#### ETHELDREDA

*Bladud Books Etheldreda, Princess of East Anglia, Queen of Northumbria and Abbess of Ely, was a remarkable woman who lived in restless, violent times not unlike our own, when old beliefs were dying and new ones were struggling to emerge. Pagan clashed with Christian as the seven kingdoms of the Germanic tribes warred against each other and against the native Celts. Occasionally an uneasy peace was bought by the skilful use of the 'diplomatic marriage', and twice Etheldreda, though vowed to chastity, submitted to marriage for political reasons. When her second husband refused to accept the 'arrangement' between them, she fled south, her escape to the Island of Ely apparently aided by storms that intervened on her behalf. She lived only a few years as abbess of the religious community she founded at Ely before dying of plague. Ever since, pilgrims have turned to her for miracles of help and healing. But this is not just the story of a seventh-century Anglo-Saxon saint. It is about the general human struggle to comprehend the enigma of existence and to come to terms with Christ's God, faced as we are by a violent and cruel world. It is about the periods when we give up the struggle, reverting either to the darkest negativity or to superstition - and the rare but wonderful periods when we are lifted high by the innrush of spiritual certainty. This edition also contains several pages of chronology, genealogy, place names, notes and a map.*

#### FIRE IN THE SPIRIT

*FriesenPress In a time when peasants often lived in huts alongside their animals, raiding parties from warring kingdoms regularly slaughtered whole villages, and superstition still held sway with religion, two enlightened women seek to find their own destiny in an emerging Christian Church. Based on historical tradition and set in seventh-century Anglo-Saxon Britain, Fire in the Spirit follows the story of Hild (St. Hild) and Dreda (St. Æthelthryth or St. Audrey) on their journey to sainthood. With an in-depth introduction, detailed endnotes, and appendix, Fire in the Spirit will not only appeal to those interested in medieval Britain and the time of its great conversion to Christianity, but also to anyone interested in the very human story of two women trying to find their own path in a male dominated and often brutish world....*

#### THE INCORRUPTIBLES

#### A STUDY OF INCORRUPTION IN THE BODIES OF VARIOUS SAINTS AND BEATI

*TAN Books Continuously popular since it first appeared in 1977, The Incorruptibles remains the acknowledged classic on the bodies of Saints that did not undergo decomposition after death, many remaining fresh and flexible for years, or even centuries. After explaining both natural and artificial mummification, the author shows that the incorruption of the Saints bodies fits into neither category but constitutes a much greater phenomenon which is unexplained by modern science even to this day. The author presents 102 canonized Saints, Beati and Venerables, summarizing their lives, the discovery of their incorruption and investigations by Church and medical authorities. The incorruptible bodies of saints are a consoling sign of Christ's victory over death, a confirmation of the dogma of the Resurrection of the Body, a sign that the Saints are still with us in the Mystical Body of Christ, as well as a proof of the truth of the Catholic Faith for only in the Catholic Church do we find this phenomenon.*

#### **THE MEN WHO BUILT THE CATHEDRALS**

---

The Crowood Press Standing in the nave of a cathedral, it is hard not to wonder how ordinary human beings could have created sky-scraping, dizzyingly high buildings on which even the top-most parts were delicately decorated, in an age before even the simplest of power tools. *Stone on Stone* presents the full story of the men who built the cathedrals of the medieval era: who they were, how they lived and how with the simplest of hand tools they created the astonishing buildings that hundreds of years later still stand as monuments to their ingenuity and skill. Topics covered include the context for building such huge places of worship; the men who built: who they were, and the challenges they had to face; finding the materials; construction techniques; building control and finally, who paid for it all. A deeply researched book that provides a fascinating insight into the world of the medieval Master Mason and his work. Will be of great interest to all those interested in medieval architecture and the Church. Gives an insight into the Master Masons who designed the cathedrals and ran the site. Illustrated with a 20 colour and black & white 8-page section. Imogen Corrigan is a first-class honours graduate of Anglo-saxon and medieval history and a freelance lecturer covering Britain and Europe.
