Ruth and the Night of Broken Glass A World War II Survival Story

Stone Arch Books In the late summer and early fall of 1938, ten-year-old Ruth Block, along with her father, mother, and best friend, Miriam, must navigate the increasing pressure placed on the Jewish population in Frankfurt, Germany. Ruth grows more worried by the day. Her father's stationery store is shut down; she and Miriam are belittled on the street; their school is closed. Then one night in November, the family's apartment is broken into. Ruth's father is dragged into the square and arrested, along with hundreds of other Jewish men. Ruth, her family, her friends, and her community struggle to survive the fiery night and the terrifying, uncertain future ahead of them. Featuring nonfiction support material, a glossary, and reader response questions, this Girls Survive story takes readers to Kristallnacht, the Night of Broken Glass, one of history's most important moments.

Memoirs of a Kamikaze

A World War II Pilot's Inspiring Story of Survival, Honor and Reconciliation

Tuttle Publishing An incredible, untold story of survival and acceptance that sheds light on one of the darkest chapters in Japanese history. This book tells the story of Kazuo Odachi who—in 1943, when he was just 16 years-old—joined the Imperial Japanese Navy to become a pilot. A year later, he was unknowingly assigned to the Kamikaze Special Attack Corps—a group of airmen whose mission was to sacrifice their lives by crashing planes into enemy ships. Their callsign was "ten dead, zero alive." By picking up *Memoirs of a Kamikaze*, readers will experience the hardships of fighter pilot training—dipping and diving and watching as other trainees crash into nearby mountainsides. They'll witness the psychological trauma of coming to terms with death before each mission, and breathe a sigh of relief with Odachi when his last mission is cut short by Japan's eventual surrender. They'll feel the anger at a government and society that swept so much of the sacrifice under the rug in its desperation to rebuild. Odachi's innate "samurai spirit" carried him through childhood, WWII and his eventual life as a kendo instructor, police officer and detective. His attention to detail, unwavering self-discipline and impenetrably strong mind were often the difference between life and death. Odachi, who is now well into his nineties, kept his Kamikaze past a secret for most of his life. Seven decades later, he agreed to sit for nearly seventy hours of interviews with the authors of this book—who know Odachi personally. He felt it was his responsibility to finally reveal the truth about the Kamikaze pilots: that they were unsuspecting teenagers and young men asked to do the bidding of superior officers who were never held to account. This book offers a new perspective on these infamous suicide pilots. It is not a chronicle of war, nor is it a collection of research papers compiled by scholars. It is a transcript of Odachi's words.

Hettie and the London Blitz

A World War II Survival Story

Stone Arch Books After helping prepare their London home for German bombing raids, young Hettie and her brothers are sent to safety in the countryside, where she strives to keep them connected to each other and their parents.

My Dear Boy

A World War II Story of Escape, Exile, and Revelation

U of Nebraska Press After the death of Joanie Holzer Schirm's parents in 2000, she found hundreds of letters, held together by rusted paperclips and stamped with censor marks, sent from Czechoslovakia, Great Britain, China, and South and North America, along with journals, vintage film, taped interviews, and photographs. In working through these various materials documenting the life of her father, Oswald "Valdik" Holzer, she learned of her family history through his remarkable experiences of exile and loss, resilience and hope. In this posthumous memoir, Schirm elegantly re-creates her father's youthful voice as he comes of age as a Jew in interwar Prague, escapes from a Nazi-held army unit, practices medicine in China's war-ravaged interior, and settles in the United States to start a family. Introducing us to a diverse cast of characters ranging from the humorous to the menacing, Holzer's life story is an inspirational account of survival during wartime, a cinematic epic spanning multiple continents, and ultimately a tale with a twist--a book that will move readers for generations to come. Purchase the audio edition.

Hettie and the London Blitz

A World War II Survival Story

After helping prepare their London home for German bombing raids, young Hettie and her brothers are sent to safety in the countryside, where she strives to keep them connected to each other and their parents.

World War Z

An Oral History of the Zombie War

Three Rivers Press (CA) An account of the decade-long conflict between humankind and hordes of the predatory undead is told from the perspective of dozens of survivors who describe in their own words the epic human battle for survival.

