### The Machu Picchu Guidebook

### A Self-guided Tour

Big Earth Publishing *"The best all around guide for those who've been or who are going to Machu Picchu . . . Absolutely indispensable!"--Don Montague, president, South American Explorers. This revised edition includes newly discovered sites and full-color illustrations of real-life scenes from "National Geographic."*

### The Grand Food Bargain

### and the Mindless Drive for More

Island Press *When it comes to food, Americans seem to have a pretty great deal. Our grocery stores are overflowing with countless varieties of convenient products. But like most bargains that are too good to be true, the modern food system relies on an illusion. It depends on endless abundance, but the planet has its limits. So too does a healthcare system that must absorb rising rates of diabetes and obesity. So too do the workers who must labor harder and faster for less pay. Through beautifully-told stories from around the world, Kevin Walker reveals the unintended consequences of our myopic focus on quantity over quality. A trip to a Costa Rica plantation shows how the Cavendish banana became the most common fruit in the world and also one of the most vulnerable to disease. Walker's early career in agribusiness taught him how pressure to sell more and more fertilizer obscured what that growth did to waterways. His family farm illustrates how an unquestioning belief in "free markets" undercut opportunity in his hometown. By the end of the journey, we not only understand how the drive to produce ever more food became hardwired into the American psyche, but why shifting our mindset is essential. It starts, Walker argues, with remembering that what we eat affects the wider world. If each of us decides that bigger isn't always better, we can renegotiate the grand food bargain, one individual decision at a time.*

### Tour Guiding Research

### Insights, Issues and Implications

Channel View Publications *This book provides an authoritative, state-of-the-art review of tour guiding scholarship and research. It aims to foster best practice and to stimulate further study and research on tour guiding across a range of disciplines. The book is well-illustrated and its accessible style with chapter summaries makes it ideal for students as well as researchers.*

### Lonely Planet's Best in Travel 2020

Lonely Planet *This annual bestseller ranks the hottest countries, regions and cities for 2020, and reveals how well-planned, sustainable travel can be a force for good. Drawing on the knowledge and passion of Lonely Planet's staff, authors and online community, we present a year's worth of inspiration to take you out of the ordinary and into the unforgettable.*

### Machu Picchu

### Exploring an Ancient Sacred Center

ISD LLC *Machu Picchu, recently voted one of the New Wonders of the World, is one of the world's most famous archaeological sites, yet it remains a mystery. Even the most basic questions are still unanswered: What was its meaning and why was it built in such a difficult location? Renowned explorer Johan Reinhard attempts to answer such elusive questions from the perspectives of sacred landscape and archaeoastronomy. Using information gathered from historical, archaeological, and ethnographical sources, Reinhard demonstrates how the site is situated in the center of sacred mountains and associated with a sacred river, which is in turn symbolically linked with the sun's passage. Taken together, these features meant that Machu Picchu formed a cosmological, hydrological, and sacred geological center for a vast region.*

### Where Is Machu Picchu?

Penguin *What's left of Machu Picchu stands as the most significant link to the marvelous Inca civilization of Peru. Now readers can explore these ruins in this compelling Where Is? title. Built in the fifteenth century and tucked away in the mountains of Peru, Machu Picchu was abandoned after the Spaniards conquered the Incan empire in the sixteenth century. It remained hidden until 1911 when Hiram Bingham uncovered the marvelous complex and shared his discovery with the world. Today, hundreds of thousands of people visit the site to climb the 3,000 stone steps, explore the towering monuments, and see the numerous species that call these famous ruins home.*

## Turn Right at Machu Picchu

### Rediscovering the Lost City One Step at a Time

[Penguin](#) *THE NEW YORK TIMES BESTSELLING TRAVEL MEMOIR* What happens when an unadventurous adventure writer tries to re-create the original expedition to Machu Picchu? In 1911, Hiram Bingham III climbed into the Andes Mountains of Peru and “discovered” Machu Picchu. While history has recast Bingham as a villain who stole both priceless artifacts and credit for finding the great archeological site, Mark Adams set out to retrace the explorer’s perilous path in search of the truth—except he’d written about adventure far more than he’d actually lived it. In fact, he’d never even slept in a tent. *Turn Right at Machu Picchu* is Adams’ fascinating and funny account of his journey through some of the world’s most majestic, historic, and remote landscapes guided only by a hard-as-nails Australian survivalist and one nagging question: Just what was Machu Picchu?

