KEY=LOVE - TREVON CALLAHAN

The Commitment Love, Sex, Marriage, and My Family Penguin Dan Savage's mother wants him to get married. His boyfriend, Terry, says "no thanks" because he doesn't want to act like a straight person. Their six-year-old son DJ says his two dads aren't "allowed" to get married, but that he'd like to come to the reception and eat cake. Throw into the mix Dan's straight siblings, whose varied choices form a microcosm of how Americans are approaching marriage these days, and you get a rollicking family memoir that will have everyone—gay or straight, right or left, single or married—howling with laughter and rethinking their notions of marriage and all it entails. **Gay Marriage** Greenhaven Publishing LLC Pew Research Center reports that there is growing support across generations for same-sex marriage. Support in America is up from 37 percent in 2009 to 57 percent in 2015. A majority of Caucasian people, nearly 59 percent, support same-sex marriage, while 56 percent of Hispanics and Latinos and 41 percent of African Americans support gay marriage. This compelling edition discusses the divisive topic of gay marriage, examining opinions on both sides of the issue. The book details the history and evolution of gay rights in the United States, its legality, and resulting cultural implications. **On Being a Gay Parent Making a Future Together** Church Publishing, Inc. From running a household to handling a parent-teacher conference, and with an extensive resource section at the back, *On Being a Gay Parent* will answer the questions you haven't even thought to ask. **Just Married Same-Sex Couples, Monogamy, and the Future of Marriage** Princeton University Press The case for marriage equality and monogamy in a democratic society The institution of marriage stands at a critical juncture. As gay marriage equality gains acceptance in law and public opinion, questions abound regarding marriage's future. Will same-sex marriage lead to more radical marriage reform? Should it? Antonin Scalia and many others on the right warn of a slippery slope from same-sex marriage toward polygamy, adult incest, and the dissolution of marriage as we know it. Equally, many academics, activists, and intellectuals on the left contend that there is no place for monogamous marriage as a special status defined by law. *Just Married* demonstrates that both sides are wrong: the same principles of democratic justice that demand marriage equality for same-sex couples also lend support to monogamous marriage. Stephen Macedo displays the groundlessness of arguments against same-sex marriage and defends marriage as a public institution against those who would eliminate its special status or supplant it with private arrangements. Arguing that monogamy reflects and cultivates our most basic democratic values, Macedo opposes the legal recognition of polygamy, but agrees with progressives that public policies should do more to support nontraditional caring and caregiving relationships. Throughout, Macedo explores the meaning of contemporary marriage and the reasons for its fragility and its enduring significance. His defense of reformed marriage against slippery slope alarmists on the right, and radical critics of marriage on the left, vindicates the justice and common sense of the emerging consensus. Casting new light on today's debates over the future of marriage, *Just Married* lays the groundwork for a stronger institution. **Social Problems Selections From CQ Researcher** Pine Forge Press *Social Problems* is a contemporary collection of articles covering core issues within the broad topic of social problems. The book is intended to supplement core courses in the Sociology curriculum titled *Social Problems*, *Introductory Sociology*, *Principles of Sociology*, among other similarly titled courses. The book has a 4-part structure of topics generally covered in social problems courses and texts: *The Bases of Inequality*, *Our Social Institutions*, *Our Social and Physical Worlds*, and *Individual Action and Social Change*. In total, there are 16 articles. **Kin of Another Kind Transracial Adoption in American Literature** University of Michigan Press "The study of transracial adoption has long been dominated by historians, legal scholars, and social scientists, but with the growth of the lively field of humanistic adoption studies comes a growing understanding of the importance of cultural representations to the social meanings and even the practices of adoption itself . . . This book makes a valuable contribution in showing how important the theme of adoption has been throughout the 20th century in representations of race relations, and in showing that the adoption theme has served to challenge racial norms as well as uphold them." ---Margaret Homans, Yale University **Kin of Another Kind** examines American literary representations of adoption across racial lines at key moments in the 20th century to help understand adoption's literary and social significance. In juxtaposing representations of African American, American