PUBLIC POLICY EXCEPTION UNDER THE NEW YORK CONVENTION

HISTORY, INTERPRETATION, AND APPLICATION - REVISED EDITION

Juris Publishing, Inc. **The Public Policy Exception under the New York Convention: History, Interpretation, and Application** describes in detail the drafting history of the public policy exception of Art. V (2) (b) of the New York Convention in order to determine the purpose the signatory states wanted to achieve with this clause. The book also explains how this clause is applied by the courts in many economically relevant states, and especially in Brazil, Russia, India, and China. In September 2012, the Indian Supreme Court, in a case entitled *Bharat Aluminium Co. v. Kaiser Aluminium Technical Service, Inc.*, announced a long expected decision practically reversing the judgments of *Bhatia International* and *Venture Global* and holding that Indian Courts are not permitted to set aside foreign arbitral awards. In this Revised Edition, the author explains and explores the reasoning of the

Indian Supreme Court in this landmark decision and discusses the practical implications and consequences. Public Policy Exception under the New York Convention: History, Interpretation, and Application is of importance for all internationally active companies as well as for lawyers and courts. The book aids lawyers and companies in drafting arbitration clauses and in enforcing foreign arbitral awards. Often, judgments will not be enforced abroad; this is especially true with respect to an enforcement of foreign judgments in the BRIC countries. Therefore, internationally active companies and their advisors need guidance if and where foreign arbitral awards in their favor will be enforced abroad.

NATIONALITY OF FOUNDINGS

AVOIDING STATELESSNESS AMONG CHILDREN OF UNKNOWN PARENTS UNDER INTERNATIONAL NATIONALITY LAW

Springer Nature This is the first book dedicated to clarifying the concept of “foundlings” and how to best prevent their statelessness in light of the object and purpose of Article 2 of the 1961 UN Convention on the Reduction of Statelessness and equivalent nationality law provisions. Among other features, the book defines the terms “foundling,” including the maximum age limit of the child to be considered a “foundling”; “unknown parents”; being “found” in a territory; and “proof to the contrary”; as well as the procedural issues such as the appropriate burden and standard of proof. In doing so, the book draws upon a comparative analysis of national legislation on “foundlings” covering 193 states, case law, and precedents in some states as well as international human rights law norms including the best interests of the child. As its conclusion, the book proposes an inclusive model “foundling provision” and a commentary to inform legislative efforts and interpretation of the existing provisions. Its findings are useful not only to state parties to the 1961 Convention but also to non-state parties, particularly in countries lacking systematic civil documentation or experiencing the effects of armed conflicts, migration, trafficking, and displacement.

LEGAL AND ETHICAL ISSUES FOR THE IBCLC

Jones & Bartlett Publishers Legal and Ethical Issues for the IBCLC is the only text that covers the day-to-day legal and ethical challenges faced by the International Board Certified Lactation Consultant (IBCLC) in the workplace—in any work setting or residence. Since lactation management crosses many disciplines in the healthcare arena, most IBCLCs carry other licenses and titles. Consequently, what they can and cannot do while performing their lactation consultant role is of vital importance, information that is often difficult to find. Legal and Ethical Issues for the IBCLC is a practical resource that provides guidance on what is proper, legal, and ethical IBCLC behavior. It reflects the 2011 IBLCE Code of Professional Conduct and discusses how to devise an appropriate, safe, legal, and ethical plan of action in the consultation of a breastfeeding dyad.

THE LAW OF PRE-TRIAL CRIMINAL PROCEDURE IN NAMIBIA

University of Namibia Press The Namibian Constitution entrenches fundamental rights and freedoms, and provides for their vertical and horizontal application in any criminal process. However, since Independence in 1990, Namibia has developed its own criminal jurisprudence. Criminal procedure and law are taking new shape. Namibian courts have pronounced on criminal issues, and legislation has been passed to keep up with the demands, aspirations, spirit, and vision of the Namibian Constitution and its people. CLEVER MAPAURE, NDJODI NDEUNYEMA, PILISANO MASAKE, FESTUS WEYULU and LOIDE SHAPARARA have written an invaluable book that deals with these developments. It explains the rights of individuals, the duties of law enforcement officers, and the procedures of the courts in criminal cases. The Law of Pre-Trial Criminal Procedure in Namibia introduces readers to the fundamental principles and values underlying Namibian criminal law, through a systematic examination of the provisions of the Criminal Procedure Act, 1977 (Act No. 51 of 1977) as amended, which was originally passed by the legislature of South Africa, and still regulates criminal procedure in Namibia, the amendments to it since 1990, and relevant Namibian Case Law. The book captures and discusses the law relating to the pre-trial criminal process in Namibia in detail, from the roles of the prosecutor and the police, search, seizure and forfeiture, interrogation, notices and summons, arrest, court appearance, bail, criminal charges, disclosure, diminished capacity, right to assistance, to pleas and plea-bargaining.

ADMINISTRATIVE LAW AND JUDICIAL REVIEW IN PAPUA NEW GUINEA

Notion Press This is a compendium of administrative law and judicial review in Papua New Guinea. In this book the author precisely recounts the history of the development of administrative law and judicial review in England and some other common law jurisdictions. The main theme of the book is, however, devoted to judicial review in Papua New Guinea. The practice and procedure for appealing from the decision of the National Court in judicial review are unique and onerous. This book evaluates them in detail to give the readers a complete sense of reference. The interlocutory procedures encapsulated in this book are also relevant for any proceeding before the courts. At the end of various chapters, the author makes some insightful and thought-provoking commentaries on gaps found in judicial review. The book is an authoritative text for lawyers, law students, academia, judicial officers and other interested persons alike. It is a must read for lawyers and law students who seek to be familiar with the often cumbersome judicial review procedures and practices. For students and scholars in other disciplines who aim to learn and abreast themselves of how administrative law affects administrative action and public policy, this book is a perfect choice. The book dissects complex administrative law concepts and enables lay persons, including those in the public service, to fully understand and apply them. The book is a valuable resource material for the Pacific Island countries like Fiji, Vanuatu and Solomon Islands, who have adopted the common law legal systems similar to Papua New Guinea.

THE STRATEGY OF DENIAL

AMERICAN DEFENSE IN AN AGE OF GREAT POWER CONFLICT

Yale University Press Why and how America's defense strategy must change in light of China's power and ambition Elbridge A. Colby was the lead architect of the 2018 National Defense Strategy, the most significant revision of U.S. defense strategy in a generation. Here he lays out how America's defense must change to address China's growing power and ambition. Based firmly in the realist tradition but deeply engaged in current policy, this book offers a clear framework for what America's goals in confronting China must be, how its military strategy must change, and how it must prioritize these goals over its lesser interests. The most informed and in-depth reappraisal of America's defense strategy in decades, this book outlines a rigorous but practical approach, showing how the United States can prepare to win a war with China that we cannot afford to lose—precisely in order to deter that war from happening.
