## Counting the Cost of COVID-19 on the Global Tourism Industry

Springer Nature **This book profiles preliminary findings on the impact of COVID-19 on the travel, tourism and hospitality sector. Starting with a narrative relating COVID-19 to the global development agendas, the book proceeds with a focus on global tourism value chains and linkages between COVID-19 and the Sustainable Development Goals (SDGs). Other perspectives addressed in separate chapters include impacts of COVID-19 on various industries within the global tourism value chain including aviation, airports, cruise ships, car rentals as well as ride and share car services, hotels, restaurants, sporting, pilgrimage and religious tourism, gaming and entertainment, and the stock market. The book also includes chapters on corporate, philanthropic and public donations, as well as tourism economic stimulus packages. It then concludes with a chapter focusing on building back a better tourism sector post-COVID-19 that strongly draws from the Sendai Framework on Disaster Risk Reduction (2015-2030) and the disaster cycle. To this end, this book is suitable as a read for several professionals in disciplines such as tourism and hospitality studies, economics, sustainable development, development studies, environmental sciences, geography, politics, planning and public health.**

## Living in Love and Faith: The Course

## A 5-session course for groups

Church House Publishing **Living in Love and Faith: The Course** aims to help Christians think more deeply about what it means to be human. It provides a structured and accessible way for local groups to engage in and reflect on **Living in Love and Faith**, a major exploration of Christian teaching and learning about identity, sexuality, relationships and marriage. The five sessions of the course each address a key question: • What does it mean to learn together as followers of Jesus Christ? • How does our identity in Christ relate to sex and gender? • What kinds of relationships does God call us to? • Where do our bodies and sex fit in to all of this? • How do diversity and difference affect our life together as a church? Each session includes an opening reflection about learning together, followed by teaching, time for discussion and Bible study. The sessions end with an invitation to reflect on our learning, bringing it to God in prayer. As well as providing notes for those leading groups, the course also signposts the relevant sections of the **Living in Love and Faith** book as well as recommending films, podcasts and other digital resources available.

## Sophie's World

Hachette UK The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, **SOPHIE'S WORLD** sets out to draw teenagers into the world of Socrates, Descartes,

Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

## The Rhyming Rabbit

Macmillan Children's Books **The Rhyming Rabbit** loves to make up entertaining poems, inspired by everything he sees, but the other rabbits don't appreciate his talent for rhyme. Sad and lonely, the Rhyming Rabbit sets off one starry night all on his own - will he ever find someone to share his poems with? **The Rhyming Rabbit** is a clever rhyming adventure from the stellar picture book partnership of Julia Donaldson and Lydia Monks, creators of *What the Ladybird Heard*. With brilliant rhyming verse, bright and distinctive illustrations and glitter on every page, this story is a delight to read aloud. Enjoy all the stories from Julia Donaldson and Lydia Monks: *Sharing a Shell*, *The Princess and the Wizard*, *The Rhyming Rabbit*, *The Singing Mermaid*, *Sugarlump and the Unicorn*, *Princess Mirror-Belle and the Dragon Pox*, *What the Ladybird Heard*, *What the Ladybird Heard Next* and *What the Ladybird Heard on Holiday*.

## The Count of Monte Cristo

BookRix **The Count of Monte Cristo** is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with *The Three Musketeers*. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815-1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

## Watching the English

## The Hidden Rules of English Behaviour

Hachette UK In "Watching The English" anthropologist Kate Fox takes a revealing look at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ...Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

## Folk Devils and Moral Panics

# The Creation of the Mods and Rockers

Taylor & Francis US 'Richly documented and convincingly presented' -- **New Society Mods and Rockers, skinheads, video nasties, designer drugs, bogus asylum seekers and hoodies. Every era has its own moral panics. It was Stanley Cohen's classic account, first published in the early 1970s and regularly revised, that brought the term 'moral panic' into widespread discussion. It is an outstanding investigation of the way in which the media and often those in a position of political power define a condition, or group, as a threat to societal values and interests. Fanned by screaming media headlines, Cohen brilliantly demonstrates how this leads to such groups being marginalised and vilified in the popular imagination, inhibiting rational debate about solutions to the social problems such groups represent. Furthermore, he argues that moral panics go even further by identifying the very fault lines of power in society. Full of sharp insight and analysis, Folk Devils and Moral Panics is essential reading for anyone wanting to understand this powerful and enduring phenomenon. Professor Stanley Cohen is Emeritus Professor of Sociology at the London School of Economics. He received the Sellin-Glueck Award of the American Society of Criminology (1985) and is on the Board of the International Council on Human Rights. He is a member of the British Academy.**

