Transforming Children Into Spiritual Champions

Why Children Should Be Your Church's #1 Priority

Gospel Light Publications **No one can deny that our culture is opposed to Christian values, and the influences bombarding our children's moral development can be deadly. But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children—not realizing that a child's moral development is set by the age of nine. The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training, parenting information, counseling, etc., that will equip them to help their children become the spiritually mature Church of tomorrow. Profiles presented of churches who are effectively ministering to children and winning the war our enemy is waging against them\.** Research orientated books on childhood spiritual development. **Raising Heaven Bound Kids in a Hell Bent World** by Eastman Curtis / **What Your Kids Need to Know About God and When** by John Trent / **Introducing the Spiritual Side of Parenting** by Ron Clarkson / **Bringing Up Boys** by James Dobson.

10 Steps to the New Spiritual You

A Small Group Study for Mature Christians

BibleTalk Books This small group series is devoted to mature Christians who want to take their Christian experience to another level of spirituality.

Biblical Discipleship: Essential Components for Attaining Spiritual Maturity

Selah Book Press Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature! How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were "Fishers of Men," 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that! Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical, "how-to" help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on, useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a "how-to" book. It deals with the barriers that are hindering discipleship, and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant," when you arrive in heaven? If so, this book is for you.

A Model of Christian Maturity

An Exposition of 2 Corinthians 10-13

Baker Books We live in a time when leadership and showmanship are seen as far greater virtues than humility and meekness. Even the church has often got it backward. And in Paul's second letter to the Corinthians, he confronts similar problems in the first-century church. D. A. Carson believes we can learn valuable lessons from Paul's letter about what it really means to be a mature Christian in the face of adversity. In *A Model of Christian Maturity* he takes the reader step by step through an exposition of 2 Corinthians 10-13 and then helps them apply these Scriptures to everyday life in the church. Perfect for pastors, students, and laypeople, this book highlights the power of weakness in the life of the Christian.

A Theology of the Holy Spirit

The Pentecostal Experience and the New Testament Witness

Wipf and Stock Publishers Bruner has been both thorough and fair, and has written a book that combines scholarly research with constructive commentary on the life and mission of the contemporary Church.

Aiming at Maturity

The Goal of the Christian Life

Wipf and Stock Publishers It seems that much of American Christianity has lost sight of the goal of growing to maturity in Christ. This loss of vision has had serious consequences for the quality of our witness and ministry. In *Aiming at Maturity*, Steven W. Rankin seeks to bring back into focus key qualities of spiritual maturity and summarizes important biblical passages to show the scriptural foundations that call for spiritual maturity. Rankin also addresses certain tendencies in popular Christian culture to reduce doctrinal truths to sound bites with the laudable but counterproductive goal to make doctrine memorable, therefore applicable. Thinking more expansively about certain key doctrines related to the work of Christ and the impact of grace contributes to growth toward maturity in a way that popular descriptions of these doctrines do not. Finally, Rankin also challenges readers to consider the important role of emotions in developing Christlike dispositions, which contribute toward producing the fruit of a mature Christian life. By looking at relevant modern research, *Aiming at Maturity* shows the inherent connection between thoughts and feelings that draw us closer to the actual biblical description of the heart.

America's Preacher and His Message

Billy Graham's View of Conversion and Sanctification

University Press of America Although the popular literature concerned with Billy Graham as an evangelical icon is vast, there have been few serious academic considerations of his religious views. In *America's Preacher and His Message*, Timo Pokki provides the most extensive systematic analysis to date on Graham's theology, paying particular attention to views surrounding conversion and sanctification. The study not only provides a detailed analysis of Graham's thoughts on these topics, but also investigates the impact of Calvinism and Arminianism on revivalism and evangelicalism in general.

Truth Plus Love

The Jesus Way to Influence

Zondervan Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world.
