The Mapleton Mystery Novellas

Three Mapleton Mystery Novellas, a blend of police procedurals and cozy mysteries.

Finding Sarah

Cerridwen Press Being robbed at gunpoint wasn't part of Sarah Tucker's business plan. Neither was falling in love with the detective who arrived to solve the case. All Sarah wants is success for her gift boutique, the one she and her husband created. Now, she's living a hand-to-mouth existence. Her husband died a year earlier in a car accident - an accident that was ruled suicide, denying her his life insurance money. Burdened by guilt that she was somehow to blame for his death, Sarah faces one business setback after another. She's determined to succeed on her own, fending off a meddling sister-in-law as well as offers of financial assistance from a former boyfriend. Unaware someone is setting her up for failure, she's totally unprepared to find herself fighting for survival. Police Detective Randy Detweiler thinks the crook is a thief who's been evading cops all over the state. A routine robbery investigation turns into the biggest challenge of his career when he falls in love with the victim and he starts crossing professional boundaries. When Sarah disappears, he's afraid all his detective skills might not be enough to find her in time to save her life.

Where Danger Hides

Five Star Trade Hiding behind the public facade of a private investigation firm- Blackthorne, Incorporated- are a band of elite covert operatives. But Dalton's obsession with putting a Colombian drug lord out of the picture threatens to endanger his life and the lives of his team.

Falcon's Prey

Award-winning author Terry Odell delivers another action adventure romance with Falcon's Prey, the eighth installment in her Blackthorne, Inc. covert ops series. Heroes aren't fearless. They just don't let fear get in the way. Her life is in danger...Police officer Lexi Becker is being targeted. When her husband was murdered three years ago, Lexi moved to a small town to get away from the memories, to get away from the pain. But she can't get away from the gut feeling that a drug lord, known only as the Falcon, was responsible for her husband's death. As she quietly conducts her own investigation, it becomes clear to Lexi she could be the Falcon's next victim. Afraid her local police department has been infiltrated by the Falcon, she turns to the only man she can trust for help: her former patrol partner. But so is her heart. When ex-cop Marv "Fish" Frisch is assigned bodyguard duty instead of a covert ops assignment, he fears he's being punished for a failed training mission. The last assignment he expected was Lexi Becker. Now he's forced to deal with the attraction he felt when they worked together. As they go into hiding, Fish can't keep his feelings hidden from Lexi. It seems she feels the same, but danger is everywhere. Someone's bugged her house. An illegal opioid network. People dying. And an even more sinister plan is being put into action...Torn between hiding or coming to the aid of an

orphaned child, Lexi leaves Fish's protection. Now she's on her own, a prime target for the Falcon...unless she can outsmart him. Will Lexi survive long enough to tell Fish how she feels? **The Blackthorne, Inc. When Danger Calls

Five Star Trade

Fresh Starts

Tales from the Pikes Peak Writers

Pikes Peak Writers After the fires are out, the smoke has cleared, the divorce is over, the widow has stopped wearing black, the sun has risen, the monsters are dead, the world is saved (or destroyed!), the storm has calmed, and the trouble is over... ..what do you do next? Find out in the first anthology of work by the Pikes Peak Writers. From mystery to romance and science fiction-from heartfelt essays to poetry that moves the soul. We can't promise only happy endings. Just that moment when you pick yourself up out of the wreckage and find the strength to begin anew.

Rooted in Danger

Five Star Trade Intel specialist Foster "Fozzie" Mayhew's seemingly simple assignment of locating and returning a wealthy man's daughter becomes dangerous when he realizes that someone with a deadly agenda is also searching for her.

In Hot Water

He needs a cook, she needs a place to hide...In her new romantic action adventure, Terry Odell spins her popular **Blackthorne, Inc.** series off into a new world of adventures filled with mystery and suspense. The **Triple-D Ranch** novels are set against the backdrop of a Colorado cattle ranch, where cowboys find love and danger while they're working the range. **Derek Cooper** has left the violent life of an Army Ranger and a covert ops agent for **Blackthorne, Inc.** in favor of the more peaceful life of a cowboy, running the family cattle ranch in the Colorado mountains. However, when he rescues a stranded motorist, he has no idea this blonde pixie is going to bring violence to his doorstep--or work her way into his heart. Unable to resist helping her discover why she's in danger ends up with him unable to resist her ... period. When they discover a potential bioterrorism plot, they'll have to put their attraction on hold while they search for a way to prevent it. **Sabrina Barton** believes in second chances, and she's running a vocational culinary school to prove it. But when her brother dies in a mysterious hit-and-run, and she's beset by an unsettling series of accidents, she can't believe in coincidences. She goes in search of the one man her brother told her to seek if she ever needed help. Trouble is, the letter with that advice was delivered at her brother's funeral, more than ten years after he wrote it. Will cattle rancher **Derek Cooper** be able to help her? And will she be able to resist this handsome cowboy who seems to be no stranger to violence?