Devil at My Heels

A Heroic Olympian's Astonishing

Story of Survival as a Japanese POW in World War II

Harper Collins The bestselling autobiography of the legendary Louis Zamperini, hero of the blockbuster Unbroken. A modern classic by an American legend, Devil at My Heels is the riveting and deeply personal memoir by U.S. Olympian, World War II bombardier, and POW survivor Louis Zamperini. His inspiring story of courage, resilience, and faith has captivated readers and audiences of Unbroken, now a major motion picture directed by Angelina Jolie. In Devil at My Heels, his official autobiography (co-written with longtime collaborator David Rensin), Zamperini shares his own first-hand account of extraordinary journey—hailed as “one of the most incredible American lives of the past century” (People). A youthful troublemaker, a world-class NCAA miler, a 1936 Olympian, a WWII bombardier: Louis Zamperini had a fuller life than most. But on May 27, 1943, it all changed in an instant when his B-24 crashed into the Pacific Ocean, leaving Louis and two other survivors drifting on a raft for forty-seven days and two thousand miles, waiting in vain to be rescued. And the worst was yet to come when they finally reached land, only to be captured by the Japanese. Louis spent the next two years as a prisoner of war—tortured and humiliated, routinely beaten, starved and forced into slave labor—while the Army Air Corps declared him dead and sent official condolences to his family. On his return home, memories of the war haunted him nearly destroyed his marriage until a spiritual rebirth transformed him and led him to dedicate the rest of his long and happy life to helping at-risk youth. Told in Zamperini’s own voice, Devil at My Heels is an unforgettable memoir from one of the greatest of the “Greatest Generation,” a living document about the brutality of war, the tenacity of the human spirit, and the power of faith.

Presidio Press Shares Cooper's story of his ordnance inspections during WWII

Love in a Cauldron of Misery

Perspectives on Christian Prison

Ministry

Wipf and Stock Publishers Christians are called to minister to people in prison. But most know next to nothing about prisons, the needs of the people in them, or the biblical basis for addressing those needs. Love in a Cauldron of Misery fills that void. This book provides a brief historical perspective that orients the reader and a discussion, mainly in the words of people with real experience, of what prisons and prisoners are really like and why the need for ministry is so great. It then explores the biblical charge for Christians to meet these needs and discusses ways in which they can do so. Love in a Cauldron of Misery is an invaluable resource for any pastor, teacher, or lay-person who is participating in, considering, or just wants to know more about prison ministry.

Catalog of the Gerald K. Stone Collection of Judaica

A Bibliographical Resource for Canadian Jewish Studies

Academic Studies Press Gerald K. Stone has collected books about Canadian Jewry since the early 1980s. This volume is a descriptive catalog of his Judaica collection, comprising nearly 6,000 paper or electronic documentary resources in English, French, Yiddish, and Hebrew. Logically organized, indexed, and selectively annotated, the catalog is broad in scope, covering Jewish Canadian history, biography, religion, literature, the Holocaust, antisemitism, Israel and the Middle East, and more. An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada. An informative bibliographical resource, this book will be of interest to scholars and students of Canadian and North American Jewish studies.

Lightning Down

A World War II Story of Survival

St. Martin's Press

World War II Survival

The Epic Story of Leonid Aleksandrov's Journey from Russia to Normandy and Berlin

Escaping the Bolsheviks by boat at night as a baby, Russian Jew Leon Aleksandrov, spends his early years with his family seeking a safe haven in an increasingly anti-semitic Europe in the 1920s finally settling for safety in liberal Berlin. With the rise of Nazism Leon flees to France, is imprisoned, escapes to England and joins the army in time for D-Day. He fights his way through Europe into the very bowels of Nazi Germany and Hitler's Reich Chancellery. His war is far from over as his language skills see him translate for Stalin and Churchill at the Potsdam conference and remaining in Berlin to help re-build Germany. A true story of determination and extraordinary events, his tale reads like Forrest Gump meets Saving Private Ryan. Prepare to be amazed at one man's life story.

Always Remember Me

How One Family Survived World War II

Atheneum When she visits her Oma, Rachel, while going through family albums, learns the awful truth about the Nazis' rise to power and the hardships her grandmother, her mother, and her aunts were forced to endure during the Holocaust, discovering the power of love, family, and faith.

