LAXTON'S BUILDING PRICE BOOK 2002

MAJOR AND SMALL WORKS

Elsevier Laxton's gives you access to the most reliable and current data. All 250,000 price elements have been individually checked and updated for the 2002 edition so that your estimates are always accurate and cost competitive. Laxton's makes analytical estimating simple and straightforward by displaying a complete breakdown for all measured items under 10 separate headings, all on a single page. This shows you a complete price build-up at a glance - and gives you the option to make price adjustments wherever necessary. You can find the sections you need quickly and easily, via the special marker system on the front cover and page edges. The free CD with this price book contains Masterbill's ESTIMATOR software and fully resourced data on all the price elements in Laxtons. Not only does the CD offer fast and efficient pricing at the touch of a button, it gives details of all the resources required to do the job. Laxton's approximate estimating section gives all in pricing for quick reference on the cost of composite items such as floors helping you calculate the cost implications of using plywood sheeting rather than softwood boarding, for example. Laxton's Basic Price section gives you a quick price on hundreds of items - from concrete work to roofing materials - to save you going through hundreds of lists from suppliers, manufacturers and building merchants. Laxton's Brand and Trade Names section lists over 12,000 brands and trade names and company addresses to help you locate specific items. Latest wage rates, fees and allowances All 250,000 price elements checked and updated

MANUAL ON THE PRODUCTION AND USE OF LIVE FOOD FOR AQUACULTURE

United Nations Publications The cultivation of fish and shellfish larvae under controlled hatchery conditions requires not only the development of specific culture techniques, but in most cases also the production and use of live food organisms as feed for the developing larvae. The present manual describes the major production techniques currently employed for the cultivation of the major types of live food commonly used in larviculture, as well as their application potential in terms of their nutritional and physical properties and feeding methods. The manual is divided into different sections according to the major groups of live food organisms used in aquaculture, namely micro-algae, rotifers, Artemia, natural zooplankton, and copepods, nematodes and trochophores.

THE RUBBER FENCE

Island House Publishing By the author fo the Award-winning Sunflowers Under Fire, a novel inspired by the author's work on a psychiatric ward. When Dr. Joanna Bereza tries to stop an arrogant psychiatrist from shocking her patients--a mute young mother suspected of trying to kill her baby and a feisty old woman who's been shocked too many times--she risks not only her career but also the love of her life. Joanna's obsession to do what's right blinds her to problems at home. Complicating matters is the seductive senior resident who looks more like a rock star than an aspiring shrink.

TREATMENT OF COMPLEX TRAUMA

A SEQUENCED, RELATIONSHIP-BASED APPROACH

Guilford Press This insightful guide provides a pragmatic roadmap for treating adult survivors of complex psychological trauma. Christine Courtois and Julian Ford present their effective, research-based approach for helping clients move through three clearly defined phases of posttraumatic recovery. Two detailed case examples run throughout the book, illustrating how to plan and implement strengths-based

interventions that use a secure therapeutic alliance as a catalyst for change. Essential topics include managing crises, treating severe affect dysregulation and dissociation, and dealing with the emotional impact of this type of work. The companion Web page offers downloadable reflection questions for clinicians and extensive listings of professional and self-help resources. See also Drs. Courtois and Ford's edited volumes, *Treating Complex Traumatic Stress Disorders (Adults)* and *Treating Complex Traumatic Stress Disorders in Children and Adolescents*, which present research on the nature of complex trauma and review evidence-based treatment models.
