I, Monster

Serial Killers in Their Own Chilling Words

Prometheus Books What goes through the dark minds of such notorious killers as Ted Bundy, Jeffrey Dahmer, David Berkowitz ("Son of Sam"), John Wayne Gacy, Dennis Rader (the "BTK Killer"), and others? In this chilling book, you'll read exactly what they were thinking in their own words as they committed horrible crimes. Using court transcripts and police interviews, veteran true-crime and crime-fiction writer Tom Philbin has compiled the testimony of twenty infamous serial killers—nineteen men and one woman. For fans of crime stories who look for realism, this book is like no other. The descriptions couldn't be more realistic since, in effect, the book is written by the serial killers themselves. Their words range from the bizarre and weirdly fascinating to the revolting and horrific. In each case, Philbin provides a background profile to give readers a sense of the context from which these monsters emerged. Though they come from different backgrounds, nationalities, and generations, their words do reveal certain common elements. Not one evinces any sense of compassion or sensitivity in regard to their victims. They appear to be unable to control the impulses that lead them to kill. And in many cases, they derive a perverse sexual satisfaction from their deeds. Taking true-crime reading to a new level of immediacy, this disturbing book offers a glimpse into the worst side of human nature.

The Killer Book of Infamous Murders

Incredible Stories, Facts, and Trivia from the World's Most Notorious Murders

Sourcebooks, Inc. Spine-chilling Tales of the Ultimate Evil Deeds Murders have long made headlines, but only those with the most heartless betrayals, twisted lies, and gruesome crime scenes have earned a place in infamy. The Killer Book of Infamous Murders takes you behind the crime scene tape and into the heart of notorious and remorseless massacres. Uncover fascinating facts about killers' dark pasts, pent-up rage, and what finally caused them to snap-leading them to commit some of the world's most shocking crimes, including: Leopold and Loeb's "perfect crime": the kidnapping and slaying of fourteen-year-old Bobby Franks The bloody shootings of Alan and Diane Johnson, killed by their sixteen-year-old daughter The cold-blooded murder of the Clutter family The puzzling and controversial murder of Marilyn Sheppard And much more... Bury yourself in these edge-of-your-seat tales, read chilling quotes and courtroom transcripts, and test your crime IQ with trivia. You'll shudder in horrified delight-and you just might need to sleep with the lights on.

The Encyclopedia of Serial Killers

Infobase Publishing The Encyclopaedia of Serial Killers, Second Edition provides accurate information on hundreds of serial murder cases - from early history to the present. Written in a non-sensational manner, this authoritative encyclopaedia debunks many of the myths surrounding this most notorious of criminal activities. New major serial killers have come to light since the first edition was published, and many older cases have been solved (such as the Green River Killer) or further investigated (like Jack the Ripper and the Zodiac Killer). Completely updated entries and appendixes pair with more than 30 new photographs and many new entries to make this new edition more fascinating than ever. New and updated entries include: Axe Man of New Orleans; BTK Strangler; Jack the Ripper; Ciudad Juarez, Mexico; John Allen Muhammad and Lee Boyd Malvo, the Sniper Killers; Gary Leon Ridgway, the Green River Killer; and Harold Frederick Shipman.