Breathe Easy

Resting in Who God Is and What He's Done

WestBow Press The New Testament portrays the Christian life as one of resilient joy, overwhelming grace, and abundant love. Yet, if we look around, many Christians are riddled with constant fear, heavy burdens, and excessive self-criticism. What happened? Breathe Easy intertwines personal stories, scientific research, and biblical evidence behind resting in who God is and what He has done. Supported by Brynn Sauer's own journey, this book will show you that God desires for you to let go of the worry, stress, and pressure and start breathing easy.

The Unbreakable Zamperini

A World War II Survivor's Brave Story

Amazing World War II Stories "Tells the dramatic story of Louis Zamperini and his unbreakable spirit in spite of the terrible torment he endured as a prisoner of war in World War II"--

Unbroken

A World War II Story of Survival, Resilience, and Redemption

Random House Trade Paperbacks #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review

“Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of The Immortal Life of Henrietta Lacks

Tarnished

Toxic Leadership in the U.S. Military

U of Nebraska Press Bad or toxic leadership, abusive supervision, and petty tyranny in organizations are perennial issues. But to date, there has been little effort to examine the scope and nature of bad leadership in the military. Tarnished rectifies that lack of attention by defining the problems and suggesting possible solutions appropriate to the military's unique structure and situation. Leadership is central to the identity of the U.S. military. Service academies and precommissioning processes have traditionally stressed the development of conscientious leaders of character. The services regularly publish doctrinal works and professional journal articles focusing on various aspects of leadership. Unsurprisingly, in most of those publications leadership is presented as a universally positive notion, a solution to problems, and something to be developed through an extensive and costly system of professional military education. Leadership expert George E. Reed, however, focuses on individual experiences of toxic leadership at the organizational level, arguing that because toxic leadership has such a detrimental impact on the military organizational culture, additional remediation measures are needed. Reed also demonstrates how system dynamics and military culture themselves contribute to the problem. Most significant, the book provides cogent advice and insights to those suffering from toxic leaders, educators developing tomorrow's military leaders, and military administrators working to repair the current system.

Hidden Like Anne Frank: 14 True Stories of Survival

14 True Stories of Survival

Scholastic Inc. For readers of The Boy Who Dared and Prisoner B-3087, a collection of unforgettable true stories of children hidden away during World War II. Jaap Sitters

was only eight years old when his mother cut the yellow stars off his clothes and sent him, alone, on a fifteen-mile walk to hide with relatives. It was a terrifying night, one he would never forget. Before the end of the war, he would hide in secret rooms and behind walls. He would suffer from hunger, sickness, and the looming threat of Nazi raids. But he would live. This is just one of the true stories told in *Hidden Like Anne Frank*, a collection of eye-opening first-person accounts that share the experience of going into hiding to escape the Holocaust. Some were just toddlers when they were hidden; some were teenagers. Some hid with neighbors or family, while many were with complete strangers. But all know the pain of losing their homes, their families, even their own names. They describe the secret network that kept them safe. And they share the coincidences and close calls that made all the difference.

China's Eurasian Dilemmas

Edward Elgar Publishing Providing a timely analysis of China's engagement with Eurasia, R. James Ferguson focuses on the challenges obstructing China's path to becoming a sustainable global power. Engagement across Eurasia presents China, its leaders and policymakers with intensified contact with regional and national conflicts, posing environmental, developmental and strategic dilemmas.

Song of Survival

Women Interned

First published in the US in 1995. This is an account of the author's three years imprisonment in a Japanese camp on Sumatra during WWII, her childhood before the war on the island of Tarakan and her escape from Tarakan with her fathers and sisters. It tells of the uplifting influence of a singing group in the camp comprised of Dutch Australian and English women prisoners. A television documentary entitled 'Song of Survival' was based on events recorded in this book. Includes an index.

The Second World War

A Short History

Oxford Paperbacks The Second World War is a compact but comprehensive and absorbing history of the war. It examines the causes of the war, how it was won and lost, and its far-reaching consequences for humanity. In tracing the key events of both the European and the Far Eastern wars, R. A. C. Parker outlines clearly the strategies of the participants, the economies and societies that underlay them, and the strengths and weaknesses of their fighting forces. He describes the decisive battles and analyses the reasons for their outcome, paying close attention to special features of the war: mobile warfare, forced migration, the Holocaust, strategic and nuclear bombing. Unlike many other histories of the war this book places British and European involvement squarely in an international perspective, and the author never shies away from raising fundamental questions.

