THE SENSEI WAY AT WORK

THE FIVE KEYS TO A LEAN BUSINESS TRANSFORMATION

CRC Press *The Sensei Way at Work* follows in the wake of dozens of successful business books on the Toyota production system, lean enterprise, and the Toyota Way, yet it is unique. It identifies the five keys that sustain successful lean production in Western enterprises—a challenge that has stymied business leaders, managers, and lean coaches for decades. The first reason for our frequent inability to sustain the initial gains of lean startups is a misunderstanding of the Japanese term "kaizen mind." Many mistranslate it as a "hunger" for business efficiency and cost reduction. In fact, kaizen mind is a psychology of "mindfulness" joined with "creativity." And once evoked by a sensei, it can be applied (without training) when a leader mandates that employees and managers solve quality problems and redesign the work together. The second reason is our need to develop new change leaders who know "the way." A sensei immerses prospects in a series of challenges until they learn to do the work of change with the mind of a leader, that is, from the states of presence, flow, and compassion. Lasting organizational transformation becomes possible, even inevitable, when its leaders learn the five keys and realize "one big thing" in the Sensei Way.

SUN PATH

Xlibris Corporation a story of family strife mixed with sexual incest combined with racial discrimination seems a flash of violence cascading off America's multi-media of this century. But all the personal pain patterned from today's media blasts is told in the story of a young, half-Melungeon girl running from the horrors so original to humans even in the early year of 1809. This strong young teen is aided in her escape by a mixed-blood Osage youth also running from his past to his future. Fighting fear, exhaustion, starvation, and all the natural barriers of the Kentucky wilderness, the pair finds trails, crosses rising streams, and fights for their lives against nature and censure of man. As Charity Baxter flees from her origins she is followed by both the worst and best of her past. Holding only an ancient Port-a-gee knife given to her by her grandmother of the mountains and reunited with the one great blessing from her dead father, she and her companion now are pushed into a small community to be tested by the colorful, yet rowdy citizens of a small Mississippi River crossing. With the growing strength of self-reliance and the great gift from her grandmother and father, Charity finds both her will and her heart tested as she attempts the final, dramatic drive to cross into Missouri Territory and America's new West.

TIME OF DESPERATION

THE STORY OF AN ESCAPE FROM THE GERMAN DEMOCRATIC REPUBLIC

BoD - Books on Demand *Sondershausen*, a small town in East Germany in 1959: Together with their sons Roland and Jürgen, Ferdi and Helga Mann lead a happy life. Then one day, an in itself trifling event brings an abrupt change to the familys peaceful existence: Ferdi, who works as a criminal investigation officer, happens to fall asleep during shift, an incident costing him his rank. And while after deciding to leave the police service, Ferdi finds a new position. The recent developments have bluntly confronted the couple, by now expecting twins, with the sobering reality of the regimes insidious surveillance practices. Never convinced by the political system in the first place, the present situation is all it takes to rekindle Ferdis and Helgas urge to leave the country, a country so quick to destroy its own peoplesvery future and existence. When soon after, Helga and her by now four children are granted a ten days visa to visit Helgas parents in West Germany, they feel the time has come to bring their longheld plan to fruition. So Ferdi, only two days after his family's departure, undetected and without any visa, follows them to the West. What they do not know, however, is that the authorities have long cast a wary eye on them and are now sending out their henchmen looking for Ferdi. It is the beginning of a race against time.

RICH PRICK (HARDCOVER)

Tijan He walked into school on his first day and owned it. I guess that's what happens when you're a prick, rich, and you're best friends with the ruling school's king. Also didn't hurt he's drop dead gorgeous. That's all fine. I mean, I have nothing to do with them. I'm a loner, invisible, and that's how I wanted it to be. I was even proud of it, until I wasn't. Until I saw a girl kneel before him. Until I couldn't look away. Until he caught me watching. His name is Blaise Devroe. My name is Aspen Monson. He only knew how to get, command, and demand attention. I knew how to do everything but that. And this is our story.

