#### THE NORHED PROGRAMME 2013-2020

---

**African Minds** In June 2016, the Norwegian Programme for Capacity Development in Higher Education and Research for Development (Norhed) hosted a conference on the theme of 'knowledge for development' in an attempt to shift the focus of the programme towards its academic content. This book follows up on that event. The conference highlighted the usefulness of presenting the value of Norhed's different projects to the world, showing how they improve knowledge and expand access to it through co-operation. A wish for more meta-knowledge was also expressed and this gives rise to the following questions: - Is this way of co-operating contributing to the growth of independent post-colonial knowledge production in the South, based on analyses of local data and experiences in ways that are relevant to our shared future? - Does the growth of academic independence, as well as greater equality, and the ability to develop theories different to those imposed by the better-off parts of the world, give rise to deeper understandings and better explanations? - Does it, at least, spread the ability to translate existing methodologies in ways that add meaning to observations of local context and data, and thus enhance the relevance and influence of the academic profession locally and internationally? This book, in its varied contributions, does not provide definite answers to these questions but it does show that Norhed is a step in the right direction. Norhed is an attempt to fund collaboration within and between higher education institutions. We know that both the uniqueness of this programme, and ideas of how to better utilise the learning and experience emerging from it, call for more elaboration and broader dissemination before we can offer further guidance on how to do things better. This book is a first attempt.

## ENCYCLOPEDIA OF ANCIENT AND FORBIDDEN SECRETS

---

Encyclopedia of Ancient and Forbidden Secrets colorings, the S.S. has its own rites, festivals, rituals and burial customs. The "spiritual center" of the S.S. - dedicated entirely to the development of these and other public rituals, is the Ancestral Heritage Office. Reichsführer S.S., Himmler, is an avid student of the occult. An SS occult research department, the Ahnenerbe (Ancestral Heritage) was established in 1935 with SS Colonel Wolfram von Sievers at its head. Occult research took SS researchers as far afield as Tibet. As soon as the Nazi movement had sufficient funds, it began to organize a number of expeditions to Tibet and these succeeded one another practically without interruption through the present day. It is conjectured that the Nazis wish to find Shambala, an ancient center of power which is said to be accessible through hidden tunnels in Tibet. The strongest influence on Hitler in this regard was Dietrich Eckart (1868-1923). Most biographers have underestimated the influence that Eckart exerted on Hitler. He was the wealthy publisher and editor-in-chief of an anti-semitic journal which he called *In Plain German*. Eckart was also a committed occultist and a master of magic. As an initiate, Eckart belonged to the inner circle of the Thule Society as well as other esoteric orders. There can be no doubt that Eckart - who had been alerted to Hitler by other Thulists - trained Hitler in techniques of self confidence, self projection, persuasive oratory, body language and discursive sophistry. With these tools, in a short period of time he was able to move the obscure workers party from the club and beer hall atmosphere to a mass movement. The emotion charged lay speaker became an expert orator, capable of mesmerizing a vast audience.

## OF THORN AND THREAD

---

**Chanda Hahn** Born an empath, I have the power— and burden— of hearing thoughts and feeling emotions of others. Retreating from the world, my only refuge is an ancient tower, but my haven is shattered when an injured man arrives with a plea to save the kingdom. Liam is the perfect knight, yet one attribute makes me hesitate. He is immune to my powers. His thoughts are a mystery, his heart an enigma. And while I fear the unknown, I cannot resist the desire to unravel his secrets. For I am Aura, one of the adopted daughters of Lady Eville. I have joined Liam in his quest to destroy a magical blight that ushers in darkness and poisonous thorns. The closer I get to the source, the more I sense threads of destiny weaving a deadly cage, and at the end of the journey lies a fate worse than death. Eternal slumber.
