JUDGMENTS OF LOVE IN CRIMINAL JUSTICE

Springer This volume is a new chapter in the future history of law. Its general perspective could not be more original and its critical ethical edge on the state of international law could not be timelier. It explores a compassionate philosophical approach to the genuine substance of law, criminal procedure, international criminal law and international criminal justice. It divides law into three interrelated disciplines, i.e. legality, morality and love. The norm love is derived from human reason for man's advancement and the securing of natural law. It is more than a mere mandatory norm. Its goal is to generate a normative and positive, powerful result, therefore avoiding any impurity that may exist in the application of other norms because of political or juridical pressures - a one-eyed justice. The norm love also renders justice with the principles of legal accountability, transparency and the high moral, authentic values of humanity. The notion of justice cannot be trusted in the absence of the norm love. The volume indicates the conditions of its efficiency by proving the reasons for its existence in the context of fairness, objectivity and concern for all individuals and entities. The concept of the norm love should be the core academic corpus for lecturing law in all faculties of law. It is simply the enlightenment of the 21st century. A lawyer with requisite knowledge and skill is not a lawyer if he cannot understand that the law does not need a lawyer with ethical competence in its provisions for income purposes but one with knowledge of its essence for the advanced morality of justice and the sheer essence of love for justice.

ALL ABOUT LOVE

NEW VISIONS

HarperCollins A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All

About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Zion Christian Publishers Colossians and Philemon is an easy reading verse by verse commentary on those most blessed New Testament letters of the Apostle Paul. This book will be enjoyed by those who seek to find the true pathway to the presence of God and the place of restoration whereby we can be called the sons and daughters of God.

THE FREE-MARKET FAMILY

HOW THE MARKET CRUSHED THE AMERICAN DREAM (AND HOW IT CAN BE RESTORED)

Oxford University Press, USA A steady drumbeat of bad news about the state of our nation has convinced Americans that our country has gone off the rails. But where, exactly, did we go wrong? Maxine Eichner argues that the problem is that market pressures are overwhelming American families today. Eichner links "free-market family policy," a system in which families must fend for themselves without help from the government, to unstable relationships, reduced lifespans, kids' declining academic achievement, and low levels of happiness, compared with other wealthy countries. What's called for, she argues, is market regulation and an economy structured around supporting families.

EPHESIANS

Zion Christian Publishers Dr. Brian Bailey presents this commentary on the epistle to the Ephesians, which beautifully portrays Christ as the warrior King, clothed with the armor of God. This same armor is available to us by His grace so that we too may be victorious over the enemy. It is the author's prayer that the readers might enter into these beautiful truths that we might be raised up to "sit together in heavenly places in Christ Jesus." (2:6)

BE NOT AFRAID-WINTER EDITION DEC/JAN/FEB 2018-19

Lulu.com This book is the continuation of my book series from my blog www.icemanforchrist.org which is based on more than 365 references in the Bible to fear, and dread and our response to them. St Pope John Paul II knew that our God encourages us to "Be Not Afraid" and told us so. To do this we must actively seek holiness and be in the presence of our Lord and talk to Him. I recommend you develop the habit of spending 10 to 15 minutes a day with our Lord in the Blessed Sacrament Chapel or if that is not available some other quiet place where you can be in the company of our Lord. Read the daily entry and reflect on it asking our Lord and His mother to talk to your heart and reveal to you the will of the Father and then DO IT.

TURNING THE CURSE INTO A BLESSING - TEACHER'S MANUAL PDF

JOB

You will be challenged and encouraged as you read this study of Job's life and see how the Lord uses our trials and tribulations to purify our lives that we might receive the double portion of His blessing.

JACQUES MARITAIN IN THE 21ST CENTURY

PERSONALISM AND THE POLITICAL ORGANIZATION OF THE WORLD

Cambridge Scholars Publishing From his rebellious youth through his yearning for sainthood as one of the 20th century's leading Christian philosophers, the quest for liberation defines Jacques Maritain (1882-1973). Throughout the 20th century, Maritain rejected the egocentric isolation rampant throughout liberal society, as well as totalitarian collectivism. Maritain promoted the human person, open by way of nature and grace to integral liberation and redemption through authentic community. This book argues that Maritain contributes to our understanding in the 21st century of the myriad, yet coalescing, movements seeking to address global economic sustainability, the fostering of human rights and participatory democracy. Through a series of papers published over the course of more than 20 years, from the tail-end of the 20th century through the first decades of the 21st century, Maritain's social and political thought engages contemporary thinkers and movements with penetrating insight.

LOOKING FOR LOVE IN THE LEGAL DISCOURSE OF MARRIAGE

ANU Press This book examines the (in)visibility of romantic love in the legal discourse surrounding modern Australian marriage. It looks at how romantic love has become a core part of modernity, and a dominant part of the Western marriage discourse, and considers how the ideologies of romantic love are (or are not) replicated in the legal meaning of marriage. This examination raises two key issues. If love has become central to people's understanding of marriage, then it is important for the legitimacy of law that love is reflected in both the content and application of the law. More fundamentally, it requires us to reconsider how we understand law, and to ask whether it is engaged with emotions, or separate from them. Along the way this book also considers the meaning of love itself in contemporary society, and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage, or whether it simply mirrors them. This book will be of interest to everyone working on love, marriage and sexuality in the disciplines of law, sociology and philosophy.

THE MARRIAGE AND FAMILY EXPERIENCE: INTIMATE RELATIONSHIPS

IN A CHANGING SOCIETY

Cengage Learning THE MARRIAGE & FAMILY EXPERIENCE: INTIMATE RELATIONSHIPS IN A CHANGING SOCIETY brings together all elements of the course -- including intimate relationships, family policy, and family issues. Striking a balance between an academic and more functional approach, the authors draw from research to present a sound sociological and family studies base enhanced by perspectives from anthropology, history, psychology, journalism, literature, economics, and gender studies. The book explores recent research on topics such as adoptive parenting, the transgender experience, childbearing patterns, gay and lesbian families, communication and conflict resolution, the influence of popular culture, and working families. Real-life examples and a focus on self-assessment and reflection make the book accessible and encourage students to think and act for themselves. The thirteenth edition retains a progressive approach to diversity yet remains rooted in a positive, pro-family perspective.