### Lonely Planet Best of Peru

[Lonely Planet](#) *Lonely Planet's Best of Peru* is your passport to Peru's top sights and most authentic experiences. Scale the heights of Machu Picchu; puzzle over the Nazca Lines; or visit the sweltering, seductive Amazon Basin, all with your trusted travel companion.

### Study Abroad and the Quest for an Anti-Tourism Experience

[Lexington Books](#) With contributions from anthropologists and cultural theorists, *Study Abroad and the Quest for an Anti-Tourism Experience* examines the culture and cultural implications of student travel. Drawing on rich case studies from the Arctic to Africa, Asia to the Americas, this impressive array of experts focuses on the challenges and ethical implications of student engagement, service and volunteering, immersion, research in the field, local community engagement, and crafting a new generation of active, engaged global citizens. This volume is a must-read for students, practitioners, and scholars.

## Lost City

### The Discovery of Machu Picchu

[Penguin](#) Caldecott Honor-winner Ted Lewin takes readers on a thrilling journey to the wilds of Peru in this story of Hiram Bingham, who, in 1911, carved a treacherous path through snake-filled jungles and across perilous mountains in search of Vilcapampa, the lost city of the Incas. Guided the last steps by a young Quechua boy, however, he discovered not the rumored lost city, but the ruins of Machu Picchu, a city totally unknown to the outside world, and one of the wonders of the world.

## Machu Picchu

### A Civil Engineering Marvel

[Amer Society of Civil Engineers](#) Presents a detailed study of Machu Picchu's construction. Tells as much about the practical challenges of building a city as it does about the mysterious Inca.

## Authentic India

### Fresh perspectives on familiar places

[Horizon Guides](#) *Horizon Guides' Authentic India* is your guide to getting fresh perspectives on some of India's most popular places. This book provides the inspiration you need to get a taste of classic India routes, with a guide to how to experience them in deeper, more authentic ways. We examine how you can get beyond the Taj Mahal on a Golden Triangle trip, how to learn more about India's many religions, how to explore coastlines away from touristy Goa, how to experience life on a houseboat in Kerala – and much more. In this guide: - In-depth travel planning guides to classic India routes - First-hand travel experiences from India experts - Route maps highlighting potential itineraries - Guidance on when to visit and what to experience Our *Authentic India* book is designed to help travellers experience India beyond the obvious. Get inspired by our first-hand experiences and get planning with our in-depth guides.

### CDC Yellow Book 2018: Health Information for International Travel

[Oxford University Press](#) *THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018* As unprecedented numbers of travelers cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the *CDC Yellow Book 2018: Health Information for International Travel* is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 *Yellow Book* also addresses the needs of specific types of travelers, with dedicated sections on: - Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities - Special considerations for newly arrived adoptees, immigrants, and refugees - Practical tips for last-minute or resource-limited travelers - Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the *Yellow Book* is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.

## The Game

### Undercover in the Secret Society of Pickup Artists

[Canongate Books](#) *THE 2.5 MILLION COPY SELLING WORLDWIDE PHENOMENON MEN WILL DENY IT, WOMEN WILL DOUBT IT. I BEG YOU FOR YOUR FORGIVENESS IN ADVANCE . . .* *The Game* recounts the incredible adventures of an everyday man who transforms himself from a shy, awkward writer into the quick-witted, smooth-talking Style, a character irresistible to women. But just when life is better than he could ever have dreamed, he falls head over heels for a woman who can beat him at his own game. Jaw-dropping and hilarious, *The Game* reveals the naked truth about sex, love, relationships - and getting exactly what you want.

