## Injurious Vistas: The Control of Outdoor Advertising, Governance and the Shaping of Urban Experience in Britain, 1817–1962

Springer Nature This book is a history of outdoor advertising control in Britain between the early-nineteenth century and the beginning of the 1960s. It considers the development of primarily legislative and governmental approaches to controlling commercial signage, billboards, posters and hoardings in rural and urban areas. This study of how the proliferation of outdoor advertising was dramatically curtailed serves as a means to examine how the understanding and governance of lived spaces developed over a century and a half. In the

early-nineteenth century outdoor advertising was just another material nuisance to regimes of improvement; by the turn of the century it was reframed as a threat to architecture, rural beauty and codes of moral self-governance. In the twentieth century it disrupted visual amenity and destabilized the civilizing influence of modern planning. More than merely a history of a radical and largely overlooked change in the visual environment, this is the story of how the modern state saw and regulated the lived spaces of Britain.

## Windows Vista

### The Missing Manual

"O'Reilly Media, Inc." Offers coverage of all five versions of Windows Vista, offering a guide to help users navigate the desktop, deal with the new user interface and search functions, use the Media Center, deal with the new Internet Explorer 7 tabbed browser, and build a network.

### Corpus-Based Translation Studies

## Research and Applications

A&C Black This is a collection of leading research within corpus-based translation studies (CTS). CTS is now recognized as a major paradigm that has transformed analysis within the discipline of translation studies. It can be defined as the use of corpus linguistic technologies to inform and elucidate the translation process, something that is increasingly accessible through advances in computer technology. The book pulls together a wide range of perspectives from respected authors in the field. All the chapters deal with the implementation of the basic concepts and methodologies, providing the reader with practical tools for their own research. The book addresses key issues in corpus analysis, including online corpora and corpus construction, and covers both translation and interpreting. The authors look at various languages and utilize a variety of approaches, qualitative and quantitative, reflecting the breadth of the field and providing many valuable examples of the methodology at work.

## Gestão à vista: implementação na área de saúde e segurança do trabalho

Saraiva Educação S.A. As recentes alterações das Normas Reguladoras (principalmente, da NR 1 Disposições Gerais e Gerenciamento de Riscos Ocupacionais) e o alinhamento da ISO45001:2018 Sistemas de Gestão de Segurança e Saúde Ocupacional tornaram necessário que profissionais ligados às áreas de saúde e segurança de trabalho implantem sistemas de gestão em todos os programas desenvolvidos pela área utilizando indicadores que possuam relevância para serem mensurados e gerenciados dentro de uma determinada forma de gestão: a gestão à vista. Ao decorrer do e-book, o leitor entenderá como aplicar algumas técnicas de gestão à vista modelo de gerenciamento no qual indicadores de desempenho cruciais para a empresa são exibidos em quadros visíveis para todos os colaboradores e permitem a visualização em tempo real dos resultados na área de Saúde e Segurança do Trabalho. Além disso, conhecerá diversos modelos de gestão como Kanban, RunRun.it, dashboards entre outros e recursos interativos que auxiliam na comunicação e nos treinamentos e tornam a participação de todos os colaboradores da empresa mais ativa como Google Jamboard, Mentimeter, SurveyMonkey entre outros. Este e-book veio para ajudar e mostrar que, somente utilizando a tecnologia e colocando em prática a gestão à vista, é que a área de Saúde e Segurança do Trabalho pode ser, de fato, MAIS VISTA.

## The Image of the City

MIT Press The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the planner, and certainly the city dweller will all want to read this book.

## Impacts of the Covid-19 Pandemic

## International Laws, Policies, and Civil Liberties

John Wiley & Sons **IMPACTS OF THE COVID-19 PANDEMIC** Enables Readers to Understand the Impact of International Legislative and Policy Responses to the COVID-19 Pandemic The wide array of legal and policy responses to the COVID-19 pandemic have significant implications regarding the functioning of countries and their respective societies. This book addresses the impact of international legislative and policy responses to the COVID-19 pandemic in a range of countries. To aid the reader in understanding country-specific developments, each chapter focuses on a specific country and addresses the legal frameworks and policy approaches used to support measures to prevent transmission and otherwise reduce the impact of the virus on society and the economy. Sample topics discussed in the work include: The effect certain policies may have on civil liberties, such as due process, and the right to privacy in specific countries The provision of public goods in the face of the pandemic Policymakers in public health agencies and other branches of government, along with academics studying global pandemic response, homeland security, and emergency management will be able to use this book as a comprehensive resource to understand the current state of COVID-19 policies around the world and the potential future effects of these policies.