Indian, and Korean and Chinese transracial and transnational adoptions, the book traces the metaphorical significance of adoption when it appears in fiction; at the same time, aligning these groups calls attention to their unique and divergent cultural histories with adoption, which serve as important contexts for the fiction discussed. Cynthia Callahan explores the fiction of canonical authors such as William Faulkner, Toni Morrison, Charles Chesnutt, Kate Chopin, Barbara Kingsolver, Gish Jen, and Anne Tyler and productively places it alongside lesser-known works by Robert E. Boles, Dallas Chief Eagle (Lakota), and Sui Sin Far, all works that, when reconsidered, can advance our understanding not only of adoption in literature but of 20th-century American literature in general. Cynthia Callahan is Assistant Professor in the Department of English at Ohio State University, Mansfield. **States of Passion Law, Identity, and the Social Construction of Desire** Oxford University Press, USA Exploring the role of legal discourse in shaping sexual experience, sexual expression, and sexual identity this book focuses on three topics: anti-gay hate crime laws, same-sex sexual harassment, and same-sex marriage. **Reading Autobiography A Guide for Interpreting Life Narratives** U of Minnesota Press projects, and an extensive bibliography. --Book Jacket. **Revisioning John Chrysostom New Approaches, New Perspectives** BRILL In *Revisioning John Chrysostom*, Chris de Wet and Wendy Mayer harness a new wave of scholarship on the life and works of John Chrysostom (c. 350-407 CE), which applies new theoretical lenses and reconsiders his debt to classical paideia. **The Advocate** The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States. **Families Under Construction Parentage, Adoption, and Assisted Reproduction** Aspen Publishing This book is designed for law school seminars and courses, including first-year electives, as well as advanced undergraduate courses in legal studies or other departments. **Families Under Construction: Parentage, Adoption, and Assisted Reproduction, Second Edition**, provides an in-depth exploration of the fascinating and controversial issues emerging out of biotechnology and society's changing understanding of family identity. The authors combine solid treatment of the law and carefully crafted additional content to provoke inquiry and fuel class discussion, using a multidisciplinary presentation of legal authorities, policy perspectives, critical analysis, and cultural contexts. Coverage includes the impact of marriage equality, increasing departures from traditional family arrangements, and modern approaches to adoption, as well as infertility treatments, collaborative reproductive arrangements, and reproductive tourism. **New to the Second Edition: A new Part I on parentage, parental responsibilities, and parental authority, tracing the evolution from traditional doctrine to contemporary approaches and emphasizing the policy of keeping dependency private The addition of principal cases on wrongful adoption, challenges to sealed adoption records, and intercountry adoption Restructured chapters on assisted reproduction reflecting consequential changes in the legal landscape Professors and students will benefit from: Thorough coverage of significant cases, statutes, and regulations, including law reform efforts and recognition of law's silence on some topics Opportunities for comparative analysis of law and policy, from "then" to "now" and among various states and nations, with examination of jurisdiction, choice of law, and enforcement An approach that questions core concepts, such as parentage, by highlighting the role of the state in the construction of family and the influence of assumptions about gender, race, sexualities, marriage, class, and dependency Inclusive materials, such as narratives as well as summaries of popular books and films, which explore the interaction of law and life Consideration of professional responsibility, including the often challenging role of lawyers in adoptions and reproductive collaborations A mix of classic and leading-edge cases Notes and Questions that provide background and illuminate salient themes Thought-provoking Problems that prompt consideration of new issues Inserts presenting "Depictions in Popular Culture" of the situations at the center of the cases Dear Abby, I'm Gay Newspaper Advice Columnists and Homosexuality in America McFarland What role did America's newspaper advice columnists play in shaping and forming societal attitudes toward LGBTQ people throughout the 20th century? They served the dual function of offering advice and satisfying the curious. They also often provided the first mention of homosexuality outside of newspaper crime blotters. More than 100 million readers regularly read the columns. This book chronicles some of the most popular and widely circulated newspaper columns between the 1930s and 2000, including Ann Landers, Dear Abby, Helen Help Us!, Dr. Joyce Brothers, The Worry Clinic, Dear Meg, Ask Beth, and Savage Love. It examines