JOHN NEWTON

A SLAVE SET FREE

CF4kids **The man who wrote the song 'Amazing Grace' began his career as the captain of a slave ship. When God changed his heart and his life, he began to free the people he kept captive. This is the amazing story of how Newton found 'amazing grace' and became a champion of the faith and abolition.**

THE GOVERNMENT OF NO ONE

THE THEORY AND PRACTICE OF ANARCHISM

Penguin UK **A magisterial study of the history and theory of one of the most controversial political movements Anarchism routinely gets a bad press. It's usually seen as meaning chaos and disorder -- or even nothing at all. And yet, from Occupy Wall Street to Pussy Riot, Noam Chomsky to David Graeber, this philosophical and political movement is as relevant as ever. Contrary to popular perception, different strands of anarchism -- from individualism to collectivism -- do follow certain structures and a shared sense of purpose: a belief in freedom and working towards collective good without the interference of the state. In this masterful, sympathetic account, political theorist Ruth Kinna traces the tumultuous history of anarchism, starting with thinkers and activists such as Peter Kropotkin and Emma Goldman and through key events like the Paris Commune and the Haymarket affair. Skilfully introducing us to the nuanced theories of anarchist groups from Russia to Japan to the United States, *The Government of No One* reveals what makes a supposedly chaotic movement particularly adaptable and effective over centuries -- and what we can learn from it.**

BEFORE WE WERE YOURS

THE HEARTBREAKING NOVEL THAT HAS SOLD OVER ONE MILLION COPIES

Hachette UK **A heartbreaking story of love and loss, based on a true story OVER ONE MILLION COPIES SOLD | THE NO.1 NEW YORK TIMES BESTSELLER | WINNER OF GOODREADS CHOICE AWARDS BEST HISTORICAL FICTION AWARD ******* Memphis, Tennessee, 1939 Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge, until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents - but they quickly realize the dark truth... Aiken, South Carolina, present day Born into wealth and privilege, Avery Stafford seems to have it all: a successful career, a handsome fiancé, and a lavish wedding on the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. *****
Based on one of America's most notorious real-life scandals, in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country, *Before We Were Yours* is a riveting, wrenching and ultimately uplifting global bestseller. 'A tale of enduring power' Paula McLain 'It is impossible not to get swept up in this near-perfect novel' Huffington Post

SHAKESPEARE SURVEY: VOLUME 68, SHAKESPEARE, ORIGINS AND ORIGINALITY

Cambridge University Press **Shakespeare Survey** is a yearbook of Shakespeare studies and production. Since 1948, the Survey has published the best

international scholarship in English and many of its essays have become classics of Shakespeare criticism. Each volume is devoted to a theme, or play, or group of plays; each also contains a section of reviews of that year's textual and critical studies and of the year's major British performances. The theme for Volume 68 is 'Shakespeare, Origins and Originality'. The complete set of Survey volumes is also available online at <http://www.cambridge.org/online/shakespearesurvey>. This fully searchable resource enables users to browse by author, essay and volume, search by play, theme and topic, and save and bookmark their results.

FROM ADAM'S PEAK TO ELEPHANTA: SKETCHES IN CEYLON AND INDIA

THE EDUCATED MIND

HOW COGNITIVE TOOLS SHAPE OUR UNDERSTANDING

University of Chicago Press **The Educated Mind** offers a bold and revitalizing new vision for today's uncertain educational system. Kieran Egan reconceives education, taking into account how we learn. He proposes the use of particular "intellectual tools"—such as language or literacy—that shape how we make sense of the world. These mediating tools generate successive kinds of understanding: somatic, mythic, romantic, philosophical, and ironic. Egan's account concludes with practical proposals for how teaching and curriculum can be changed to reflect the way children learn. "A carefully argued and readable book. . . . Egan proposes a radical change of approach for the whole process of education. . . . There is much in this book to interest and excite those who discuss, research or deliver education."—Ann Fullick, *New Scientist* "A compelling vision for today's uncertain educational system."—*Library Journal* "Almost anyone involved at any level or in any part of the education system will find this a fascinating book to read."—Dr. Richard Fox, *British Journal of Educational Psychology* "A fascinating and provocative study of cultural and linguistic history, and of how various kinds of understanding that can be distinguished in that history are recapitulated in the developing minds of children."—Jonty Driver, *New York Times Book Review*

RUMORS OF ANOTHER WORLD

WHAT ON EARTH ARE WE MISSING?

