THE GREAT CONTEST: WAR IN HEAVEN

Lulu.com The first book of the Great Contest trilogy. This text expounds upon the war in heaven and what led to the schism between the Angels of light and darkness. Most biblical scholars do not realize that it was YHWH Elohim declaring, "Let There Be Light" that revealed Christ as the light to the Angels and world. That it was in that moment that the creation became visible and seeing the wide expanse of manifest world for the first time since being created that all the morning-stars shouted for joy. It was also in that moment that dominion was granted to the Son and Lucifer being envious of Christ's appointment, conceived in mind the thought of exalting his throne above the stars and clouds of God. It was in this moment that iniquity led him to conspire overthrow which was the origin for the war in heaven.

THE WAR IN HEAVEN

ONE SOLDIER'S JOURNEY BEYOND

The Book of Revelation in the Bible mentions a War in Heaven, a war that took place prior to this earth's existence. This War was waged by Lucifer against God, and has already included many spiritual casualties in its wake, including many who chose to follow Lucifer instead of God. Little is known about the actual details of this War, yet it offers potential to teach so much about the things of God we often struggle to understand. One soldier in the War is born into a world of hardship, a world where darkness penetrates the depths of his soul. It is only through gaining an understanding of the War, his own pre-mortal history, and principles such as faith and sacrifice that he can finally gain the strength he needs to overcome the darkness inside and rejoin the battle for God's most prized possession.

THE NORTH AND SOUTH TRILOGY

NORTH AND SOUTH, LOVE AND WAR, AND HEAVEN AND HELL

Open Road Media Two families are united—and torn apart—by the Civil War in these three dramatic novels by the #1 New York Times–bestselling master of the historical epic. In *North and South*, the first volume of John Jakes’s acclaimed and sweeping saga, a friendship is threatened by the divisions of the Civil War. In the years leading up to the Civil War, one enduring friendship embodies the tensions of a nation. Orry Main from South Carolina and George Hazard from Pennsylvania forge a lasting bond while training at the United States Military Academy at West Point. Together they fight in the Mexican-American War, but their closeness is tested as their regional politics diverge. As the first rounds are fired at Fort Sumter, Orry and George find themselves on different sides of the coming struggle. In John Jakes’s unmatched style, *North and South* launches a trilogy that captures the fierce passions of a country at the precipice of disaster. In *Love and War*, the Main and Hazard families clash on and off the Civil War’s battlefields as they grapple with the violent realities of a divided nation. With the Confederate and Union armies furiously fighting, the once-steadfast bond between the Main and Hazard families continues to be tested. From opposite sides of the conflict, they face heartache and triumph on the frontlines as they fight for the future of the nation and their loved ones. With his impeccable research and unflinching devotion to the historical record, John Jakes offers his most enthralling and enduring tale yet. In *Heaven and Hell*, the battle between the Mains and Hazards—and Confederate and Union armies—comes to a brilliant end. The last days of the Civil War bring no peace for the Main and Hazard families. As the Mains’ South smolders in the ruins of defeat, the Hazards’ North pushes blindly for relentless industrial progress. Both the nation and the families’ long-standing bond hover on the brink of destruction. In the series’ epic conclusion, Jakes expertly blends personal conflict with historical events, crafting a haunting page-turner about America’s constant change and unyielding hope. This “entertaining [and] authentic dramatization” (The New York Times) is a thrilling tale of shifting loyalties, set during one of the darkest moments in American history.

Almost twenty years after her escape, Le Ly found herself inexorably drawn back to the devastated country and loved ones she'd left behind, and returned to Vietnam in 1986. Scenes of this joyous reunion are

interwoven with the brutal war years, creating an extraordinary portrait of the nation, then and now--and of one courageous woman who held fast to her faith in humanity"--

