AS LEVEL SOCIOLOGY

THE COMPLETE COURSE FOR THE AQA SPECIFICATION

Napier Press, Brentwood

SUCCEED AT A LEVEL SOCIOLOGY BOOK ONE INCLUDING AS LEVEL

THE COMPLETE REVISION GUIDE

INTRODUCING SOCIOLOGY FOR AS LEVEL

Polity **The second edition of Ken Browne's highly successful Introducing Sociology for AS-level provides in-depth and up-to-date coverage of the complete specification for AQA AS-level sociology. The first edition of this book was widely praised for its comprehensive coverage, and student-friendly style. In this second edition, all of the chapters have been revised to include new studies, reports and statistics. Key sociological terms are now systematically highlighted all the way through the book, and included in a comprehensive**

glossary, with fresh questions and activities added to develop and test students' understanding further. Fuller consideration of issues of identity has been given throughout the text. More detailed advice has been provided on coursework, including a top-mark example to show students exactly what they have to do to achieve the highest grades. What's more, two authentic exam questions are now included on every topic. Pitched at exactly the right level for AS sociology, the book provides all the tools necessary to help students achieve top grades, and a sound basis for progression to A2. A host of cartoons, photographs, graphs, tables, and spider diagrams help to enliven the text, as well as reinforcing key issues. Web sites and web-based activities are included throughout, encouraging students to engage with the most recent social changes, and developments in sociology. Although it assumes no previous knowledge of sociology, its dedicated and in-depth coverage of all the AQA's AS topics provides a useful reference tool for the synoptic elements at A2. The second edition of *Introducing Sociology for AS Level* combines sociological rigour and accessibility in a way unrivalled by any other book at this level. It will be an invaluable resource to anyone following the AQA specifications.

CHOOSE THE RIGHT A LEVELS

THE A-Z SUBJECT GUIDE

Crimson Publishing Selecting the right A levels is more important than ever in helping you shape your future path, whether through securing a place at your ideal university, or starting out on your chosen career. But with such a huge variety of subject options and combinations on offer, where do you begin and indeed what are the 'right' choices? In truth, what's 'right' is what's best for you, and any decisions you make about your future should therefore be informed and personal to you, to ensure you find the perfect match to suit your own individual interests, skills and learning style. Giving you all the knowledge you need at your fingertips to support you in making these important decisions, *Choose the Right A levels* is your one-stop source of practical information, answering key questions such as: What does the course outline look like and how is the subject assessed? What key skills does the subject draw on and develop? Which subjects are preferred or required for certain degree courses and careers? What will I need at GCSE to study the subject and how does the subject compare to GCSE? What subjects combine well together? This comprehensive and impartial guide also features comparative data on national pass rates for each subject, and insightful student case studies on what did and didn't work well for others. Written by an expert Careers Adviser, and laid out in a simple format for ease of use, this accessible guide is your essential aid to navigating the wide range of subject options available and making the best choices for you and your future.

A LEVEL FURTHER MATHEMATICS FOR AQA STUDENT BOOK 1 (AS/YEAR 1)

CAMBRIDGE INTERNATIONAL AS AND A LEVEL SOCIOLOGY COURSEBOOK

Cambridge University Press This revised set of resources for Cambridge International AS and A Level Sociology syllabus (9699) is thoroughly updated for the latest syllabus. Written by a highly experienced author, the Coursebook provides comprehensive support for the syllabus. Accessible language combined with the clear, visually-engaging layout makes this an ideal resource for the course. Discussion of significant sociological research, case studies, explanation of key terms and questions within the text reinforce knowledge. Stimulating activities build interpretation and application as well as analytical and evaluation skills. Revision checklists help in consolidating understanding. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter dedicated to revision, and examination skills and practice. A Teacher's CD-ROM is also available.