## Pre-Incident Indicators of Terrorist Incidents

## The Identification of Behavioral, Geographic and Temporal Patterns of Preparatory Conduct

DIANE Publishing **This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for**

the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

## Fair Play

Share the mental load, rebalance your relationship and transform your life

[Hachette UK](#) **NEW YORK TIMES BESTSELLER "A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with" - Reese Witherspoon Do you find yourself taking on the lion's share of all the thankless, invisible but time-consuming work in the home? FAIR PLAY is the first book that shows you that there can be a different way: a way to get more done, with less fuss, in a way that feels more balanced. Eve Rodsky is changing society one relationship at a time, by coming up with a 21st-century solution to an age-old problem: women shouldering the brunt of domestic responsibilities, the mental load, the emotional labour. Everything that is required to keep the fridge full, the children's homework in their bags, and the household running. The unequal division of all this invisible work in relationships is a recipe for disaster, but no one has offered a real solution to this dilemma, until now. Eve Rodsky was tired of always being the one who has to remember to buy loo roll, or to book the family's dentist appointments, or to send the thank you cards - all while working full time. So Eve decided to do what she does every day as an organisational management consultant: Organise. She conducted original research with more than 500 couples to figure out WHAT the invisible work in a family actually is and HOW to get it done effectively and all in a way that makes relationships even stronger. FAIR PLAY identifies the 100 main tasks in any relationship, and then divides**

those tasks fairly (not necessarily equally) so that both parties contribute their fair share. If we don't learn to rebalance our home life and reclaim some time to develop the skills and passions that keep us unique, then we risk losing our right to be interesting, not just to our partner, but to ourselves. Getting this right isn't a luxury, it's a necessity for a happy, lasting partnership. Part how-to guide for couples, part modern relationship manifesto, FAIR PLAY offers an innovative system with a completely original lexicon to discuss how relationships actually work ... and how we can make them work better.

## Women and the Decade of Commemorations

Indiana University Press **When women are erased from history, what are we left with? Between 1912 and 1922, Ireland experienced sweeping social and political change, including the Easter Rising, World War I, the Irish Civil War, the fight for Irish women's suffrage, the founding of the Abbey Theatre, and the passage of the Home Rule Bill. In preparation for the centennial of this epic decade, the Irish government formed a group of experts to oversee the ways in which the country would remember this monumental time. Unfortunately, the group was formed with no attempt at gender balance. Women and the Decade of Commemorations, edited by Oona Frawley, highlights not only the responsibilities of Irish women, past and present, but it also privileges women's scholarship in an attempt to redress what has been a long-standing imbalance. For example, contributors note the role of the Waking the Feminists movement, which was ignited when, in 2016, the Abbey Theater released its male-dominated centenary program. They also discuss the importance of addressing missing history and curating memory to correct the historical record when it comes to remembering revolution. Together, the essays in Women and the Decade of Commemorations consider the impact of women's unseen, unsung work, which has been critically important in shaping Ireland, a country that continues to struggle with honoring the full role of women today.**

## Transforming the Workforce for Children Birth Through

## Age 8

# A Unifying Foundation

National Academies Press **Children are already learning at birth, and they develop and learn at a rapid pace in their early years. This provides a critical foundation for lifelong progress, and the adults who provide for the care and the education of young children bear a great responsibility for their health, development, and learning. Despite the fact that they share the same objective - to nurture young children and secure their future success - the various practitioners who contribute to the care and the education of children from birth through age 8 are not acknowledged as a workforce unified by the common knowledge and competencies needed to do their jobs well. Transforming the Workforce for Children Birth Through Age 8 explores the science of child development, particularly looking at implications for the professionals who work with children. This report examines the current capacities and practices of the workforce, the settings in which they work, the policies and infrastructure that set qualifications and provide professional learning, and the government agencies and other funders who support and oversee these systems. This book then makes recommendations to improve the quality of professional practice and the practice environment for care and education professionals. These detailed recommendations create a blueprint for action that builds on a unifying foundation of child development and early learning, shared knowledge and competencies for care and education professionals, and principles for effective professional learning. Young children thrive and learn best when they have secure, positive relationships with adults who are knowledgeable about how to support their development and learning and are responsive to their individual progress. Transforming the Workforce for Children Birth Through Age 8 offers guidance on system changes to improve the quality of professional practice, specific actions to improve professional learning systems and workforce development, and research to continue to build the knowledge base in ways that will directly advance and inform future actions. The recommendations of this book provide an opportunity to improve the quality of the care and the education that children receive, and ultimately improve outcomes for children.**

Luckily Rupert is good at digging, which soon leads to the most unexpected farm job of all . . . Rabbits Don't Lay Eggs! from Paula Metcalf and Cally Johnson-Isaacs, the creators of Charlie Crow in the Snow, is an egg-ceedingly funny farmyard caper. A chunky board book with a glittery cover, this is the perfect book for an Easter gift - or any time of the year!**

# Treasuring God in Our Traditions

Crossway **God is the treasure of our lives. He is part of everything we do, think, act, and say-literally, he is a part of us. This precious heirloom of Christ himself must be passed on to future generations. But how? Treasuring God in Our Traditions presents the importance of passing along Christ-centered traditions and a Bible-saturated legacy in Christ to future generations. Noël Piper helps her readers recognize how the "everyday" routines of life and the "especially" celebrations of holidays and dates can be practically passed down to future generations. When parents and grandparents seek to pass along the treasure of God to their children and grandchildren, they will develop and deepen their love for him. When family traditions are rooted in the Bible, the next generations will see that the greatest treasure that anyone can have is the treasure of God.**