Zondervan **What on earth are we missing?** Philip Yancey believes we are missing the supernatural hidden in everyday life. In *Rumors of Another World*, Yancey investigates the natural world and discovers the supernatural hiding in plain view. He grapples with why God made the world and what our role truly is, and seeks to answer the question, "How do I live in the natural world while expressing the values of the supernatural?" Philip writes, "I have come to understand faith as the

highest form of integrated encounter. Faith puts together, assembles, re-orders, accepting the entire world as God's handiwork. We live among clues, like rescuers sifting through pieces of stained glass shattered by a bomb, and only with a blueprint or some memory of original design can we begin to connect the shards, to assemble them into a pattern that makes sense of our world. "Nature and supernature are not two separate worlds, but different expressions of the same reality. To encounter the world as a whole, we need a more supernatural awareness of the natural world." Yancey invites readers to join him on a journey of discovery. He challenges us to tune into "rumors of another world," and connect the seen with the unseen. He promises that the grace-filled result will be a life of beauty, purpose, freedom, and faith.

NATE SAINT

OPERATION AUCA

CF4kids The story of Nate Saint, a missionary pilot, who was killed along with four others while bringing God's Word to the elusive Auca tribe in Ecuador.

DRAMATIC OPINIONS AND ESSAYS

WITH AN APOLOGY

ANCIENT CURIOUS AND FAMOUS WILLS

Beard Books An entertaining collection of wills, reflecting the times and the people who wrote them. This collection offers delightful reading for lawyers and laymen alike. As the author states: Wills reflect, as a mirror, the customs and habits of the times when written, as well as the characters of the writers. In the category of ancient wills, the reader will find the oldest written will, dated at 2550 B.C., as well as wills of such personages as Plato and Aristotle. Other categories in the collection include: wills in fiction and poetry; curious wills; testamentary and kindred miscellany; wills of famous foreigners, such as Napoleon and William Shakespeare; and wills of famous Americans, such as Benjamin Franklin and Thomas Jefferson.

SECULARISM AND ITS OPPONENTS FROM AUGUSTINE TO SOLZHENITSYN

Springer In this overview of secularism and its history, Kennedy traces, through a series of intellectual biographies of leading European thinkers such as Rousseau, Kant, Hegel, Marx, Dostoyevsky, and Solzhenitsyn, just how the Western world changed from religious to secular.

CHRISTMAS IN RITUAL AND TRADITION, CHRISTIAN AND PAGAN

Xist Publishing **Reflect on the Christmas Season with a Celebration of Virtue 1900** "To be honest, to be kind--to earn a little and spend a little less, to make upon the whole a family happier for his presence....here is a task.." - Robert Louis Stevenson, *A Christmas Sermon* A Christmas Sermon is not necessarily a book about Christmas. In fact, it is a book that tries to educate the reader preaching the Christian values of morality, humility and kindness. It is also a book about how to approach the end of a year and the eve of a new one full of hope and optimism. ,This book has been professionally formatted for e-readers and contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