SOCIOLOGY FOR AQA VOLUME 1

AS AND 1ST-YEAR A LEVEL

John Wiley & Sons Sociology for AQA Volume 1 is the new edition of Ken Browne's invaluable and widely used textbook, designed for AQA's new Sociology AS level and Year 1 A level (for first teaching from September 2015). The book combines sociological rigour and accessibility in a way unrivalled by any other book at this level. As always, the book fully covers the AQA specifications, using these as a springboard to develop readers' sociological skills and understanding. The fifth edition includes: up-to-date discussions of a wide range of recent sociological data and debates practice questions on every specification topic a special chapter on the compulsory 'Education with Methods in Context' requirement of the specifications full-colour photographs, diagrams and cartoons, to bring ideas to life and fire students' imaginations a dedicated website at www.politybooks.com/browne, with resources for teachers and additional material designed to help students revise or research themes in the book. Key sociological terms are systematically highlighted throughout the text and are included in a comprehensive glossary, with questions and activities incorporated throughout to develop and test students' understanding further. Pitched at the right level for the new AQA Sociology specifications, the book provides the tools necessary to help students, whatever their needs, interests and abilities. Together with the accompanying Sociology for AQA Volume 2, this is an invaluable resource for success in sociology.

INTRODUCING SOCIOLOGY

FOR AS LEVEL

-- Designed specifically for AS-level sociology courses- Comprehensive and up-to-date coverage of the AQA specification- Includes activities designed to develop the knowledge, skills and understanding of students- Chapters end with an exam question from AQA past papers, and suggestions for coursework- Chapter summaries outline the key points to help students check their understanding- Key terms are highlighted in the text and explained in an excellent glossary- Cartoons, tables, figures and photographs enliven and reinforce the text. This new introductory textbook assumes no previous knowledge of sociology. It is intended for all those studying AS-level courses, and adopts a readable, accessible and student-friendly style. *Introducing Sociology: for AS level* provides clear and concise but thorough and comprehensive coverage of the key areas of sociology covered at AS-level. It includes chapters on the family, health, the mass media, education, wealth, welfare and poverty, work and leisure and sociological methods. The author's previous book, *An Introduction to Sociology*, rapidly established itself as one of the leading textbooks for GCSE Sociology, and was described by the AQA Chief Examiner as 'setting the standard for textbooks at this level'. This new book will prove indispensable to all those studying AS-level sociology, as well as those on Access, Health and Social Care, and vocational courses of all kinds which contain a sociological component. Ken Browne is a Lecturer in Sociology at North Warwickshire and Hinckley College.

TEACHING SOCIOLOGY SUCCESSFULLY

A PRACTICAL GUIDE TO PLANNING AND DELIVERING OUTSTANDING LESSONS

Taylor & Francis Teaching Sociology Successfully is a comprehensive guide to teaching, learning and delivering sociology, not only with success but with confidence. Carefully combing insightful anecdotes and practical ideas with key theoretical concepts on planning, learning styles and assessment, this book is an essential tool for both new and experienced teachers of sociology. Each chapter focuses on a particular aspect of the teaching and learning process - from preparing to teach the subject for the first time to measuring student progress over time - in an approachable yet rigorous way. This practical guide will help you to: improve your knowledge of specifications and syllabuses at GCSE and AS/A Level; provide the best pedagogic approaches for teaching sociology; think about learning styles, skills and capacities in relation to teaching sociology; gain practical ideas and activities for improving student's argumentation, evaluation and essay writing skills; apply strategies for teaching abstract sociological theories and concepts; make the teaching of research methods engaging and interesting; deal with practical issues such as planning and assessing learning; encourage students' independent learning and revision; connect ICT, social networking websites and the mass media to further students' sociological knowledge; tackle the thorny issues of politics and controversial topics. Drawing on the author's own experiences, Teaching Sociology Successfully helps readers to identify, unpack and negotiate challenges common to those teaching sociology. Complete with a variety of pedagogical resources, it provides tasks and further reading to support CPD and reflective practice. This book will be an invaluable tool for students on PGCE social science training courses, as well as School Direct candidates and undergraduates studying BEds in similar fields.