The Serial Killer Files

The Who, What, Where, How, and Why of the World's Most Terrifying Murderers

Ballantine Books *THE DEFINITIVE DOSSIER ON HISTORY'S MOST HEINOUS!* Hollywood's make-believe maniacs like Jason, Freddy, and Hannibal Lecter can't hold a candle to real life monsters like John Wayne Gacy, Ted Bundy, Jeffrey Dahmer, and scores of others who have terrorized, tortured, and terminated their way across civilization throughout the ages. Now, from the much-acclaimed author of *Deviant*, *Deranged*, and *Depraved*, comes the ultimate resource on the serial killer phenomenon. Rigorously researched and packed with the most terrifying, up-to-date information, this innovative and highly compelling compendium covers every aspect of multiple murderers—from psychology to cinema, fetishism to fan clubs, “trophies” to trading cards. Discover: *WHO THEY ARE:* Those featured include Ed Gein, the homicidal mama's boy who inspired fiction's most famous Psycho, Norman Bates; Angelo Buono and Kenneth Bianchi, sex-crazed killer cousins better known as the Hillside Stranglers; and the Beanes, a fifteenth-century cave-dwelling clan with an insatiable appetite for human flesh *HOW THEY KILL:* They shoot, stab, and strangle. Butcher, bludgeon, and burn. Drown, dismember, and devour . . . and other methods of massacre too many and monstrous to mention here. *WHY THEY DO IT:* For pleasure and for profit. For celebrity and for “companionship.” For the devil and for dinner. For the thrill of it, for the hell of it, and because “such men are monsters, who live . . . beyond the frontiers of madness.” *PLUS:* in-depth case studies, classic killers' nicknames, definitions of every kind of deviance and derangement, and much, much more. For more than one hundred profiles of lethal loners and killer couples, Bluebeards and black widows, cannibals and copycats— this is an indispensable, spine-tingling, eye-popping investigation into the dark hearts and mad minds of that twisted breed of human whose crimes are the most frightening . . .

. and fascinating.

Serial Killers & Psychopaths

Arcturus Publishing A concise, yet detailed look at some of the most dangerous individuals who have ever lived. Starting with examples of some of the earliest recorded psychopaths and serial killers, the authors present a carefully chosen cross-section of history's most infamous criminals.

Serial Killers

The Minds, Methods, and Mayhem of History's Most Notorious Murderers

Visible Ink Press Pain, torment, and torture. Cruelty, brutality, and violence. The twisted psyches, murder. and yes, even the ability to charm people. Take a deep dive into the terrifyingly real serial murderers, spree killers, and true faces of evil! They prey on the innocent with a malicious desire to inflict damage and harm. They hunt and stalk misfortunate victims in the dark, in broad daylight, in quiet neighborhoods, and in the local woods. Their bloodthirst isn't satisfied after their first

kill. Or their second. Or third. *Serial Killers: The Minds, Methods, and Mayhem of History's Most Notorious Murderers* delves into the global phenomenon of serial and spree murderers. This chilling book looks at the horrifying stories of forty malevolent killers and hundreds of innocent victims, including such notorious homicidal maniacs as John Wayne Gacy, Ted Bundy, and Jeffery Dahmer, but it also looks at lesser-known and overlooked murderers like Herbert Baumeister, America's I-70 Strangler; Japan's "Anime Killer," Tsutomu Miyazaki; Russia's "Rostov Ripper," Andrei Chikatilo; the "Giggling Granny," Nannie Doss; and many more. It journeys to 16th-century Scotland to meet a clan of cannibals whose existence is still debated by historians today, and to the fog-shrouded alleys of Whitechapel, London, where Jack the Ripper earned his grisly namesake. Along the way, we'll meet the Dating Game Killer, the Milwaukee Cannibal, the Acid Bath Murderer, and other monsters. *Serial Killers* also asks the questions ... What makes a seemingly ordinary person stalk, torture, and murder their fellow human beings? Are serial killers born or made? What is the difference between a serial killer and a spree killer? What were the identities of Jack the Ripper and the Zodiac Killer? Was Albert DeSalvo really the Boston Strangler? Is it possible that you could know a serial killer? Caution is advised before entering the alarming world of twisted psychos and sociopaths! With more than 120 photos and graphics, this fright-filled tome is richly illustrated. Its helpful bibliography and extensive index add to its usefulness.