## Born to Run

### The hidden tribe, the ultra-runners, and the greatest race the world has never seen

Profile Books At the heart of *Born to Run* lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

## Tourism and Archaeological Heritage Management at Petra

### Driver to Development Or Destruction?

Springer Science & Business Media In 1985, Petra was included on the list of World Heritage Sites. Since then, low cost jet travel and a fast highway from Amman have made the site increasingly accessible. This book asks the question: will tourism damage the archaeological remains there in ways that make answers more difficult or even impossible to find?

## Debt

### The First 5,000 Years

Melville House Publishing Economic history states that money replaced a bartering system, yet there isn't any evidence to support this axiom. Anthropologist Graeber presents a stunning reversal of this conventional wisdom. For more than 5000 years, humans have used elaborate credit systems to buy and sell goods. Since the beginning of the agrarian empires, humans have been divided into debtors and creditors. Through time, virtual credit money was replaced by gold and the system as a whole went into decline. This fascinating history is told for the first time.

## The Celestine Prophecy

Grand Central Publishing THE #1 BESTSELLING INTERNATIONAL PHENOMENON - NOW WITH A NEW PREFACE You have never read a book like this before--a book that comes along once in a lifetime to change lives forever. In the rain forests of Peru, an ancient manuscript has been discovered. Within its pages are 9 key insights into life itself -- insights each human being is predicted to grasp sequentially; one insight, then another, as we move toward a completely spiritual culture on Earth. Drawing on ancient wisdom, it tells you how to make connections among the events happening in your life right now and lets you see what is going to happen to you in the years to come. The story it tells is a gripping one of adventure and discovery, but it is also a guidebook that has the power to crystallize your perceptions of why you are where you are in life and to direct your steps with a new energy and optimism as you head into tomorrow. Praise for *The Celestine Prophecy* "A gripping adventure story filled with intrigue, suspense, and spiritual revelations." - Commonwealth Journal "A spiritual classic...a book to read and reread, to cherish, and to give to friends." - Joan Borysenko, PhD, author of *Fire in the Soul* "In his inimitable style of great storytelling, Redfield opens us up to a world of insight, inspiration, synchronicity, and power." - Deepak Chopra

## The Galapagos

Profile Books Formed of dramatic volcanic scenery and home to marvellous beasts, it is little wonder that the first name for the Galapagos archipelago was *Las Encantadas*: the enchanted islands. In this captivating natural history, Henry Nicholls builds up the ecology of these famous islands, from their explosive origins to the arrival of the archipelago's celebrated reptiles and ultimately humans. It's a story of change, as the islands are transformed from lava-strewn wilderness into a vital scientific resource and a sought-after destination for eco-enthusiasts. Charles Darwin's five-week visit to the Galapagos in 1835 played a pivotal role in this transformation. At the time, he was more interested in rocks than finches, took the opportunity to ride on the backs of tortoises and fling iguanas into the sea. Yet the Galapagos experience can be an inspiration and it certainly was for Darwin, pointing him towards one of the most important and influential ideas in the history of humankind: evolution by natural selection. And with the Darwin connection, the Galapagos found itself propelled onto a global stage. But worldwide fame has brought with it nearly 200,000 tourists a year and a human population now estimated at around 30,000. If Darwin learned from the Galapagos, so we must too. For what happens here in years to come foreshadows the fate of threatened ecosystems everywhere on earth.

## Adventure Motorcycling Handbook

### A Route and Planning Guide to Asia, Africa and Latin America

Practical guide for anyone planning a long-distance motorcycling trip. Choosing, preparing and equipping a motorbike, documentation and shipping, life on the road, trans-continental route outlines: Asia, Africa & Latin America. Updated and now in full colour, this best-seller has been in print for almost 30 years.

## Tour of the Matterhorn

Cicerone PressLtd A guide to the 145km Tour of the Matterhorn, described anti-clockwise from Zermatt and visits 6 valleys via Zinal, Arolla and Breuil, offering spectacular views of 25 peaks of over 4000m. The route also links up with the Chamonix to Zermatt walkers' Haute Route and the Tour of Monte Rosa. Includes two glacier crossings and takes 8 to 10 days.