AQA A LEVEL SOCIOLOGY EDUCATION WITH RESEARCH METHODS

Collins Exam Board: AQA Level & Subject: AS Sociology First teaching: September 2015 First exams: June 2016 This book contains all the key information for these AQA topics: AS * 3.1.1 Education * 3.1.2 Methods in Context * 3.2.1 Research Methods A-level * 4.1.1 Education * 4.1.2 Methods in Context. Examiners' tips throughout suggest how students can improve their exam performance. Detailed exam guidance, practice questions and sample answers are provided for each of the following: * AS Paper 1 * AS Paper 2 Section A * A-level Paper 1. LEARNING TO LABOR

HOW WORKING-CLASS KIDS GET WORKING-CLASS JOBS

A landmark work in sociology, cultural studies, and ethnography since its publication in 1977, Paul Willis's Learning to Labor is a provocative and troubling account of how education links culture and class in the reproduction of social hierarchy. Willis observed a working-class friendship group in an English industrial town in the West Midlands in their final years at school. These "lads" rebelled against the rules and values of the school, creating their own culture of opposition. Yet this resistance to official norms, Willis argues, prepared these students for working-class employment. Rebelling against authority made the lads experience the constraints that held them in subordinate class positions as choices of their own volition. Learning to Labor demonstrates the pervasiveness of class in lived experience. Its detailed and sympathetic ethnography emphasizes subjectivity and the role of working-class people in making their culture. Willis shows how resistance does not simply challenge the social order, but also constitutes it. The lessons of Learning to Labor apply as much to the United States as to the United Kingdom, especially the finding that education, rather than helping overcome hierarchies, can often perpetuate them, which is of renewed relevance at a time when education is trumpeted as meritocratic and a panacea for inequality.

SOCIOLOGY

HarperCollins UK This stimulating textbook provides an excellent understanding of Sociology and equips students with the skills they need to succeed in the AQA GCSE 4190 specification for last examination in 2018.

SOCIOLOGY OF PERSONAL LIFE

Bloomsbury Publishing What can sociology tell us about our personal lives, families and intimate relationships? This book explains how key theoretical perspectives and relevant contemporary research in the discipline can shed new light on even the most familiar areas of our everyday worlds. From friendships and pets, to political engagement and social legislation, the text shows how distinctions and connections can be drawn between our public and private lives. Each chapter explores a familiar topic that illustrates how individual relationships and lives can be shaped by social contexts, and how personal choices shape the wider social world. Using vivid case examples drawn from topical areas of debate, such as marriage rights and the role of social networking, the book is clearly laid out and easy to read. It gives useful explanations of theory and invaluable advice on how to carry out research on personal lives and relationships. This is essential reading for students of sociology interested in family, relationships and beyond. New to this Edition: - Pre-existing chapters have been fully re-written - Includes a number of new chapters on topics such as the body, home and personal life in public spaces. - Reformulated 'questions for discussion' at the end of each chapter.

Folens Limited Sociology teachers exercise immense teaching and pedagogical skills to 'entertain' and motivate the generation of post-16 sociology students. This title seeks to develop a teaching and learning package to support teachers.

THE FAR RIGHT TODAY

John Wiley & Sons The far right is back with a vengeance. After several decades at the political margins, far-right politics has again taken center stage. Three of the world's largest democracies - Brazil, India, and the United States - now have a radical right leader, while far-right parties continue to increase their profile and support within Europe. In this timely book, leading global expert on political extremism Cas Mudde provides a concise overview of the fourth wave of postwar far-right politics, exploring its history, ideology, organization, causes, and consequences, as well as the responses available to civil society, party, and state actors to challenge its ideas and influence. What defines this current far-

right renaissance, Mudde argues, is its mainstreaming and normalization within the contemporary political landscape. Challenging orthodox thinking on the relationship between conventional and far-right politics, Mudde offers a complex and insightful picture of one of the key political challenges of our time.
