we must study and apply ourselves. But knowledge alone is not enough; wisdom, understanding and discernment are also required to effectively minister God's Word. From her decades of ministry experience, Dr. Glories Powell shares practical tools for ministers of the Gospel. In this handbook you will find research techniques, sermon designs, ministry protocol, prophetic insights, and revelation on several doctrinal truths. Before we expect the power of God's Word to change lives, we must first allow the Holy Spirit to work through us. After more than 25 years of experience in ministry and a doctorate in theology, Dr. Powell has learned enough to know that there is much more to learn! Because a preacher or evangelist must model their message and live what they teach, this handbook was passionately written for those seeking to become skilled in presenting the Word of God.*

God's Law and Order

Harvard University Press *An incisive look at how evangelical Christians shaped—and were shaped by—the American criminal justice system. America incarcerates on a massive scale. Despite recent reforms, the United States locks up large numbers of people—disproportionately poor and nonwhite—for long periods and offers little opportunity for restoration. Aaron Griffith reveals a key component in the origins of American mass incarceration: evangelical Christianity. Evangelicals in the postwar era made crime concern a major religious issue and found new platforms for shaping public life through punitive politics. Religious leaders like Billy Graham and David Wilkerson mobilized fears of lawbreaking and concern for offenders to sharpen appeals for Christian conversion, setting the stage for evangelicals who began advocating tough-on-crime politics in the 1960s. Building on religious campaigns for public safety earlier in the twentieth century, some preachers and politicians pushed for “law and order,” urging support for harsh sentences and expanded policing. Other evangelicals saw crime as a missionary opportunity, launching innovative ministries that reshaped the practice of religion in prisons. From the 1980s on, evangelicals were instrumental in popularizing criminal justice reform, making it a central cause in the compassionate conservative movement. At every stage in their work, evangelicals framed their efforts as colorblind, which only masked racial inequality in incarceration and delayed real change. Today evangelicals play an ambiguous role in reform, pressing for reduced imprisonment while backing law-and-order politicians. God's Law and Order shows that we cannot understand the criminal justice system without accounting for evangelicalism's impact on its historical development.*

THE BEST OF THE KAMBULOW

walter kambulow *As for God, His way is perfect; The word of the LORD is proven; He is a shield to all who trust in Him. For who is God, except the LORD? And who is a rock, except our God? It is God who arms me with strength, And makes my way perfect. He makes my feet like the feet of deer, And sets me on my high places. He teaches my hands to make war, So that my arms can bend a bow of bronze. You have also given me the shield of Your salvation; Your right hand has held me up, Your gentleness has made me great. Psalm 18:30-35 The book is the compilation of what we consider to be some of the best chapters in the many different books that we wrote.*

Sons to Soldiers Complete Manual

Createspace Independent Publishing Platform *It is time for God's army to arise, it's time for God's sons to become soldiers. Time as we know it is coming to an end, the awesome transformation of humanity is about to unfold when Jesus our king ushers in his kingdom and brings and end to the world as we know it. Satan knows his time is short, and is doing all he can to deceive, weaken and demoralize God's people by diluting the kingdom standers clearly laid out for us in his Word. In the midst of this ever increasing moral decay that we see in the world, God is raising up an end time people who will dare to live out his kingdom for the world to see as soldiers of purpose, and demonstrate to a lost and dying world that Jesus is Lord. Sons to Soldiers is a thoughtful 'in depth' Bible training manual, that will take the reader along the spiritual journey that leads to a victorious Christian life. Bringing the believer into the truth and experience of becoming a spiritual overcomer, in the trials and temptations facing them in the world today. This training manual will establish your life on the foundations of truth found in God's Word. It will equip you with biblical strategies to overcome the trials and temptations in life. It will teach you how we are to live out God's kingdom in today's society. It will encourage you to step into God's plan for your life as a soldier of purpose. This book will prepare you and move you forward in God's purpose for your life as a victorious Soldier prepared to do your part in His end time plan.*

Sent and Gathered

A Worship Manual for the Missional Church

Baker Academic "Schmit tells us how to let our mission form our worship and how our worship can empower our mission. A wonderful book that will be gratefully received by the church." Will Willimon, Bishop, North Alabama Conference of the United Methodist Church Historic changes are occurring in this generation in the convergence of worship styles throughout the Christian church. With the onset of postmodernity and its requisite values of embodiment, mystery, and wonder, worship has become a major window for displaying these values in more inclusive and holistic ways. As modern worship walls break down, Christians across the theological spectrum are seeking to learn from their own tradition's roots and from the liturgical expressions of believers in other times and places. *Sent and Gathered* examines worship in church settings around the globe, describing the growing liturgical convergence and providing practical principles for shaping liturgies that are missionally focused, creative, theologically congruent, and appropriate to local contexts. The book broadens current ecumenical worship conversations, reveals insights drawn from the church at worship in the world, and argues for a common understanding of a theology of worship. It will appeal to students of worship and practical theology, pastors, and worship leaders. About the series: *The Engaging Worship* series from Fuller Theological Seminary's Brehm Center for Worship, Theology, and the Arts brings scholars, students, artists, and church leaders into conversation around vital issues of theology and worship. Each volume addresses a particular worship issue from one or multiple academic disciplines and explores ways in which worship practice and leadership can be renewed.