The Wikipedia Encyclopedia of Serial Killers

An A-Z Guide to History's Most Heinous Murderers

Simon and Schuster A thorough, comprehensive guide to some of history's most disturbing killers, from Rodney Alcala to the Zodiac Killer. Equal parts fascinating and horrifying, the stories of serial killers like Ted Bundy and Jeffrey Dahmer have taken on a new cultural prominence with the rise of the true-crime genre. Now, *The Wikipedia Encyclopedia of Serial Killers* offers murder fans and curious readers a new opportunity to learn about the lives and histories of these infamous criminals in greater depth and detail than ever before. Featuring extensive information about the backgrounds, crimes and aftermaths, victims, arrests and trials, and current lives of serial killers across the globe, as well as a variety of supplemental information—mug shots and crime-scene photos, letters from murderers, and information on victims and survivors—this book is an essential guide for all true-crime fans or any reader who wants an insight into the dark minds of the most notorious criminals in the world. Included in *The Wikipedia Encyclopedia of Serial Killers*, among many others, are: Ted Bundy The Zodiac Killer John Wayne Gacy Aileen Wuornos Son of Sam Jeffrey Dahmer The BTK Killer Gary Ridgway Samuel Little Karla Homolka and Paul

Bernardo With nearly six million English-language articles covering essentially any topic imaginable, Wikipedia is one of the most visited websites on the internet and an important resource for anyone curious to learn about the world. This curated selection of content has been carefully selected and compiled by our editors to be the definitive book on the subject.

The Science of Serial Killers

The Truth Behind Ted Bundy, Lizzie Borden, Jack the Ripper, and Other Notorious Murderers of Cinematic Legend

Simon and Schuster Discover the real-life inspirations behind history's most infamous serial killers: John Wayne Gacy, Jeffrey Dahmer, Charles Manson, and so many more. Gothic media moguls Kelly Florence and Meg Hafdahl, authors of *The Science of Monsters*, *The Science of Women in Horror*, and *The Science of Stephen King*, and co-hosts of the *Horror Rewind* podcast called "the best horror film podcast out there" by *Film Daddy*, present a guide to the serial killers who inspired the movies and media we all know and love. Delve into the brutal truth behind horror's secret: many monsters portrayed on the silver screen are based on true murderers. Uncover the truth behind the real monsters of horror, answering such questions as: What is the science behind serial killers' motivations like Ted Bundy and John Wayne Gacy? How did detectives discover the identities of criminals like the Boston Strangler and the BTK Strangler? Has science made it possible to unmask Jack the Ripper and the Zodiac Killer? What is the science behind female versus male serial killers? Through interviews, film analysis, and bone-chilling discoveries, join Kelly and Meg as they learn about the horrors of true crime through the decades.

Evil Serial Killers

To Kill and Kill Again

Arcturus Publishing The FBI estimate that there are between 25 and 50 serial killers at large in the USA at any given time. But the truth is few people kill. We occasionally say we could kill someone, but that is usually hyperbole. Most of us can imagine what it might be like to be driven to a senseless act of violence in an unendurable situation. To kill once is one thing; to kill over and over again is quite another. What drives these people who kill and kill again? Are they evil or are they mad? Serial killing is a worldwide phenomenon and no two killers are alike. Each one

comes with a grisly though compelling tale that takes the reader to the darkest reaches of the human psyche.

The Big Book of Serial Killers Volume 2

Another 150 Serial Killer Files of the World's Worst Murderers

Our first volume caused such an impact that we've decided to bring you the long-awaited Volume 2 of the most comprehensive Serial Killer encyclopedia ever published! Murderers or monsters, normal people turned bad or people born with the desire to kill; it doesn't matter where they come from, serial killers strike dread into our hearts with a single mention of their names. Hunting in broad daylight or stalking from the shadows, we are their prey and their hunt is never done until they are caught or killed. With a worrying number of them living in our communities, working alongside us at our places of employment and sharing the same spaces where we spend time with our families, serial killers are typically just another neighbor that we barely think about. A worrying thought, to be honest. In The Big Book of Serial Killers Volume 2 we go through the lives of 150 serial killers who allowed themselves to fall under the influence of their darkest desires and took the lives anywhere from one to one hundred victims; we speak of their motives and how their stories ended (if they ended...), and remind you of the fear and pain that they left behind. But what can you expect from The Big Book of Serial Killers Volume 2? You will find such things as: An excellent A-Z list of all of these deadly killers, allowing you to reference the encyclopedia whenever you need to find out more about any single murderer. All of the uncensored details of their crimes, with much effort taking into account to describe their horrific acts. Important information on their date and place of birth, date of arrest and number of victims, among other facts. A list of Trivia facts for each killer, allowing you to learn more about their personalities and any films or documentaries made about them. So, with nothing more to add - it's only time now for you purchase this book and begin learning about 150 of the sickest, most dangerous serial killers in world history. This is the next level in murder: are you ready to learn about the vilest men and women in history?

