KEY=KID - WOODARD JENNINGS

The Carson Kids and the Secret of Howling Cove

WildWest Publishing Blake and Jennifer Carson looked forward to their vacation on Crook Island where the legendary cache of Russina Gold might be hidden. But they weren't looking forward to sharing the cabin or the adventure with Lyle Radonsky, a stubborn, surly loner who soon began to lure them toward the rugged tip of the island where strange clues, mounting terror and unexpected danger waited.

The Secret Guide to Fly Fishing

Lulu Press, Inc Fly fishing was once viewed as a sport for men. This may be due in part to the early elitist status of the sport. Even nostalgia tends to favor the masculine involvement in fly fishing. However, fly fishing is now appropriately recognized as a great sport fishing option for men and women alike. In fact, estimates are that there are well over one million women who now participate in fly fishing. Some estimates are that women now account for 15-20% of modern fly fishers. Discover everything you need to know by grabbing a copy of this ebook today.

Buck Wilder's Small Fry Fishing Guide

A Complete Introduction to the World of Fishing for Small Fry of All Ages

Buck Wilder An introduction to the world of fishing is accompanied by illustrations of various freshwater fish.

The Fisherman's Prayer

Stories, Poems, and Prayers from The Olympic Peninsula

iUniverse Pat Neal has a problem. It's not gambling, drinking, or sex. His addiction comes in the form of the salmon and steelhead that swim in the rainforest rivers of the Olympic Peninsula. As a child, he was diagnosed with a severe case of fishing attention deficit disorder (FADD), a disease that plagues him to this day. Of his fellow fishing enthusiasts, Neal notes: "People with fishing problems may spend inordinate amounts of time talking about their disease, even if they do show up for work. Most anglers are in complete denial over how much they spend on fishing until other members of the family start whining about food or shoes." Based upon the ever-popular Lord's Prayer, The Fisherman's Prayer has been reformulated for today's modern fishing conditions and is not limited to the water. The Fisherman's Prayer works on all species of fresh and saltwater game fish. Don't go fishing without a prayer!

The Fun Guide to Walt Disney World for Kids!

2023

Travel Made Easy (Updated September 1, 2022!) Includes Lightning Lanes & Genie+. Now with puzzles and games! Get your entire family excited and involved in the planning of your Walt Disney World vacation. Casting into Mystery

The Porcupine's Quill 'Every time I leave the world of work, family and community to wade into a river with fly rod in hand, I enter a sacred space that sometimes finds expression in the written word.' In Casting into Mystery, writer Robert Reid and wood engraver Wesley W. Bates—avid anglers, both—put ink to paper in homage to the venerable sport of fly fishing. Through text and image, they recall with fondness the 'company of rivers' each is grateful to know, providing a glimpse inside a sporting culture teeming with literature, art and music. Part memoir, part objet d'art and part field guide, Casting into Mystery will delight passionate fly fishing practitioners and armchair anglers alike.

The Bradys After the Chinese Tong Fiends; Or, The Secret Cellar on Mott Street

Walleye Fishing

The Rosen Publishing Group, Inc Anglers will jump at the chance to get the nitty-gritty of fishing for walleye that this authoritative resource provides. Besides basic fishing knowledge and safety points, anglers investigate spinning rods and reels, jigs and crankbaits, and live bait in this text that offers students opportunities to analyze key concepts and integrate them as expected in the reading standards for literacy in science and technical subjects. Readers learn how to identify walleye, learn about their habitats and eating habits, and get essential tips about taking care of the catch. Fishing regulations and licenses, and catch-and-release techniques are explained, as are methods to preserve and document outstanding fishing experiences. Because walleye are greatly valued game fish, anglers examine the issues of overfishing, water pollution, and climate change, and ways they can contribute to walleye conservation efforts.