the function of these columns regarding the place of LGBTQ people in America and what role they played in forming a public opinion. From these columns, we learn not only the framework of how straight Americans understood their homosexual brethren, but also how attitudes and feelings continued to evolve. **American Savage Insights, Sights, and Fights on Faith, Sex, Love, and Politics** Penguin On the heels of his Emmy-winning *It Gets Better* campaign, Dan Savage delivers "powerful messages for both the head and heart" (*Entertainment Weekly*) From the moment he began writing his syndicated sex-advice column, *Savage Love*, Dan Savage has never been shy about expressing his opinion on controversial topics—political or otherwise. Now, he addresses issues ranging from parenting and the gay agenda to the Catholic Church and health care. Among them: • Why straight people should have straight "pride" parades, too • Why Obamacare, as good as it is, is "still kinda evil" • Why what passes for sex-ed in America is more like "sex dread" • Why the Bible is "only as good and decent as the person reading it" Speaking to a broad range of subjects with brutal honesty and irreverent humor, *American Savage* cements Dan Savage's place as a provocative and insightful voice in American culture. **The Advocate** The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States. **Diversityinc The Palgrave Handbook of Sexual Ethics** Springer Nature The *Palgrave Handbook of Sexual Ethics* is a comprehensive collection of recent research on the ethics of sexual behavior, representing a wide range of perspectives. It addresses a number of traditional subjects in the area, including questions about pre-marital, extra-marital, non-heterosexual, and non-procreative sex, and about the nature and significance of sexual consent, sexual desire, and sexual activity, as well as a variety of more recent topics, including sexual racism, sexual ableism, sex robots, and the #metoo response to sexual harassment. Each chapter defends a substantive thesis about the topic it addresses and the handbook as a whole thereby provides a strong foundation for future research in this important and growing field of inquiry. David Boonin is Professor of Philosophy at the University of Colorado Boulder. He received his B.A. from Yale University and his Ph.D. from the University of Pittsburgh. He is the author of**

seven books on topics including abortion, punishment, race, and our obligations to past and future generations. . The Tolerance Trap How God, Genes, and Good Intentions are Sabotaging Gay Equality [NYU Press](#) From Glee to gay marriage, from lesbian senators to out gay Marines, we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture. Our reigning national story is that a new era of rainbow acceptance is at hand. But dig a bit deeper, and this seemingly brave new gay world is disappointing. For all of the undeniable changes, the plea for tolerance has sabotaged the full integration of gays into American life. Same-sex marriage is unrecognized and unpopular in the vast majority of states, hate crimes proliferate, and even in the much vaunted “gay friendly” world of Hollywood and celebrity culture, precious few stars are openly gay. In *The Tolerance Trap*, Suzanna Walters takes on received wisdom about gay identities and gay rights, arguing that we are not “almost there,” but on the contrary have settled for a watered-down goal of tolerance and acceptance rather than a robust claim to full civil rights. After all, we tolerate unpleasant realities: medicine with strong side effects, a long commute, an annoying relative. Drawing on a vast array of sources and sharing her own personal journey, Walters shows how the low bar of tolerance demeans rather than ennoble both gays and straights alike. Her fascinating examination covers the gains in political inclusion and the persistence of anti-gay laws, the easy-out sexual freedom of queer youth and the suicides and murders of those in decidedly intolerant environments. She challenges both “born that way” storylines that root civil rights in biology, and “god made me that way” arguments that similarly situate sexuality as innate and impervious to decisions we make to shape it. A sharp and provocative cultural critique, this book deftly argues that a too-soon declaration of victory short-circuits full equality and deprives us all of the transformative possibilities of full integration. Tolerance is not the end goal, but a dead end. In *The Tolerance Trap*, Walters presents a complicated snapshot of a world-shifting moment in American history—one that is both a wake-up call and a call to arms for anyone seeking true equality. [OK2BG Lulu.com](#) **OK2BG** is narrative nonfiction, a Memoir about a guy who wants to be a Mentor preferably to a teenager, so they can have a decent & meaningful conversation about stuff & preferably with a kid at-risk, or just otherwise lost, in order to help both the teenager as well as the determined subject of this story realize their unique potential & find or reinforce their