Abandoned on Bataan

One Man's Story of Survival

Crimson Horse Entertainment & Pub Abandoned on Bataan: One Man's Story of Survival is a remarkable and enduring tale from a living survivor of the Bataan Death March, one of the most horrifying events of World War II. The story by Oliver 'Red' Allen is dedicated to his two sons on the 60th anniversary of the event.

13 Hours

The Inside Account of What Really Happened In Benghazi

Hachette UK The harrowing, true account from the brave men on the ground who fought back during the Battle of Benghazi. 13 Hours presents, for the first time ever, the true account of the events of September 11, 2012, when terrorists attacked the US State Department Special Mission Compound and a nearby CIA station called the Annex in Benghazi, Libya. A team of six American security operators fought to repel the attackers and protect the Americans stationed there. Those men went beyond the call of duty, performing extraordinary acts of courage and heroism, to avert tragedy on a much larger scale. This is their personal account, never before told, of what happened during the thirteen hours of that now-infamous attack. 13 Hours sets the record straight on what happened during a night that has been shrouded in mystery and controversy. Written by New York Times bestselling author Mitchell Zuckoff, this riveting book takes readers into the action-packed story of heroes who laid their lives on the line for one another, for their countrymen, and for their country. 13 Hours is a stunning, eye-opening, and intense book--but most

importantly, it is the truth. The story of what happened to these men--and what they accomplished--is unforgettable.

War Horse

Scholastic Inc. An e-book edition of War Horse with movie stills, behind-the-scenes photos, storyboards, and more! In 1914, Joey, a beautiful bay-red foal with a distinctive cross on his nose, is sold to the army and thrust into the midst of the war on the Western Front. With his officer, he charges toward the enemy, witnessing the horror of the battles in France. But even in the desolation of the trenches, Joey's courage touches the soldiers around him and he is able to find warmth and hope. But his heart aches for Albert, the farmer's son he left behind. Will he ever see his true master again?

Churchill and India

Manipulation or Betrayal?

Taylor & Francis Churchill and India. It is a story where much is known but much remains concealed. A brilliant orator and a powerful leader, Winston Churchill stood against the tide of history. But how does postcolonial history view him? This book studies the extraordinary connection he had with India. Beginning with the early years of his career in India when he spent 22 months between 1896 and 1899 as a subaltern with the 4th Hussars, it traces his rise as a politician, his years as the Prime Minister of Great Britain during the Second World War, his profound distrust of the Indian Independence Movement, and his machinations in preserving the British Empire's rule over India. Churchill's failure to understand India and decolonization, and manipulation of events on the subcontinent add a different dimension to the man. His pervasive yet hidden shadow over the Indian subcontinent and his often-veiled role in the actions that led to Partition in 1947 are at the center of this study. Rich in archival sources, this book provides a fresh and holistic perspective on the final phase of the British Empire. It will be an indispensable resource to students and researchers of colonial history, imperialism, modern history, international history, Partition of India, and South Asian studies. It will also appeal to general readers interested in the history of Britain's endgame in India.

Zones of Control

Perspectives on Wargaming

MIT Press Examinations of wargaming for entertainment, education, and military planning, in terms of design, critical analysis, and historical contexts. Games with military themes date back to antiquity, and yet they are curiously neglected in much of the academic and trade literature on games and game history. This volume fills that gap, providing a diverse set of perspectives on wargaming's past, present, and

