Jovah's Angel

Hachette UK GOD IS ANGRY The severest storms ever recorded are ripping Samaria apart. Desert has become swamp, hurricanes howl over ferocious seas. The peoples of a once simple world have turned against their centuries-old faith, embracing new technology, squabbling over land, hopelessly repeating history all over again. It is up to godless Caleb, who dreams of flying like the Angels, to discover the incredible cause of the chaos .

..

The Alleluia Files

Hachette UK It has been one hundred years since the Archangel Alleluia and the mortal Caleb discovered the truth about the god of Samaria. Legend says they left a record of that truth, though no document has ever been found. In time, an underground cult arose, seeking to find again what Alleluia found. But the reigning Archangel Bael called down the wrath of Jovah upon the cult, and hundreds died in a hail of thunderbolts. Yet some survived. Among them is Tamar, child of cultists, raised in captivity among the angels. Tamar believes that the Alleluia Files exist. She is determined to find them, and to free the people of Samaria from their fear of Jovah. In her search, she encounters the angel Jared, one of the members of his own kind who have come to question the wisdom of Bael. Together, these two uneasy allies will journey the length and breadth of Samaria, risking their lives and the lives of their comrades, seeking a truth that will alter the face of Samaria forever...

Angelica

Hachette UK Two hundred years ago, in order to keep the peace in Samaria, the god Jovah created a legion of land-dwelling angels, led by an appointed Archangel. Now, Jovah has a new appointee: Archangel Gaaron. And for his life-mate, his Angelica, Jovah has chosen a woman named Susannah. With trepidation, she bows to the will of Jovah and an unspoken affection develops between the two. But there is a terrible threat besetting the land - black-clad strangers who call fire down from the sky, leaving death and destruction in their wake, And the true hearts of Archangel and Angelica may never be known, as the future of the planet hangs in the balance...

For Zoe is coru: ruled by the elemental sign of water. Gradually she discovers that she is, in fact, the coru prime. Which means she must return to the palace, not as an unwilling bride for the king but as a woman with power in her own right . . .

Mystic and Rider

Hachette UK Gillengaria seethes with unrest. In the south, hostility toward magic and its users has risen to dangerous levels, though King Baryn has ordered that such mystics are to be tolerated. It is whispered that he issued the decree because his new wife used her magic powers to ensnare him . . . The King knows there are those in the noble Twelve Houses who could use the growing dissent to overthrow him. SO he dispatches the mystic Senneth to assess the threat throughout the realm. Accompanying her is a motley band of magic users and warriors including Tayse, first among the King's Riders - who holds a hard view of mystics in general, and Senneth in particular. But as the unlikely allies venture farther into the south, they will face death in a land under the sway of a fanatical cult that would purge Gillengaria of all magic users. And they will come to realise that their only hope of survival lies in standing together . . .