A Land More Kind Than Home

Random House A New York Times bestseller and winner of the UK's John Creasey Award for Debut Crime Novel of the Year 'Mesmerizing. Intensely felt and beautifully told' New York Times One Sunday nine-year-old **Jess Hall** watches in horror as his autistic brother is smothered during a healing service in the mountains of North Carolina. **Wiley Cash** uses this haunting image - inspired by a horrific true event - to spin us into a spellbinding, heartbreaking story about cruelty and innocence, and the failure of faith and family to protect a child. This is a novel thick with stories and characters connected by faith, infidelity, and a sense of hope that is both tragic and unforgettable.

Scorpion Wind

Trusting Uncertainty

The tenth action adventure romantic suspense from award-winning author Terry Odell. You can't go back and fix the past. Moving on means moving forward. He thinks he can reset the past if he tries hard enough. Travis "T-Bone" Bostwick thinks volunteering for op after op will absolve him of the guilt he carries after a rescue went bad. When he's sent on a simple 'search and find' mission as a favor to a colleague, he has no idea finding the woman will uncover something far more sinister. She's determined to be independent. Chelsea Goldman has spent most of her life avoiding her controlling mother hen of an older sister. She wants nothing more than to live her own life, make her own decisions. When she quits her job teaching wealthy middle school kids to move from California to Colorado to work for a new project that focuses on helping the less fortunate, she's convinced she's made the right life choice. Will they help each other when lives are on the line? Remember T-Bone from Personal Assignment? This is his book, and he's paired up with Chelsea, Emiko's (remember the rainbow-haired Intel operator?) younger sister. Nothing is working out the way they expected.

Time of Death

A Time Travel Detective Mystery

Greyson can travel through time. It makes him the best private eye in the city. But this investigation will take him deep into the underworld. The clock is ticking, and he might be too late to discover the truth: The past is best left for dead.

Hidden Fire

Cerridwen Press Returning from a stint as part of a task force on violent crime, Randy Detweiler is eager to reunite with Sarah Tucker, but she's having second thoughts about their relationship. Can she deal with a cop who gets called away at a moment's notice, especially one who won't talk about his job? Their reunion is cut short when a body is discovered and rumors fly that it's the work of a serial killer. To make matters worse, the Town Council might disband their police department and Randy's under added pressure to solve the murder before they take action. Forced to work under the radar, Randy struggles to balance work with a shaky relationship. Sarah can't cope with apparently meaning less to Randy than his job. Should she force him to choose between his job and the us she envisions for the two of them? All bets are off when Sarah becomes a suspect in Randy's case. Before long, it's more than their relationship that's in danger.

Windswept Danger

A Blackthorne, Inc., Novel

Can a feisty security agent who hates taking orders and a covert ops specialist who has something to prove, put aside their own differences and their own agendas long enough to uncover the secrets of Windswept Heights?

Saving Scott

Can a dead body in a chocolate shop revive a battle-fatigued cop? Or will it take the owner of the shop to save him? Homicide detective Scott Whelan lived for the job—until the day he was caught in the middle of a robbery gone bad. Although some call him a hero, he thinks of himself as a coward and a failure. He exists now in what he calls his "Dark Place". He accepts a new job as a civilian with the Pine Hills Police Department, thinking being close to the job will be better than leaving it completely. But when he finds himself in the middle of the investigation. Scott has to choose where his loyalties lie—with his brotherhood in blue, or his attractive new neighbor, who needs someone on her side. And figure out how to get out of the dark. Against her parents' wishes, Ashley Eagan has split from her unsupportive fiancé and moved to Pine Hills to start her dream business: Confections by Ashley. Faced with countless construction setbacks, she fears her plans for the perfect grand opening will be ruined. When a dead body turns up in her shop, a delayed opening is the least of her worries. Now, she's afraid she's facing murder charges. Her new neighbor has connections with the police department, but he's sending mixed messages. One minute he's the friendly, handsome neighbor, the next, he's playing cop. Not to mention he's carrying enough baggage for a world-wide cruise. If Ashley's learned anything since leaving home, it's that she's the only one she can count on. Saving Scott is the third book in the Pine Hills Police series and includes recipes featured in the story