future. In *Zones of Control*, contributors consider wargames played for entertainment, education, and military planning, in terms of design, critical analysis, and historical contexts. They consider both digital and especially tabletop games, most of which cover specific historical conflicts or are grounded in recognizable real-world geopolitics. Game designers and players will find the historical and critical contexts often missing from design and hobby literature; military analysts will find connections to game design and the humanities; and academics will find documentation and critique of a sophisticated body of cultural work in which the complexity of military conflict is represented in ludic systems and procedures. Each section begins with a long anchoring chapter by an established authority, which is followed by a variety of shorter pieces both analytic and anecdotal. Topics include the history of playing at war; operations research and systems design; wargaming and military history; wargaming's ethics and politics; gaming irregular and non-kinetic warfare; and wargames as artistic practice. Contributors Jeremy Antley, Richard Barbrook, Elizabeth M. Bartels, Ed Beach, Larry Bond, Larry Brom, Lee Brimmicombe-Wood, Rex Brynen, Matthew B. Caffrey, Jr., Luke Caldwell, Catherine Cavagnaro, Robert M. Citino, Laurent Closier, Stephen V. Cole, Brian Conley, Greg Costikyan, Patrick Crogan, John Curry, James F. Dunnigan, Robert J. Elder, Lisa Faden, Mary Flanagan, John A. Foley, Alexander R. Galloway, Sharon Ghamari-Tabrizi, Don R. Gilman, A. Scott Glancy, Troy Goodfellow, Jack Greene, Mark Herman, Kacper Kwiatkowski, Tim Lenoir, David Levinthal, Alexander H. Levis, Henry Lowood, Elizabeth Losh, Esther MacCallum-Stewart, Rob MacDougall, Mark Mahaffey, Bill McDonald, Brien J. Miller, Joseph Miranda, Soraya Murray, Tetsuya Nakamura, Michael Peck, Peter P. Perla, Jon Peterson, John Prados, Ted S. Raicer, Volko Ruhnke, Philip Sabin, Thomas C. Schelling, Marcus Schulzke, Miguel Sicart, Rachel Simmons, Ian Sturrock, Jenny Thompson, John Tiller, J. R. Tracy, Brian Train, Russell Vane, Charles Vasey, Andrew Wackerfuss, James Wallis, James Wallman, Yuna Huh Wong

Counterterrorism: From the Cold War to the War on Terror [2 volumes]

From the Cold War to the War on Terror

Praeger This two-volume set examines modern nation-state legislative, diplomatic, military, and non-military attempts to combat terrorism within and outside state borders. The articles which comprise this comprehensive reference work address counterterrorism efforts employed by the international community prior to and following the events of September 11, 2001. • An evaluation of the evolution and effectiveness of select nation-state counterterrorism policies post-1945 • An

examination of major issues and lessons-learned relative to the "Global War on Terrorism" • Discussion of historical and contemporary global counterterrorism strategies and potential future counterterrorism challenges

Nuclear War Survival Skills

Lifesaving Nuclear Facts and Self-Help Instructions

Skyhorse A field-tested guide to surviving a nuclear attack, written by a revered civil defense expert. This edition of Cresson H. Kearny's iconic Nuclear War Survival Skills (originally published in 1979), updated by Kearny himself in 1987 and again in 2001, offers expert advice for ensuring your family's safety should the worst come to pass. Chock-full of practical instructions and preventative measures, Nuclear War Survival Skills is based on years of meticulous scientific research conducted by Oak Ridge National Laboratory. Featuring a new introduction by ex-Navy SEAL Don Mann, this book also includes: instructions for six different fallout shelters, myths and facts about the dangers of nuclear weapons, tips for maintaining an adequate food and water supply, a foreword by "the father of the hydrogen bomb," physicist Dr. Edward Teller, and an "About the Author" note by Eugene P. Wigner, physicist and Nobel Laureate. Written at a time when global tensions were at their peak, Nuclear War Survival Skills remains relevant in the dangerous age in which we now live.

Catherine's War

HarperCollins "A shining story of a young girl who struggles to come of age and find her place in a world fraught with danger." —Susan Campbell Bartoletti, Newbery Honor-winning author of Hitler Youth * Winner of the Youth Prize at the Angoulême International Comics Festival (voted by readers) * Winner of the Artémisia Prize for Historical Fiction * Winner of the Andersen Premio Prize * A magnificent narrative inspired by a true survival story that asks universal questions about a young girl's coming of age story, her identity, her passions, and her first loves. At the Sèvres Children's Home outside Paris, Rachel Cohen has discovered her passion—photography. Although she hasn't heard from her parents in months, she loves the people at her school, adores capturing what she sees in pictures, and tries not to worry too much about Hitler's war. But as France buckles under the Nazi regime, danger closes in, and Rachel must change her name and go into hiding. As Catherine Colin, Rachel Cohen is faced with leaving the Sèvres Home—and the friends she made there—behind. But with her beautiful camera, Catherine possesses an object with the power to remember. For the rest of the war, Catherine bears witness to her own journey, and to the countless heroes whose courage and generosity saved the lives of many, including her own. Based on the author's mother's own experiences as a hidden child in France during World War II, Catherine's War is one of the most accessible historical graphic novels featuring a