ELIZA CALVERT HALL

KENTUCKY AUTHOR AND SUFFRAGIST

University Press of Kentucky In 1907, author, poet, essayist, and folk art historian Eliza Calvert Hall (1856--1935) published *Aunt Jane of Kentucky*, a collection of stories about rural life infused with the spirit and gentle good humor of its elderly narrator, Aunt Jane. The book and several sequels achieved wide popularity, reaching an estimated one million readers in her lifetime, and placed Hall in the front ranks of "local color" fiction writers of her time. Eliza Calvert Hall's life and work unfolded during a time of restlessness and change for American women. Born Eliza "Lida" Calvert in Bowling Green, Kentucky, Hall experienced the upheaval of both the Civil War and family scandal. Forced to help support her mother and four siblings by teaching school, she became a published poet, adopting her grandmother's name, Hall, as her pseudonym. At twenty-nine, she married William A. Obenchain, and in the space of eight years gave birth to four children. As Hall struggled to balance her writing career with the duties of a nineteenth-century wife and mother, suffragist Laura Clay was lobbying for every woman's right to vote. Hall joined the battle, writing fearlessly in support of suffrage and equality. While her passionate essays served as a direct appeal for this cause, her creative writing also carried a feminist spirit, celebrating the strength, humor, love, and art of the common woman. In *Eliza Calvert Hall: Kentucky Author and Suffragist*, Lynn E. Niedermeier tells the story of this remarkable Kentuckian for the first time. Hall's challenge was to balance the artist's creative ambitions with the crusader's passion for achieving the goal of political equality for American women. Her successes did not stem from privilege or leisure; although she was an acclaimed writer, Hall was an ordinary woman, a wife and mother of moderate economic means. Through the power of her words, she challenged others to match her courage, independence, intellectual energy, and loyalty to her sex.

TEN BOYS WHO MADE A DIFFERENCE

Christian Focus Examines the lives ten boys whose Christian faiths helped them change the world, starting with events from their boyhoods and continuing through their later lives.

MILES

Simon and Schuster Miles discusses his life and music from playing trumpet in high school to the new instruments and sounds from the Caribbean.

LETTERS FROM INDIA

COLLECTED GHOST STORIES

Wordsworth Editions Considered by many to be the most terrifying writer in English, M.R. James was an eminent scholar who spent his entire adult life in the academic surroundings of Eton and Cambridge. His classic supernatural tales draw on the terrors of the everyday, in which documents and objects unleash terrible forces, often in closed rooms and night-time settings where imagination runs riot. Lonely country houses, remote inns, ancient churches or the manuscript collections of great libraries provide settings for unbearable menace, from creatures seeking retribution and harm. These stories have lost none of their power to unsettle and disturb. This edition presents all of James's published ghost stories, including the unforgettable 'Oh, Whistle and I'll Come to You, My Lad' and 'Casting the Runes', and an appendix of James's writings on the ghost story. Darryl Jones's introduction and notes provide a fascinating insight into James's background and his mastery of the genre he made his own. --! From publisher's description.

THE COURT OF PHILIP IV.: SPAIN IN DECADENCE

Library of Alexandria Thus wrote William Camden with reference to his projected life of Lord Burghley, which was never written; and the words may be applied not inappropriately to the present book and its writer. Some years ago I passed many laborious months in archives and libraries at home and abroad, searching and transcribing contemporary papers for what I hoped to make a complete history of the long reign of Philip IV., during which the final seal of decline was stamped indelibly upon the proud Spanish empire handed down by the great Charles V. to his descendants. I had dreamed of writing a book which should not only be a social review of the period signalled by the triumph of French over Spanish influence in the civilisation of Europe, but also a political history of the wane and final disappearance of the prodigious national imposture that had enabled Spain, aided by the rivalries between other nations, to dominate the world for a century by moral force unsupported by any proportionate material power. The sources to be studied for such a history were enormous in bulk and widely scattered, and I worked very hard at my self-set task. But at