Creative Kids Complete Photo Guide to Sewing

Family Fun for Everyone - Terrific Technique Instructions - Playful Projects to Build Skills

Creative Publishing International Are you looking for the perfect guide to teach your child to sew? Look no further! Creative Kids Complete Photo Guide to Sewing starts with the absolute basics about stitching, beginning with simple hand sewing, then gradually introduces skills and techniques until kids are sewing safely and confidently at a sewing machine. Founders of The Sewing Tree, Janith Bergeron and Christine Ecker will guide you and your children through creative and fun sewing projects. With over 200 photos and clear, concise instructions in language easily understood by grade-school kids, you're going to be creating crafty sewing projects with your child in no time! Each project lists the sewing skills that will be exercised in making it and projects are rated for difficulty, so kids can learn and grow as they develop dexterity and coordination. Your children will learn to sew by making simple projects and building skills by practicing the essentials, and this book provides a sound foundation for a lifetime of sewing enjoyment.

Wild Games

Hunting and Fishing Traditions in North America

[Univ. of Tennessee Press](#) Humans understand at least some of what it means to be human, both literally and figuratively, in reference to wild animals. Our relationships with wildlife have traditionally been expressed in terms of hunting; more recently, these relationships have also been manifest as efforts to prevent hunting. Hunting and fishing traditions are, in fact, under fire by critics at the same time that they are receding of their own accord - perhaps becoming even more endangered than any of the pursued animals. These traditions form the major focus of *Wild Games*, a new collection of essays that looks at the folklore and culture of various hunting and fishing practices, documenting the central importance of hunting to many rural societies, even in modern times. Editors Dennis Cutchins and Eric Eliason contend that hunters often don't perceive of themselves as separate from the wild but, rather, identify strongly with a natural order - integrated with, rather than standing apart from, the fluctuation of ecosystems. And they frequently don't see wild animals as "set apart" but understand them as food sources, competitors, friendly rivals, and even equals. Featuring contributions from a variety of distinguished scholars and writers - including an essay by the noted folklorist Simon Bronner on the culture of the deer camp, a fascinating account of coyote tracking by Eric Eliason, and an examination of the role of gender in outdoor life by Diane Humphrey Lueck - this book shows how the traditions of hunting and fishing tend to bind hunter and prey into ancient patterns that often defy contemporary culture.

The Gay Boys of Old Yale!

A Book of Wit and Humor Showing the Scrapes & Escapes of College Life and how the Boys "go It" at New Haven

The Emily Kincaid Mysteries Boxed Set

Books 1-3

[Beyond The Page](#) The first three books in the riveting Emily Kincaid Mystery Series by Elizabeth Kane Buzzelli! "Every woman who's ever struggled with saying no, fitting in, and balancing independence against loneliness will adore first-timer Emily." —Kirkus Reviews
Dead Dancing Women Following an ugly divorce and the death of her father, Emily Kincaid decides what she needs most is peace and quiet and time to think, so the part-time journalist and full-time struggling mystery writer relocates to a remote house in the woods of northern Michigan. When a severed head shows up in her garbage can, Emily knows she's been singled out, and suddenly her peaceful solitude feels a lot like isolation and vulnerability. Knowing she'll have to root out a killer to save her peaceful paradise, Emily teams up with the cantankerous Deputy Dolly and begins navigating between eccentric town gossips and reclusive neighbors who would rather be left alone. When the killer gets too close for comfort, Emily knows she'll have to put aside her fears before the natural life she's chosen comes to a grisly and very unnatural end.
Dead Floating Lovers With a murderer behind bars, Emily Kincaid is finally settling into what she hopes will be a peaceful new home in the remote woods of northern Michigan and a burgeoning career as a mystery writer. Until foul-weather friend Deputy Dolly Wakowski shows up on her doorstep with frantic tales of a dead body and demands her help. The receding waters of a local lake have revealed a bullet-pierced skull and a keepsake, and both could belong to a man Dolly once loved—and lost. As Emily reluctantly agrees to help, another set of bones surface—this time of an Odawa Indian girl. It's not long before Emily finds herself wading through Dolly's painful past and digging into the town's dark history. When the connection between the two victims points to an ugly truth that threatens to unravel Dolly's world, Emily vows to sort through the clues and find a killer, even if it breaks Dolly's heart—or costs them both their lives. "A mystery that keeps you guessing, together with the story of a woman slowly finding her voice" —Kirkus Reviews
Dead Sleeping Shaman The End Timers, a cult-like group, have descended on part-time journalist and aspiring mystery author Emily Kincaid's small Michigan town. With dire warnings that the end of the world is just two weeks away, the entire community has been disrupted by psychics, cult followers, believers and disbelievers alike. But when Emily's latest job assignment leads her to an eerily motionless woman propped against a tree, she realizes that at least one person's world has come to an end all too soon. Turning to her friend Deputy Dolly Wakowski for help, she's stunned to learn that Dolly has turned in her badge and joined the cult, leaving Emily to fear for her friend's sanity and forcing her to try to solve the case on her own. As the days tick away to the end of the world, Emily has to navigate her way through a crowd of true believers, a group of shamanic well-wishers, and a suspiciously secretive cult leader to rescue her friend and catch a killer. "Buzzelli's well-crafted third Emily Kincaid . . . [features] sharp prose and spirited characterizations." —Publishers Weekly "Readers will find the same strong sense of place and great characters that are hallmarks of Sarah Graves and Philip Craig." —Library Journal

