[PublishDrive](#) **Does public speaking paralyze you and tie your stomach into knots? Want to get a standing ovation every time? What goes into a dazzling opening and closing? Does the prospect of facing embarrassing judgment make your palms sweat? Or do you want to learn how to absolutely own the stage and become a magnetic speaker? Public speaking and presenting is one of the most common phobias -- and it's completely understandable. When else in our**

lives are we so open and vulnerable? But it's a necessary evil in all aspects of our lives, whether professionally and personally. From making a presentation in the boardroom to being more confident with the opposite sex, your speaking skills will take you to the next level and get what exactly what you want in your life. **Fearless Public Speaking** is the rare book that will (1) help you destroy your anxiety so you can confidently take any stage, and (2) once you're up there, be unforgettable and captivating as a speaker. The tenets in this book come from studying the experiences of the best presenters in the world, from CEOs, standup comics, to actors, and more. Jason Bax, noted actor, speaker, and entrepreneur, lends his thoughts in a guest chapter. And me? I'm a social skills and charisma coach, speaker, and semi-professional musician who thrives in front of the crowd... but I wasn't always like this - I know your struggles and I can help you from point A to point B! How will you learn to captivate audiences? •Why knowing where your audience gets their news is key to your memorability. •How to construct a bulletproof opening and closing. •How to make sure you reach any audience emotionally. •Overcoming stage fright and jitters with mental rehearsal techniques. As well as... •What rehearsed spontaneity is and how it makes your audience connect. •Stage presence techniques of the masters of performance like Freddie Mercury. •How standup comics own the stage and win over hostile crowds. •What a memory palace is and how it will help you memorize your speech. Put the audience in the palm of your hand, starting now! •Feel confident and empowered in taking the stage anywhere, anytime. •Speak your way to better jobs and relationships with each mini-presentation. •Build a reputation as an effective and engaging speaker. •Learn to overcome judgment and build self-confidence. •Own the room, audience, and applause.

### **BEING LOLITA**

---

---

#### **A MEMOIR**

---

Hachette UK "Have you ever read Lolita?" So begins seventeen-year-old Alisson's metamorphosis from student to lover and then victim. A lonely and vulnerable high school senior, Alisson finds solace only in her writing and in a young, charismatic English teacher, Mr. North. He praises her as a special and gifted writer, and she blossoms under his

support and his vision for her future. Mr. North gives Alisson a copy of *Lolita* to read, telling her it is a beautiful story about love. The book soon becomes the backdrop to a relationship that blooms from a simple crush into a forbidden romance, with Mr. North convincing her that theirs is a love affair rivalled only by Nabokov's masterpiece. But as time progresses and his hold on her tightens, Alisson is forced to evaluate how much of that narrative is actually a disturbing fiction. In the wake of what becomes a deeply abusive relationship, Alisson is faced again and again with the story of her past, from re-reading *Lolita* in college, to working with teenage girls, to becoming a professor of creative writing. It is only with that distance and perspective that she understands the ultimate power language has had on her and how to harness that power to tell her own true story. *Being Lolita* is a stunning coming-of-age memoir of obsession, passion and manipulation, shining a bright light on our shifting perceptions of consent, vulnerability and power. This is the story of what happens when a young woman realises her entire narrative must be rewritten and then takes back the pen to rewrite it.

**AND OTHER FUNNY MEMORIES ABOUT AWFUL MOMENTS**

HarperCollins The author of the New York Times bestseller *Everything Is Perfect When You're a Liar* returns with a deeper and even funnier new collection of essays about the pleasures and perils of living in Kelly Oxford's head. Kelly Oxford likes to blow up the internet. Whether it is with the kind of Tweets that lead Rolling Stone to name her one of the Funniest People on Twitter or with pictures of her hilariously adorable family (human and animal) or with something much more serious, like creating the hashtag #NotOkay, where millions of women came together to share their stories of sexual assault, Kelly has a unique, razor-sharp perspective on modern life. As a screen writer, professional sh\*t disturber, wife and mother of three, Kelly is about everything but the status quo. Perfect for anyone who ever wished David Sedaris and Mindy Kaling would just finally write a book together already, *When You Find Out the World is Against You* is filled with the biting, wise, and laugh-out-loud insights that have won Kelly legions of fans. Whether she's detailing her obsession as an eleven-year-old with going to camp so she can become a "kissing bandit," exploring the bittersweet boredom that so often accompanies parenthood, calling out the insanity of a posse of internet poodle vigilantes, writing bracingly about the anxiety that has plagued her as long as she can remember or taking us to ride shotgun as she stalks her husband on an accidental date with another man, *When You Find Out the World Is Against You* is Kelly at her most honest and disarmingly funny best. Her comedic skill, down-to-earth voice, and bull's-eye observations on the absurdity of modern life mean there is nothing quite like seeing the world through Kelly's eyes.

## **IN PRAISE OF MESSY LIVES**

Canongate Books Is there some adventure out there that we are not having, some vividness, some wild pleasure, that we are not experiencing in our responsible, productive days? ... We are bequeathed on earth one very short life, and it

might be good, one of these days, to make sure that we are living it.' As steely eyed in examining her own life as she is in skewering our cultural pitfalls, Roiphe gives us autobiographical pieces that are by turns, deeply moving, self-critical, razor-sharp, entertaining and unapologetic in their defence of 'messy lives'. *In Praise of Messy Lives* is powerfully unified, vital work from one of our most astute and essayists writing today.