Personal Assignment

She says she doesn't need protection. He knows better. And for him, it's personal. This Blackthorne, Inc. action-adventure romantic suspense from award-winning author Terry Odell will keep you turning pages. After a second on-the-job injury, Nash "Rambler" Hanley is worried about being able to continue as a covert operative for Blackthorne, Inc. Rescuing people in distress is what Nash does, and he can't imagine his life outside of the Blackthorne teams. However, while he's on medical leave, he accepts his partner's offer of a stay at his mountain cabin to recover and regroup. Warned that the cabin needs repairs, Nash isn't surprised to see signs of neglect. What he is surprised to see is a woman who's taken up residence. Danika Payton has her eyes on winning a Pulitzer for her reporting, although she's still stuck in the soft news Living section of the Albuquerque Gazette. She's sure her next story will move her up, but instead, she's fired. Her boss says it's a matter of downsizing, but the abrupt way she was let go, and the threatening letters that start arriving tell her there's more to it. She takes to the road, doing her best to stay off the radar and ends up in a remote area in the Colorado mountains. A storm has her seeking shelter in a vacant cabin. Nash is tempted to send Danika on her way, especially since nothing she says rings true. However, it's clear to him she's in trouble, and his helper instincts kick in. Danika wants no part of Nash's help, but the haunted look in his eyes triggers nurturing feelings she wasn't aware she had. She'll do anything to make him laugh. The threats escalate. But are they directed at Danika, Nash, or his partner? Can Danika and Nash figure out which of them is being threatened and who's behind the threats before it's too late? Will their growing feelings for each other get in the way?

The Sword and Shield

Hcw Press Ezra Toth is your typical sword for hire. A dark past, a few secrets, a talent for killing, with a sharp sword and sharper wit. Perhaps his several dozen cats are a bit unique but other than that... He returns from an ordinary, arduous job to find representatives of the crown waiting for him at his home - not so typical. They bring him to the Crown Prince who has a problem only Ezra can solve. Crown Prince Christophe's brother, and possibly even the King himself, are part of a plot to assassinate him. With no idea who in the palace is truly loyal to who, Ezra must navigate a myriad of potential suspects whilst protecting the heir.

Pioneer History of Ingham County

Nowhere to Hide

The trouble with running away is you take yourself with you. After a case goes south, Colleen McDonald leaves her police job in Oregon for a fresh start as a civilian in Orlando. The last thing she needs is some cop with killer blue eyes coming around, looking for her missing landlord. The quickest way to get Deputy Graham Harrigan out of her life is to beat him at his own game. Finding Jeffrey Walters might be Graham's ticket to a slot in the Criminal Investigations Division. Determined to prove he's the man for the job despite the stain of an unsavory reputation passed down by his training partner, he can't afford to be distracted by the pretty tenant in Walters' guest house. A tenant who seems to know more about the case than he does. A tenant with her own demons. Will Colleen's secrets destroy Graham's chances for a promotion, or will love make theirs a permanent partnership?

The Romance of Wisconsin Place Names

Wisconsin Historical Society “The names of places lie upon the land and tell us where we are or where we have been or where we want to go. And so much more.”—From the introduction Fifty years ago, educator and writer Robert E. Gard traveled across Wisconsin, learning the trivial, controversial, and landmark stories behind how cities, counties, and local places got their names. This volume records the fruits of Gard's labors in an alphabetical listing of places from every corner of Wisconsin, and the stories behind their often-unusual names. Gard's work provides an important snapshot of how Wisconsin residents of a bygone era came to understand the names of their towns and home places, many of which can no longer be found on any map. Celebrated rural historian Jerry Apps introduces this reprint of Gard's work, saying that in “some ways The Romance of Wisconsin Place Names is a reference book, a place where you can go to learn a little more about your home town. But in many ways it is much more than that, for it includes the stories of places throughout the state, submitted by the people who knew them. It is a book where story, people, and place all come together.”

Time for Redemption

Houston, Texas. Tom Meyers believes rules keep chaos at bay. But the brilliant defense attorney is bored with his recent slate of cases. So when a woman is accused of murdering her abusive husband, he takes her as a pro bono client, convinced that a high-profile acquittal will make him a household name. As he digs for clues to the dead man's past, Tom dispatches his offbeat investigator to Baton Rouge, where she discovers the deceased had a whole other family and a job dealing drugs. But when she disappears into the swamp, the by-the-book lawyer is devastated. And with dirty cops and smugglers hot on his heels, the only way to rescue her and get his client off is to break every rule he's sworn to uphold.

