My Brigadista Year Candlewick Press In an engrossing historical novel, the Newbery Medal-winning author of Bridge to Terebithia follows a young Cuban teenager as she volunteers for Fidel Castro's national literacy campaign and travels into the impoverished countryside to teach others how to read. When thirteen-year-old Lora tells her parents that she wants to join Premier Castro's army of young literacy teachers, her mother screeches to high heaven, and her father roars like a lion. Nora has barely been outside of

Havana — why would she throw away her life in a remote shack with no electricity, sleeping on a hammock in somebody's kitchen? But Nora is stubborn: didn't her parents teach her to share what she has with someone in need? Surprisingly, Nora's abuela takes her side, even as she makes Nora promise to come home if things get too hard. But how will Nora know for sure when that time has come? Shining light on a little-known moment in history, Katherine Paterson traces a young teen's coming-of-age journey from a sheltered life to a singular mission: teaching fellow Cubans of all ages to read and write, while helping with the work of their daily lives and sharing the dangers posed by counterrevolutionaries hiding in the hills nearby. The Hardmen Legends of the Cycling Gods Profile Books It's time we all stopped whining and learned a thing or two from *The Toughest Cyclists Ever*. Including: Stephen Roche, whose cure for exhaustion was to go up a gear and fight harder, all the way to the ambulance. Eddy Merckx, who hurt himself so badly in breaking the Hour record that, he estimated, he shortened his career by a year. Beryl Burton, who crushed her (male) rival's morale with the offer of a piece of liquorice, before speeding past to victory. Nicole Cooke and Edwig Van Hooydonck, who rejected dope and became legends. The Hardmen tells the stories - the good bits, anyway - of the 40 most heroic Cyclists ever. Their bravery, their panache and their Perfect Amount of Dumb. It reminds us that suffering on a bike liberates us from our daily lives, and that, in the words of Lance Armstrong "pain is temporary, quitting lasts forever"; proof that even assholes can be insightful.