## Digital Quality Management in Construction

Routledge Much has been written about Building Information Modelling (BIM) driving collaboration and innovation, but how will future quality managers and engineers develop digital capabilities in augmented and video realities, with business intelligence platforms, robots, new materials, artificial intelligence, blockchains, drones, laser scanning, data trusts, 3D printing and many other types of technological advances in construction? These emerging technologies are potential game changers that require new skills and processes. *Digital Quality Management in Construction* is the first 'how to' book on harnessing novel disruptive technology in construction quality management. The book takes a tour of the new technologies and relates them to the management of quality, but also sets out a road map to build on proven lean construction techniques and embed technologically based processes

to raise quality professionals' digital capabilities. With the mountain of data being generated, quality managers need to unlock its value to drive the quality of construction in the twenty-first century, and this book will help them do that and allow those working in construction Quality Management to survive and thrive, creating higher quality levels and less waste. This book is essential reading for quality managers, project managers and all professionals in the Architecture, Engineering and Construction industry (AEC). Students interested in new and disruptive technologies will also learn a great deal from reading this book, written by a professional quality manager with nearly thirty years' experience in both the public and private sectors.

## Lost City of the Incas

Hachette UK First published in the 1950s, this is a classic account of the discovery in 1911 of the lost city of Machu Picchu. In 1911 Hiram Bingham, a pre-historian with a love of exotic destinations, set out to Peru in search of the legendary city of Vilcabamba, capital city of the last Inca ruler, Manco Inca. With a combination of doggedness and good fortune he stumbled on the perfectly preserved ruins of Machu Picchu perched on a cloud-capped ledge 2000 feet above the torrent of the Urubamba River. The buildings were of white granite, exquisitely carved blocks each higher than a man. Bingham had not, as it turned out, found Vilcabamba, but he had nevertheless made an astonishing and memorable discovery, which he describes in his bestselling book LOST CITY OF THE INCAS.

## Three Weeks With My Brother

Hachette UK From the author of *The Notebook*, this is the story of two brothers deeply bound by love and tragedy and an extraordinary chronicle of a life-affirming trip In January 2003 Nicholas Sparks and his brother Micah set off on a three-week trip around the world. An adventure by any measure, this trip was especially meaningful as it marked another milestone in the life journey of two brothers who, by their early thirties, were the only surviving members of their family. As Nicholas and Micah travel the globe, from the Taj Mahal to Machu Picchu, the story of their family slowly unfolds. Just before Nicholas' marriage he and Micah lost their mother in a horseriding accident; a week short of Nicholas' triumphant debut as a novelist with *THE NOTEBOOK*, the brothers lost their father to a car crash, and just a few short years later they were forced to say goodbye to their sister who died of brain cancer at the young age of 36. Against the backdrop of the main wonders of the world the brothers come together to heal the wounds of this tragic legacy and maintain their determination to live life to its fullest. \*The breathtaking new love story from Nicholas Sparks, *Every Breath*, is available to pre-order now\*

## Overlanders' Handbook

## Worldwide Route and Planning Guide - Car, 4wd, Van, Truck

Trail Blazer Publications "From Timbuktu to Kathmandu via Machu Picchu Overlanders' Handbook covers everything you need to know in one comprehensive manual"--Back cover.

## Handbook on Marketing Transnational Tourism Themes and Routes

*This ETC and UNWTO Handbook on Marketing Transnational Tourism Themes and Routes aims at acquiring a deeper understanding of the transnational tourism themes and routes that are already proposed to travellers. Through illustrative case studies it furthermore provides practical guidance - especially for NTAs and NTOs - on the the creation and implementation of tourism routes, on marketing thematic tourism, including its development, management and promotion. The handbook will enrich UNWTO's tools for innovation, and feed into the ETC's 'Destination Europe 2020' strategy, contributing also to the development and promotion of its VisitEurope.com Internet portal.*