They also discover the importance of science and technology in this line of work. Readers interested in pursuing a career in this kind of crime scene investigation are presented with valuable information to help them begin preparing now for such a challenging career path.*

Bike Path Rapist

A Cop's Firsthand Account of Catching the Killer Who Terrorized a Community

Rowman & Littlefield *For nearly three decades, a series of rapes and murders occurred around Western New York by a nameless, faceless man dubbed "The Bike Path Rapist" by local media. Authorities had his DNA and knew his tendency to use a ligature, but could never capture the elusive criminal. His first known attacks were in the mid-1980s, continuing regularly through 1994. After a twelve-year gap, in September 2006, he returned by strangling and killing a 45-year-old mother along a rural bike path. While investigating the case, Buffalo Homicide Detective and task force member Dennis Delano reviewed unsolved rape cases from the past thirty years. He concluded that the Bike Path Rapist's span of attacks stretched back even further, into the 1970s. Delano learned that a different man, Anthony Capozzi, had been convicted of two rapes in 1985 and was still imprisoned 22 years later. Members of the task force interviewed Capozzi, who is schizophrenic. Delano and his colleagues believed the wrong man was in jail, but had no hard evidence to secure a release. After working tirelessly on behalf of a convicted man, DNA slides were discovered at a local medical center. Capozzi was exonerated and released before Easter 2007. Bike Path Rapist: A Cop's Firsthand Account of Catching the Killer Who Terrorized a Community will examine the complex and compelling story inside the investigation of a thirty-year string of serial rapes and killings. With detailed information culled from interviews, police reports and insights from Delano and his colleagues on an elite task force that solved the crime, the book will blend the drama of Cold Case and CSI with a behind-the-scenes look at investigative techniques and angles examined by investigators.*

Mindhunter

Inside the FBI's Elite Serial Crime Unit

Simon and Schuster *Includes material on "the Trailside Killer in San Francisco, the Atlanta child murderer, the Tylenol poisoner, the man who hunted prostitutes for sport in the woods of Alaska, and Seattle's Green River killer ..."*

The True Crime Dictionary: From Alibi to Zodiac

The Ultimate Collection of Cold Cases, Serial Killers, and More

Simon and Schuster *Contains everything from police jargon and forensics terms to deadly poisons and even deadlier killers*

Psycho USA

Famous American Killers You Never Heard Of

Ballantine Books *AMERICA'S MOST COLD-BLOODED! In the horrifying annals of American crime, the infamous names of brutal killers such as Bundy, Dahmer, Gacy, and Berkowitz are writ large in the imaginations of a public both horrified and hypnotized by their monstrous, murderous acts. But for every celebrity psychopath who's gotten ink for spilling blood, there's a bevy of all-but-forgotten homicidal fiends studding the bloody margins of U.S. history. The law gave them their just desserts, but now the hugely acclaimed author of *The Serial Killer Files* and *The Whole Death Catalog* gives them their dark due in this absolutely riveting true-crime treasury. Among America's most cold-blooded you'll meet • Robert Irwin, "The Mad Sculptor": He longed to use his carving skills on the woman he loved—but had to settle for making short work of her mother and sister instead. • Peter Robinson, "The Tell-Tale Heart Killer": It took two days and four tries for him to finish off his victim, but no time at all for keen-eyed cops to spot the fatal flaw in his floor plan. • Anton Probst, "The Monster in the Shape of a Man": The ax-murdering immigrant's systematic slaughter of all eight members of a Pennsylvania farm family matched*