length I, too, began to wax faint-hearted; not, indeed, because my "noble Lord had died"; for no individual lord, noble or ignoble, has ever done, or I suppose ever will do, anything for me or my books; but because I was told by those whose business it is to study his moods, that the only "noble Lord" to whom I look for patronage, namely the sympathetic public in England and the United States that buys and reads my books, had somewhat changed his tastes. He wanted to know and understand, I was told, more about the human beings who personified the events of history, than about the plans of the battles they fought. He wanted to draw aside the impersonal veil which historians had interposed between him and the men and women whose lives made up the world of long ago; to see the great ones in their habits as they lived, to witness their sports, to listen to their words, to read their private letters, and with these advantages to obtain the key to their hearts and to get behind their minds; and so to learn history through the human actors, rather than dimly divine the human actors by means of the events of their times. In fact, he cared no longer, I was told, for the stately three-decker histories which occupied half a lifetime to write, and are now for the most part relegated, in handsome leather bindings, to the least frequented shelves of dusty libraries.

A HISTORY OF THE UNITED STATES

POPULAR BOOKS BY CECIL CHESTERTON : ALL TIMES BESTSELLER DEMANDING BOOKS

All content previously published in **Eyewitness Companions: Classical Music**.

THE TRIBES AND CASTES OF BENGAL

WEIRD SCENES INSIDE THE CANYON

LAUREL CANYON, COVERT OPS & THE DARK HEART OF THE HIPPIE DREAM

SCB Distributors The very strange but nevertheless true story of the dark underbelly of a 1960s hippie utopia. Laurel Canyon in the 1960s and early 1970s was a magical place where a dizzying array of musical artists congregated to create much of the music that provided the soundtrack to those turbulent times. Members of bands like the Byrds, the Doors, Buffalo Springfield, the Monkees, the Beach Boys, the Turtles, the Eagles, the Flying Burrito Brothers, Frank Zappa and the Mothers of Invention, Steppenwolf, CSN, Three Dog Night and Love, along with such singer/songwriters as Joni Mitchell, Judy Collins, James Taylor and Carole King, lived together and jammed together in the bucolic community nestled in the Hollywood Hills. But there was a dark side to that scene as well. Many didn't make it out alive, and many of those deaths remain shrouded in mystery to this day. Far more integrated into the scene than most would like to admit was a guy by the name of Charles Manson, along with his murderous entourage. Also floating about the periphery were various political operatives, up-and-coming politicians and intelligence personnel - the same sort of people who gave birth to many of the rock stars populating the canyon. And all the canyon's colorful characters - rock stars, hippies, murderers and politicians - happily coexisted alongside a covert military installation.

FIGHTING FOR HOPE

AFRICAN AMERICAN TROOPS OF THE 93RD INFANTRY DIVISION IN WORLD WAR II AND POSTWAR AMERICA

JHU Press "A rigorously researched, richly etched re-creation of the formation of the all-black Ninety-third Infantry Division, which fought in the Pacific theater." —*Journal of American History* This fascinating history shows how African-American military men and women seized their dignity through barracks culture and community politics during and after World War II. Drawing on oral testimony, unpublished correspondence, archival records, memoirs, and diaries, Robert F. Jefferson explores the curious contradiction of war-effort idealism and entrenched discrimination through the experiences of the 93rd Infantry Division. Led by white officers and presumably unable to fight—and with the army taking great pains to regulate contact between black soldiers and local women—the division was largely relegated to support roles during the advance on the Philippines, seeing action only later in the war when U.S. officials found it unavoidable. Jefferson discusses racial policy within the War Department, examines the

lives and morale of black GIs and their families, documents the debate over the deployment of black troops, and focuses on how the soldiers' wartime experiences reshaped their perspectives on race and citizenship in America. He finds in these men and their families incredible resilience in the face of racism at war and at home and shows how their hopes for the future provided a blueprint for America's postwar civil rights struggles. Integrating social history and civil rights movement studies, *Fighting for Hope* examines the ways in which political meaning and identity were reflected in the aspirations of these black GIs and their role in transforming the face of America. "A marvelous book." —*Annals of Iowa*

