**A Boy Named Erik** [Erik Walter](#) **Baa Baa Black Sheep The True Story of the "Bad Boy" Hero of the Pacific Theatre and His Famous Black Sheep Squadron** [Bantam](#) Here, in his own words, is the true story of America's wildest flying hero, of his extraordinary heroism, and of his greatest battle of all—the fight to survive. The World War II air war in the Pacific needed tough men like Colonel Pappy Boyington and his Black Sheep Squadron. The legendary Marine Corps officer and his bunch of misfits, outcasts, and daredevils gave new definition to “hell-raising”—on the ground and in the skies. Pappy himself was a living legend—he personally shot down twenty-eight Japanese planes, and won the Congressional Medal of Honor and the Navy Cross. He broke every rule in the book doing so, but when he fell into the hands of the vengeful Japanese his real ordeal began. **Hayden Lake A Brief Primer** **Hayden Lake: A Brief Primer** describes the popular North Idaho Lake and its watershed. The book deals with matters as simple as access to the lake and its watershed. The book describes of the complex underlying geology of the lake and its immediate surroundings, the flora and fauna of the lake and its watershed and a brief history of man's impacts on the lake and watershed. Building on these elements the inner workings of the lake and watershed's hydrology, limnology, and aquatic biota is discussed. **A final chapter outlines the challenges and opportunities in managing the quality of the watershed and the lake into the future.** **Non Obvious Megatrends How to See What Others Miss and Predict the Future** [IdeaPress Publishing](#) **All New 10th Edition of the WSJ bestseller! Featuring 10 Bold new Trend Predictions Winner of 9 International Book Awards Introducing the highly awaited tenth edition of The Wall Street Journal bestseller and trend**

report featuring ten bold new megatrend predictions that will shape our world in the coming decade. What if you could predict the trends that will change your business? For the past ten years, Rohit Bhargava's signature annual Non-Obvious Trend Report has helped over a million readers discover more than 100 trends changing our culture. Now for the first time, Rohit and his team of Non-Obvious trend curators reveal ten revolutionary new Megatrends that are transforming how we work, play and live. -- How might the evolution of gender fluid toys change our culture? -- What can the popularity of handmade umbrellas and board games teach us about the future of business? -- Why do robot therapists and holographic celebrities actually demonstrate the importance of humanity? The answers to these questions may not be all that obvious, and that's exactly the point. This completely revised 10th Anniversary edition of Non-Obvious also offers an unprecedented look behind the scenes at the author's signature Haystack Method for identifying trends, and how you can learn to curate and predict trends for yourself. You don't need to be a futurist or innovator to learn to think like one. The key to growing your business or propelling your career into the next decade lies in better understanding the present. The future belongs to non-obvious thinkers and this book is your guide to becoming one. Ellison's pulse-pounding new psychological thriller examines the tenuous bonds of friendship, the power of lies and the desperate lengths people will go to in order to protect their secrets. Goode girls don't lie... Perched atop a hill in the tiny town of Marchburg, Virginia, The Goode School is a prestigious prep school known as a Silent Ivy. The boarding school of choice for daughters of the rich and influential, it accepts only the best and the brightest. Its elite status, long-held traditions and honor code are ideal for preparing exceptional young women for brilliant futures at Ivy League universities and beyond. But a stranger has come to Goode, and this ivy has turned poisonous. In a world where appearances are everything, as long as students pretend to follow the rules, no one questions the cruelties of the secret societies or the dubious behavior of the privileged young women who expect to get away with murder. When a popular student is found dead, the truth cannot be ignored. Rumors suggest she was struggling with a secret that drove her to suicide. But look closely...because there are truths and there are lies, and then there is everything that really happened. Don't miss It's One of Us, the next page-turning thriller from New York Times bestselling author J.T. Ellison! The Hierophant Card How can you determine if someone is telling the truth? Did Thalia Thalassos try to kill her cheating husband, despite her denials? Why is nurse Bryce Gilbertson giving a false name to visitors as he

rooms hospital hallways with a deadly syringe in his pocket? In this sixth Tarot Mystery, Xana Bard must use her tarot-trained intuition to unravel the truth from its nest of lies, and along the way learn more about golf tournaments and long-distance horse races than she, or anyone else, cares to know. Spitfire A Livy Nash Mystery [Crooked Lane Books](#) A page-turning new historical mystery for fans of Susan Elia MacNeal's Maggie Hope series and Kate Quinn's The Alice Network. How far would you go for vengeance? It's V-E Day 1946 in London. World War II is long over, and former spy Livy Nash is celebrating with her third drink before noon. She went to war to kill Nazis. Dropped behind enemy lines as a courier, she quickly became one of the toughest agents in France. But her war ended with betrayal and the execution of the man she loved. Now, Livy spends her days proofreading a demeaning advice column for little ladies at home, and her nights alone with black market vodka. But everything changes when she meets the infamous Ian Fleming. The man who will create the world's most sophisticated secret agent has an agenda of his own and sends Livy back to France with one task: track down the traitor who killed the only man she ever loved. Livy jumps at the chance, heading back to Paris undercover as a journalist. But the City of Lights is teeming with spies, and Livy quickly learns just how much the game has changed. With enemies on every corner and ever-shifting alliances, she'll have to learn to fight a new war if she wants to conquer the past once and for all.