the savagery of the Manson murders a century later. • Edward H. Ruloff, "The Man of Two Lives": A genuine Jekyll and Hyde, his brilliant scholarship disguised his bloodthirsty brutality, and his oversized brain gave new meaning to "mastermind." Spurred by profit, passion, paranoia, or perverse pleasure, these killers—the Witch of Staten Island, the Smutty Nose Butcher, the Bluebeard of Quiet Dell, and many others—span three centuries and a host of harrowing murder methods. Dramatized in the pages of penny dreadfuls, sensationalized in tabloid headlines, and immortalized in "murder ballads" and classic fiction by Edgar Allan Poe and Theodore Dreiser, the demonic denizens of Psycho USA may be long gone to the gallows—but this insidiously irresistible slice of gothic Americana will ensure that they'll no longer be forgotten.

Tapping Into Wealth

How Emotional Freedom Techniques (EFT) Can Help You Clear the Path to Making More Money

Penguin *Following in the footsteps of New York Times bestseller The Tapping Solution by Nick Ortner, this book from renowned Tapping expert Margaret Lynch teaches us how to use Tapping (Emotional Freedom Techniques) to clear the blocks to achieving greater wealth. Emotional Freedom Techniques (EFT), also known as Tapping, have become a popular tool for realizing personal goals. For many of us, increasing our wealth is one of our greatest ambitions, but also an area where we feel the most stuck because we have limiting fears and beliefs that sabotage our success. EFT uses the fingertips to tap on acupuncture points while emotionally tuning in to negative attitudes and past experiences, thereby clearing the inner blocks to attracting and managing wealth. Tapping Into Wealth includes QR codes that link to video demonstrations of Tapping techniques. Discover how Tapping can help you release your old views of money and open the door to more wealth than you ever imagined.*

Rethinking Serial Murder, Spree Killing, and Atrocities

Beyond the Usual Distinctions

Routledge Multiple killings by serial or spree killers and the mass violence seen in war crimes and other atrocities have typically been understood as discrete category types, which can foster the view that there are fundamentally different kinds of human beings, including "deviants" who are born evil and innately given to sadism or a callous lack of empathy. In contrast, this book considers the violence of these "deviants" in terms of larger questions about human violence. Therefore, in addition to describing the life histories of a sample of individual serial and spree murderers, the book includes analysis of macro-level phenomena such as genocide, mass rape and killing, and torture occurring under conditions of war, state authorization, or political upheaval. The chief claim of the book is that, given the "right" combination of factors occurring at different levels of analysis, virtually anyone can emerge as a killer or perpetrator of atrocities. While it is crucial to understand individual killers in terms of the details of their biographies, it is equally crucial to understand political atrocities in terms of the details of their histories; and to see that persons and groups are always the product of complexly interacting assemblage processes.

Pee Wee Gaskins America's No. 1 Serial Killer

Xlibris

Doug Clark and Carol Bundy

The Horrific True Story Behind the Sunset Strip Slayers

Independently Published DECAPITATION. DEATH. DESTRUCTION. A deadly game of depravity and destruction including two decapitations. Three key players. Two of those players dead. Only one remains. In Los Angeles, California, a series of murders occurred during the Summer of 1980 which left an indelible mark on countless individuals. This string of brutal and bloody crimes would make the already famous Sunset Boulevard AKA The Sunset Strip infamous and a place forever synonymous with the word EVIL. This true story blends statements to law enforcement and trial testimony with personal accounts from those who experienced the events first-hand. The psychology behind these violent crimes is explored, along with a look at the psychological state and the possible motives of the individuals. DOUG CLARK- Convicted of 6 murders CAROL BUNDY- Convicted of 2 murders including JACK MURRAY's JACK MURRAY- Murder victim (as well as the murderer?) The story surrounding these three lethal lovers has made it a favorite of the media, which relishes in its shock value. The overweight nurse with thick glasses, who should have

nurtured lives rather than take them, who stunned police when she gloated, "It's fun to kill." Two lotharios with a penchant for wearing women's undergarments and sadomasochism. They fed off each others' twisted desires and savagery. Fantasies gave way to nightmares, and anyone unfortunate enough to cross their path became a potential victim. Intense California heat bathed Sunset Boulevard with the stench of garbage and fear-- a smell that emanated relentlessly. It was the smell made by Death stalking the street in the form of The Sunset Strip Slayers. Get your copy today to explore the shocking reality that came from their dark fantasies.