Dangerous Connections

For Jinx, interacting with people is highly overrated. Computers are his life. On the job, he's an intel gathering expert for Blackthorne, Inc. Off duty, he's a shooter in computer role playing games. But what happens when he's sent into the field to face real enemies with real guns? Josiah Ignatius Nix—Jinx to all who know him—is the glue holding the Blackthorne, Inc. covert ops teams together when they're on a mission. In the comfort of his basement office, with his favorite companions—his computers— a click of the mouse provides him with up-to-the-minute intel, which keeps the team alive.

In Deep Trouble

She trusts everyone. He trusts no one. In her job as a Sheriff's Department Dispatcher, Cecily Cooper sees plenty of people who could use a second chance. She's created a program to give the less advantaged a fresh start, and thinks her brother's Colorado cattle ranch will be the perfect spot for her project. Some responsibility and a touch of physical labor will help these people find an alternative to life on the streets. Bryce Barrett, ex-Army Ranger now turned cowhand on the Triple-D Ranch, prefers animals to people. People have agendas. Animals don't. It's one reason he and Cecily are always on-again, off-again in the relationship department. When seventeen-year-old Grady Fenton is chosen as the first candidate for Cecily's program, Cecily is thrilled. Bryce not so much, especially when his boss assigns him to be Grady's mentor. Can Bryce convince Cecily there's more to Grady than typical teenage angst? Or is he reading more into the boy's behavior than is really there? When someone is killing cattle across the state, the Triple-D's herd is no exception. Does Grady have answers? Sparks fly when Bryce and Cecily must put aside their differences long enough to discover what Grady is hiding. Soon things escalate, and it's not just the cattle in danger.

Aimpoint

A US Army Detective Regan Chase Novella

Blind Edge Press How far would you go to stop a terrorist? US Army CID Special Agent Regan Chase thought she knew the answer--until her target changed and her case blew up in her face. "Your suspect is Special Forces." The tip is from a Stateside colleague. With it comes the chilling reality: Regan's latest mission just might be her last. Has one of the Army's elite soldiers turned terrorist? It's happened before--with deadly results. Not only is this soldier more lethal than most, he's a master at rigging bombs. Unfortunately, Regan's gun-shy commander won't let her tail the sergeant. Worse, her suspect has refused to take the bait--her. Regan has one option left. She'll have to maintain her cover and get close to the sergeant's roommate, deliberately using their budding relationship to zero in on her target. But John Garrison is hiding something too. Has the war-weary Green Beret captain been turned as well? As the investigation deepens, lines are crossed--personal and professional. Even if Regan succeeds in thwarting a horrific bombing on German soil, what will the fallout do to her career? Written by a former US Navy Lt., Aimpoint is a 44,000-word prequel and Book 1 in the Deception Point military detective thriller series. The main Deception Point books are significantly longer and carry a warning: graphic crime scenes, the occasional sex scene and cursing abound throughout this series! If you're faint of heart, you may want to turn back now. But if you're not & you like strong, female protagonists and seriously gritty, complex suspense that twists and turns all the way to The End, you'll love Candace Irving's military detective thriller series. Grab your copy of Aimpoint today and find out how the exciting US Army Detective Regan Chase series begins.

Leonardo's Brain

Understanding Da Vinci's Creative Genius

Rowman & Littlefield Best-selling author Leonard Shlain explores the life, art, and mind of Leonardo da Vinci, seeking to explain his singularity by looking at his achievements in art, science, psychology, and military strategy and then employing state of the art left-right brain scientific research to explain his universal genius. Shlain shows that no other person in

human history has excelled in so many different areas as da Vinci and he peels back the layers to explore the how and the why. Shlain asserts that Leonardo's genius came from a unique creative ability that allowed him to understand and excel in a wide range of fields. From here Shlain jumps off and discusses the history of and current research on human creativity that involves different modes of thinking and neuroscience .The author also boldly speculates on whether or not the qualities of Leonardo's brain and his creativity presage the future evolution of the human species. Leonardo's Brain uses da Vinci as a starting point for an exploration of human creativity. With his lucid style, and his remarkable ability to discern connections in a wide range of fields, Shlain brings the reader into the world of history's greatest mind. .