place in the world. Overall, a chronicle about the author’s attempt over several years to understand the question of ‘why do I want to be a Mentor’ which eventually helps him become a more insightful person. Subsequently in September, 2010 after a plague of teen suicides, Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at-risk, from bullying. After 5 years Jack has categorized 2,000+ books in the form of Memoirs, Biographies & Autobiographies written by or about 1,000+ allegedly gay men. The primary message in **OK2BG** is to read & reassess before you run asunder! *Love's Promises How Formal and Informal Contracts Shape All Kinds of Families* [Beacon Press](#) Blends memoir and legal cases to show how contracts can create family relationships Most people think of love and contracts as strange bedfellows, or even opposites. In *Love's Promises*, however, law professor Martha Ertman shows that far from cold and calculating, contracts shape and sustain families. Blending memoir and law, Ertman delves into the legal cases, anecdotes, and history of family law to show that love comes in different packages, each shaped by different contracts and mini-contracts she calls “deals.” Family law should and often does recognize that variety because legal rules, like relationships, aren’t one size fits all. The most common form of family—which Ertman calls “Plan A”—come into being through different kinds of agreements than the more uncommon families that she dubs “Plan B.” Recognizing the contractual core of all families shows that Plan B is neither unnatural nor unworthy of legal recognition, just different. After telling her own moving and often irreverent story about becoming part of a Plan B family of two moms and a dad raising a child, Ertman shows that all kinds of people—straight and gay, married and single, related by adoption or by genetics—use contracts to shape their relationships. As couples navigate marriage, reproductive technologies, adoption, and cohabitation, they encounter contracts. Sometimes hidden and other times openly acknowledged, these contracts ensure that the people they think of as “family” are legally recognized as family in the eyes of the law. Family exchanges can be substantial, like vows of fidelity, or small, like “I cook and you clean.” But regardless of scope, the agreements shape the emotional, social, and financial terrain of family relationships. Seeing the instrumental role contracts will help readers better understand how contracts and deals work in their own families as well as those around them. Both insightful and paradigm-shifting, *Love's Promises* lets readers in on the power of contracts and deals to support love in its many forms and to honor the different ways that our nearest and dearest contribute to our daily lives. The *Readers' Advisory Guide to Nonfiction* [American Library Association](#) With a focus on eight categories including memoir, sports, and true crime, a readers' advisory guide includes coverage of the major authors and works, popularity, and style. *Savage Love Straight Answers* from a Queer Sex Columnist *Savage Love* tells (almost) all anyone needs to know about sex. Brutally honest and scathingly funny, Dan's advice will inform and shock the curious reader. *Savage* has the last word on everything from STDs and fetishes, to fundamentalism and orgasms (multiple, premature and faked). He gives advice on how to get into, out of and off on a relationship, explains what straight boys should do with women's genitals and why straight girls dig gay boys. From the queer who knows best, the book sets out to tell it like it is. Don't like my advice? Don't ask for it. Don't like my column? Don't read it. Got better advice? Get your own f**cking advice column. *Life Stories A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* [ABC-CLIO](#) Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. * A list of subjects and suggested "read-alikes" accompany each title * Appendixes cover awards, websites, and resources * Detailed indexes provide further points of access *Current Biography Yearbook The Debatable Book A Must-have Guide for Successful Debate* [IDEA](#) "An invaluable resource for debaters, *The Debatable Book* provides background, arguments and resources on more than 125 debate topics in areas as diverse as business, science and technology, environment, politics, religion, culture, and education. All topics have been updated and 15 new topics added for the revised edition." "Each entry presents: an introduction placing the topic in context; arguments pro and con; sample motions; and Web links and print resources for further research. Organized in a handy A-Z format, the book also includes a topical index for easy searching."--**BOOK JACKET**.