Serial Killers and Mass Murderers

Profiles of the World's Most Barbaric Criminals (Large Print 16pt)

ReadHowYouWant *Even the world's most depraved murderers were once only known as somebody's neighbor or someone's son. What turned these people into killers? And why is everyone so fascinated with them? In one chilling chapter after another, this book profiles a terrifying succession of homicidal maniacs. It takes readers inside the minds of the people who committed the world's most notorious and horrendous crimes. Are they inhuman beasts beyond compassion, or human beings just like us who simply crossed a line and could not find a way back? Each story stands alone as a frightening tale. Drawn together in this one volume, Serial Killers and Mass Murderers present a fascinating investigation of the dark side.*

Sons of Cain

A History of Serial Killers from the Stone Age to the Present

Penguin *From the author of Serial Killers: The Method and Madness of Monsters comes an in-depth examination of sexual serial killers throughout human history, how they evolved, and why we are drawn to their horrifying crimes. Before the term was coined in 1981, there were no "serial killers." There were only "monsters"--killers society first understood as werewolves, vampires, ghouls and witches or, later, Hitchcockian psychos. In Sons of Cain--a book that fills the gap between dry academic studies and sensationalized true crime--investigative historian Peter Vronsky examines our understanding of serial killing from its prehistoric anthropological evolutionary dimensions in the pre-civilization era (c. 15,000 BC) to today. Delving further back into human history and deeper into the human psyche than Serial Killers--Vronsky's 2004 book, which has been called the definitive history of serial murder--he focuses strictly on sexual serial killers: thrill killers who engage in murder, rape, torture, cannibalism and necrophilia, as opposed to for-profit serial*

killers, including hit men, or "political" serial killers, like terrorists or genocidal murderers. These sexual serial killers differ from all other serial killers in their motives and their foundations. They are uniquely human and--as popular culture has demonstrated--uniquely fascinating.

Serial Killers and Sadistic Murderers Up Close and Personal

Examines the methods and motivations of serial killers, identifies similarities in the criminal behavior of different mass murderers, and profiles such notorious criminals as Jeffrey Dahmer, Ken Bianchi, and Danny Rolling.

Jack the Ripper FAQ

All That's Left to Know about the Infamous Serial Killer

Applause Theatre & Cinema Book Publishers (FAQ). Exactly who was Jack the Ripper, the infamous Victorian serial killer? Jack the Ripper FAQ explores this question in depth, with a thorough overview not only of the world's most notorious serial killer, but also of the cultural impact that remains as powerful more than 130 years on from his murderous spree. Every murder attributed to him is discussed in depth, together with a number more that may have been his work; the book also details the

myriad different suspects that have been mentioned over the years. Jack the Ripper FAQ investigates the world in which the Ripper operated, with chapters discussing the factors that made it possible for him to act with such apparent impunity. Also covered are the policemen who tried to capture him, the journalists who tried to illustrate his motives, and the private investigators who raised theories that are still being discussed today. The book also revisits the movies, novels, and comic books that have tried to solve the mystery. But still, the inescapable fact is, we still do we not know who the Ripper was!