AN AGENT OF DECEIT

Pan Macmillan Ten years ago, journalist Ben Webster had his investigation into a corrupt Russian business in Kazakhstan crushed, the cost of his scrutiny a terrible tragedy . . . Now employed by a private London intelligence agency, Webster's interest is piqued when a client asks him to expose the dealings of shadowy Russian oligarch Konstantin Malin. Before long Webster finds himself fixated by Malin and by his front man Richard Lock. But how far is he willing to risk the wellbeing of his family? And that of Lock himself? Meanwhile Lock finds himself under pressure to explain to the world how he - a simple lawyer - came to be one of Russia's largest investors. And when one of Malin's former protégées is found dead after meeting with Webster, Lock begins to realise that he too may be at risk. Desperate to seek a haven with the wife he lost years before, Lock realises that he must now take action - but his options are fast running out . . . Against a background of Moscow, London and Berlin a journey of impossible decisions begins . . .

CHAOS

MAYHEM SERIES #3

HarperCollins The next novel in Jamie's fantastic Mayhem series reunites lead guitarist, Shawn, with a girl from his past who is determined to show him what he's been missing. From the moment she saw Shawn Scarlett perform at a school talent show, Kit Larson has loved two things: the guitar, and the gorgeous, green-eyed boy who inspired her to play. But one careless night in high

school shatters her hope of ever being more than a notch in his bedpost. Six years, two bands, and one mostly mended heart later, Kit's about to make her rock star dreams a reality as the new guitarist for Shawn's band, The Last Ones to Know. He may not remember their reckless night together, but Kit has never forgotten... and she's determined to make him eat his heart out. The release of their new album means a month cooped up on a tour bus, sleeping inches away from the ridiculously sexy musician she's never quite gotten over. And as Kit gets to know the real Shawn—not Shawn Scarlett, the rock god, the player—their attraction becomes too hot to resist. But the past is paved with secrets, and when they finally surface, Kit could lose everything: the band, the music, her dreams... and Shawn.

RIOT

MAYHEM SERIES #2

Harper Collins When Dee Dawson meets sexy mohawked guitarist Joel Gibbon, she knows it won't be long before she has him wrapped around her finger. No guy has ever been able to resist her ... but Dee's met her match in a player like Joel. Dee's not the relationship type—not after seeing the pain "love" has caused her friends and family—yet she's desperate to make Joel want her more than anyone else. He quickly becomes an obsession, and when a reckless attempt to make him jealous ends in disaster, Dee turns into the damsel in distress she never wanted to be. With her carefree world crashing down around her, the last thing she needs is Joel's pity. But Joel is suddenly determined to prove he cares, and no matter how hard Dee tries to push him away, he refuses to let her shut him out. Now the girl who swore she'd never say those three little words must choose between guarding her heart and losing Joel forever ... or falling head over heels for the tattooed rock star of her dreams.

HAVOC

MAYHEM SERIES #4

HarperCollins When Hailey Harper left her family farm to enroll in veterinary school, she had a plan: keep her head down, ace her classes, and most importantly... don't upset the uncle paying her tuition. Translation? Don't piss off his dramatic, self-absorbed daughter, Danica, even if she's a nightmare to live with. Falling in love with her cousin's rock star ex-boyfriend was definitely not part of the plan. As the drummer of a now-famous rock band, Mike Madden could have any girl he wants. He's sweet, funny, romantic, talented—and the only guy that's ever made Hailey's heart do cartwheels in her chest. The more she gets to know him, the harder she falls, but Hailey knows they can never be more than friends... because Danica wants him back, and she'll fight dirty to win. Mike is

falling for Hailey too, but Danica's threats and his rock star life—music video shoots, international tours, obsessed fans—could tear them apart before they've even begun. Hailey isn't sure she's the one for him, but Mike's waited years for a girl like her... and he'll do anything to prove it.

CULTURAL METHODS IN PSYCHOLOGY

DESCRIBING AND TRANSFORMING CULTURES

Oxford University Press "As I sat down to write this chapter about the use of life story methods for capturing cultural-historical aspects of LGBTQ+ identity development, I was transported back in time... It was a hot summer day in 2004. I had travelled back from the "big city" where I was attending university to visit my family. This was my first summer away from home. At that moment, my family and I sat in the parking lot of a diner, having just finished breakfast at a local greasy spoon-a ritualistic send off before I started my four-hour return drive. In those moments, our car felt unusually cramped. My dad was in the back seat with me, my mom and brother in the front. I didn't have much of an appetite that morning knowing that in mere minutes, I would come out to my family as gay. On our way out of the restaurant, walking to our separate cars, I somehow managed to muster up the courage to tell my family there was something important I wanted them to know. So, there I was, in the backseat of the car with a message for my family. Looking back on it, the message was more like an ultimatum. They could learn to love this new version of me, as I had done, or our routine "see you later" might be a "goodbye." This is the beginning of my story-both my coming out story and, in some ways, my life story. Thankfully, my family is still an important part of this story"--