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved *Savage Love from A to Z Advice on Sex and Relationships, Dating and Mating, Exes and Extras* [Sasquatch Books](#) America's premier sex advice columnist takes on edgier-than-ever sex-positive topics with his signature candor in his first illustrated collection of adults-only essays, coinciding with the 30th anniversary of the *Savage Love* column. Dan Savage has been talking frankly about sex and relationships for 30 years, and has built an international following thanks to his sex-positive *Savage Love* column and podcast. To celebrate this milestone comes *Savage Love from A to Z*, an illustrated collection of 26 never-before-published essays that provides a thoughtful, frank dive into *Savage's* trademark phrases and philosophies. This hardcover book is for anyone who's had sex, is currently having sex, or hopes to have sex! Essays cover a variety of topics: B Is for Boredom F Is for Fuck First G Is for GGG (Good Giving Game) M Is for Monogamish Whether he's talking about issues like compatibility or specific sex acts, you can be sure he's giving it to you straight. Short excerpts from his classic columns kick off each essay and cheeky illustrations by his longtime collaborator Joe Newton complement the topic at hand. *Savage* has moved the needle toward a more open discourse around sex, relationships, and intimacy, and this book will both inspire and inform his legions of fans. An ideal stocking stuffer! *It Gets Better Coming Out, Overcoming Bullying, and Creating a Life Worth Living* [Penguin](#) Every story can change a life. Watch a video Growing up isn't easy. Many young people face daily tormenting and bullying, making them feel like they have nowhere to turn. This is especially true for LGBT kids and teens who often hide their sexuality for fear of bullying. Without other openly gay adults and mentors in their lives, they can't imagine what their future may hold. In many instances, gay and lesbian adolescents are taunted - even tortured - simply for being themselves. After a number of tragic suicides by LGBT students who were bullied in school, syndicated columnist and author Dan Savage uploaded a video to YouTube with his partner Terry Miller to inspire hope for LGBT youth facing harassment. Speaking openly about the bullying they suffered as teenagers, and how they both went on to lead rewarding adult lives, their video launched the *It Gets Better* Project YouTube channel and initiated a worldwide phenomenon. With over 6,000 videos posted and over 20 million views in the first three months alone, the world has embraced the opportunity to provide personal, honest and heartfelt support for LGBT youth everywhere. *It Gets Better* is a collection of expanded essays and new material from celebrities, everyday people and teens who have posted videos of encouragement, as well as new contributors who have yet to post videos to the site. While many of these teens couldn't see a positive future for themselves, we can. We can show LGBT youth the levels of happiness, potential and positivity their lives will reach if they can just get through their teen years. By sharing these stories, *It Gets Better* reminds teenagers in the LGBT community that they are not alone - and it WILL get better. *Serving LGBTQ Teens A Practical Guide for Librarians* [Rowman & Littlefield](#) This book offers the librarian a practical guide to library service to LGBTQ teens - from collection development, understanding terminology, dealing with censorship issues, programming and outreach, readers' advisory, and even to creating welcoming displays, librarians will find the tools they need to offer exceptional services for LGBTQ teens. *The Marriage and Family Experience: Intimate Relationships in a Changing Society* [Cengage Learning](#) **THE MARRIAGE & FAMILY EXPERIENCE: INTIMATE RELATIONSHIPS IN A CHANGING SOCIETY** brings together all elements of the course -- including intimate relationships, family policy, and family issues. Striking a balance between an academic and more functional approach, the authors draw from research to present a sound sociological and family studies base enhanced by perspectives from anthropology, history, psychology, journalism, literature, economics, and gender studies. The book explores recent research on topics such as adoptive parenting, the transgender experience, childbearing patterns, gay and lesbian families, communication and conflict resolution, the influence of popular culture, and working families. Real-life examples and a focus on self-assessment and reflection make the book accessible and encourage students to think and act for themselves. The thirteenth edition retains a progressive approach to diversity yet remains rooted in a positive, pro-family perspective. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *States of Ambivalence Familiar and National (be)longings Debating Same-Sex Marriage* [OUP USA](#) This volume presents both sides of the debate over whether same-sex marriage should be legalized. *Religion and Sexuality* [Greenhaven Publishing](#) Presents a collection of essays with different viewpoints on the relationship between religious belief and sexuality, with discussions on homosexuality, gay marriage, belief in God and reproductive rights, abortion, celibacy, and the ordination of women. *The Sex Diaries Why Women Go Off Sex and Other Bedroom Battles* [Melbourne Univ. Publishing](#) 'From the time I started working as a sex therapist back in the early 1970s, people have been talking to me about their sex lives. What I hear about most is the business of negotiating the sex supply. How do couples deal with the strain of the man wishing and hoping while all she longs for is the bliss of uninterrupted sleep?' In *The Sex Diaries* Australia's leading sex therapist, Bettina Arndt, uncovers the night-time drama being played out in bedrooms everywhere the creeping hand and feigning of sleep, the staying up late in the hope that he will doze off. It is one of the great inconvenient truths of relationships that after the first blissful years together, most men want more sex than their female partners. Bettina Arndt recruited ninety-eight couples to keep diaries, revealing their intimate negotiations over sex. Who feels like having sex? Who doesn't? And how do couples cope if one person wants it more than the other? She draws on her thirty-five years of experience as a sex therapist and psychologist to provide a provocative analysis that challenges our basic assumptions about sex. With her characteristic humour and insight, Bettina Arndt proposes a new approach to how couples can enjoy regular sex and sustain loving relationships. *The Oxford Handbook of Dance and Ethnicity* [Oxford University Press](#) Dance intersects with ethnicity in a powerful variety of ways and at a broad set of venues. Dance practices and attitudes about ethnicity have sometimes been the source of outright discord, as when African Americans were - and sometimes still are - told that their bodies are 'not right' for ballet, when Anglo Americans painted their faces black to perform in minstrel shows, when 19th century Christian missionaries banned the performance of particular native dance traditions throughout much of Polynesia, and when the Spanish conquistadors and church officials banned sacred Aztec dance rituals. More recently, dance performances became a locus of ethnic disunity in the former Yugoslavia as the Serbs of Bosnia attended dance

concerts but only applauded for the Serbian dances, presaging the violent disintegration of that failed state. The Oxford Handbook of Dance and Ethnicity brings together scholars from across the globe in an investigation of what it means to define oneself in an ethnic category and how this category is performed and represented by dance as an ethnicity. Newly-commissioned for the volume, the chapters of the book place a reflective lens on dance and its context to examine the role of dance as performed embodiment of the historical moments and associated lived identities. In bringing modern dance and ballet into the conversation alongside forms more often considered ethnic, the chapters ask the reader to contemplate previous categories of folk, ethnic, classical, and modern. From this standpoint, the book considers how dance maintains, challenges, resists or in some cases evolves new forms of identity based on prior categories. Ultimately, the goal of the book is to acknowledge the depth of research that has been undertaken and to promote continued research and conceptualization of dance and its role in the creation of ethnicity. Dance and ethnicity is an increasingly active area of scholarly inquiry in dance studies and ethnomusicology alike and the need is great for serious scholarship to shape the contours of these debates. The Oxford Handbook of Dance and Ethnicity provides an authoritative and up-to-date survey of original research from leading experts which will set the tone for future scholarly conversation. The Advocate A encantadora de famílias Com a visão de que toda a família deve ser considerada nas tomadas de decisões, de modo a contemplar as necessidades de todos, e não apenas dos filhos, as autoras oferecem valiosas estratégias para se construir uma família forte e integrada, que apoie a todos os seus membros, seja qual for a circunstância que tenham de enfrentar. Além disso, a obra traz quadros com questões que auxiliam o leitor a entender melhor a sua família por meio da autoavaliação, a identificar suas características, como ela funciona, quais são seus pontos fortes e fracos, e a descobrir o que se pode fazer para transformá-la num ponto de segurança e apoio para todos os seus membros. Editora Manole Unhitched Love, Marriage, and Family Values from West Hollywood to Western China NYU Press Judith Stacey, 2012 winner of the Simon and Gagnon Lifetime Achievement Award presented by the American Sociological Association. A leading expert on the family, Judith Stacey is known for her provocative research on mainstream issues. Finding herself impatient with increasingly calcified positions taken in the interminable wars over same-sex marriage, divorce, fatherlessness, marital fidelity, and the like, she struck out to profile unfamiliar cultures of contemporary love, marriage, and family values from around the world. Built on bracing original research that spans gay men's intimacies and parenting in this country