powerful girl since Persepolis by Marjane Satrapi—perfect for fans of Markus Zusak’s The Book Thief, Anne Frank, or Helen Keller. Includes a map and photographs of the real Catherine and her wartime experiences, as well as an interview with author Julia Billet. “Many of the settings are beautifully detailed, and the characters undeniably expressive. Catherine’s ability to find beauty in the world makes for a forward-looking read.” —Booklist *(starred review)* “This story will make readers want to join the Resistance. Characters are drawn so vividly that, long afterward, readers will remember their names.” —Kirkus An Indie Next List Pick! *A Junior Library Guild selection*

Siberian Survival

The Nenets and Their Story

Cornell University Press How the Nenets successfully resisted indoctrination from a powerful totalitarian state and how today they face new challenges to the survival of their culture - these are the subjects of this compelling and lavishly illustrated book.--BOOK JACKET.

No Shortcuts

Why States Struggle to Develop a Military Cyber-Force

Oxford University Press Over the past decade, numerous states have declared cyberspace as a new domain of warfare, sought to develop a military cyber strategy and establish a cyber command. These developments have led to much policy talk and concern about the future of warfare as well as the digital vulnerability of society. No Shortcuts provides a level-headed view of where we are in the militarization of cyberspace. In this book, Max Smeets bridges the divide between technology and policy to assess the necessary building blocks for states to develop a military cyber capacity. Smeets argues that for many states, the barriers to entry into conflict in cyberspace are currently too high. Accompanied by a wide range of empirical examples, Smeets shows why governments abilities to develop military cyber capabilities might change over time and explains the limits of capability transfer by states and private actors.

If You Survive

Ballantine Books The author describes his experiences in World War II from basic training to the Battle of the Bulge and shares his observations on war

Courageous

10 Strategies for Thriving in a Hostile World

Baker Books Christians face relentless attacks from an ungodly culture, a formidable adversary, and our own fallen natures. Yet we cannot afford to surrender to these very real enemies. Just as survivalists use 10 specific strategies to overcome threatening situations, Courageous explains 10 biblical strategies for surviving--and thriving--in a world that is hostile to our faith. As A.W. Tozer said, "A scared world needs a fearless church." Courageous is a clarion call for Christians to boldly live out their faith. If you've felt your faith is under attack, if you're struggling with the temptation to follow the crowd despite biblical teaching to the contrary, or if you're just feeling weary, the 10 strategies in Courageous will provide fresh fire and new hope.

Just Send Me Word

A True Story of Love and Survival in the Gulag

Penguin Books This is the extraordinary true story of two young Russians, Lev and Svetlana. Kept apart for fourteen years by the Second World War and the Gulag, they stayed true to each other and exchanged thousands of secret letters as Lev battled to survive in Stalin's camps. Using this remarkable cache of smuggled correspondence, Orlando Figes tells the tale of two incredible people who, swept along in the very worst of times, kept their devotion alive. 'Electrifying, passionate, devoted, despairing, exhilarating . . . a tale of hope, resilience, grit and love.' Michael Binyon, The Times 'Orlando Figes has wrought something beautiful from dark times' Ian Thomson, Observer 'Moving . . . a remarkable discovery.' Max Hastings, Sunday Times 'Figes has achieved something extraordinary . . . the gulag story lacks individuals for us to sympathise with: a Primo Levi, an Anne Frank or even an Oskar Schindler. Just Send Me Word may well be the book to change that . . . the kind of love that most of us can only dream of.' Oliver Bullough, Independent 'A heartening gem of a book.' Anna Reid, Literary Review