Pretty Evil New England

True Stories of Violent Vixens and Murderous Matriarchs

Rowman & Littlefield *For four centuries, New England has been a cradle of crime and murder—from the Salem witch trials to the modern-day mafia. Nineteenth century New England was the hunting ground of five female serial killers: Jane Toppan, Lydia Sherman, Nellie Webb, Harriet E. Nason, and Sarah Jane Robinson. Female killers are often portrayed as caricatures: Black Widows, Angels of Death, or Femme Fatales. But the real stories of these women are much more complex. In Pretty Evil New England, true crime author Sue Coletta tells the story of these five women, from broken childhoods, to first brushes with death, and she examines the overwhelming urges that propelled these women to take the lives of a combined total of more than one-hundred innocent victims. The murders, investigations, trials, and ultimate verdicts will stun and surprise readers as they live vicariously through the killers and the would-be victims that lived to tell their stories.*

A Dramaturgical Approach to Understanding the Serial Homicides of Ted Bundy

Impressions of Murder

Rowman & Littlefield *Ted Bundy shared his secrets with his closest prison friends, insights about his influences, perversions, dump sites, and victims. Applying Goffman's concept of dramaturgy Bundy's narrative at the front stage, where he engaged with police, journalists, and psychologists, is contrasted to the backstage, where he interacted with fellow inmates.*

Cary Stayner: the True Story of the Yosemite Park Killer

Historical Serial Killers and Murderers

Createspace Independent Publishing Platform While some would say that American serial killer Cary Stayner was influenced by family tragedy - his already-troubled family was shattered when his brother was abducted for seven years and held as a sex slave before his heroic return inspired the miniseries "I Know My First Name Is Steven" - in reality, Cary Stayner's true crime story is much more ominous. The handsome, outdoorsy guy with a love for marijuana, nude beaches and the Sierra Nevada mountain range where he once spotted Bigfoot had been harboring fantasies of brutally killing women years before his brother's abduction turned the Stayner family upside down. And in the annals of historical serial killers, Stayner's story stands out, because for months he made one of the most beautiful places on earth a nightmare for women when California's majestic Yosemite National Park became his own devil's playground, and he finally found himself unable to control his long-suppressed urges. Because he didn't look menacing, the man one FBI agent compared to actor Tom Laughlin in "Billy Jack" was able to gain the trust of his victims, and three vacationing women who were staying at the lodge where he lived and worked during the busy tourist season and a nature-loving teacher who help kids become stewards of the land she loved made that fatal mistake before they were savagely, sadistically murdered. The biography of serial killer Cary Stayner and his psychopathic crime spree leaves spine-tingling chills, because as far as the outside world was concerned, he was a fairly normal guy who found himself uncontrollably compelled to kill. Stayner has been on death row in California's famed San Quentin for more than 10 years, but for the families of his victims, no punishment is just enough to make up for the vibrant lives Stayner took, making him one of the most depraved American serial killers in contemporary history.

The Most Evil Men and Women in History

Evil is a fact of life. We can see it, not only in the reigns of Stalin and Hitler, but also in everyday crimes like murder, rape and assault -- quite apart from the millions of lives brutalized by political or religious oppression, poverty, disease and starvation ...

The Forest City Killer

A Serial Murderer, a Cold-Case Sleuth, and a Search for Justice

ECW Press Dig deep into the unsolved murder of Jackie English and join the hunt for a serial killer Fifty years ago, a serial killer prowled the quiet city of London, Ontario, marking it as his hunting grounds. As young women and boys were abducted, raped, and murdered, residents of the area held their loved ones closer and closer, terrified of the monster — or monsters — stalking the streets. Homicide detective Dennis Alsop began hunting the killer in the 1960s, and he didn't stop searching until his death 40 years later. For decades, detectives, actual and armchair, and the victims' families and friends continued to ask questions: Who was the Forest City Killer? Was there more than one person, or did a depraved individual commit all of these crimes on his own? Combing through the files Detective Alsop left behind, researcher Vanessa Brown reopens the cases, revealing previously unpublished witness statements, details of evidence, and astonishing revelations. And through her investigation, Vanessa posits the unthinkable: is it possible that the Forest City Killer is still alive and, like the notorious Golden State Killer, a simple DNA test could bring him to justice?