to plural and non-marital forms of family in South Africa and China, Unhitched decouples the taken for granted relationships between love, marriage, and parenthood. Countering the one-size-fits-all vision of family values, Stacey offers readers a lively, in-person introduction to these less familiar varieties of intimacy and family and to the social, political, and economic conditions that buttress and batter them. Through compelling stories of real families navigating inescapable personal and political trade-offs between desire and domesticity, the book undermines popular convictions about family, gender, and sexuality held on the left, right, and center. Taking on prejudices of both conservatives and feminists, Unhitched poses a powerful empirical challenge to the belief that the nuclear family—whether straight or gay—is the single, best way to meet our needs for intimacy and care. Stacey calls on citizens and policy-makers to make their peace with the fact that family diversity is here to stay. Passing/Out Sexual Identity Veiled and Revealed Routledge Passing/Out adopts an inter-generational, inter-disciplinary, and inter-subjective approach to the closeting and revelation of sexual identity, exploring questions of embodiment, ethics and identity in relation to 'passing' or being 'out'. Presenting the latest theoretical and empirical work from scholars working across a range of disciplines including sociology, cultural and media studies, philosophy, gender studies, literary studies and history, this book discusses the nature and history of sexual identity and the manner in which identity functions within social relationships. In recognition of the transformative impact of queer theory upon the study of sexuality and identity, Passing/Out constructs a dialogue between the work of scholars whose intellectual careers began prior to the advent of queer theory and those whose work has been more immediately and directly shaped by this approach, with a view to breaking new ground in the field of identity. Shedding light on the meaning of 'passing' and 'outing' in relation to identity, this volume will be of interest to social scientists and scholars of the humanities working on questions of sexuality, identity, embodiment and ethics. Modern Family Law Cases and Materials Aspen Law & Business This dynamic casebook: - reflects the social diversity of the modern family - examines the social and legal impacts of: the women's movement, the children's rights movement, the fathers' rights movement, domestic violence, changing sexual mores, new family forms, and developments in reproductive technology - integrates valuable interdisciplinary perspectives - covers the basics of family law - presents a variety of problem exercises - heightens student awareness of the real effect of the law on people's lives through narratives and stories about the people behind the cases With cases, notes, problems, and excerpts, the Third Edition: - provides extensive coverage of the same-sex marriage debate and its ramifications, including the Lawrence, Goodridge, and Lofton cases, civil unions and domestic partnerships, parentage determinations, custody and visitation, child support, name changes, property rights, the proposed federal marriage amendment to the Constitution, and the wider implications for gender classifications in family law - presents expanded treatment of domestic violence, including Town of Castle Rock v. Gonzalez, discrimination against abuse victims in the areas of housing and employment, victims' attempts to change names and hide, and the implications for custody and support - discusses custody and visitation rights of both grandparents and stepparents in the post-Troxel era - supplies revised coverage of the family-work conflict, including discussion of the glass ceiling, the maternal wall, and the gendered household division of labor - treats right-to-die issues, most notably the Terri Schiavo case and its ramifications for privacy, the family, and federalism - addresses partial-birth abortion bans and teenagers' abortion rights - includes expanded treatment of sexual orientation in terms of employment, housing, domestic violence, and the military's don't ask, don't tell policy - considers fetal protection measures at both the federal and state levels - deals with important evidentiary issues, such as the child abuse implications of Crawford v. Washington and the interspousal wiretapping case of Glazner v. Glazner - reviews paternity disestablishment for husbands who deny paternity after genetic tests disprove their biological fatherhood - updates issues of contraceptive fraud, such as the purloined sperm cases Beyond Same-Sex Marriage Perspectives on Marital Possibilities Rowman & Littlefield This edited volume contributes to the growing literature on post-marriage-equality marriage. It is the first interdisciplinary approach to understanding the various historical, empirical, normative, and legal dimensions of marriage as Americans begin to imagine what marriage could be like in the future. The Publishers Weekly