THE SECOND WAR FOR HEAVEN

Createspace Independent Publishing Platform This is the sequel to the first volume, "THE WAR FOR HEAVEN." In my many hours of research for the 1st volume, I kept coming across another war for heaven, called, "THE SECOND WAR FOR HEAVEN." So I looked it up, and the 2nd war for heaven is happening now during present day, due to the ongoing conflict between good and evil. I therefore wrote this complete fictional story where God during our time has finally had it with Satan's ongoing deceit and diseased influence over the Holy father's children here on earth, and commands Michael to wipe him out of existence completely this time, to order the Archangel Gabriel to use his celestial horn to signal everything in God's universe that the Apocalypse has now come, which means the final battle between good and evil grows near...The long awaited Battle of Armageddon. However, God informs Michael that prior to the final battle the pure and good mortal souls that still dwell upon the earth must be removed to His kingdom of eternal paradise. God then instructs Michael that God already knew which of the human souls were pure, and God would remove their souls from the earth to heaven. He also informed his commanding general that God already knew which mortal souls were too far corrupted by Satan, and they will remain on the earth and meet their fates after the final battle and will perish in some type of firestorm as foretold by all the ancient texts. However, God's last command to Michael was that there were some human mortal souls that even God Himself was uncertain of, due to their past choices of freewill. He therefore gives Michael His final command to send a certain amount of regular angels disguised as human beings down to earth, and have the angel put their assigned human souls through a life and death test. If the human soul risks his own life to save the angel, have the angel remove their soul and bring them to their eternal reward in God's land of eternal paradise. If the human soul does not risk his own life, and flees away to save themselves and leaves the testing angel behind, to just leave them on the earth to meet their fates of death. That is what this novel mostly consists of, short stories where these disguised angels put their designed human soul to the test, but you don't know who the angel is or the human being tested until the end of the chapter. While this term of human trials is going on, Michael, along with his Archangel brothers, Gabriel, Raphael, Uriel and Azriel plan the final attack against Satan's massed forces in the final battle that takes place upon Israel's Mount Megiddo, which is how the name, "Armageddon," came to be. Also, another unique aspect about these humans being tested are real-life names of my family and close friends, that allowed me the honor of using their real-life names as a fictional character name in these chapters where the angels put these certain set of human souls through a life and death test. The people I know that have read this novel said they had fun trying to determine who was the human being tested, and who was the angel testing them, hopefully as much fun as I did writing it.

Prayer is the key to daily strength, guidance, and the miracles in Saint Larius' life. Being a guest speaker at a large church, one of the Church staff members said she saw two huge angels standing next to Saint Larius, one on the left and one on the right while he was speaking. When asked to pray for a lady in Hong Kong who was sick and had a fever, Saint Larius laid hands on her and prayed. According to the lady's testimony, she saw Jesus walk into the room and touch her; the fever left immediately, and she was healed. After a casual dinner and time of ministering to a U.S. Military Colonel and his wife, the officer said, "I feel like I've been in the presence of a General." Saint Larius is a loving, caring, down-to-earth, humorous and enthusiastic person, with a common-sense approach to life, the scriptures, and in his worldview. THE EAVES OF HEAVEN

A LIFE IN THREE WARS

Crown From Andrew X. Pham, the award-winning author of *Catfish and Mandala*, a son's searing memoir of his Vietnamese father's experiences over the course of three wars. The Philadelphia Inquirer hailed Andrew Pham's debut, *Catfish and Mandala: A Two-Wheeled Voyage Through the Landscape and Memory of Vietnam*, for evoking "the full sadness of the human condition . . . marveling at spiritual resilience amid irreconcilable facts." The New York Times Book Review called it, simply, "remarkable." Now, in *The Eaves of Heaven*, Pham gives voice to his father's unique experience in an unforgettable story of war and remembrance. Once wealthy landowners, Thong Van Pham's family was shattered by the tumultuous events of the twentieth century: the festering French occupation of Indochina, the Japanese invasion during World War II, and the Vietnam War. Told in dazzling chapters that alternate between events in the past and those closer to the present, *The Eaves of Heaven* brilliantly re-creates the trials of everyday life in Vietnam as endured by one man, from the fall of Hanoi and the collapse of French colonialism to the frenzied evacuation of Saigon. Pham offers a rare portal into a lost world as he chronicles Thong Van Pham's heartbreaks, triumphs, and bizarre reversals of fortune, whether as a South Vietnamese soldier pinned down by enemy fire, a prisoner of the North Vietnamese under brutal interrogation, or a refugee desperately trying to escape

Vietnam after the last American helicopter has abandoned Saigon. This is the story of a man caught in the maelstrom of twentieth-century politics, a gripping memoir told with the urgency of a wartime dispatch by a writer of surpassing talent.