## Peru - Culture Smart!

## The Essential Guide to Culture and Customs

Bravo Limited Peru is associated with ancient civilizations, awe-inspiring Inca cities, ruthless conquistadores, spectacular Andean scenery, astonishing biodiversity, and colorful woven textiles. All true--but visitors will find a great deal more to Peru than this. The two distinctive cultures that first encountered each other five hundred years ago have, progressively, integrated. This process of mixing, however, raises questions about Peruvian identity. Peruvian society is divided between the wealthy, Westernized, coastal urban populations and the poorer, traditional, indigenous peoples, many of whom have migrated from the Andes to the cities. Since the flight of the discredited President Fujimori in 2000 there has been a surge of economic growth and development, and continuing social inequality. Peruvians are increasingly embracing consumerism, but for their happiness they still depend on each other, and the family is paramount. This new, updated edition of *Culture Smart! Peru* charts the rapid changes taking place in the country, including the election in 2011 of the left-leaning President Ollanta Humala, the third democratically elected president in a row. It describes how history and geography have shaped contemporary Peruvian values and attitudes. It provides insights into religious and public life, and reveals what people are like at home, in business, and in their social lives. Most Peruvians are laid-back and surprisingly calm and carefree, given the many uncertainties they face. They are outgoing and sociable. Get to know them, and they will respond with warmth and generosity.

## Your Career Break

## The 'How-To' Guide

Author House If you've ever found yourself dreaming of doing something different in your life that will take longer than your annual holiday allowance, then a career break may be right for you. Consider these questions: Is there something you want to achieve that isn't being fulfilled by your work, relationships, or home life? Are you looking for something more meaningful in life? The book is full of stories, reasons and exercises to make you feel not only comfortable that you can do it but excited to take the plunge finally. -- Jeff Jung, Author of *The Career Break Traveler's Handbook* and Host of *The Career Break Travel Show*

## The Circle

Penguin UK NOW A MAJOR MOTION PICTURE starring Tom Hanks, Emma Watson and John Boyega A thrilling and compulsively addictive novel about our obsession with the internet When Mae is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. Run out of a sprawling California campus, the Circle links users' personal emails, social media, and finances with their universal operating system, resulting in one online identity and a new age of transparency. Mae can't believe her great fortune to work for them - even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public ... 'Tremendous. Inventive, big hearted and very funny. Prepare to be addicted' Daily Mail 'Prescient, important and enjoyable . . . a deft modern synthesis of Swiftian wit with Orwellian prognostication' Guardian 'A gripping and highly unsettling read' Sunday Times

## Tipon

### Water Engineering Masterpiece of the Inca Empire

[Amer Society of Civil Engineers](#) Wright takes readers on a tour of Tipon's canals, plazas, aqueducts, and fountains--infrastructure that transformed a remote mountainside into a true engineering marvel.

### 1,000 Places To See Before You Die 2019 Calendar

### PICTURE-A-DAY

### Meet Me in Atlantis

### My Obsessive Quest to Find the Sunken City

[Text Publishing](#) The New York Times bestselling author of *Turn Right at Machu Picchu* sets out to uncover the truth behind the legendary lost city of Atlantis. A few years ago, Mark Adams made a strange discovery: everything we know about the famous city of Atlantis comes from the work of Plato. Then he made a second, stranger discovery: amateur explorers are still actively searching for the sunken city all around the world, based entirely on the clues Plato left behind. *Meet Me in Atlantis* is Adams's enthralling account of his quest to solve one of history's greatest mysteries. It is a travelogue that takes readers to fascinating locations to meet irresistible characters, an intriguing examination of ancient codes in Plato's writings, and a deep, often humorous look at the human longing to rediscover a lost world. Mark Adams is the author of the acclaimed history *Mr. America*, which the *Washington Post* named a Best Book of 2009. A writer for many publications, including *GQ*, *Outside* and the *New York Times*, he lives near New York City with his wife and children. 'The collision between Adams' youthful zeal and journalistic sensibilities provide an arresting dichotomy to an absorbing search...Fact or fiction, Atlantis, as the author ably demonstrates, still has the power to enthral inquiring minds.' *Kirkus* 'Adam's informal prose acts as a remedy transforming an academic topic into a work of travelogue, investigative journalism, and serious philosophical examination.' *Publishers Weekly* 'Writing with the same jaunty style as *Turn Right at Machu Picchu*, Adams merrily entertains the lost-cities audience.' *Booklist* 'Adventurous, inquisitive and mirthful, Mark Adams gamely sifts through the eons of rumor, science, and lore to find a place that, in the end, seems startlingly real indeed.' *Hampton Sides*, author of *In the Kingdom of Ice* 'Adams maintains a journalistic scepticism and a buoyant sense of humour, making Atlantis a gripping journey.' *Entertainment Weekly* 'An entertainingly written guide to discerning history from myth and sorting out the knowledge from the nutjobs.' *New Zealand Listener* 'Never less than entertaining...touching and revealing.' *Australian* 'Meet Me in Atlantis is like a detective story that tries to assemble all the evidence in one place, but it's also a travelogue and a comprehensive history...An informative and engrossing read.' *Good Reading* 'Funny, engaging and skeptical, *Meet Me In Atlantis* is the ultimate travelogue to nowhere.' *Vacations and Travel*

