## Planter Raj to Swaraj

## Freedom Struggle and Electoral Politics in Assam

*This is a re-issue of Amalendu Guha's influential work on Assam and the Northeast, 30 years after its original publication, with a new introduction by the author. Guha's analysis extends from Assam in 1826, the year of the British annexation, to the post-independence conditions in 1950. The peculiar features of the region's plantation economy; the imperialism of opium cultivation; the problems of a steady influx of immigrants and the backlash of a local linguistic chauvinism; peasants' and workers' struggles; the evolution of the ryot sabhas, the Congress, trade unions and later of the Communist Party - such are the themes that have received attention in this book, alongside an analysis of legislative and administrative processes. The narrative is structured chronologically within an integrated Marxist framework of historical perspective, and is based on a wide range of primary sources.*

# Certificate Physics And Human Geography; Indian Edition

# Sociology of Indian Society

**S. Chand Publishing** *The revision comes 10 years after the first edition and completely overhauls the text not only in terms of look and feel but also content which is now contemporary while also being timeless. A large number of words are explained with the help of examples and their lineage which helps the reader understand their individual usage and the ways to use them on the correct occasion.*

# Fundamentals of Physical Geography

*"Physical geography deals with the spatial and temporal characteristics and relationships of all phenomena within the physical environment of the earth. A systematic study of physical geography is of immense help in understanding the numerous environmental challenges of the contemporary period. Earth is a place of great physical and cultural diversity, yet people know little about it. The book is aimed to explain the spatial dimensions of the earth's natural systems and their processes. The chapters of this thoroughly revised and updated third edition of the bestselling introductory reader have been organised in a logical sequence well suited to the curriculum of established physical geography courses. The text includes many special features that are intended to enhance and clarify students' understanding and mastery of the material. Throughout, the scientific ideas and processes are explained in a simple*

*manner supported by a range of illustrative material including maps, diagrams and photographs. The book will be an essential resource for students and teachers, and for anyone wishes to acquire more knowledge about the physical aspects and the processes responsible for various orders of the earth."*

## Political Theory

**S. Chand Publishing** *This is new edition contains a comprehensive study of the subject, with the latest thinking by the political scientists of thw world today.*

## International Watercourses Law for the 21st Century

### The Case of the River Ganges Basin

**Routledge** *This edited volume presents a comprehensive and comparative view of the law of international watercourses with special reference to the issues facing the Ganges River basin. It provides an analysis of the development of international waterways law and outlines the essentials of the UN Convention on non-navigational uses of international watercourses. Focusing on relations between the three riparian states of the River Ganges and the potential for cooperation, the volume also examines the domestic legal regimes of the area and the political dimension to the issues of sharing the waters of the river. The work presents a comparative picture with an analysis of developments in the Rhine and Mekong basins, comparing developments in the legal regimes of these areas with the experience of South Asia. Presenting an up-to-date analysis of the current law and pointing the direction for future developments, this collection will be a valuable resource for academics, researchers and policy makers working in this area.*

## Emerging India

### Economics, Politics and Reforms

**Penguin UK** *"As India marks the twenty-year milestone of economic liberalization, some concerns about the country's future prospects as an emerging power are beginning to be voiced; often, these stem from the past history of sharp swings in India's fortunes. Bimal Jalan, one of the country's well-known economists and former Governor of the Reserve Bank of India, has closely followed the path of India's economic policies across its changing trajectories, from before the time the economy was liberalized to the very present. The pieces that appear here were all written during the last twenty years, with the exception of three prescient notes from the mid-1970s highlighting the need for economic reforms to foster growth. The principal thought behind these essays is that, in the past twenty years, India's capacity to grow faster than ever before has increased substantially because of its comparative advantage in relation to other countries. However, Jalan points out that for India to seize the opportunities that lie ahead, it is essential to bring about further reforms in the running of India's politics and administration in order to ensure inclusive and incremental economic growth."*