THE ALLOY OF LAW

A MISTBORN NOVEL

Hachette UK The Mistborn trilogy has become a firm favourite with fantasy fans the world over. The imagination that Sanderson brought to the series and his skill at marshalling epic storylines and dramatic action, his ability to create vivid characters made him a natural choice to complete Robert Jordan's epic wheel of time sequence. But with Mistborn, his standalone fantasies and his new series, The Stormlight Archive, Sanderson has shown his bountiful talents in his own fiction. Now he returns to the series that made his name with a new story set years after the events of Hero of Ages. In a world recovering only slowly from evil, a world where allomancers wield immense power through their ability to unleash the magic bound up in common metals someone who can burn metals that no-one has burned before can tip the balance... Sanderson has the knack of giving the epic fantasy reader exactly what

they want. This ability has thrown him to the forefront of the genre and the dramatic story within *The Alloy of Law* shows off this skill to its very best.

THE FLAT EARTH AS KEY TO DECRYPT THE BOOK OF ENOCH

Lulu.com Shortly after accepting the flat earth as a model for the world, I decided to revisit the Book of the Courses of the Heavenly Luminaries to see if my new understanding would somehow mirror what Enoch was sharing as a motion for the sun and moon. As I began to read chapters 71-82, I found to my utter amazement that I was able to grasp those passages. I knew then that the vision that the angel Uriel had shown to Enoch could only be deciphered if one were to imagine Enoch's description of the revolution of the sun and the moon. As seen from above the flat circular plane of the earth as described by Isaiah; and that Enoch must have been taken up to perhaps where Polaris is, centered directly above the North Pole, and while looking down at the backdrop of the earth, was instructed on the motions of both the sun and moon. Without such conception, it is in my opinion impossible to apply these descriptions to the model of the earth as a spherical planet.

DARK VOYAGE

Hachette UK From the master of the wartime espionage novel; a thrilling story of subterfuge at sea May 1941. At four in the morning, a rust-streaked tramp freighter steams up the Tagus river to dock at the port of Lisbon. She is the Santa Rosa, flies the flag of neutral Spain, and is in Lisbon to load cork oak, tinned sardines and drums of cooking oil bound for the Baltic port of Malmo. But she is not the Santa Rosa. She is the Noordendam, a Dutch freighter under the command of Captain Eric DeHaan. She sails for the intelligence division of the British Royal Navy and is involved in a secret mission. On board are a Polish engineer and British spy, Spaniards who fought for Franco and Germans who fought against Hitler. For them, this is a last desperate flight to freedom.

JASSY

Tree Of Life Publishing She was the daughter of a preacher and a gypsy. A strange and elusive child with powers of prophecy, she grew into an even stranger woman. From those around her she inspired love and admiration or furious hatred. Nothing in between. And somehow Jassy could transform even those who loved her into her enemies. Barney Hatton, the dispossessed heir of Mortiboys, loved her but not enough. Lindy, a servant girl who worked there, loved her too much. Elizabeth Twysdale, who taught Jassy her lessons, hated her more with every passing day. And because of the people around her, the people who loved or loathed her, Jassy's life was destined to be one of passion and anguish.

BEHIND THE SCREEN

HOLLYWOOD INSIDERS ON FAITH, FILM, AND CULTURE

Baker Books When it comes to Hollywood, Christians too quickly wash their hands of popular culture and leave this immensely influential media to unbelievers. In truth, the industry is listening. There is a church in Hollywood, but too often their work is unrecognized. Behind the Screen offers a glimpse of Hollywood insiders who, through their jobs on movie sets, behind TV shows, and in radio broadcasts, work together to give glory to God. With contributions from the writers and producers of such productions as Joan of Arcadia, Mission Impossible, Batman Forever, That '70s Show, and others, believers everywhere are encouraged to join with the church in Hollywood and do their part in closing the gap between Christianity and culture.