### The Emergence of Writing Technologies in China

Parlor Press LLC From Oracle Bones to Computers not only provides a succinct yet in-depth account of the development of writing technologies in the five thousand years of China's history but also develops an operationalized model of rhetorical analysis that can be applied to the study of any writing technology development.

## Inside Solid State Drives (SSDs)

Springer Science & Business Media Solid State Drives (SSDs) are gaining momentum in enterprise and client applications, replacing Hard Disk Drives (HDDs) by offering higher performance and lower power. In the enterprise, developers of data center server and storage systems have seen CPU performance growing exponentially for the past two decades, while HDD performance has improved linearly for the same period. Additionally, multi-core CPU designs and virtualization have increased randomness of storage I/Os. These trends have shifted performance bottlenecks to enterprise storage systems. Business critical applications such as online transaction processing, financial data processing and database mining are increasingly limited by storage performance. In client applications, small mobile platforms are leaving little room for batteries while demanding long life out of them. Therefore, reducing both idle and active power consumption has become critical. Additionally, client storage systems are in need of significant performance improvement as well as supporting small robust form factors. Ultimately, client systems are optimizing for best performance/power ratio as well as performance/cost ratio. SSDs promise to address both enterprise and client storage requirements by drastically improving performance while at the same time reducing power. Inside Solid State Drives walks the reader through all the main topics related to SSDs: from NAND Flash to memory controller (hardware and software), from I/O interfaces (PCIe/SAS/SATA) to reliability, from error correction codes (BCH and LDPC) to encryption, from Flash signal processing to hybrid storage. We hope you enjoy this tour inside Solid State Drives.

## Exam 77-883 Microsoft PowerPoint 2010, with Microsoft Office 2010 Evaluation Software

John Wiley & Sons The Microsoft Official Academic Courseware (MOAC) Office 2010 Series is the only Official Academic Course Material. The new and enhanced MOAC/ Microsoft Office PowerPoint 2010 by Catherine Binder features Enhanced Wiley Desktop Editions as well as many other enhanced features designed to re-enforce workforce skills. The addition of animated tutorials in the Enhanced Wiley Desktop Editions and WileyPLUS courses, textbooks include additional materials on different skill levels to help users keep pace. WileyPLUS and an automatic Office assignment grader provides immediate feedback on every assignment, to help users practice and hone skills at their own pace. MOAC/ Microsoft Office PowerPoint 2010 is built from the ground-up around the MOS® certification objectives- making it a great way to learn all the workforce-oriented tasks required for certification. The Test Bank now offers greater flexibility and provides more than 75 questions and 3 projects per lesson, as well as automated grading via OfficeGrader. Furthermore, the latest edition's use of color in screen captures allows users to follow on screen much easier, as screen captures will look the exact same as the application. Additional projects throughout the book helps users comprehend how a task is applied on the job. OfficeGrader functionality added to WileyPLUS provides immediate feedback on all homework, assignments, and projects and additional animated tutorials on key Office tasks provides additional help on difficult topics.

### Harvard Law Review: Volume 129, Number 5 - March 2016

Quid Pro Books The March 2016 issue, No. 5, features these contents: • Article, "Marriage Equality and the New Parenthood," by Douglas NeJaime • Essay, "Horizontal Shareholding," by Einer Elhauge • Book Review, "Keeping Track: Surveillance, Control, and the Expansion of the Carceral State," by Kathryn M. Young and Joan Petersilia • Note, "Constitutional Courts and International Law: Revisiting the Transatlantic Divide" • Note, "Defining the Press Exemption from Campaign Finance Restrictions" • Note, "Let the End Be Legitimate: Questioning the Value of Heightened Scrutiny's Compelling- and Important-Interest Inquiries" In addition, student commentary analyzes Recent Cases on state abortion laws and

precedent; expectation of privacy in pocket dial; tax deductions for medical marijuana dispensary; appointments clause test for executive branch reassignments; takings by residential inclusionary zoning; and statutory interpretation using corpus linguistics. A commentary focuses on the Recent Court Filing by the DOJ arguing that a city ordinance prohibiting camping and sleeping outdoors violates the Eighth Amendment. Finally, the issue includes two brief comments on Recent Publications. The Harvard Law Review is offered in a quality digital edition, featuring active Contents, linked footnotes, active URLs, legible tables, and proper ebook and Bluebook formatting. The Review is a student-run organization whose primary purpose is to publish a journal of legal scholarship. It comes out monthly from November through June and has roughly 2500 pages per volume. Student editors make all editorial and organizational decisions. This is the fifth issue of academic year 2015-2016.