Maccloud's Secret: Stories of Mystery, Adventure, and Love

[iUniverse](#) Brimming with high stakes adventure, chilling mystery, and passionate romance, this collection of two novellas and eight short stories speaks to the emotions that make life fascinating. In the title story, "MacCloud's Secret," Angus Duncun MacCloud feels that he's taken advantage of a bereaved widow, and asks for her hand in marriage. But when she turns up dead, suspicion falls on MacCloud, and he must explain how someone broke into his home without anyone hearing or seeing anything. MacCloud guards his secret, as the authorities seek to uncover the truth. Other stories in this collection deal with the periphery of war. In "The Commander's Car," a prewar ensign is given a degrading order by the executive officer. But when he gets his revenge, the entire base celebrates. "Leilani" was a lovely Hawaiian girl who couldn't decide what soldier was worth loving, so she loved them all. Mark Cummings can't accept that and forty years later he returns to Hawaii hoping he'll find the woman who betrayed him-the woman he still loves. "A Fish Story" tells the tale of a Cold War fish that produces a special serum, which causes a worldwide sensation and becomes the biggest story since the launch of Sputnik. Can this creature save the world? Six other stories round out this collection of tales sure to ignite your imagination!

The Bradys and the Telegraph Boy; Or Exposing the League of Three

The Bradys in Death Swamp; Or, Downing a Desperate Band and Other Stories

From Ridgetops to Riverbottoms

A Celebration of the Outdoor Life in Tennessee

[Univ. of Tennessee Press](#) A collection of previously printed light reading (most of the stories appeared first in The Knoxville News-Sentinel or in Waterfowler's World magazine) by journalist Venable, who has been writing about fishing and hunting in Tennessee for 25 years. Its many brief stories detail outdoor lore from the perils of quailing to the benefits of bats, and profile various characters Venable has met over the years. In all, the pieces make up a big love letter to the wild places in his native state. No index. Annotation copyright by Book News, Inc., Portland, OR

The Secret Lives of Fishermen

More Outdoor Essays

[UNC Press Books](#) The Secret Lives of Fishermen is Jim Dean's second book of essays celebrating wild places, rural traditions, and the pleasures and often humorous frustrations of fishing, hunting, hiking, and camping--or, as Dean might put it, "messing around" outdoors. It combines essays originally published in his monthly "Our Natural Heritage" column in Wildlife in North Carolina with longer pieces that appeared in other magazines. These forty-six engaging essays are arranged in a loose chronicle of the sporting year, but they seldom follow predictable routes. From a whimsical story about discovering live wood ducks in a cabin stove to a poignant memoir of summers spent in a remote riverside shack, all of the pieces are bound by a conviction that our resources and time are limited and our finest memories are shared. The title notwithstanding, not all of the essays in The Secret Lives of Fishermen are about fishing, nor are readers likely to discover any shocking secrets--unless they are surprised to learn that fishermen and hunters have myriad interests and seldom measure success by the number of fish caught or game bagged.