PROTESTING ON BENDED KNEE

RACE, DISSENT, AND PATRIOTISM IN 21ST CENTURY AMERICA

Digital Press at the University of North Dakota "That a marketing campaign showcasing Kaepernick could roil emotions and dominate headlines testifies to the electrifying nature of his historic crusade against inequality generally and police brutality particularly. Kaepernick began protesting these matters on the field of play in August 2016, when he was a San Francisco 49ers' quarterback, doing so initially by sitting and later by kneeling during the national anthem. Others followed suit. These gestures incited a national furor, and several of this volume's essays were originally published during that tumultuous period. [...] All of the essays offer perceptive insights about the protests; collectively, they provide a panoramic view of them; most importantly, they show, as does the Introduction, that this tale, with its vast cast and varied scenes, with its knotty conundrums that could not be undone perhaps by any means, was but the latest chapter in a still-grander saga, that of black Americans' fight for freedom, an epic struggle that has necessitated many sacrificing some and some sacrificing everything"--Introduction.

CHRONICLES OF LONDON BRIDGE

NARRATIVE AND IDENTITY

STUDIES IN AUTOBIOGRAPHY, SELF AND CULTURE

John Benjamins Publishing **Annotation** This text evolved out of a December 1995 conference at the International Research Center for Cultural Studies (IFK) in Vienna, attended by scholars from psychology, psychiatry, philosophy, social sciences, literary theory, classics, communication, and film theory, and exploring the importance of narrative as an expression of our experience, as a form of communication, and as a form for understanding the world and ourselves. Nine scholars from Canada, the US, and Europe contribute 12 essays on the relationship between narrative and human identity, how we construct what we call our lives and create ourselves in the process. Coverage includes theoretical perspectives on the

problem of narrative and self construction, specific life stories in their cultural contexts, and empirical and theoretical issues of autobiographical memory and narrative identity. Annotation c. Book News, Inc., Portland, OR (booknews.com).

DESIGNER SEX

InterVarsity Press **Sex** holds a mysterious power over us and our society. While sex can become an idolatrous obsession, it also reflects divine transcendence. Philip Yancey unveils the sacred nature of sex and shows how it was designed to point us not merely toward union with one another, but also with God.

A THOUSAND AND ONE AFTERNOONS IN CHICAGO

University of Chicago Press In 1921, Ben Hecht wrote a column for the *Chicago Daily News* that his editor called “journalism extraordinary; journalism that invaded the realm of literature.” Hecht’s collection of sixty-four of these pieces, illustrated with striking pen drawings by Herman Rosse, is a timeless caricature of urban American life in the jazz age, updated with a new Introduction for the twenty-first century. From the glittering opulence of Michigan Avenue to the darkest ruminations of an escaped convict, from captains of industry to immigrant day laborers, Hecht captures 1920s Chicago in all its furor, intensity, and absurdity. “The hardboiled audacity and wit that became Hecht’s signature as Hollywood’s most celebrated screen-writer are conspicuous in these vignettes. Most of them are comic and sardonic, some strike muted tragic or somber atmospheric notes. . . . The best are timeless character sketches that have taken on an added interest as shards of social history.”—L. S. Klepp, *Voice Literary Supplement*

HELP YOUR KIDS LEARN AND LOVE THE BIBLE

Baker Books As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child's relationship with the Lord through his Word.

AMERICA AND THE ARMENIAN GENOCIDE OF 1915

Cambridge University Press Before Rwanda and Bosnia, and before the Holocaust, the first genocide of the twentieth century happened in Turkish Armenia in 1915, when approximately one million people were killed. This volume is an account of the American response to this atrocity. The first part sets up the framework for understanding the genocide: Sir Martin Gilbert, Vahakn Dadrian and Jay Winter provide an analytical setting for nine scholarly essays examining how Americans learned of this catastrophe and how they tried to help its victims. Knowledge and compassion, though, were not enough to stop the killings. A terrible precedent was born in 1915, one which has come to haunt the United States and other Western countries throughout the twentieth century and beyond. To read the essays in this volume is chastening: the dilemmas Americans faced when confronting evil on an unprecedented scale are not very different from the dilemmas we face today.