### The Real Book of Real Estate

### Real Experts. Real Stories. Real Life.

[ReadHowYouWant.com](#) From the #1 bestselling author of "Rich Dad, Poor Dad" comes the ultimate guide to real estate--the advice and techniques every investor needs to navigate through the ups, downs, and in-betweens of the market.

### The Lonely Planet Guide to the Middle of Nowhere

An entertaining travelogue brings together fifty firsthand accounts about travelers' journeys to some of the most remote or less-traveled spots on the globe, capturing their unique experiences of and adventures in locations around the world. Original.

### Making Machu Picchu

### The Politics of Tourism in Twentieth-Century Peru

[UNC Press Books](#) Speaking at a 1913 National Geographic Society gala, Hiram Bingham III, the American explorer celebrated for finding the "lost city" of the Andes two years earlier, suggested that Machu Picchu "is an awful name, but it is well worth remembering." Millions of travelers have since followed Bingham's advice. When Bingham first encountered Machu Picchu, the site was an obscure ruin. Now designated a UNESCO World Heritage Site, Machu Picchu is the focus of Peru's tourism economy. Mark Rice's history of Machu Picchu in the twentieth century—from its "discovery" to today's travel boom—reveals how Machu Picchu was transformed into both a global travel destination and a powerful symbol of the Peruvian nation. Rice shows how the growth of tourism at Machu Picchu swayed Peruvian leaders to celebrate Andean culture as compatible with their vision of a modernizing nation. Encompassing debates about nationalism, Indigenous peoples' experiences, and cultural policy—as well as development and globalization—the book explores the contradictions and ironies of Machu Picchu's transformation. On a broader level, it calls attention to the importance of tourism in the creation of national identity in Peru and Latin America as a whole.

### Engineering the Taj Mahal

[Core Library](#) The Taj Mahal, a majestic mausoleum in India, continues to amaze visitors with its beauty nearly 400 years after its construction. *Engineering the Taj Mahal* discusses the emperor behind the famous structure, the precise engineering used by the designers, and the ways in which India is preserving the mausoleum so that it can continue to impress future generations. Easy-to-read text, vivid images, and helpful back matter give readers a clear look at this subject. Features include a table of contents, infographics, a glossary, additional resources, and an index. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

### Lonely Planet South America

[Lonely Planet](#) Lonely Planet's South America is your passport to the most up-to-date advice on what to see and skip, and what hidden discoveries await you. Trek to Machu Picchu, lose count of wildlife species in the Amazon and party until the early hours in Rio - all with your trusted travel companion.

## History's Marvellous Mistakes

*'History's Marvellous Mistakes' is a biography of Christopher Columbus, the Kellogg brothers and Alexander Fleming - the people behind three amazing discoveries that were made by mistake 'Oxford Reading Tree inFact' is a non-fiction series that aims to engage children in reading for pleasure as powerfully as fiction does.*

## The West Highland Way