Terror Flyers

The Lynching of American Airmen in Nazi Germany

Indiana University Press Terror Flyers examines the "lynch justice" (Lynchjustiz) committed against American airmen in Nazi Germany during World War II. Using engaging first-person accounts of downed pilots, as well as previously unused primary sources, Terror Flyers challenges the notion that such lynchings were exclusively the domain of Nazi party officials and soldiers. New evidence reveals ordinary German people executed Lynchjustiz as well. Initially occurring as a spontaneous reaction to the devastation of the Allied air campaign against the cities of the Third Reich, Lynchjustiz offered the Nazi regime a unique propaganda opportunity to harness the outrage of the German population. Fueled by inspiration from America's own history of the lynching of African Americans, Nazi propaganda exploited the very same imagery found in US publications to escalate the anger of the German people. Drawing heavily on the accounts of the downed airmen themselves, testimonies from the "flyer trials" held in Dachau during 1945-48, and rarely seen Nazi propaganda, Terror Flyers offers a new narrative of this previously overlooked aspect of the Allied campaign in Europe and suggests that at least 3,000 cases of lynch justice likely occurred between 1943 and 1945.

Ethical Water Stewardship

Springer Nature This interdisciplinary book brings philosophers and non-philosophers to the table to address questions of water ethics, specifically in terms of how moral questions inform decision making around water security at local, national, and international scales. Water security, which pertains to the experience of assured access to clean water, is a broad concept that intersects human rights, politics, economics, law, legislation, public health, trade, agriculture, and energy. Decisions made at each of these intersection points have ramifications for human well being, especially for the populations that are marginalized in a societal and political sense. In this book, the ethical dimensions of decision-making at those intersection points are explored, and real-world examples are used to tease out some key insights. It charts how ethical consideration can help shape a future in which everyone will be water secure.

The Zombie Survival Guide

Complete Protection from the Living

Dead

Broadway Books An illustrated, comprehensive guide to surviving an attack by hordes of the predatory undead explains zombie physiology and behavior, the most effective weaponry and defense strategies, how to outfit one's home for a long siege, and how to survive in any territory or terrain. Original. 35,000 first printing.

American Foreign Policy

Past, Present, and Future

The twelfth edition of *American Foreign Policy* comes at a time when Donald Trump's presidency is breaking away from many of the traditional foundation points in American foreign policy in terms of how foreign policy is made and its content. The results have pleased some and angered others but almost uniformly raised political tensions at home and abroad. This text does not try to present students with an answer on how best to move American foreign policy forward. Rather, it is designed to help students cultivate the critical thinking skills they need to develop their own answers and participate in current and future debates about the conduct and content of U.S. foreign policy. New to this Edition The twelfth edition introduces students to key facets of Trump's foreign policy style and the content of his decisions. It adds to the previous edition more extensive discussions of China trade policy, the conflict with Iran, relations with Russia, U.S. involvement in Africa, and arms control talks with North Korea, as well as providing a foundation for understanding the Congressional move to impeachment. Critical Thinking Features Dateline sections open each chapter and introduces students to the material via a short contemporary case study Historical Lessons provides a historical context for students to understand current U.S. foreign policy issues and is linked to the Dateline feature Over the Horizon sections conclude each chapter with a speculative view to the future to spur student thinking about how American foreign policy might evolve in the coming years

Brand vs. Wild

Building Resilient Brands for Harsh Business Environments

Routledge Today's business leaders operate in an increasingly harsh environment. Uncertainty in the economy causes paralysis. Quarterly goals drive short-term and shortsighted decisions. Workforce mobility kills loyalty. Iconic products decline as fast as start-ups create new categories. And the pressure to do more with less, combined with the multiplicity of available marketing tools and technology, can be

overwhelming. Now more than ever, brands and the people who lead them need clarity and guidance. The good news is that people have found ways to thrive in harsh environments for millennia. Author Jonathan David Lewis, combining the lessons of group survival dynamics with more than a decade of proprietary research into the factors that cause companies to lose their way, shows leaders how to thrive in unforgiving business environments by learning to: Focus on navigating risk instead of trying to measure or reduce it. Cultivate your brand's will to live by staying positive and asking the most important question: Are you worth it? Read the brand signs by observing the market, keeping an eye on performance measures, engaging your team, and listening to your gut. Develop a concept of "mission" to ensure internal alignment and reduce friction. Act with urgency rather than waiting for the right circumstance. Brand vs. Wild helps readers understand the wilderness in which they find their companies and identify the specific steps they must take to thrive in the Brand Wilderness. There is hope in a harsh business world. And Brand vs. Wild is it.
